The Borough Welcomes 2015 at Annual Reorganization Meeting

Like their peers across the entire state, the Haddon Heights Borough Council convened to officially start the 2015 version of local governance; a process termed "Reorganization".

Mayor Edward Forte moved quickly to the installation of newly re-elected Council members so that they could fully participate in the day's business. Councilwoman Kathy Lange was sworn in by Edward R Murphy, Esq. for her third term of office; Councilman Rick DiRenzo was joined by his family as he was sworn in by Thomas Booth, Esq. After warm welcomes from the mayor and fellow Council members, Steve Berryhill, Susan Griffith, Jack Merryfield and Earl Miller, the next agenda items included Lange's appointment to the position of Council President and each Council member's specific Directorship or areas of responsibility.

Followed by Resolutions to cover many operational tasks of government, the Council turned its attention to appointments for a wide range of official positions from A (*Arborist*) to

V (*Vital Statistics Registrar*). Noting that the town could not function without the generous volunteer help of its residents, the Mayor asked over 90 residents to stand together to be sworn in to over 15 different Committees, Commissions or Boards. They join with 100 plus other volunteers already serving multi year terms on various Borough groups. It is a powerful testimony to our wonderful hometown to see this level of community

involvement. All were thanked for their community service.

Love Your Library Month!

February is "Love your Library" month and the Haddon Heights Library gives residents many reasons to love them. Downloadable e-books, DVDs, children's programming, high speed Internet access and free notary service are just a few of the many services and products available from the library.

The library has provided all of this and more to try and provide our patrons with the services and materials that they deserve. We are very proud of

all our offerings, but we recognize the help the residents give us each year through donations help make them possible. The support the residents of Haddon Heights have given the library over the years shows us how much you love your library and pushes us to deliver as many services as we can afford.

With February being "Love Your Library" month, we must appeal to you again and ask for as generous a donation you can afford. Please keep

your eyes peeled, as our solicitation letter will be hitting your mailbox in February. Without your support, we could not deliver the services you deserve. For more information about the library or how to donate, please call us at 547-7132.

MAYOR'S MESSAGE:

Dear Neighbors:

As we enter 2015, I hope everyone enjoyed the holiday season. It was great to see so many of you at our Holiday Parade where the tree and new Star were lit. Station Avenue looked terrific, and, as always, our school band did a fantastic job! None of this would be possible without the work of so many of our volunteers. On behalf of the town, we all thank you.

As we begin 2015, I would like to thank and praise all the Borough employees as well as the volunteers who serve on our Boards, Commissions and Committees for their hard work throughout the year. Without our dedicated Borough employees and volunteers, many of the wonderful events that we do in town would not happen. We are always looking for residents of all ages to assist us in maintaining all of the actives in town. If you have any interest in serving, please contact our Borough Clerk, Kelly Santosusso at 856-547-7164, ext. 24.

At our annual Reorganization Meeting, we welcomed Council President

Kathy Lange and Councilman Richard DiRenzo back to Borough Council. I would like to thank them for their dedicated service. The entire Governing Body looks forward to working with these two (2) committed public servants. I know they will do an excellent job.

Many of you have met our new Tax Collector, Eric Fitzgerald. Eric is a terrific asset to our town. Just hired in July, he has achieved a collection rate of over 98%. It is important that we keep our collection rate as high as possible for two (2) reasons. First, it is important that everyone pay their fair share. Second, the town must pay the School Board and County portions of the tax bill regardless of whether we collect it or not. This then leaves the Borough short on being able to meet all of our other obligations.

Before we know it spring will be here, bringing an event we all look forward to, the HHYA Opening Day Parade and Ceremonies which is scheduled for Saturday, March 28th. It is always

exciting to see our young children having fun out on the field. I look forward to seeing many of you on Opening Day and, again, thank you to all the volunteers that work so hard for our kids.

