BOROUGH OF HADDON HEIGHTS

April 16, 2013
Governing Body Minutes

Mayor Edward S. Forte called the caucus session to order at 7:00 p.m.

He then stated, "In accordance with Section 5 of the Open Public Meetings Act, Chapter 231, P.L. 1975, notice of this meeting was posted on the bulletin board designed for that purpose and notice was mailed to the official newspaper provided by Resolution adopted January 5, 2013."

Under roll call, the following council members were present: Council President Kathy Lange, Councilwomen Rose Fitzgerald and Susan Griffith, Councilmen Richard DiRenzo and Steve Berryhill. Councilman Jack Merryfield was absent. Solicitor Albert J. Olizi, Jr., Joan Moreland, Interim Borough Clerk and Kelly Santosusso, Deputy Borough Clerk were also present.

CAUCUS SESSION:

Discussions:

Questions on Agenda Items were asked and answered.

Signage on corner of White Horse Pike & Station Avenue
Mayor Forte discussed the recent complaints regarding the removal of the signs. He said that many civic groups rely on the advertising the signs provide. The Mayor stated that it was decided by Council at the April 2nd meeting that the signs would be left in place for the time being and that Planning Board would be asked to review the size of the signs, lettering, colors, etc. and come up with a recommendation to Council. Councilman Berryhill asked who was in charge of the signs. Mayor Forte said that Mark Zito of *Art Sign* handles the making the signs, stores them, alters dates each year and takes care of scheduling and putting the signs up and down. *Art Sign* charges a fee of $100 to the group/organization.

Following discussion, it was determined that the signs are on private property and have been previously displayed with the permission of the property owner(s). Council President Lange addressed her concerns stating that the signs were taken down without notice. Civic Groups have paid for their signs and should have been notified. She said that we need a policy on how this will be handled in the future.

Steve Bach, Borough Engineer, stated that this Planning Board has been discussing this issue but that there are no rules at this time.

Solicitor Olizi stated that the entire Sign Ordinance has to be reviewed. After extensive discussion on the matter, Mayor Forte said that the signs will go back up beginning tomorrow with no more than one sign on each side of the street.

Recess of Caucus Session and commencement of Business Session at 7:30 p.m.

Pledge of Allegiance and moment of silence.

Mayor Forte presented Chris Walter, Library Director with a Proclamation for the ASPCA designating April as *"Prevention of Cruelty to Animals Month."* Chris Walter thanked the Mayor for the recognition and both posed for a photo.

Mayor Forte also congratulated Chris Walter on the recent birth of his first child.

Mayor Forte called for public comment on caucus and agenda items only.

David McGee, 414 3rd Avenue: Mr. McGee commented on the signage on the corner of White Horse Pike stating that he appreciated the open public discussion on the matter. He then commented on the budget and mentioned that it was removed from the Agenda that was posted on the website the previous week. Mayor Forte explained that the intention was to introduce the Budget tonight but that circumstances would not allow and therefore, it was removed from the Agenda.

Motion to close the public comment portion of the meeting was made by Council President Lange, seconded by Councilwoman Fitzgerald. All members present were in favor.

Motion to approve the minutes of the April 2nd Council meeting was made by Councilwoman Griffith and seconded by Councilman DiRenzo. All members present were in favor.

COUNCIL MEMBER AND BOROUGH ENGINEER REPORTS:

Councilman Steve Berryhill reported on his attendance of the 4th of July Committee meeting on April 10th. He said that volunteers are needed; if anyone is interested, please come to the next meeting on May 2nd at Borough Hall in the Conference Room at 7 p.m. Mayor Forte stated that he is hoping to see that our 4th of July event become self-sufficient by soliciting funds from sources other than the taxpayers. He assured all Council members that money is in the budget for this year mentioning that going forward, obtaining funds from other sources would be beneficial. Councilman Berryhill explained that the Committee would like to purchase a banner with positions on the banner being sold with sponsors as follows: $250 for the corners of the banner, $1,000 for the top of the banner and $500 for bottom of the banner. With these funds, the Committee is hoping to pay for a moon bounce and some additional activities for Cervino Field for our children. The Committee is hoping to broaden the 4th of July event in future years, attracting more sponsors and vendors.

Councilman Berryhill also reported on the Business and Professional Association sponsorship of an Art Exhibit on Station Avenue on May 18th. The HHBPA will be providing clothes line to exhibit the art. Residents, students, professionals, adults and kids are all welcome to display their art up and down Station Avenue. Councilman Berryhill asked that anyone interested in participating, please contact him, George Wise or other HHBPA member with questions.

Councilwoman Rose Fitzgerald thanked the three boys that participated in the cleanup at the Glover Mill site several weeks ago. She named Nicholas Mosko, Timothy Long and Patrick Durkin, thanking them once again for their participation. Councilwoman Fitzgerald reported that she and Council President Lange attended the *Running to Win*, workshop which was an all day session addressing women in politics and running for political office held by the League of Women Voters. Students from Cherry Hill East and Cherry Hill West participated in the Workshop.

Councilwoman Fitzgerald also reported on *Down by the Station Day*, scheduled for May 19th. The passenger and freight stations will be open. She said that the Trolley for the day has been ordered. She also mentioned that the Station House Restaurant will be serving breakfast and lunch with recipes from the Pennsylvania Railroad Cookbook. Both the passenger and the freight station will be open for inspection. The passenger station will have it's train running. Councilwoman Fitzgerald has been working with Joan Rossler on an art sale at the Library and also a Cook Book Sale at the Library.

Councilman Rick DiRenzo gave the Inspections and Construction Reports for the month of March, a full copy of these reports are attached to these minutes. Councilman DiRenzo mentioned that he has received complaints on two properties: The first, 1939 Narberth Avenue. He said that he and John Szczerbinski, Construction official, both visited the property. He said that the Property Management company has been contacted and will follow-up to ensure the property is cleaned up. He also had a complaint on a property on Kings Highway behind the old Sherwin-Williams building. Zoning Officer Ron Newell met with the owner of the property on March 28th and he agreed to address the issue with his tenants to ensure the clean-up of the property. Councilman DiRenzo stated that home sales are beginning to increase in Haddon Heights and issues such as these are rare in Haddon Heights.

