We are happy to announce that the Haddon Heights Farmers Market Administration is anxiously preparing for the market to re-open on Station and Atlantic Avenue every Sunday starting May 4th, 2014 from 10 am - 1 pm.

Last years Market was a great success with the community and all those involved. We are determined to make it even better in 2014. During the off-season, HHFM Administration has been meeting with surrounding Market Directors in Camden County with the goal in mind that working together can make all local markets more consistent and successful.

The HHFM will continue be comprised of local farmers, artisans, and local businesses that participate in the weekly event. Please look for our Facebook page (Handle: Haddon Heights Farmers Market) and friend us there. This market is already a tradition in our town and continued support is what it needs to join the ranks of Collingswood's Market, so spread the word! We look forward to seeing you this spring at the Market!

# MAYOR'S MESSAGE:

Dear Neighbors:

What was among the worst winters any of us can remember is finally behind us!

It seemed as if snow and ice storms and extreme cold weather were weekly occurrences. Storms like this take an incredible amount of labor to keep our town's streets safe and passable. I want to thank our Department of Public Works, Police and Fire Departments for their efforts through this brutal winter. Many of them had to spend long hours outdoors in very challenging conditions to make sure that our residents could keep moving throughout town.

When the snow and ice finally melted, we got to see that the constant freezing and thawing did quite the number on some of our roads creating a significant number of potholes. Our crews have been working hard to get those filled. Some of our roads are maintained by Camden County or the State Department of Transportation. I have been advised

that those agencies are getting to work addressing the potholes on the roads they are responsible for. While our crews will keep working to spot potholes and get them filled, you can help us by reporting them to our Department of Public Works 856-546-2580 between the hours of 8 a.m. and 4 p.m.

With the end of winter comes an event that we all look forward to – the Opening Day Parade on Saturday, March 29th. This annual event kicks off the start of the HHYA baseball season. This year is especially exciting because of all of the improvements that have been made at the baseball fields on Atlantic Avenue. Please stop by and check them out. We are all grateful for your continued support of our volunteers as they help guide our youth who participate in these programs.

With the weather getting warmer and more daylight each day, please be aware of our kids who will be out on the streets. As always, please be sure to drive carefully through town.

This time of the year is a time in which your entire governing body is hard at work on the budget. Unfortunately, there are large segments of our budget that are simply beyond our control because they are dictated by other governmental bodies or are the result of costs passed along to us. As I have previously mentioned over the past couple of years at this time, please know that we are hard at work to control our portion of the budget. We will keep working to make sure that we do not ask for a penny more from you than we absolutely need to provide your Borough services and run the government. I want to thank the entire governing body for working hard towards our budget goals. I would like to make special mention of our newest member, Councilman Earl R. Miller, for taking the reins as Director of Finance.

Finally, you might find it interesting that our town is celebrating its 110th anniversary this year. Our town's history is something we all should be proud of. In a future issue of the HEIGHTS REPORT later this year, we will be including some interesting

stories and information straight from some of our town's historians. I look forward to reading these stories and hope you all enjoy and are proud of the history of our wonderful small town!

As always, please feel free to contact your Mayor and Council if we can be of help to you. We really do want to hear from you.

Your Mayor, Edward S. Forte, Jr.

## ...Haddon Savings Bank Does Not Sell Their Residential Mortgage Loans?

Having your mortgage sold to some other bank can be frustrating, distressing and a little hurtful—especially when you originated it with a local bank because you wanted to deal with your “friends” at your hometown bank instead of a faceless financial conglomerate.

Your mortgage from Haddon Savings stays here for the life of the loan, so you'll always get the friendly service you've grown to depend on for over 100 years.

## FROM THE TAX OFFICE...

**Reminder from the tax office: Second Quarter taxes are due May 1, 2014.** There is a 10 day grace period. After the grace period, taxes are delinquent and subject to interest back to the first day of the quarter. If the 10th falls on a weekend or holiday they are due the next business day. Postmarks are not indicative of a receipt.