Before the much anticipated spring, we still need to get through the rest of winter. This usually presents the probable issues of snow removal and potholes. You can help the Department of Public Works by making sure to remove the snow from the sidewalks on your property within 12 hours following the end of snowfall. It becomes a safety hazard after that and is a violation of Borough Code. We often get potholes as a result of winter. If you come across any, please be sure to report them to our Department of Public Works at (856) 546-2580 so that our maintenance crew can repair them. Hopefully, the rest of this winter brings less snow than last winter!

As always, thank you for the opportunity to serve you as your Mayor. My office hours are the first Tuesday of

every month from 4 to 6 p.m. If there is anything we can do to improve your town, please do not hesitate to visit Borough Hall during these hours. You may also feel free to contact any other member of the Governing Body with your ideas and suggestions.

Respectfully,
Mayor Edward S. Forte, Jr.

Do You Need the Winter "Function Better Program"?

Each winter, many folks perform activities such as bundling-up for afternoon walks, shoveling snow, clearing snow and ice off the car, visiting friends, attending children's shows and shopping in town. If you find yourself in a position where the bending, reaching, endurance, balance, standing, walking, carrying and climbing requirements of these activities are too difficult, too painful or even impossible, the "**Function Better Program**" at WORK-UP PHYSICAL THERAPY may be just what you need to perform your tasks and activities this winter!

The "**Function Better Program**" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. After completion of the "**Function Better Program**", many people report that they are pain free and able to lead a more active and independent lifestyle.

WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming winter session of the "**Function Better Program**" are limited and filling quickly.

To reserve a slot for the program, call (856) 546-0377.

At WORK-UP PHYSICAL THERAPY, you will find that:

- Individual attention is provided by a licensed physical therapist during the entire treatment session.

- Individuals of all ages and fitness levels are welcome.

Why Should You License Your Pet(s)?

There are many responsibilities that come along with being a pet owner. One that may often be overlooked is registering your dog with your city government and getting him licensed. Failing to do so could result in being fined and could also hinder getting your pet back if they should be picked up by the pound.

If the above isn't reason enough for you to properly register your dog, here are a few more reasons why you should:

1. It's the law. In most states, it's mandatory that dog and cat owners have their pets licensed. If you get caught without a license, which can and does happen, you will be hit with a hefty fine. Licenses must be renewed each year and must be displayed on them at all times.

2. If your pet goes missing, having them licensed drastically improves your chances of getting them back. A license tag helps animal control and shelters quickly identify your pet and get them back to you safely. If your pet is found wandering the streets, a rescue organization can easily look up your pet via its license identifying number. Animals that are licensed tend to be kept at the shelter longer than unlicensed dogs, which are the first to be euthanized if their owners do not quickly claim them.

3. The cost of the license is far less than the penalty for being caught without one. If a city official finds your pet without a license, you can end up paying a hefty fee!

4. Licensing lets people know that your animal is up to date on its rabies vaccinations. Pets cannot be licensed unless they are properly vaccinated. Animal control or a Good Samaritan will be much more likely to want to handle and care for your missing pet if they know that it is healthy and sans rabies.

5. License fees support the efforts of many local animal shelters. Typically, the annual fee that you pay to license your pet helps to keep shelters running and supports the work of your local animal control. By paying to properly ID your pets, you are helping to feed and house stray dogs found on the streets within your city.

What is required to get a license?

- In order to apply for a license, you must provide a certificate showing that your pet's rabies vaccination is good through November 1 of the licensing year.
- Dogs over four months and older must be licensed.
- If you license your dog in one city and then move to another, you may need to apply for a new license. Check with your licensing department for more information.

Why Should I Have My Dog or Cat's Rabies Vaccination Up-To-Date?

Having your pet's (dog(s) or cat(s)), rabies vaccination up to date is a public health issue. It is important to the health of your family, relatives and neighbors who may come into contact with your pet(s), not to mention your pet(s).

In order to get a 2015 dog or cat license, the vaccination must be valid for ten (10) months of the licensing year (or through October 31). If your pet's vaccination certificate expires before then, please make arrangements to have the pet's vaccination updated before applying for a license. If you are concerned about vaccinating your pet prior to expiration, please contact your veterinarian.

New Jersey State Law N.J.S.A. 4:19-15.2a N.J.A.C. 8:23A-4.2 mandates that all dogs be properly vaccinated and licensed.