Councilman DiRenzo stated he was sad to announce that the Camden County Park Police no longer exists. Most members have retired. The Department has been dissolved and are now part of the Camden County Metro Police. Our Police Department will absorb some of the duties the park police performed in town.

Lastly, Councilman DiRenzo read a prepared statement regarding his support of open public budget hearings, a copy of which is attached to these minutes.

Council President Kathy Lange stated that she asked for the budget process to be open two meetings ago. She asked that Finance Committee take the lead on having public budget hearings. She reported on the Devon Avenue field restoration process. Tarps have been pulled and she said with the warmer weather, the fields are more vulnerable. Larger signs have been ordered and will be going up once received from the Sign Company. We need civic cooperation on this. Council President Lange stated that she is requesting translation services for no trespassing signs and the larger signs as we have people coming in town from different areas; bi-lingual signs should be posted. She said that she will work with DPW and the Soccer Club to add top soil to the low spots on Devon. The irrigation system will be checked by the end of the month to assist in early season fertilization. She said that the members of the Park and Rec Committee have communicated that the Committee does not need to meet for the month of April. BOE has voted to enter the New Jersey school choice program for all three levels, elementary junior and senior high. Details of the program are available on the School's website. She also reported that she attended the League of Women's voters event in Cherry Hill. Mayor Forte confirmed that Council President Lange may utilize the Court's translation services for preparation of the bi-lingual signs for Devon Avenue fields.

Councilwoman Griffith reported that the Department of Public Works have been busy with spring season preparation. Upkeeps on the fields. Pot holes have been filled. 12 sewer calls 7 were ours and 5 were not. Repairs at the Devon Avenue tennis courts. Water is running. Playground inspections have been done and will be part of the minutes. Haddon Heights Neighbors Night Out will be meeting event will be held on June 1st. Tickets will be made available at Borough Hall and the Library. To reserve a table for $500. Price per person will be $55 and $110 per couple. Please contact Councilwoman Griffith to reserve tables. Sponsorship will be going out.

Mayor
Please continue to contact the Department of Public Works to fill the pot holes throughout town. The Department of Public Works will be working over the next two to three weeks on filling potholes. Mayor Forte announced that he attended the last School Board meeting. He reported on Haddon Heights High School's Alex Thompson, informing all that this senior was named the *Wrestler of the Year* by both the Courier Post and the Philadelphia Inquirer. Alex's record was 38 and 0. He will also be missed as a great football player. He noted that this is the first time in the history of our high school that we had a wrestler that has done so well at the state competition. Mayor Forte presented Alex with a *Certificate of Appreciation* from Mayor and Council. The Mayor said that Alex received a full scholarship to the University of Delaware to play football and noted that he will be missed at the High School.

Councilwoman Rose Fitzgerald thanked John Rayser for his coordination of the clean-up of the Adopt-a-Spot on quad area of the railroad station tracks this past Saturday. Mr. Rayser thanked and gave recognition to the Soccer Club.

Report from Borough Engineer, Steve Bach. A full report is attached to these minutes.

Motion to adopt Resolution 2013:73 was made by Councilman DiRenzo, seconded by Councilwoman Fitzgerald. All members present voted in favor.

Resolution 2013:74 – Resolution Supporting Arbor Week Celebration, April 22nd through April 29th. Motion to adopt Resolution 2013:74 was made by Councilwoman Griffith, seconded by Councilman Berryhill. All members present voted in favor.

Motion to close this portion of the meeting was made by Council President Lange and seconded by Councilwoman Griffith. All members present were in favor.

Motion to open the meeting to the public was made by Councilman Merryfield and seconded by Council President Lange. All members voted in favor.

Christopher Walter, 1722 W. High Street – Mr. Walter stated that he wanted to publically thank the police department, EMS and particularly, Frank Lafferty for assisting he and his pregnant wife during her recent car accident just two days prior to the birth of their child.

David McGee, 414 Third Avenue – Mr. McGee questioned the expense of the $70,000 spent by the prior administration for GIS equipment. He also stated that the audio recording from the February 5th Council meeting did not reflect the fact the Council was going into Closed Session Deputy Clerk Santosusso said that she would check the recording and get back to Mr. McGee. Mr. McGee also wanted to make it clear that the law favors the public stating that all Agenda items need to be available to the public prior to the Council meeting. Mayor Forte responded that this administration has done a very good job at providing information to the public by posting the Agenda packet the Thursday prior to each Council meeting. Mr. McGee then questioned why Council would consider tenure for construction official, John Szczerbinski, further questioning who reviews or oversees Borough positions that are entitled to tenure. It was explained by Solicitor Olizi that Mr. Szcerbinski is supervised by a Council member and has been with the Borough for approximately eight years and is entitled to tenure under the law.

Mr. McGee went on to readdress his concerns about the Glover Mill Project and the recent issue Borough Engineer Steve Bach to put utility lines into the area that is a violation of the easement.

Karyn Errington, 1645 Sycamore Street. Ms. Errington commented that she appreciates the debate between Mr. McGee, Mayor and Council. Councilman Berryhill stated that he is frustrated that we are approaching May and he has not seen anything on the budget. He stated that he would like to see the budget. Mayor Forte informed Councilman Berryhill that he will be able to review the budget. He asked if he could take a specific figure to take back to the 4th of July Committee. The Mayor said that he would provide the information to Councilman Berryhill.

Nick Scardino, Fire Chief. Chief Scardino commented that the Borough's fireworks display were stopped many years ago as a collective effort because the County had a fire symposium to educate municipalities on proper procedures for conducting fireworks displays. He said that the State Marshall informed us that the Borough does not have a venue within our borders to put on a fireworks display similar to what we have done in the past. Councilman Berryhill questioned the Chief as to why Haddonfield can do fireworks in the center of town and Haddon Heights cannot. Chief Scardino stated that he would not comment on Haddonfield's display. He strongly encouraged anyone considering a similar fireworks display in Haddon Heights to speak directly with our Fire Marshall, Frank Lafferty. Chief Scardino also made it clear that a permit authorizing a fireworks display of any kind in Haddon Heights must be signed by the Fire Marshall.

