General Initiatives

- **Facebook:** Residents are reminded to check out the police departments' Facebook page and to make us a "friend".

- **Promotional and Hiring Timeline–**

  Interviews for Chief and Captain position(s) were held, the Committee selected Bruce Koch for Chief AND Michael Scardino for Captain.

- **Traffic –**

- **Devon Avenue Walkway Connection with Bellmawr-** Spoke with the Borough Engineer and will speak with Director. I want the Borough to consider a walkway along Devon Avenue which connects to the Borough of Bellmawr walkway.

- **Kings Highway at Hillside-** Borough Engineer worked with County to improve the pedestrian crosswalk. Submitted duel application to County again this year. County requires the utilities under the roadway to be certified. Therefore, this project is highly unlikely.

- **Parking on "Avenue" and Borough Lots** – to be discussed by HHPB, PD is not vested in project just wants overall Borough approved plan. Delivery parking signs were removed from the 500 Station Borough lot.

STATE OF NEW JERSEY

PLEDGE TO SUPPORT

THE FAIRNESS FORMULA

EQUAL SCHOOL FUNDING & PROPERTY TAX RELIEF

"A funding formula that puts a higher value on one child over another is morally wrong and it has been economically destructive. I will travel across the state to talk about this plan to lower property taxes for the people of New Jersey and bring fairness to the funding of our schools. Every child has potential. Every child has goals. No child's dreams are less worthy than any other child's. No child deserves less funding from the state's taxpayers." - **GOVERNOR CHRIS CHRISTIE**, 6/21/16

Dear Governor Christie:

I, **Mayor** Jack D. Merryfield (Full Name) of Haddon Heights (Municipality),
support your Fairness Formula, which will provide each school district with $6,599 per-pupil in state aid. The Fairness Formula will ensure that all students have equal funding to be successful and will provide property tax savings for our residents.