Donate Your Old Jeans!

The Haddon Heights Library will be accepting donated jeans for the needy of Camden, through St. Paul's Episcopal Church.

It's a new year, how about some more space in your closet? Everyone has stacks of jeans taking up space in their already crowded closet. Many of them we may no longer wear. Instead of letting these jeans sit collecting dust and taking up valuable closet space... How about cleaning out some of your old, clean jeans and donating to those in need. We are looking for jeans for both men and women in all sizes.

New or used men's socks and any toiletries are always needed as well. If possible we would appreciate your clothing donations to be placed in a plastic bags for donation.

Thank you in advance for your kind donations.

Haddon Heights Good Neighbors

625 Station Avenue - Haddon Heights, NJ 08035

One of the best things about living in a small town like Haddon Heights is the feeling of unity. Picnicking in Hoff's park, shopping in our vibrant downtown, catching a soccer game on Devon Avenue, or biking to John's Friendly Market for a dozen eggs...these are the everyday things that make us appreciate living here.

When one of our citizens falls on hard times, there's another reason to love our town - Haddon Heights Good Neighbors. Made up of all volunteers, its mission is to bring short-term financial assistance to Haddon Heights residents in need. Last year we helped people with holiday dinners, back-to-school kits, medical bills, utility bills, and housing costs.

The mission of HHGN is to provide short-term financial assistance of a material nature to residents in need. If you'd like to volunteer your time, make a donation, or inquire about receiving help, please visit us at www.hhgoodneighbors.org or contact us at 546-6677.

The Village Playbox Presents... You're a Good Man, Charlie Brown

The second half of the 20th century saw sweeping changes in science, technology, medicine, transportation, the economy, and society that radically changed our daily lives. The gaps between generations widened as children had far less in common with their parents than ever before. Regardless of the changes and that ever-widening gap, each generation since 1950 has been touched by the humorous and often poignant adventures of a particular little boy, his sister, their friends, and a silly beagle with a wild imagination: Charlie Brown, Sally, Lucy, Linus, Schroeder, and Snoopy--the Peanuts gang.

You're a Good Man, Charlie Brown blends familiar moments from the Peanuts strip—the anxieties of school, the disappointment of Valentine's Day, the agony of baseball season, and unrequited love—to

create a day in the life of Charlie Brown. From a bright, uncertain morning to a quiet, hopeful starlit evening, all the familiar characters are there: crabby, bossy Lucy; musically-gifted Schroeder; irrepressible Sally; wildly imaginative Snoopy; and benevolent, philosophical Linus—and, of course, the lovable loser in the zig-zag shirt, Charlie Brown himself.

You're a Good Man, Charlie Brown opens on Friday, February 6 at 8 p.m. at the First Presbyterian Church in Haddon Heights and continues on Fridays and Saturdays through February 21st. Matinees are 3 p.m. on February 8th and 15th. Tickets for adults are \$15 online and \$18 at the door; student tickets are \$10 online and \$12 at the door. For additional information, call 856-534-6960 or visit us at info@villageplaybox.org.

FIRE DEPARTMENT

Happy New Year from the HHFD!

We hope you all had a safe and enjoyable holiday season, and wish everyone the best for 2015.

The HHFD was once again available 24/7, holidays, weekends, rain, shine, or snow to provide the residents of Haddon Heights with the best service possible, and we did so 521 times in 2014. In 2015 we look forward to providing you with the same excellent service that has been expected of us since 1904. We also welcome anyone who is willing to take on the challenge and commitment of being a firefighter in our community.

Winter is winding down, and Spring is in sight, but February can still bring us severe winter conditions. We would like to ask residents to lend us a hand, by leaving clear walkways and access paths so that first responders can quickly assist in an emergency. We also ask that if you have a hydrant nearby to clear a 3ft path around it, and in case of emergency do not hesitate to call 911.