Lee Griffith, 1604 Sycamore Street. Mr. Griffith of the HH Soccer Club commented on his concern of the removal of the signs at the corner of White Horse Pike and Station Avenue. He stated that he feels that the notice the signs provide to residents is critical to the Soccer Club's registration. Mayor Forte encouraged Mr. Griffith to utilize the Borough website, the e-Report, the Heights Report and Channel 19 to communicate the registration information to residents.

John Rayser, 611 W. High Street. Mr. Rayser expressed his appreciation to the Soccer Club for their assistance with the Adopt-a-Spot area of the railroad quadrant on Station Avenue. Three yards of mulch was spread over the area. He also thanked Superintendent Tom Cella, James Hanton as well as Marshall Hatfield. Mr. Rayser also mentioned that he recently spoke at a Rotary Club meeting and was delighted to be presented with a check in the amount of $200 for Adopt-a-Spot. He then commented on the earlier discussion regarding fireworks. He said that if the Borough cannot put on a display similar to what we used to, any display would be a waste of money. He also mentioned that the signs at the corner of White Horse Pike and Station Avenue are very important to our civic groups. Mr. Rayser expressed his concern at the appearance of the overpass on East Atlantic Avenue. He said that he would attend one of Audubon's Council meetings to determine if there is a way to combine efforts to clean up the area. Mayor Forte thanked John Rayser for all he does in town.

A motion was made to close the public portion of the meeting was made by Councilwoman Griffith and seconded by Councilman Berryhill. All members present were in favor.

With no further business to come before Council, motion to adjourn the meeting was made at 9:25 p.m. by Council President Lange, seconded by Councilman Berryhill. All members present were in favor.

Respectfully submitted,

Mr. Tifft:

Mr. Newell had a meeting with Mr. Alper on 3-28, lisyed below is his report concerning the property:

I met with Mr. Alper yesterday(3-28). I explained to him that we continue to get noise complaints from nearby residents. I told him that he needs to understand that he is in a residential zone and we expect him and his tenants to comply with Boro codes, including noise restrictions. I told him that he is required to bring his property into compliance as well, including getting rid of unregistered vehicles, cleaning up piles of scrap and refuse, and keeping up with general yard maintenance. I pointed out that the neighboring homes can see directly into his yard.
He agreed to all my requests and said he will re-address the issue with his tenants.
Ron

I was out at the property last week and some of the issues have been addressed, more compliance is needed and we will continue to monitor as well as taking the necessary actions to ensure they are within boro code.
I will pay another visit this week.

Good Morning Mayor Forte.

I hope you had a nice weekend. I'm checking in to see where we stand with the commercial lot behind my house. Unfortunately, we are still suffering from daily noise violations, both before the appointed hours for noise and exceeeding the maximum permitted noise levels during the day. Not to mention all the other issues (dust, vibrations, construction materials stored in the open, etc).

Feel free to call me on my cell phone any time today or write me at this email address.

Mayor Forte,

I'm furious that this problem is still ongoing. The lot is strewn with construction materials, the noise is awful, the large trucks they maintain back there are shaking my houses, and the dust they kick up is horrible. Further, they've parked a mobile home back their which they throw parties out of on the weekends. This area is utterly lawless.

We are confined to our home, where we are constantly disturbed by the noise, vibrations, and horrible site of their shabby lot. We are woken violently by the terrible noise on a daily basis. My house is shakes terribly from the vibrations. My daughter can't play in our yard. Our lives are being ruined by these people.

I've been patient with the lot owner and the situation has only become much worse. My patience is gone. They have no right to increase their non-conformance with our town's zoning laws. If they want to put the nice, quite limousine company back, so be it. I won't tolerate this massive construction site backing up to my fence any longer.

I would like your help. I want to work with you and Ron to resolve this matter. I cannot let the situation remain as it is.

Thank you,
Erik

Unfortunately, the problem goes beyond the noise made by the businesses in this commercial lot before 7 AM (which, don't get me wrong, continues to be a problem). The larger issue is the persistent and noxious noise, vibrations, dust, smoke and other hazards to one's health and well being that emanate from this lot on a daily basis. As I type this I hear persistent hammering and the loud boom of construction materials being tossed into a dumpster. The overall effect is that of living next to a never ending construction site.

The air is constantly pierced by the sound of backup beepers on these machines and my house shakes forcefully from the vibrations.

Subject: Peaceful Neighborhood

Good Morning Mayor Forte,

My name is Erik Tifft. I am a resident of Haddon Heights, residing at 6 Dallas Avenue. My property backs up to a large commercial lot that is tucked behind the ambulance company and Sherwin Williams store on Kings Highway (my house is marked with an "A" on the embedded map for reference).

My neighbors and I have recently had a terrible time with noise coming from this commercial lot. About a year and a half ago the limousine company that inhabited this space went away. Since then, the owner has rented the space to a series of contractors that use heavy equipment and machinery. Within the last year, they have increased their noise level substantially. Our once quiet street has been turned, in effect, into an ongoing construction site.

Further compounding the problem, these contractors often start work early in the morning in an extremely loud fashion (throwing heavy objects in dumpsters, banging on truck parts, etc). At best, they will start in the six o'clock hour. Frequently, they have started making noise as early as 5 AM.

I'd like to emphasize that the noise they make is intense and sustained. The banging noises are of such an intensity that you can literally feel my house shake. Once started, they can make noise of this nature for an hour or more at a time.

I have made efforts to solve this problem through proper channels within Haddon Heights. Ron Newell in the Zoning Department has issued letters to the property owner requesting them to quiet down before 7 AM (as dictated by our town's noise ordinance). Unfortunately, these letters seem to have gone largely ignored. I then took to calling the Haddon Heights Police Department via the non-emergency line whenever the noise was early and egregious. A half dozen talking to's by the police force hasn't changed their behavior either.

I'm writing to you personally as this issue has been ongoing, pervasive, and unresolved through other channels. I became aware how far this problem has gone as my sweet, retired neighbor drove over to their lot this morning to beg them to stop making noise. This was in response to a series of loud (and by loud I mean house shaking loud) noises at 6:15 this morning. I'd be deeply grateful if you could help us restore peace to our neighborhood.

I would enjoy the opportunity to discuss this matter with you in person. It would be the best way for me to answer any of your questions and share my ideas for an equitable resolution.

Thank you for listening to my concerns.

