PUBLIC COMMENT:

Mayor Forte called for Public Comment.

Trish Sheilds, 206 Eighth Avenue– Ms. Sheilds commented that the Board of Education meeting was changed to tomorrow, Wednesday, May 6th. Council President Lange corrected the record and thanked Ms. Sheilds.

Roni Olizi, 3rd Avenue – Ms. Olizi expressed her disappointment that she had to make public comment this evening. She began by asking Councilman DiRenzo how many OPRA requests he has filed in the few weeks Councilman DiRenzo responded that he would not answer Ms. Olizi's question. Discussion ensued between Councilman DiRenzo and the Borough Clerk Kelly Santosusso regarding the recent request for documents. Ms. Olizi then asked Councilman DiRenzo what his opinion was of the Memorial Clock Monument. DiRenzo answered that he did not like the color but thought that the monument was beautiful. Discussion ensued regarding Councilman DiRenzo's attendance at various Committee meetings relative to decisions regarding monies donated to the clock in preparation for the rededication ceremony of the Memorial Clock for the 20th Anniversary of the tragedy of our fallen officers. Councilman DiRenzo said that he had a problem with the Memorial Clock Committee asking Quasi groups for money to complete the necessary repairs for the rededication ceremony. DiRenzo stated that he thought the PBA had a maintenance fund for the Clock. Both Councilwoman Griffith and Roni Olizi explained that this was not the case. Griffith went on to explain that the Committees intention was to get the work done prior to the Ceremony and in doing so, came to the realization that there were some large expenditures needed to make this happen. Olizi said that what is important to note is that no taxpayer dollars have been utilized for any of the improvements to the monument/Clock.

Councilman Berryhill expressed his concern stating "the way in which you are seeking access to these records is what I have a problem with. You suggested that a conflict solicitor be appointed in your letter. DiRenzo said that a conflict solicitor was not necessary. Solicitor Olizi responded that Councilman DiRenzo made specific mention in his letter to the Clerk that a conflict solicitor should be consulted.

Mrs. Olizi then commented that Councilman DiRenzo should resign due to the recent actions he has taken. Olizi then inquired as to when domain names that were purchased by Councilman DiRenzo would be released. Councilman Berryhill then attempted to address Councilman DiRenzo stating that due to the request of this documentation, I now have to speak to an attorney. Why are you requesting all this information? You are costing the taxpayer and the town money. Councilman DiRenzo stated that he has the right to this information to determine how we are spending money. Berryhill said "I implore you to withdraw the request as this is costing the town money, time and I do not understand why you would request this information.

Councilwoman Griffith commented that she and members of various Committees have spent hours on gathering this information. "These are volunteers who should not be scrutinized. Everyone is doing the right thing. Why are you going after volunteers in this town who are the backbone of the town?" said Griffith.

Council President Lange commented that perhaps we should have a policy in place for the quasi groups. Mayor Forte said that he informs all groups at the annual Reorg that they are to submit Minutes and Agendas to the Clerk throughout the year. Lange responded that she is glad to hear we have a policy in place. Mayor Forte said it is the responsibility of the Councilmembers who are Directors over these Departments to ensure that this is done.

Councilwoman Griffith said that the Memorial Clock Committee wanted to be sure the waiting to be done.

John Frank, 510 4th Avenue – Mr. Frank said that he owns the Karate Studio on Station Avenue and is a member of the HIP Heights in Progress. He said that several weeks ago, he attended a meeting in an effort to address his concerns relative to Councilman DiRenzo's purchase of several domain names that relate to HIP. He went on to describe concerning behavior during a Business Association meeting. He said that he returns this evening to see if this matter has been addressed and to see if there is anything left to discuss. Councilman DiRenzo responded that he would not answer any questions at this time.

Councilman Miller interjected addressing Councilman DiRenzo and said "We have not had any problems and I am not attacking you but I would like to gain an understanding of this so I would like to ask you some questions as I was not present at the meeting in which this was brought up." DiRenzo responded that he will not answer any questions at this time. Councilman Miller said that since he was quoted in the paper, he would like to take this chance to address this. Councilman DiRenzo said, "You see an opportunity, you take it." Councilman Miller expressed his concern regarding this conduct by an elected official saying that what we do in our private lives is scrutinized as an elected official. DiRenzo responded, "I disagree with your thought process." He went on to say that certain businesses in town are favored while businesses on the White Horse, Black Horse Pikes and Kings Highway have been ignored. Councilman Miller expressed his concern that information was given to him that Councilman DiRenzo made threatening comments during the Business Association meeting. He said that his overall concern is that although DiRenzo's actions are not illegal, they could be deemed unethical and could thereby impact the town from a liability standpoint. Councilman Miller clarified that we do not want Councilmembers to be perceived as "threatening". DiRenzo disagreed with Councilman Miller's concern that his conduct during the Business Association meeting was combative, argumentative and threatening toward a business owner. Councilman Merryfield said that he was present and relayed the conversation from the Business Association meeting. Merryfield went on to describe a threatening tone from Councilman DiRenzo at a recent Caucus meeting. DiRenzo said that "I am proud of what I did and I want to move forward."