The 2013 PTR-1 forms have arrived. This form is also known as the "Senior Freeze" application. The Property Tax Reimbursement program reimburses senior citizens and disabled persons for property tax increases. For applicants who met all the eligibility requirements for 2012, and again for 2013, the amount of the 2013 reimbursement will be the difference between the amount of property taxes that were due and paid by the applicant for 2012 and the amount of property taxes that were due and paid for 2013, provided, of course, that the amount paid for 2013 was greater than the amount paid for 2012. For mobile home owners, property tax means 18% of the annual site fees paid to the owner of a mobile home park.

Homeowners and mobile home owners who are receiving homestead benefits and/or property tax credits or deductions may also receive the property tax reimbursement if they meet the eligibility requirements. However, the total of all property tax relief benefits that you receive for 2013 (property tax reimbursement, homestead benefit, property tax deduction for senior citizens/disabled persons, and property tax deduction for veterans) cannot exceed the amount of 2013 property taxes (or rent/site fees constituting property taxes) paid for your residence.

To qualify for the 2013 reimbursement, an applicant must meet all of the following requirements:

- You must have been age 65 or older as of December 31, 2012, OR receiving Federal Social Security disability benefits as of December 31, 2012, and December 31, 2013. You do NOT qualify if the Federal Social Security disability benefits you (or your spouse/civil union partner) were receiving were received on behalf of someone else; **and**
- You must have lived in New Jersey continuously since December 31, 2002, or earlier as either a homeowner or a renter; **and**
- You must have owned and lived in your home (or have leased a site in a mobile home park on which you have placed a manufactured or mobile home that you own) since December 31, 2009, or earlier; **and**
- You must have paid the **full amount** of the property taxes due on your home: For 2012: By June 1, 2013, and For 2013: By June 1, 2014; **and**
- Your total annual income must have been : For 2012: \$82,880 or less and For 2013: \$84,289 or less

These limits apply regardless of your marital/civil union status. However, if your status at Line1 and/or Line2, Form PTR-1 was married/CU couple, and you lived in the same household, you must combine your incomes for that year.

You may not apply for a reimbursement for:

- A vacation home, "second home" or a property that you rent to someone else; **or**
- A property that consists of more than four units OR a property with four units or less that contains more than one commercial unit.

If you moved to your current home between January 1, 2010, and December 31, 2011, **AND** you filed for and received a reimbursement for property taxes (or mobile home park site fees) paid for the last full tax year that you occupied your previous home, you may be eligible to file a reimbursement application for 2013 if you meet all the other eligibility requirements.

Go to [www.state.nj.us/treasury/taxation/ptr2year.shtml](http://www.state.nj.us/treasury/taxation/ptr2year.shtml) to see if you qualify then call the Property Tax Reimbursement Hotline at 1-800-882-6597 for assistance.

If you think you qualify based on these eligibility requirements, stop by the tax office in the Borough Hall and request a "Senior Freeze" application.

## DOG & CAT LICENSES

Renewal forms for the cat and dog licenses are now due. The cost for a spayed/neutered cat or dog is \$9.00. The cost for a non-spayed/non-neutered cat or dog is \$12.00. After May 1, 2014, a late fee of \$10.00 will be assessed.

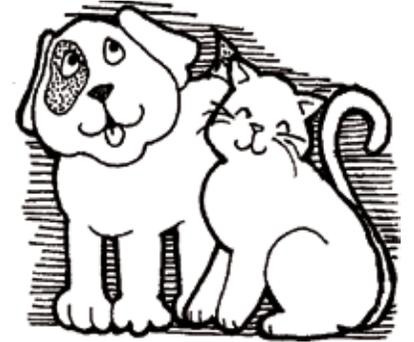

Please note that in order to obtain a license & tag you must provide the Borough with up to date Rabies vaccination information from your veterinarian. Also please be aware that in order for the Borough to issue a license, your pet's Rabies Vaccine must not expire prior to Nov. 1st, 2014 as per a Public Health Notice issued by the NJ Department of Health. ### By the time you read this...

We hope the snow has melted and there are no more ice storms, frozen pipes, and school closings.