Sincerely,
Erik

Edith – First of all I would like to thank you for the cooperation we received regarding the demolition of the unsafe structure at the above location. All permits have been processed, the inspections completed and a Certificate of Approval processed. With that completed I am hoping for your cooperation again regarding this property. This time it has become a bit more involved. The residents in the area are so to speak "on the war path" and rightfully so. The exterior of the property and the dwelling exterior are in a state of total disrepair and in need of your prompt attention. After coming out in numbers to a Council meeting complaining about unsightly conditions I visited the property to do an inspection. There are numerous items in violation of our Borough Ordinances for Property Maintenance. The following is a list of items in need of repair to achieve compliance:

1) Gutters and downspouts are falling off the dwelling and are hazardous and non-functional. They either need to be restored to operational condition, replaced, or removed and properly disposed of.
2) There is significant trash and debris throughout the property, mail in the mail box, phone books etc. All trash and debris needs to be picked up and properly disposed of.
3) The split rail fencing, chain link dog pen, and stockade fencing are in need of serious repair. It needs to be either removed and properly disposed of, repaired to be functional and operational, or replaced. I would suggest from an economic standpoint to remove and dispose of the split rail and stockade, and repair the dog pen chain link.
4) Propane tanks, tree branches, and limbs are on the property and needs to be removed and properly disposed of.
5) Trees need to be removed of dead limbs and branches, and some are grossly overhanging adjoining properties. The dead limbs need to be removed at a minimum, and would strongly suggest the removal of those branches that pose a liability issue to adjoining properties.
6) The front sidewalks are in extreme disrepair, severely cracked, and uneven. Again this is an unnecessary liability issue. (permit required)
7) Lattice under landings and steps is in disrepair and falling off. It needs to be either securely attached, replaced, or removed and properly disposed of.
8) The side entry door with sidelites somehow has become dislodged from the house framing and needs to be properly realigned in the opening and secured.
9) The soffits and fascia capping are falling off the second story and it needs to be restored as "critters" are now using it for access to the inside the dwelling. Once this has been completed please provide a Certification from a bonafide exterminating company that the premises is free and clear of any infestation
10) The exterior steps to the second floor are in need of shoring and tightening up at all areas, in particular the steps from the first landing area. One step is completely detached as the stringers have cracked from lack of maintenance and upkeep. (permit required)

As you can see there are numerous items that need repair and maintenance. In accordance with Borough Ordinance all the above must be completed within (14) days of receipt of this notice (email). My office number is 856-546-2580, and the best time to reach me is early am Monday through Thursday. I will be happy to meet your contractor out at the site should they have any questions. I anticipate the same type of cooperation and the prompt response you have provided in the past. The next course of action, which I certainly hope won't be required, is the issuance of a summons to Municipal Court. Needless to say time is of the essence for compliance, and the neighbors are demanding timely action and enforcement and to be honest would prefer the building be demolished. I can only require what our Ordinance mandates

which I have listed above. Please advise as to your course of action, and stay in communication with me regarding same.
I am copying the Mayor and appropriate Council members on this email so they are advised the clock is ticking, and can appraise the neighbors that action has been taken and hopefully remediation will begin shortly.
I look forward to hearing from you soon and this email should be considered your official notice of violations that exist.
Sincerely
John Szczerbinski

STATEMENT

Richard DiRenzo

Haddon Heights Council Person

2013 BUDGET INTRODUCTION

Before I cast my vote on this current budget introduction, I would like to make the following statement regarding same.

As I have continued to state, the council's chief purpose is to serve our residents; we enforce policy, administer the public's money and provide services based on the needs ~~what the people~~ of our community ~~want~~. We also have a legal duty to represent as best as possible, the values, needs and desires of our borough residents. We are entrusted with upholding the public's interest and to make decisions that affect the entire community and ensure that we achieve the greatest good for the people of our borough.

Because of this and due to several factors, one being a large tax increase our school board is looking to impose on our taxpayers and that I as a council member and also a finance committee member have not been given a copy of this budget for review.

I call on our Council President to have budget hearings with all department heads coming before council to review said request line by line, which will allow us to determine the actual needs for this current budget year.

ENGINEER'S STATUS REPORT
Borough of Haddon Heights
April 16, 2013

General Engineering (HH2013-0)

Pedestrian and Traffic Safety Enhancements (No Change Since Last Report)

- *Atlantic Avenue School*

  Our office has prepared a plan set for the proposed "Atlantic Ave (CR 727) & Green Street Pedestrian Safety Improvements" and have forwarded them to the County Engineer's office for the County's implementation.

- *Kings Highway at Hillside*

  Our office is currently preparing a base plan and funding application for proposed improvements to the King's Highway pedestrian crossing. The funding application will be submitted to the Camden County Open Space Committee as a joint application with the Borough of Audubon.

- *Kings Highway at Atlantic Avenue Bridge*

  Base plans for new shadow line and cross hatch stripping are currently being prepared and will be coordinated with Chief Kinker and Captain Valvardi. Our office will coordinate with the Camden County Department of Public Works regarding the Borough's request for the County to install the new stripping.

Station Avenue Rail Crossing (No Change Since Last Report)

- Our office is providing technical support to Captain Valvardi in regards to the Police Department's request to the New Jersey Department of Transportation for improvements to the Station Avenue railroad crossing.

- A NJDOT Diagnostic Team Meeting was held at 10:30 AM on May 17, 2012 at the crossing.

Storm Water Runoff – 120 & 126 White Horse Pike (No Change Since Last Report)

- We have received a schematic design from Mr. Chelotti on July 16, 2012 and have issued general review comments. To date our office has not received any new documentation from Mr. Chelotti or Mr. Riggs.

SAFETEA-LU – Pedestrian & Bicycle Facilities & Street Lighting

- Bids were received on January 10, 2013. Five (5) bids for the above-referenced project were received. The apparent lowest responsible bidder was Lexa Concrete, 11 Commerce Way, Hammonton, New Jersey.

- Lexa Concrete's Base Bid was in the amount of $96,972.^{07} and their Base Bid plus Add Alternate Bids A, B, and C was in the amount of $127,402.^{82}. We have reviewed all of the bid documentation and find it to be in order.