Councilman Berryhill commented that "The problem I have is that if the information you have gained as a Councilman and then used that information to better yourself, I think this is an ethical issue." DiRenzo asked if Councilman Berryhill has proof of this. "From what I read in the newspaper, it sounded as if you were trying to gain financially." DiRenzo said he would welcome Councilman Berryhill's concerns to be turned over to the Prosecutor's office.

Mayor Forte asked Mr. Frank if his questions were answered. Mr. Frank responded that he has accepted the answer as no answer from Councilman DiRenzo.

Trish Sheilds, 206 8th Avenue – She said that Councilman DiRenzo has every right to abstain from the vote on the Municipal Alliance ordinance. She wanted to address his concerns about her voting as municipal

coordinator of the Drug Alliance. Sheilds explained that Sue Griffith called Betty Ann Cowling, the County Coordinator for the Municipal Alliance and was assured that there is no problem with the coordinator's voting. Mrs. Cowling clarified that the Coordinator of the alliance has every right to vote and the chair of the committee does not. DiRenzo responded that he based his opinion a written document which says the Coordinator cannot vote but that the Chair can; he said he would be happy to provide the document to Ms. Sheilds. DiRenzo explained that his concerns about this is for the continuity and operation of the Alliance.

Council President Lange commented that a Councilmember is to submit reasons for an abstention from any vote in the meeting be explained in writing to the Borough Clerk.

Fire Chief Nick Scardino wished to express his thanks to Borough Council and to the Clerk's office for a fantastic job regarding the hiring process for the Career Firefighter position. He specifically thanked Deputy Clerk Katie Compton and Borough Clerk Kelly Santosusso for their roles in this detailed process. He said that the first round of interviews were conducted by three former Chiefs blindly (no names). Chief Scardino thanked Mayor Forte, Councilmen Merryfield, Miller and Councilwoman Griffith for their involvement. Griffith said that this was a very thorough process and she was proud to be a part of it. Chief Scardino said that the final five were all great candidates and he is sure they will do well in the field. Scardino said he is sure the best and most qualified candidate was selected in Joseph Hales.

A motion to close the Public Comment portion of the meeting was made by Councilwoman Griffith, seconded by Councilman Merryfield. All members present were in favor.

Mayor Forte announced that Council would be going into Executive Session. Mayor and Council proceeded upstairs.

Mayor Forte excused himself from Executive Session as he was to return to Atlantic City for an Emergency Management Conference.

Following Executive Session, Council President came downstairs to see if any public were still present. No one was present.

Council President asked for a motion to open the meeting. Motion was made by Councilman Berryhill, seconded by Councilman Merryfield. All members present were in favor.

RESOLUTION AUTHORIZING HADDON HEIGHTS SOCCER CLUB TO PLACE SPONSORSHIP SIGNS AT THE MCCULLOUGH COMPLEX

WHEREAS, the Borough of Haddon Heights Soccer Club (hereinafter "HHSC") is the primary user of the fields located on Devon Avenue in the Borough of Haddon Heights known as the McCullough Complex; and

WHEREAS, the Borough of Haddon Heights recently was required to remove the field lights from the complex due to the condition of the supporting structures requiring replacement; and

WHEREAS, it is the intention of the Borough of Haddon Heights along with the HHSC to seek appropriate and adequate funding so that the field lights may be replaced with a lighting system which is more technologically advanced than the former lights and structures and which will allow for more opportunities for field use by extending usable time into the evening; and

WHEREAS, the HHSC has determined that it can provide some measure of funding for the light replacement by offering sponsorship signs for placement on the fencing at the McCullough Complex; and

WHEREAS, the Borough of Haddon Heights desires to authorize the placement of signs on its property so long as there is adequate and ongoing regulation with regard to size, location and maintenance; as well as quarterly accounting for any sponsorship funds received by HHSC; and

NOW, THEREFORE, BE IT RESOLVED, that the HHSC is hereby permitted to offer sponsorship sign placement upon the fencing at the McCullough Complex. The following conditions shall apply to the HHSC and to the sponsors:

1. Signs may be placed only on complex fences parallel to Nature Trail and I295. No signs may be placed upon fencing parallel to Devon Avenue and the Haddon Glen Complex.
2. No sign shall be placed on any fencing which provides for either access to the fields, the emergency gates, on the fence segments immediately adjacent to same or behind Varsity and JV goals.
3. No sign shall be placed in any location that could interfere with grass cutting or edging.
4. Signs shall be no greater than 7 (seven) feet wide by 30 inches in height.
5. No political signs are permitted.
6. This permission granted by the Borough of Haddon Heights is for a period of three 3 (three) years, through December 31, 2018. However, sponsorship signs may only be placed for the period March 1 through December 31 of each year.

7. The Borough of Haddon Heights reserves the right to review and/or amend this Resolution at any time. However, the Borough will provide 2 (two) weeks prior notice to HHSC if possible.
8. Damaged, worn or deteriorating signs shall be replaced or repaired as directed by the HHSC or Borough of Haddon Heights. Failure to replace or remove upon notice by HHSC or Borough of Haddon Heights shall be cause for removal of the sign(s) by the Borough of Haddon Heights upon five (5) days notice.
9. Cost for sponsorship shall be determined by the HHSC and approved by the Borough of Haddon Heights. All funds received for sponsorship shall be held in a separate account with a quarterly written accounting to be provided to the Borough of Haddon Heights.