Unfortunately, for many in town, this winter has been particularly difficult. Along with the cold weather came job losses, mounting utility bills, and illnesses. Several families among us truly need a lot of help.

Consequently,

By the time you read this, Haddon Heights Good Neighbors will be low on funds. Can you help? One of the great things about living in Haddon Heights is knowing that Good Neighbors always tries to have your back. This time, we need you to have ours.

Thank you.

## Join Your Neighbors • Help Your Neighbors

For over 20 years Interfaith Caregivers has been helping Haddon Heights' seniors and people with disabilities live independently and stay active in their community. Our volunteers provide rides to doctors, hairdressers, and social events. We grocery shop and run errands with seniors. Chatting or reading to a neighbor can provide comforting companionship. A brief phone call can bring peace of mind to clients and their families. Do you or someone you know need Interfaith Caregivers? If so call our office at 354-0298.

Many of your neighbors are already helping our 101 Haddon Heights' clients. Won't you join them? Give as much time as you have - an hour or two a week or a month. We work around your schedule. Call us whenever you have some time, or check our email list to see what we have available. Our next training is April 10th. For more details, call the Interfaith Caregivers office at 856-354-0298.

## TOUCH-A-TRUCK is on the Move!

The 9th Annual Interfaith Caregivers Touch-a-Truck will take place on Saturday, May 3rd, 2014 from 10am-2pm. This year we will be trucking up Kings Highway to the Municipal Parking Lot behind Haddonfield Borough Hall.

Trucks as usual will be the highlight of the day. There will be fire trucks, police cars, dump trucks, big rigs and many more for children to explore. Kids of all ages can climb on the vehicles, toot the horn and pretend to drive.

The day also includes other activities as it

is truly a family festival day. As usual we will have face painting, crafts and food but we are adding new activities this year. Kids will be able to win prizes, participate in a dinosaur dig and more.

Admission to explore the trucks is free and tickets will be sold for the activities. All proceeds benefit Interfaith Caregivers.

So bring the kids (big and little), grandkids, and neighbors to enjoy a fun family day and support us in helping people who are over 65 or disabled to live independent and with dignity. For more information you can email [maryann@ifchaddons.org](mailto:maryann@ifchaddons.org) or call 856-354-0298.

# The Woman's Club of Haddon Heights

## Celebrating 100 Years!

It was 1914 when a group of ladies met for a social afternoon and decided to form the Woman's Club of Haddon Heights. With \$127.79 in their possession, the fifty-three members were determined to promote the general welfare of the borough of Haddon Heights along educational, social, and civic lines, which still remains the objective of the Club one hundred years later.

The club was but a few weeks old when the free library of Haddon Heights was turned over to them by the Ladies Auxiliary of the local YMCA. They raised money to run the Library by social events which brought the town people together for entertainment as well as library support. As it was the club's first undertaking, they were anxious to succeed, so they canvassed house to house on Lincoln's birthday for free-will offerings. That practice continues today as each household receives a letter requesting contributions.

When the library was incorporated as a municipal library in 1924, the Woman's

Club turned the operation over to the Borough. Today, upon the death of a member, the club purchases a book in her memory and places it in the library.

In March 1915, through the efforts of the Club, a parent-teacher association was formed in Haddon Heights. During the First World War, the Club assisted in activities for the benefit of the men and women in the armed services, which still continues today.

Income for the Club is raised by various fundraisers, including a yearly soup and sandwich in February and a Christmas Bazaar in November. Each year the Club also donates to the police vest fund, library, many other charitable organizations, provide a scholarship to a Haddon Heights senior girl, and a junior girl is sent to Girl's Career Institute. They also support the Gilda Redner Association for people with cancer, the Ronald McDonald House, and donate \$500 to a needy cause.

The Woman's Club will reach their 100th Anniversary in April and have a Party planned in May for their members to celebrate this milestone.

