“All Through the House” HOLIDAY HOUSE TOUR

Get ready to kick off the holidays with the Haddon Heights Library’s “All Through the House” Holiday House Tour. The library is celebrating the 33rd anniversary of the tour with 4 beautiful homes as well as the First United Methodist Church. We are very excited to share these wonderful homes with you as part of the kick-off to the holidays in Haddon Heights. This year’s tour is set for Friday, December 2. The tour runs from 12 – 3:30 and 6:30 – 10.

The five locations are spread around Haddon Heights and will give tour goers a great look at different styles of homes. Tour goers are invited to drive from home to home on this self-guided tour. Tickets are \$15 in advance and \$20 the day of the tour. They can be purchased at the Haddon Heights Library, April Robin Florist, Freshest Flowers, The Village Cheese Shop and Kunkel’s Restaurant.

Last minute tour goers will be able to purchase tickets at the previously mentioned locations and at any of the homes on the tour. All proceeds benefit the Haddon Heights Library. This is the second largest fundraiser every year for the library.

Christopher Walter, Library Director, comments that “We are so excited for this year’s tour, as we have five wonderful locations, including the First United Methodist Church. Each year this is a can’t miss event!” For more information, please contact Christopher at 856-547-7132.

MAYOR'S MESSAGE:

Dear Neighbors:

I find it hard to believe, but with 2016 nearing end, it has been a good year for Haddon Heights. We have had a number of positive developments in town and we continue to be a place with a vibrant civic atmosphere, strong businesses and proud residents. As I conclude my first year as Mayor, I want to thank all of the borough employees for their dedication, diligence and hard work for our residents. I would also like to extend special thanks to the many people who volunteer their time and talent to our town. We simply could not do the things that we do without a dedicated corps of volunteers. I am fortunate to know and to work with so many of them and I can tell you that these people act out of a sense of civic pride.

As we look toward the annual Reorganization of our government, we are always looking for new volunteers for our many boards, commissions, committees and special projects. If you are interested in being considered for any of these opportunities to serve your town, please do not hesitate to visit me during Mayor's office hours, call or

e-mail me. Even if you are unsure of what you might be interested in but would like to be involved, please let me know so that we can work together to find the right spot for you.

We were able to break ground on November 1st for the field lighting project at the McCullough Fields ad Devon Avenue (Soccer complex). As I have informed you all over past few months, the details and funding of this project involved a great deal of coordination, careful budgeting and planning so that we could meet the goal of replacing the field lighting while careful consideration of your tax dollars. We cannot just write a check for everything we would like, but with a good working relationship with the Soccer Club, we were able to arrive at a workable solution for everyone. We are all looking forward to seeing the finished project in time for the spring season. So many are excited about the project; I am sure it will be something that we will all be proud of.

Recently our Neighbors' Night Out Committee worked closely with TD

Bank to host a Bring Change event that resulted in a contribution of over \$4,000 to the Small Explorers playground equipment project at Hoff's Park. This will be a safe place for our young toddlers to enjoy play time on equipment that is just the right size for them. I want to thank everyone who was involved in this amazing event. The volunteers worked diligently on the event that began at TD Bank and continued into the evening at the Neighbors' Night Out sponsored Bonfire in early October. This event brought positive attention to our town.

With less daylight during the fall and winter months and more people on our streets during the holiday season, we all need to be careful while driving around town. Speaking of the holidays, keep your eyes out for information about the many holiday events we will be enjoying around town this season. Please consider shopping local before venturing out beyond Haddon Heights for your holiday shopping! Not only can you help support our businesses, you can save yourself the stress of dealing with the malls!

It has been a privilege and honor to serve as your Mayor in 2016. I am looking forward to 2017 and will continue to work hard for you. While your government strives to be responsive, we also know that there are always areas where we can improve. Please do not hesitate to contact me or the Borough Clerk's office at 856-547-7164, ext. 30 or if you have any comments or questions about your local government.

Best wishes for a happy and healthy 2017.

Mayor Jack D. Merryfield

Do You Need the Winter "Function Better Program"?

Each winter, many folks perform activities such as bundling-up for afternoon walks, shoveling snow, clearing snow and ice off the car, visiting friends, attending children's shows and shopping in town. If you find yourself in a position where the bending, reaching, endurance, balance, standing, walking, carrying and climbing requirements of these activities are too difficult, too painful or even impossible, the "**Function Better Program**" at WORK-UP PHYSICAL THERAPY may be just what you need to perform your tasks and activities this winter!

The "**Function Better Program**" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming winter session of the "**Function Better Program**" are limited and filling quickly.

Our winter programs are underway and our 2017 Programs are already in the works. We are looking forward to continuing to offer you many of your favorite classes along with offering some new fun programs!