- The Borough awarded the Base Bid plus Add Alternate Bids A, B, and C in the amount of $127,402.^{82} to Lexa Concrete on February 5, 2013.

- On February 14, 2013, our office forwarded the following to the NJDOT as required under the NJDOT's October 15, 2012 project Letter of Authorization.

  - Certified copies of the bid summary
  - Resolution of award 2013:47
  - Copies of the advertisements
  - Completed copies of Federal attachments
  - Written verification that the contractor and/or subcontractors are not on the debarred list
  - Bid Analysis
  - Checklist for the award of a Federal aid construction contract

- Our office has received confirmation that the above documentation is acceptable.

- A pre-construction meeting was held on Wednesday March 20, 2013 at 11 AM at the Borough Hall with representatives from NJDOT Local Aid, Haddon Heights Police Department, Haddon Heights Public Works, Lexa Concrete, LLC, and Bach Associates. Pre-construction meeting minutes have been prepared by Bach Associates and forwarded to all meeting attendees in addition to the Borough Clerk.

- Lexa Concrete, LLC has begun the material submittal process.

- Construction is set to begin pending schedule coordination between Lexa Concrete, LLC and PSE&G. Notice to Proceed will follow a pre-construction meeting with PSE&G.

FY 2012 NJDOT Municipal Aid

- This project consists of full depth reconstruction of High Street (from 1st Ave to 2nd Ave), full depth reconstruction of Garden Street (from 9th Ave to 10th Ave), and mill and overlay of Green Street (from 7th Ave to 8th Ave).

- We have tabulated the five (5) bids received on March 12, 2013 with reference to the above-referenced project. The low bidder is Bogey's Trucking & Paving, Inc., 1779

304 White Horse Pike, Haddon Heights, NJ 08035
(856) 546-8611 • Fax (856) 546-8612

Delsea Drive, Deptford, New Jersey, in the amount of $153,925.70, representing items 1 through 21 of the Base Bid and items 101 through 110 of Add Alternate Bid #1.

- As you may recall, the Borough received $190,000 from the FY2012 NJDOT Trust Fund with $165,250 of this funding to be used towards construction costs, therefore the Base Bid and Add Alternate Bid #1 can be awarded to Bogey's Trucking & Paving, Inc subject to Solicitor review and certification of funds by the CFO. The Bid Tabulation and memorandum regarding the bid results are enclosed for reference.

- Resolution 2013:69 awarding contract to Bogey's Trucking & Paving, Inc. in the amount of $153,925.70 representing items 1 through 21 of the Base Bid and items 101 through 110 of Add Alternate Bid #1 is on April 16, 2013 Agenda.

FY 2013 NJDOT Municipal Aid (No Change Since Last Report)

- Our office has submitted Fiscal Year 2013 NJDOT Municipal Aid applications for improvements to Lippincott Ave from Kings Highway to Station Avenue as Priority No. 1 and 11th Avenue from Glover Avenue to Green Street as Priority No. 2.

CDBG (Yr 33 & Yr 34) – Architectural Barrier Removal & Access (Various Intersections)

School Routes

- This project consists the installation of ADA curb ramps in accordance with the Borough's Year 33 Agreement as well as the Borough's Year 34 Agreement with the Camden County CDBG Program.

- We have tabulated the eight (8) bids received on March 12, 2013 for the above-referenced project and found the low bidder to be Curbcon Inc., 514 N. Main Street, Barnegat, New Jersey. Curbcon Inc.'s Base Bid is in the amount of $43,920 representing items 1 through 9 of their Base Bid.

- As you may recall, the Borough has $55,574 of Year 33 and Year 34 CDBG funding allocated to this project. Therefore the Base Bid in the amount of $43,920 can be awarded to Curbcon Inc. subject to Solicitor review and certification of funds by the CFO. The Bid Tabulation and memorandum regarding the bid results are enclosed for reference.

- Resolution 2013:70 awarding contract to Curbcon, Inc. in the amount of $43,920 representing items 1 through 9 of their Base Bid is on April 16, 2013 agenda.

Camden County Open Space (2012) (No Change Since Last Report)

- The Camden County Open Space Committee has funded $25,000 of asphalt walkway improvements along Devon Avenue adjacent to the fence line of the existing recreational fields. Our office is currently preparing the required site and

304 White Horse Pike, Haddon Heights, NJ 08035

grading plans for these improvements. When completed, the plans will be coordinated with the Borough of Bellmawr for grading and paving of the walkway as a potential shared service opportunity.

Camden County Open Space (2013)

- In accordance with the Camden County Open Space Preservation Trust Fund Advisory Committee's February 7, 2012 Correspondence to the Borough, municipalities with population under under 15,000 are limited to two (2) applications per funding cycle.

- Our office prepared a joint application with the Borough of Audubon for the pedestrian safety improvements at the King's Highway pedestrian crossing for Haddon Lake Park to include rapid flash beacons with push-button facilities, crosswalk striping, ADA compliant handicapped ramps, and sidewalk.

- The completed applications were hand-delivered on April 5, 2013. A copy of the submitted application is on file with the Borough Clerk.

Inflow and Infiltration Program (No Change Since Last Report)

- To facilitate the direct interconnection with the CCMUA for the elimination of the Kings Highway Pump station, the Borough must enter into an agreement with the CCMUA which calls for the Borough to develop a meaningful inflow and infiltration reduction program.

- It is noted that the Borough has initiated development of an Inflow and Infiltration reduction program. The program development has been based on the "Infiltration / Inflow Analysis for Service Area 26 Haddon Heights Borough" previously prepared by the CCMUA as well as the evaluation previously prepared by this office for the Borough's Lake Street Sewerage Pumping Station.

Kings Highway Pump Station

- Our office has completed the as-built survey and is currently completing permit, bid, and construction documents for the elimination of the existing Kings Highway Pump Station.

- The project will be publically bid this Winter for early Spring construction.

- Our office met with representatives of the CCMUA on April 12, 2013 to coordinate the construction requirements for the proposed interconnection. Our office is currently working to complete the permit, bid, and construction documents in accordance with the CCMUA's directives.

Hazard Mitigation Grant Program (FEMA) (No Change Since Last Report)

- In coordination with Ms Judy Reiss, Emergency Management Coordinator and Mr. Tom Cella, Superintendant of Public works; our office prepared and submitted a funding letter of intent with associated application materials to the New Jersey Office of Emergency Management.