We also want everyone stay warm, but also stay safe. Be careful with the use of space heaters, fireplaces, and wood burning stoves. Half of all home heating fires occur during the winter months. Make sure that your chimney or stove is maintained and cleaned regularly, and make sure after use that the fire is completely out before

going to bed or leaving the house. Never leave a fire unattended, and keep children and pets away. Space heaters need space, and should be kept away from furniture, clothing, and combustibles. Make sure it has a thermostat control mechanism, and automatic shutoff, in case it gets tipped over. Plug directly into a wall socket, and always unplug when not in use.

As always, we're available for emergencies around the clock by calling 911, and for the latest news and safety updates from us, find us on facebook. Facebook.com/HaddonHeightsFireDepartment. And thank you all, for your continued support.

What I love about Haddon Heights...

Several years ago, I recommended the Sons of Italy facility to the South Jersey Bead Society for their annual holiday party. The attendees loved the venue, so we've returned every year, but this year, for some unknown reason, our treasurer forgot to send in the paperwork and check. So our holiday banquet wasn't even on the rental schedule. I was just about to leave to help set up for the event when I got a frantic phone call stating that the facility was locked! We began making phone calls and within less than half an hour the building was opened and we were setting up for the party. No less than six members of the Sons of Italy went beyond the call of duty to help us out, and I doubt the guests were even aware of the problem. The true test of a service provider is how they handle a crisis situation, and the Sons of Italy came through with flying colors! Just one more value to living in our small community.

- Jan Ewing

If you would like your story, memory, quote, thought, picture, drawing, "love" included in the next edition of "When Love Speaks" please send all of your information along to Julie Yuhaze at jyuhaze@haddonhts.com for future editions of the Heights Report.

When I shop at John's Market for my hoagie, I no longer have to tell the deli crew what type of hoagie to prepare or the ingredients. As I enter the order area, they have already begun to prepare my regular Turkey Hoagie with honey mustard, lettuce, tomato, hot and sweet peppers, with no spices. I don't have to say a thing - just nod and exchange smiles.

Great service and a great value!

New Beginnings Learning Center

Your Hometown Preschool for 35 Years!

It's open enrollment time at New Beginnings Learning Center! For 35 years the preschool, located in and affiliated with the 1st United Methodist Church of Haddon Heights at 704 Garden Street, has been providing young children with an excellent beginning education. Generations of children have spent their early years learning, playing and smiling in this very special school!

An inspector from the NJ Division of Licensing has called New Beginnings Learning Center "the model for what a preschool should be". Certified and licensed by the state of NJ, New Beginnings proudly surpasses the requirements of the state regulations. The caring, dedicated, highly experienced staff exceeds the state requirement for continuing education. Every staff member is CPR/AED and First Aid certified, and has received extensive emergency management training. The school building has a new security system and video surveillance providing a high level of safety to the students and staff.

Classes are available for children ranging in age from 18 months to 5 years old. For the 2015-16 school year NBLC is offering optional PLUS days to the curriculum, giving parents an opportunity for additional mornings of enrichment activities for

their children. Half day classes foster the creative process in children through a developmentally appropriate curriculum that provides for all aspects of a child's growth; spiritual, emotional, intellectual, physical, and social. Parents may also choose to extend their child's school day with optional Stay & Play afternoons. Lunch and time to learn and play with friends at school gives children additional experience and parents a few extra hours during the week. Children at NBLC are encouraged to learn through play because research proves that children learn best when learning is fun!

Parents of preschool aged children are invited to visit the school with their child to spend time in the clean, bright, well equipped classrooms and to meet the administrative and teaching staff. Spend a few minutes or the whole morning! You are always welcome to visit!

Registration for the 2015-2016 school year begins in January 12, 2015. Classes fill very quickly, so don't delay! Call the school at 856-547-4444 or visit the website at www.nblc-haddonheights.org to make an appointment for a tour, request an admission application, or for more information on making New Beginnings Learning Center your family preschool.

Get those youngsters up and out first thing in the morning – Entertain your visiting grandchildren – Have a second cup of coffee or get out of the house alone. Our Summer Rec Program is the perfect way for your child to develop confidence, make friends and try new things.