This coming year we are also excited to try out a new session format. Each session will be 10-12 weeks long, instead of our typically shorter sessions. If you would be interested in taking advantage of this option, please contact the program coordinator when you register for more information.

We are excited to be able to offer a wide variety of classes, from fitness classes like Piyo and Zumba, to enrichment courses such as Acting and Cooking. We also have many classes for the younger generation from including Snapology, Acting, Yoga and more!

Our Seniors can enjoy the free clubs in our Community Center Senior Room, including Bridge Club, Game Club, Pinochle Club and Mahjongg Club. See our Senior Programs Flyer for specific dates and times for all of the clubs!

We also are in the process of scheduling many Free Workshops. Join us as we learn about eating better, losing weight, reducing the stress, managing your finances & investments, caring for aging loved ones and much more! Check out the schedule and join us for these great classes at no charge!

All grass, weeds and other impediments shall be removed from sidewalks within three days after receiving notice. It shall be unlawful to throw or deposit snow, grass, weeds, or any other materials in the street.

§ 400-9 Removal of ice : The owner or owners, tenant or tenants of lands abutting or bordering upon the sidewalks of public streets, avenues and highways shall remove all ice from the same within 12 hours of daylight after the ice shall have formed thereon, or if it shall be impossible within that time to remove the same, the owner or owners, tenant or tenants shall spread over the ice on said sidewalks ashes, sawdust or some other similar material which shall make the said sidewalks safe for the use of pedestrians.

Parking During Snow Emergencies

The Police Department would like to remind residents about NO PARKING regulations during snowstorms:

- When it is snowing between the hours of midnight and 5:00 am ALL motorists are not allowed to park their vehicles on Borough streets.
- Whenever there is a "Snow Emergency" declared by the Borough or a State of Emergency declared regardless of the time of day we will strictly enforce no parking regulations.
- There are several reasons for this strict enforcement, they are: 1) to reduce motor vehicle accidents 2) to keep the road clear for emergency vehicles and key personnel, 3) to keep the roads open for snow plows, allowing them to clear the road in a timely manner and to do a better job.

Fall is here and the leaves are falling. Leaf collection began in October and will continue to run through December. There will be NO brush pick-up while we are collecting leaves.

Please adhere to the following guidelines:

- Lawn Service Contractors MUST remove leaves from your property.
- Rake your leaves to the CURB. Please DO NOT place leaves in the street. Leaf piles in the street cause flooding and drainage problems during rainstorms. DO NOT place leaves closer than 10 feet from any storm sewer inlet. DO NOT park cars in front or on top of leaf piles, our trucks will not be able to pick up those leaves that are blocked.
- DO NOT mix leaves and brush. Your can(s) will NOT be collected if it is mixed. When the trucks are taken to be dumped the dump can and will refuse our trucks if there is anything mixed in that is not allowed to be. We thank you in advance for your cooperation.

If you have any questions please feel free to contact the office and someone will be glad to assist you. 856-546-2580, Office hours are 8AM-4PM.

Haddon Heights Good Neighbors

“As man draws nearer to the stars, why should he not also draw nearer to his neighbor?” Lyndon B. Johnson

Here in Haddon Heights, our next door neighbors are an integral part of our lives. We turn to them when we go on vacation to watch our house or get our mail. We call them up if we need a cup of milk for a recipe. We shovel snow when we know they need help getting to work. Establishing these bonds is so important when we move to a town like Haddon Heights. We love this about our town.

But there are neighbors in Haddon Heights we do not know - neighbors who may have lost jobs or gotten ill. With a donation to Haddon Heights Good Neighbor (HHGN), we can help them, too.

HHGN was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE.

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to:

Many of your neighbors are already helping our 91 Haddon Heights' clients. Won't you join them? Give as much time as you have – an hour or two a week or a month. We work around your schedule. Oathkeepers

Written By: Joe Messina Camden County Coordinator

Oath Keepers is a non-partisan association of current and formerly serving military, police, and first responders, who pledge to fulfill the oath all military and police take to “defend the Constitution against all enemies, foreign and domestic.” That oath, mandated by Article VI of the Constitution itself, is to the Constitution, not to the politicians, and Oath Keepers declare that they will not obey unconstitutional orders, such as orders to disarm the American people, to conduct warrantless searches, or to detain Americans as “enemy combatants” in violation of their ancient right to jury trial. See the Oath Keepers Declaration of Orders We Will Not Obey for details.

Oath Keepers reaches out to both current serving and veterans to remind them of their oaths, to teach them more about the Constitution they swore to defend, and to inspire them to defend it. See below for details on how we do that. Oath Keepers also includes a membership program designated as “Associate Members”, which consists of patriotic citizens who have not served in uniform but who serve now by supporting this mission with their Associate Membership and volunteer activities. Oath Keepers welcomes our Associate Members and appreciates their support of our mission. Our motto is “Not on our watch!”