- The submitted funding request addressed the following projects:

  Backup Power Generator for the Municipal Bldg which houses Police and Emergency Operations Center *(Camden County, New Jersey – Multi-Jurisdictional Hazard Mitigation Plan, p. 9-43)*

  Elevate Lake Street Sewage Pumping Station (*Camden County, New Jersey – Multi-Jurisdictional Hazard Mitigation Plan, p. 9-43).*

  Decommission Kings Highway Sewage Pumping Station (*Camden County, New Jersey – Multi-Jurisdictional Hazard Mitigation Plan, p. 9-43).*

  Station Avenue (C.R.656) & East Atlantic Avenue drainage infrastructure improvement – Borough Parking Lot / PNC Parking Lot Collection System

- To date, the Borough has not received any correspondence from the New Jersey Office of Emergency Management in regards to the submitted application.

HYAA – Barr Recreational Complex Improvements

- Our office has completed an existing condition survey for the Boys Major and Minor fields which will serve as a base for the proposed grading, lighting, and irrigation improvements.

- Our office has been coordinating with several lighting manufactures to review cost and performance criteria for the Boy's Major Field lighting improvements.

Glover Mill Village (No Change Since Last Report)

- As previously reported, the Borough is in receipt of a March 30, 2012 correspondence from the NJDEP Historic Preservation Office (SHPO) concerning their review of the recently released A.D. Marble & Company Phase II Archaeological Report for the Glover Mill Fulling Mill Site / Proposed Glover Mill Subdivision, Block 62, Lots 2, 4, and 6. The referenced March 30, 2012 correspondence concludes that items No. 3 through 13 of their December 20 2011 correspondence have now been addressed.

- The items that remain outstanding are:

  1. The park associated with the Glover Mill site (adjacent to the Glover Fulling Mill foundation site and extending to Sylvan Drive) must be designed in accordance with SHPO requirements.

  2. Development of a construction avoidance and protection plan for the Glover Fulling Mill foundation site in accordance with SHPO requirements.

- Our office is currently coordinating with SHPO and the contract developer of the Glover Mill Village project, Bob Meyers Communities, Inc. to determine if the two items delineated above can be accommodated by the current agreement between the Borough and Bob Meyers Communities, Inc.

- The contract developer, Bob Meyers Communities, Inc. has received Preliminary Subdivision and Historic District Commission approval at June 28, 2012 special meeting of the Borough Planning Board. It is noted that this approval contained the conditions that Bob Meyers Communities, Inc. would be designing and constructing the above referenced park area and implementing the construction avoidance and protection plan in accordance with SHPO requirements.

It is with sincerest regrets that today we announce the final hours of the Camden County Park Police Department. Established in 1926, the many officers that have worked here have dedicated their lives to the safety of the citizens of Camden County. On bicycles, in cars, on horseback, on foot, and on ATVs, they've diligently patrolled the parks, roads, and municipalities of the county, many times risking their lives for the protection and safety of all. From the hundreds of officers that have come and gone from here, to the millions of citizens we've interacted with from 1926 through April 14 2013, we sincerely thank you for allowing us to serve you.

As Acting Chief of the Camden County Park Police, and as the last officer to exit our doors, I, DSG Vincent DiPasquale, administrator of this page, would like to thank all of you for your support. I would like to congratulate all of the officers who were able to retire as Park Police officers and I wish the best of luck to the few officers that are now transferred to the new Camden County Metro division.

ORDINANCE 2013:1393

AN ORDINANCE AMENDING CHAPTER 337 OF THE CODE OF THE BOROUGH OF HADDON HEIGHTS ENTITLED PEDDLING AND SOLICITING

NOW, THEREFORE BE IT ORDAINED, that the following sections in Chapter 337 in the Code of the Borough of Haddon Heights are hereby amended as follows:

§ 337-7 Exhibition of License; Transferability

Licensees are required to exhibit their licenses at all times while engaging in the activity subject to this chapter. The license shall be worn on the front of the person above the waist so that it may be easily observed and read by a member of the public. In the event that the licensee utilizes a vehicle in connection with the activity subject to this section, the license shall be prominently displayed upon the said vehicle. Said license shall be produced and delivered upon demand of any member of the Haddon Heights Police Department. Licenses are not transferable.

§ 337-12. Restrictions on Licensees

A. No person shall exercise the privilege granted by a license hereunder before the hour of 9:00 a.m. or after the hour of 8:00 p.m. (local time), nor shall such privilege be exercised at any time on Sunday.

§ 337-14. Expiration of License

All annual licenses issued under the provisions of this article shall expire one (1) year from date of issue.

§ 337-17. Enforcement

Licensees are required to exhibit their licenses at all times while engaging in the activity subject to this chapter. The license shall be worn on the front of the person above the waist so that it may be easily observed and read by a member of the public. In the event that the licensee utilizes a vehicle in connection with the activity subject to this section, the license shall be prominently displayed upon the said vehicle. Said license shall be produced and delivered upon demand of any member of the Haddon Heights Police Department. Licenses are not transferable.

§ 337-18 Restrictions on Licensees; Expiration of License; Transferability

A. No person shall exercise the privilege granted by a license hereunder before the hour of 9:00 a.m. or after the hour of 8:00 p.m. (local time), nor shall such privilege be exercised at any time on Sunday.
B. All annual licenses issued under the provisions of this article shall expire one (1) year from date of issue.
C. Licenses are not transferable.