Summer Rec is a great combination of “old school” fun and new skills. We operate rain or shine using the air conditioned Cabin at Hoff’s Playground and the Community Center off Seventh Avenue. Each youngster registered by May 1st is guaranteed a tee shirt in their size.

Summer Rec Director Stacey Boegly Denning and Assistant Kenny Hamburger bring a terrific combination of teaching and personal experience in sports, phys ed, art and crafts along with their extensive experience in dealing with young people. Our teen Counselors are trained and supervised, plus we enjoy the help of summer rec volunteer camp veterans - Barbara Hoff Robinson, Wilma Hickman and Barbara Clay. All of our adults have had a Criminal Background Check.

Our rotating schedule includes snack time and indoor craft sessions plus free choice options. A different sport is featured each week. For your peace of mind we use school-like check in and out procedures and every activity is well staffed. Our outdoor activities are in close proximity to the Cabin and the staff uses walkie-talkies to stay in touch. Please see the Registration Form for exact dates, times and fees.

The first 3 families who pay in full for at least one week by May 1st will receive a mini nerf basketball. A full information packet plus contact/medical information forms will be mailed out to registrants in May.

PROGRAMS

Spring Up with Heights Programs!!

Heights Programs is offering many great classes for the Spring 2015 Session which starts March 9th. We have something for everyone. Have you always wanted to sew or need some refreshing on the sewing machine? Then Sewing for Beginners is for you! This class is taught by Haddon Heights' own Emily Meyer of Labelocal. Or maybe you've always wanted to try your hand at acting? Join a professional, award-winning TV, radio, film, and theater veteran of over 30 years for Acting for Fun and Fame or Acting for the Camera. Or maybe you want to eat healthier in the new year – if so, maybe Vegan Cooking is for you. We offer many terrific children's programs as well. Learning with Legos, Learn To

Tumble, and Child Etiquette are just a few of our wonderful children's programs. As always, our Fitness classes are thriving and we would love to have you join us! Please visit our website at www.haddonhts.com/programs for more information & registration forms.

Babysitter Training Course

The Haddon Heights Program Coordinator is in the works trying to bring the American Red Cross Babysitting Training Classroom Course to Haddon Heights this Spring (around May). But to run the class we need to know there is enough interest from our residents to run the class.

It would be a one-time class offering you a babysitting certification that will never expire. The class would offer hands-on training and a fun way to learn from experts how to take care of babies, toddlers and kids up to age 10. You would learn lifesaving first aid skills, from keeping everyone safe to knowing what to do in an emergency. Along with this you would also be shown tips on making playtime fun for you and the kids. Along with all of this, they will also help you learn to act like a pro: from job interviews to managing your business.

In a few hours, the experts would teach you and your friends the tricks of the trade, reveal their "sitter survival" secrets, and share tips

about getting a job where you live. This fast-paced class is even more fun if you bring a friend.

Interested? Would you like to see Haddon Heights be able to offer this class in the Spring? If so we need to know!

Please contact the Program Coordinator to let her know that you would like to attend. You can email her at programcoordinator@haddonhts.com, call at (856)546-2585 or you can also check out this information on the borough website and contact her through there. We are not holding spots or taking registration information at this time, we are just trying to get a sense of the amount of interest there would be to bring this awesome class to Haddon Heights and to make sure there is room for everyone who wants to attend!

First Presbyterian Church

First Presbyterian Church of Haddon Heights offers Sunday School for ages 3 through Adult. A nursery is also provided for the little ones. We invite you and your family to join us for a warm and friendly Christian experience. Sunday School classes for children and youth are held on Sunday morning during the 10 AM worship service from September through June. Children leave for class after the children's sermon.

Through the Gospel Light lesson series, our Toddler through Kindergarten Class will learn how God shows His love for creation and for us. The 1st through 3rd Grade Class will learn God's plan for us and how His power makes a difference in our lives. The 4th through 7th Grade Class will learn about relationships with friends and how to set priorities. Our Teens meet on the 2nd and 3rd Sundays at 10 AM and focus on life in today's world; they will have the opportunity to reach out to help others at the Cathedral Kitchen in Camden and at Collingswood Manor.