In This Photo (left to right): Josephine Ernst, Wilma Hickman, Ken Funkhauser, Kathy Terranova, and Eleanor Gilfillan A Special Thanks To: Ken Funkhauser provided his 1929 Model A Ford ("Florence") for the photo shoot, Bruce Curless, of the Ritz Theatre, opened up his costume warehouse for period fashions to outfit the Woman's Club models, and Douglas Oswald Photography was contracted for the photo shoot.

## BUSINESS SPOTLIGHT

### My Fair Trade Lady

My Fair Trade Lady is a one-of-a-kind destination featuring hand-made gifts from around the world. My Fair Trade Lady is the only store in South Jersey designed to showcase fairly traded men's, women's and children's accessories and clothing, jewelry, home goods, chocolate, coffee, tea, spices and more from artisans who have been paid a living wage for the amazing items they create.

Owner, Donna Gottardi, knew that the fair-trade model would be right at home in Haddon Heights. The small-town feel of the community aligned perfectly with My Fair Trade Lady's ethical alternative shopping experience. "The people of Haddon Heights have really embraced fair trade as a way of giving back through their purchases," said Gottardi. They understand very well just how much good their purchases can do for the producers that we feature in the store. I believe they are happy to have the opportunity to make a difference by shopping with us. Fair trade is about building relationships between the developing world and the developed, and Haddon Heights is an excellent example of the strength that is found in relationship. "The support we have received from the Haddon Heights' community has been amazing and the folks here have demonstrated that fair-trade can work

just as well for the consumer as it does for the producer." In addition, because Haddon Heights has a strong downtown that is easily walkable, Gottardi knew that she would have the foot traffic needed to sustain her business. "Small towns with a downtown are so rare these days and we need to cherish and support them, which takes both business owners and townspeople working together to help them survive and thrive, said Gottardi. One last perk of being a business owner in Heights, Gottardi walks to work from Audubon, where she lives with her husband Gary and pug Pepe!

**My Fair Trade Lady is located in Haddon Heights at 531 Station Ave (across from the PNC Bank). The hours of operation are 11am to 6pm Monday through Saturday.** Check out the store on Facebook at [www.facebook.com/MyFairTradeLady](http://www.facebook.com/MyFairTradeLady), where you can like and become friends of the shop.

## New Technology for Our Students

The HHPTG developed the Haddon Heights Mini-Grant Program which offers elementary school teachers the opportunity to design and implement innovative educational projects that will help to improve student achievement. In this competitive grant program, grant applications are evaluated using the following criteria: innovation, creativity, educational value, benefit to students, and clarity. The awards range from \$50 to \$2,000 each and are paid directly to teachers for these programs during the school year.

This year we have awarded two teachers the mini-grants for use in their classrooms: Mrs. Cordner, third grade teacher at Atlantic Avenue School and Mrs. Connell, second grade teacher at 7th Avenue School. Mrs. Cordner put in a comprehensive application titled Interactive Math to launch a program that addresses the Math Common Core State Standards. She will run this program using 3 iPad Airs (32G)B tablets and listed 5 projects she will complete with the students. This

program and equipment will be for her current and future classes. Total donation for this program was \$2,000. Our second application we received was from Mrs. Connell. She developed a program called Differentiation through Technology. In this program she will be utilizing reading, writing and math apps that correlate to the Common Core State Standards. These tablets possess a range of versatile functions that enhance and reinforce classroom learning through educational applications, reading, Skyping with other classrooms, creating educational videos, and more! HHPTG will continue to work with teachers to bring more opportunities to our students through technology and programs such as these. Please encourage your teachers to participate in these programs. We want you to know that your donations make a difference in our classrooms! More information about our Mini-Grant programs can be found at: <http://www.hhptg.org/ptg-activities/mini-grant-program/>

# Haddon Heights School District

## Ability Awareness Week

Ability Awareness Week is a district-wide initiative that focuses on raising awareness, furthering the knowledge of students, staff, and community members, promoting inclusion, and celebrating differences.

The Haddon Heights School District has promoted this initiative over the past three years! The Special Education Parent Advocacy Group (SEPAG), Haddon Heights Administration, and staff are again teaming up to plan activities that will increase the level of awareness within our community.