RESOLUTION 2013:76

RESOLUTION URGING THE GOVERNOR AND THE LEGISLATURE TO RETAIN FUNDING IN THE STATE RECYCLING FUND IN THE FY 2014 BUDGET

WHEREAS, beginning on April 1, 2008, the State Recycling Fund was established, consisting of a $3.00 per ton tax levied upon the owner or operator of every solid waste facility as well as on solid waste collectors that transport solid waste for out-of-state disposal, which amounts have been used to fund direct recycling grants to counties and municipalities; aid to counties for preparing, revising, and implementing solid waste management plans; State recycling program planning and program funding; aid to counties for public information and education programs concerning recycling programs; and for State grants to institutions of higher education to conduct research in recycling; and

WHEREAS, State law specifies that no less than 60% of the proceeds of these funds must be returned as tonnage grants to municipalities and counties; and

WHEREAS, Borough of Haddon Heights relies upon this money to partially fund its curbside recycling collection program; laborer position; other recycling related expenses, receiving $9,067.71 in 2012, based upon a 2010 tonnage; and

WHEREAS, in his proposed FY 2014 budget, the Governor has proposed a diversion of $21.6 million from the State Recycling Fund to the General Fund; and

WHEREAS, loss of these funds would seriously impact the ability of the Borough to continue its recycling programs, thereby jeopardizing the efforts of (municipality) to maximize recycling among its residents; and

WHEREAS, the governing body believes that it is in the best interests of the residents of the Borough of Haddon Heights for this diversion of funds to be restored to the State Recycling Fund so that these valuable recycling efforts can continue.

NOW THEREFORE, BE IT RESOLVED, on this 7th day of May, 2013 by the Governing Body of the Borough of Haddon Heights, County of Camden, State of New Jersey, that;

1. The Borough hereby urges the Governor and the New Jersey State Legislature to restore to the State Recycling Fund the $21.6 million proposed to be diverted for the State Recycling Fund to the FY 2014 General Fund so that these valuable efforts can continue.

2. A certified copy of this resolution be served upon Governor Chris Christie, Senator Donald Norcross, Assemblyman Louis D. Greenwald, and the New Jersey State League of Municipalities.

RESOLUTION 2013:77

A RESOLUTION AUTHORIZING THE FILING OF RECYCLING TONNAGE GRANT

WHEREAS, the Mandatory Source Separation and Recycling Act, P.L.1987, c.102, has established a recycling fund from which tonnage grant may be made to municipalities in order to encourage local source separation and recycling programs; and

WHEREAS, it is the intent and spirit of the Mandatory Source Separation and Recycling Act to use the tonnage grants to develop new municipal recycling programs and to continue and to expand existing programs; and

WHEREAS, the New Jersey Department of Environmental Protection has promulgated recycling regulations to Implement the Mandatory Source Separation and Recycling Act; and

WHEREAS, the recycling regulations impose on municipalities certain requirements as a condition for applying for tonnage grants, including but not limited to, making and keeping accurate, verifiable records of materials collected and claimed by the municipality; and

WHEREAS, a resolution authorizing the Borough of Haddon Heights to apply for the 2012 Recycling Tonnage Grant will memorialize the commitment of this municipality to recycling and to indicate the assent of the Governing Body to the efforts undertaken by the municipality and the requirements contained in the Recycling Act and recycling regulations; and

WHEREAS, such a resolution should designate the individual authorized to ensure the application is properly completed and timely filed.

NOW THEREFORE, BE IS RESOLVED by the Governing Body of the Borough of Haddon Heights that Haddon Heights hereby endorses the submission of the recycling tonnage grant application to the New Jersey Department of Environmental Protection and designates the Superintendent of the Department of Public Works to ensure that the application is properly filed.

BE IT FURTHER RESOLVED that the monies received from the recycling tonnage grant be deposited in a dedicated recycling trust fund to be used solely for the purposes of recycling.

RESOLUTION 2013:80

Resolution Supporting Sustainable State Funding for Preservation and Stewardship of Open Space, Parks, Farmland and Historic Sites in New Jersey

WHEREAS, New Jersey has a long and successful history of preserving open space, parks, farmland, and historic sites; and

WHEREAS, the Green Acres program has helped to preserve over 650,000 acres of land and supported more than 1,100 park development projects over the past 50 years, and the state Agricultural Development Committee has preserved 200,000 ; and

WHEREAS, all remaining funds for these programs under the Green Acres, Water Supply and Floodplain Protection, Farmland and Historic Preservation Bond Act of 2009 were fully allocated by the end of 2012; and

WHEREAS, municipalities across the Garden State have been direct beneficiaries of, and partners to, these critical state preservation programs; and

WHEREAS, substantial unmet needs remain for additional land and water protection, park development, and farmland and historic preservation, for the health and welfare of all our communities and residents; and

WHEREAS, it is imperative that a sustainable state funding source be established in order to sustain open space, farmland, and historic preservation programs beyond the 2009 Bond Act;

NOW, THEREFORE, BE IT RESOLVED, that the Borough of Haddon Heights hereby expresses support for the establishment of a sustainable state funding source for these purposes; and

BE IT FURTHER RESOLVED, that a copy of this resolution be transmitted to the New Jersey State League of Municipalities Senator Donald Norcross and Assemblyman Gilbert "Whip" Wilson, the members of the Senate Environment and Energy Committee, the Assembly Environment and Solid Waste Committee, the Commissioner of the Department of Environmental Protection, the New Jersey Secretary of Agriculture and the Governor of the State of New Jersey.

RESOLUTION 2013:81

A RESOLUTION PROVIDING FOR A MEETING NOT OPEN TO THE PUBLIC IN ACCORDANCE WITH THE PROVISIONS OF THE NEW JERSEY OPEN PUBLIC MEETINGS ACT, NJSA 10:4-12

WHEREAS, the Governing Body of the Borough of Haddon Heights is subject to certain requirements of the *Open Public Meetings Act*, NJSA 10:4-6 et seq., and

WHEREAS, the *Open Public Meetings Act, NJSA 10:4-12*, provides that an Executive Session, not open to the public, may be held for certain specified purposes when authorized by Resolution, and

WHEREAS, it is necessary for the Governing Body of the Borough of Haddon Heights to discuss in a session not open to the public certain matters relating to the item or items authorized by NJSA 10:4-12b and designated below:

_____(1) ***Matters required by Law to be Confidential***: Any matter which, by express provision of Federal law or State statute or rule of court shall be rendered confidential or excluded from the provisions of the Open Public Meetings Act.

_____(2) ***Matters Where the Release of Information Would Impair the Right to Receive Funds***: Any matter in which the release of information would impair a right to receive funds from the Government of the United States.