The Adult Sunday School Class is held Sundays at 9 AM in Classroom 2. Topics will reflect the class participants' interests, the church seasons, and the sermon series. Classes are led by Pastor Eliza Cramer.

We are located at the corner of Seventh and Green Streets. Please call us at 856-547-6139 for more information, check us out at our website, www.fpchaddonheights.org, and also find us on Facebook.

Cooking for a Cause!

As we continue to focus on the needs of our regional neighbors, the members of First Presbyterian Church, on the corner of Seventh and Green, will be making hundreds of healthy casseroles for families in need of warm meals this winter. The Mission Committee of the church was awarded a matching \$1,000 grant from the West Jersey Presbytery in order to buy supplies for the casseroles. Throughout the winter months, members of the congregation will enjoy each others' company while assembling hundreds of casseroles! This is just one example of fun and meaningful projects that we undertake each month.

You are invited to join us for worship, fellowship and study. Please visit www.fpchaddonheights.org for Pastor Cramer's sermons, a calendar of events, and more interesting information about our church!

Men's Breakfast Club

The Men's Breakfast Club of First Presbyterian Church of Haddon Heights meets every fourth Wednesday at 9 AM in the church parlor. Please join us on February 25th and March 25th for a hearty homemade breakfast and special Bible study led by Pastor Eliza Cramer. St. Mary's Episcopal Church

With Christmas behind us, and 2015 before us offering unlimited opportunities, St. Mary's Episcopal Church invites you to visit our lovely church building and meet the welcoming members that call St. Mary's home.

St. Mary's congregation comes from communities throughout Southern NJ. It is a diverse congregation and warmly embraces those that have a strong relationship with Jesus, those who are looking to learn more about Jesus and those who are unsure of where they stand in their faith based journey. As a small congregation, we know each other well and are loving and supportive of our fellow parish members. That circle of care is always open and extended to newcomers as well.

Breaking Bread; Feeding the Hungry

"Hunger hurts." We have all heard that statement but how many of us have lived it? In New Jersey, 200,000 people, 35% of them children, go hungry every day. These are our neighbors; the hard working family next door, the single mom, the elderly neighbor across the street. Many suffer in silence, too embarrassed to make their need known.

You are invited to be a part of the solution; to make an impact on hunger in Southern New Jersey. Please join us at St. Mary's Episcopal Church, White Horse Pike and Green Streets, Haddon Heights, NJ on Sunday, March 29th at 3:30 pm as we host an Ecumenical Eucharist and festival of hymns to benefit the Food Bank of South Jersey.

This event is co-sponsored by St. Mary's Episcopal Church in conjunction with the Episcopal Diocese of NJ, and the Southwestern Mission Cluster

of Parishes, NJ Synod, Evangelical Lutheran Churches of America.

The Rt. Rev. William "Chip" Stokes will be the Celebrant at this Ecumenical Service. He will be assisted by clergy from Episcopal and Lutheran churches throughout the region. Choirs from St. Mary's Episcopal Church, Haddon Heights, St. Stephens Lutheran Church, Woodbury and the 60 voice Community Chorus from Rowan College at Gloucester County College, along with other area churches, will lead the congregation in song, under the direction of Organist/Choir Directors William Fenimore and Lawrence Di Pasquale.

Visitors are asked to bring a can good as their admission to the event. In addition, a free will offering will be taken and distributed to the Food Bank of South Jersey. A reception in the Parish Hall will follow the event.

of March and the Grand Prix Races on Friday the 20th.

AWANA, short for Approved Workmen Are Not Ashamed, is a kids club for children age 3 through 6th grade. Emphasis is on wholesome game activity, Scripture memorization and Bible-based teaching. All are welcome and parents of clubbers can attend Bible Study groups, held at the same time as club.

Haddon Heights Baptist Church provides several housing units on campus for missionaries on between-field ministries. Currently, Dottie Glorn, church planting missionary to Argentina and John and Roberta Stevenson, church rescue specialists, are spending furlough time enjoying these facilities.

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00pm to 8:30pm September through June. Come and enjoy food, fun and fellowship, a challenging speaker, good music and games.