This year the Haddon Heights School District kicked off Ability Awareness with a "Bubbling Up Awareness" event at a football game.

The SEPAG is currently planning activities to celebrate Ability Awareness Month, which will be celebrated in April. This year's theme is, "We are in this Together". The group is planning an assembly consisting of a panel of local parents who are working to raise awareness as well as an assembly where elementary aged students can participate in hands-on activities to further their knowledge of disabilities. Staff and students will be invited to read specific titles to gain insight and perspective. More information, regarding this year's events will be posted on the district's website in the upcoming weeks.

## Haddonfield Plays and Players

Returning to Haddonfield Plays and Players is "Number The Stars", a tender and intense adaptation of Lois Lowry's novel about one of the most inspiring episodes in human history: the rescue of the Danish Jews during World War II. Based on true-life events, the musical production tells the story of a Christian family that hides, and ultimately rescues, their Jewish neighbors. Every performance is open to the public, yet morning audiences are predominantly school groups from area towns. **This year's cast includes current Haddon Heights residents: Erica Earwood (Lise Johansen), Anthony O'Toole (Young Nazi soldier), and Cambria Klein (Kirsti Johansen)**

**"Number the Stars" will be performed at Haddonfield Plays & Players, 957 E. Atlantic Ave., April 1 through 13. For information visit: [www.haddonfieldplayers.com](http://www.haddonfieldplayers.com)**

# From the Fire Department

Written by Fire Fighter Sean Ward

We can finally put the messy winter behind us. To mitigate any delays in our services, the HHFD staffed the firehouse during every major storm, assisted EMS, and shoveled out hydrants so that we could provide you with the best care possible in case of emergency.

When was the last time you checked the fire extinguisher in your home? If it has been awhile since you purchased one, or you don't have one in your home, you can find an affordable one at most hardware stores. An extinguisher rated for Class A, B, and C fires is recommended for most residences.

It has been a few weeks since we changed our clocks for daylight savings time, have you changed the batteries in your smoke detectors? Do you have a carbon monoxide detector and have you changed the batteries in it? If you should need any assistance with your smoke or carbon monoxide detectors please call the Fire Prevention Office at 546-7135.

On Saturday, February 22, 2014 a funeral service was held for Past Chief William B Chain Jr. who served as Chief of the Haddon Heights Fire Dept. from 1970-1977 and again from '83-'85. As Chief, he was instrumental in bringing many progressive concepts and practices to the Haddon Heights Fire Department.

William B. Chain Jr.

Bill served in the US Marine Corps from 1948 to 1953 retiring with the rank of Staff Sergeant. For his service in the Korean War, Staff Sergeant Chain was awarded the distinguished Navy Cross for extraordinary heroism during military operations while being wounded in battle. Bill's detailed story can be found by searching on the world wide web at "Valor awards for William B Chain Jr".

As always you can find us on Facebook, or at [www.haddonheightsfire.org](http://www.haddonheightsfire.org) and thank you for your continued support.

## Haddon Heights Baptist Church

February at Haddon Heights Baptist was Anniversary Month. This year marks the church's 116th year of existence in our borough. A night of special music to celebrate the event was held on February 23.

On Palm Sunday, April 13, several Easter programs will be presented. During the 9:30am Sunday School hour, the special needs Shepherds Department will perform their annual Easter Program. That evening at 6:00pm the Senior Choir and Orchestra present the musical drama, "All Hail the Power...The Victor." This sequel to the Christmas cantata, "The King," is a powerful account of the victory over sin and death Christ accomplished on the cross for mankind.

On Easter Sunday, April 20, Haddon Heights Baptist Church and Barrington's Grace Bible Church will share the Haddon Heights Dell to celebrate the risen King with a Sunrise Service at 7:00am. At 9:30am, a continental breakfast will be served in Fellowship Hall, followed by a special Easter service at 10:45am. All are welcome.