_____(3) ***Matters Involving Individual Privacy***: Any material the disclosure of which constitutes an unwarranted invasion of individual privacy such as any records, data, reports, recommendations, or other personal material of any educational, training, social service, medical, health, custodial, child protection, rehabilitation, legal defense, welfare, housing, relocation, insurance and similar program or institution operated by a public body pertaining to any specific individual admitted to or served by such institution or program, including, but not limited to information relative to the individual's personal and family circumstances, and any material pertaining to admission, discharge, treatment, progress or condition of any individual, unless the individual concerned (or, in the case of a minor or incompetent, his guardian) shall request in writing that the same be disclosed publicly.

____X____ (4) ***Matters Relating to Collective Bargaining Agreements***: Any collective bargaining agreement, or the terms and conditions which are proposed for inclusion in any collective bargaining agreement, including the negotiation of the terms and conditions thereof with employees or representatives of employees of the public body. **Continued negotiations for IAFF contract. Approximately 30 minutes. Formal action <u>may</u> be taken in open meeting proceeding closed session.**

_____(5) ***Matters Relating to the Purchase, Lease or Acquisition of Real Property or the Investment of Public Funds***: Any matter involving the purchase, lease, or acquisition of real property with public funds, the setting of banking rates or investment of public funds, where it could adversely affect the public interest if discussion of such matters were disclosed.

_____(6) ***Matters Relating to Public Safety and Property***: Any tactics and techniques utilized in protecting the safety and property of the public, provided that their disclosure could impair such protection. Any

investigations of violations of possible violations of the law.

_____ (7) ***Matters Relating to Litigation, Negotiations and the Attorney-Client Privilege***: Any pending or anticipated litigation or contract negotiation in which the public body is, or may become a party. Any matters falling within the attorney-client privilege, to the extent that confidentiality is required in order for the attorney to exercise his ethical duties as a lawyer

_____ (8) ***Matters Relating to the Employment Relationship***: Any matter involving the employment, appointment, termination of employment, terms and conditions of employment, evaluation of the performance of promotion or disciplining of any specific prospective public officer or employee or current public officer or employee employed or appointed by the public body, unless all the individual employees or appointees whose rights could be adversely affected request in writing that such matter or matters be discussed at a public meeting.

_____ (9) ***Matters Relating to the Potential Imposition of a Penalty***: Any deliberations of a public body occurring after a public hearing that may result in the imposition of a specific civil penalty upon the responding party or the suspension or loss of a license or permit belonging to the responding party bears responsibility.

NOW, THEREFORE BE IT RESOLVED by the Governing Body of the Borough of Haddon Heights, assembled in public session on May 7, 2013 that an Executive Session closed to the public shall be held on May 7, 2013 at approximately 7:45 p.m. in the Municipal Building, 625 Station Avenue, Haddon Heights, NJ, for the discussion of matters relating to the specified items designated above.

It is anticipated that the deliberations conducted in closed session may be disclosed to the public upon the determination of the Governing Body that public interest will no longer be served by such confidentiality.

The following resolution was duly adopted by the Governing Body of the Borough of Haddon Heights at a public meeting held on May 7, 2013.

RESOLUTION 2013:82

RESOLUTION OF THE BOROUGH OF HADDON HEIGHTS DECLARING ITS INTENTION TO REIMBURSE ITSELF FROM THE PROCEEDS OF ONE OR MORE TAX-EXEMPT BOND OR NOTE OBLIGATIONS FOR CERTAIN EXPENDITURES TO BE MADE IN CONNECTION WITH THE SCHEDULED PEDESTRIAN AND BICYCLE FACILITIES AND STREET LIGHTING PROJECT

WHEREAS, the Borough of Haddon Heights (the "Borough"), is a political subdivision organized and existing under the laws of the State of New Jersey; and

WHEREAS, the Borough intends to finance, on and after the date hereof, certain expenditures (the "Expenditures") in connection with scheduled improvements to the Borough's road, sidewalk and streetscape improvement programs, including payments of approximately $58,680.00 to Public Service Electric and Gas for relocation and installation of lighting fixtures for illumination and public safety purposes which are eligible for capital financing under the Internal Revenue Code (the "Project"), with tax-exempt bonds or notes of the Borough issued through public sale; and

WHEREAS, the Borough reasonably anticipates that obligations, the interest on which is excluded from gross income under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"), will be issued by the Borough directly to finance the Project on a long-term basis (the "Tax Exempt Bonds"); and

WHEREAS, the Borough desires to preserve its right to treat an allocation of proceeds of the Tax Exempt Bonds or Notes to the reimbursement of Expenditures paid prior to the issuance of the Tax Exempt Bonds or Notes as an expenditure for such Expenditures to be reimbursed for purposes of Sections 103 and 141 through 150, inclusive, of the Code.

NOW, THEREFORE, BE IT RESOLVED BY THE GOVERNING BODY OF THE BOROUGH OF HADDON HEIGHTS, IN THE COUNTY OF CAMDEN, NEW JERSEY AS FOLLOWS:

Section 1. The Borough Council hereby declares the Borough's intent to reimburse the Borough with the proceeds of the Tax Exempt Bonds or Notes for the Expenditures with respect to the Project made on and after the date hereof. The Borough reasonably expects on the date hereof that it will reimburse the Expenditures with the proceeds of the Tax Exempt Bonds or Notes.

Section 2. Each Expenditure will be (a) of a type properly chargeable to a capital account under general federal income tax principles (determined in each case as of the date of the Expenditure) and (b) will comply with the laws of the State of New Jersey.

Section 3. The maximum cost of the Project is expected not to exceed $215,000.

Section 4. The Borough Council authorizes and directs the Chief Financial Officer to designate the "original expenditures" in a written reimbursement allocation, which is a written allocation by the Borough that evidences the Borough's use of proceeds of the Tax Exempt Notes or Bonds to reimburse an Expenditure, no later than eighteen (18) months after the later of the date on which the Expenditure is paid or the Project is placed in service or abandoned, but in no event more than three (3) years after the date on which the Expenditure is paid. The Borough recognizes that exceptions are available for certain

"preliminary expenditures," costs of issuance, certain *de minimis* amounts, expenditures by "small issuers" (based on the year of issuance and not the year of expenditure) and expenditures for construction projects of at least five (5) years.

Section 5. All resolutions, or parts thereof, inconsistent herewith are hereby rescinded and repealed to the extent of any such inconsistency.

Section 6. This resolution shall take effect immediately upon adoption this 7th Day of May, 2013.