AWANA Clubs at Haddon Heights Baptist continues each Wednesday evening from 7:00pm to 8:30pm. AWANA is kids clubs for pre-K through 6th-graders that feature

exciting games, character-building workbooks, challenging devotionals and plenty of special events throughout the year. On March 21, clubbers raced speedy and stylish Pinewood Derby class race cars in the annual Awana Grand Prix Races. Many trophies were earned in speed and design categories. The next day, a team of "T & T" clubbers competed in the Regional Awana Games. On Wednesday Nights in April, clubbers will be sprinting to the finish in their handbooks as the club year concludes. Game time will include basketball and hockey themed contests.

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00pm to 8:30pm September through June. Come and enjoy food, fun and fellowship, a challenging speaker, good music and games.

## Haddon Heights Youth Association

Our 2014 HHYA basketball season has come to an end! Our boys and girls basketball program has just completed another highly successful basketball season. On Friday, March 7th, three of the Haddon Heights teams competed for the championships in their respective divisions of the Camden County Basketball League. The 4th grade girls defeated Haddon Twp. to win their division and the 6th grade boys knocked off Lawnside to win their second consecutive title. The 4th grade boys also had a great season reaching the finals before falling to Haddon Twp. **Congratulations to all of our teams!**

The basketball program has seen a steady growth in numbers with the addition of extra boys travel teams in both 4th and 5th grade. On Sunday afternoons the high school was a buzz with the 1st and 2nd grade clinic. The focus of the sessions was about the teaching of the fundamentals of the game. HHYA also offered a less competitive basketball experience for boys and girls with the recreation program for boys and girls in grades 3 through 6. The major focus of the recreation program is for players of all skill levels to have fun with the game of basketball.

I want to thank our Basketball Commissioner Jim Donnelly, Deputy Commissioner Keith Reynolds, Clinic Coordinator and dual 2014 Champion Matthew Campbell, our all of the HHYA volunteer coaches, HHYA families and especially the kids within our program.

# Shade Tree Commission Spring News

As Arbor Day and Earth Day approaches, pruning, mulching and tree planting is often among our most dreaded and confusing tasks.

## Free Pruning Seminar on April 5th

To better prepare us for the pruning of our trees, the Haddon Heights Shade Tree Commission is offering a free Pruning Seminar on April 5th from 10:00 AM to Noon at the Community Center. After a short in-door discussion, a hands-on demonstration of pruning techniques will be conducted in the area of the Community Center and the Cabin along Lippincott Lane.

The program will be conducted by Lisa Simms, the Director of the New Jersey Tree Foundation. Registration forms are available on the Borough website or will be provided by email by contacting [roniolizi@aol.com](mailto:roniolizi@aol.com). The seminar is limited to 20 participants.

The Shade Tree Commission, the Environmental Commission and the Haddon Heights Rotary Club members are partnering to conduct a borough wide pruning of young trees along curb strips. Anyone wishing to volunteer is encouraged to sign up at the seminar or by contacting any organization member. Time and date will be discussed at the seminar.

## Plant, Plant, Plant!!

One of the most frequently asked questions we receive is, "Can I plant my own tree on the curb strip in front of my house?" The answer is, Yes, providing you contact the Shade Tree commission first for review of the site and tree selection. Tree selection and placement is determined by the size of your planting area and the location of utilities. A list of street trees recommended by the New Jersey Department of Community Forestry and Rutgers Extension, is posted on the borough website.

Please note, any tree trimming, or removal along the public rite-of-way without specific borough approval, is a violation of our borough tree ordinance. Any violation of the ordinance is subject to fines.

Please direct any questions to Roni Olizi at [roniolizi@aol.com](mailto:roniolizi@aol.com)

## Warning! Mulch Volcanoes Kill Trees!!

The Shade Tree Commission is reminding all residents to be concerned about over mulching around trees and shrubs. Many residents and contractors are encouraged to over-mulch to achieve a pleasing mound around their trees. Please resist!

Over mulching (aka mulch volcano) is the most common cause of tree and shrub death. Over mulching contributes to waterlogged soil and a decline in oxygen levels to the roots. Unfortunately, by the time the symptoms of poor twig growth, yellowing foliage and branch die-back occur, it's generally too late to correct the problem. Please mulch sparingly.