EMPLOYEE SPOTLIGHT:

Nicholle Magrino Circulation Assistant

Nicholle Magrino has worked at the Haddon Heights Public Library for four years as a Circulation Assistant. A lifelong lover of books & information, she graduated from Temple University in 2014 with a BA in English Literature. At the library, you can find Nicholle at the front desk, assisting patrons with checking out and searching for materials, as well as answering any patron questions.

Originally from Waterford Works, Nicholle now lives in Haddon Township with her husband. She loves the close, welcoming community in Haddon Heights, where her husband was raised, and hopes move to town with her family in the near

future. When not at the library, you can find Nicholle puttering in her kitchen or reading a book.

Nicholle met her husband Matthew, who is a former Borough employee, while both were working at the Haddon Heights Public Library. They married earlier this year and are now expecting their first child this fall. We want to congratulate them on their marriage and wish them nothing but the best as they prepare to welcome their first child into their family. While Nicholle has taken time off to be home with her growing family, we look forward to her return to the library late winter of 2017.

ROADS AND RAILS HOBBY STORE

618 Station Avenue

Phone: 609-707-8312

Hours: Tuesday - Saturday 11:00 am - 4:30pm

Website: www.roadandrailsnj.com

There is a new store on Station Avenue in Haddon Heights, and it has everyone buzzing!

In early September, Roads and Rails Hobby Store, which specializes in motorized hobbies including trains, bikes, skateboards, slot cars, vintage toys, vintage radio controlled cars, models, and much more, opened its store front in the center of the bustling town of Haddon Heights.

For Owners and Operators, Jim and Nancy Mercurio, who have been residents of Haddon Heights since 1999, the business of buying, selling, trading and repairing, motorized hobby items and collectibles has been a passion for decades. Originally operating as a home-based business for over thirty years, opening a storefront was a natural progression.

Encouraged by their children, Gina and Jimmy Mercurio, who assist with the day-to-day operation

of the store, Jim and Nancy decided to invest in their passion full-time. They have always been motivated by the desire to provide hobby items at an affordable price to their customers, and that is the family's goal with their new endeavor.

If you are in the market for any motorized hobby products, looking for information on product pricing and availability, or just interested in getting an early start on your Christmas shopping, Roads and Rails is the place to go!

The Mercurio Family is grateful for the warm reception they have already received in Haddon Heights and they look forward to many years serving customers at Roads and Rails Hobby Store.

THANK YOU FOR YOUR DEDICATION TO OUR TOWN!

Haddon Heights High School

By: Jocqueline Renner,
Director of Special Education

Haddon Heights School District has established Multiple Disabled Programs in the Elementary, Junior, and Senior High Schools. In October, the elementary program focused on labeling coins and their corresponding values. The class also worked on purchasing various items in their classroom "market" with coins.

The students then generalized these skills to the community setting at Carole's Corner Candy Store on Station Avenue. The students worked on crossing the street, labeling safety signs, greeting community members and paying for candy using their coin/value skills.

Community outings are scheduled throughout the year to assist the students in taking current or mastered skills into real life settings. Doing this strengthens the skills and promotes generalization. Owner, Carole, was an amazing host and went above and beyond for the Haddon Heights students! The district is appreciative of their relationship with local businesses and proud of the increase of generalization that they are seeing because of it!

Annual Senior Citizen Dinner

Save the Date! The Haddon Heights Elementary Schools' Sixth Grade Students will host the Annual Senior Citizen Dinner on Wednesday, March 15, 2017 beginning at 5:00PM. This event is free for any senior citizen resident of Haddon Heights. More information about this event will be published in the next Heights Report.

Project CHILD FIND

Do you have a preschool age child, ages 3 to 5, experiencing developmental difficulties with communication, learning, socialization, or motor skills? If so, your child may be eligible for free services through the school district. The district will evaluate children, when warranted, beginning at age 2 years 9 months old. The district provides special education services for eligible preschoolers.

Free Piano Lessons at New Beginnings Learning Center

Music has always been an important aspect of the curriculum at New Beginnings Learning Center. The preschoolers learn songs, rhymes, and finger plays to support the themes and topics they are covering in their classrooms and during chapel time. Songs and music provide a natural method for children to learn and remember the subjects being taught. Many types of music are played in the classrooms for children while they are playing and learning.

In September the preschool welcomed Ayn Masker, the new Pastor of the First United Methodist Church of Haddon Heights, which has owned and operated New Beginnings Learning Center for almost 40 years. Pastor Ayn, a talented musician, generously offered to provide free piano lessons to the preschool's older students. The 4 & 5 year old PreK students have been taking lessons as an addition to their curriculum, while the younger 4 year old students have been offered the option of receiving a weekly lesson. The children are really enjoying their time with Pastor Ayn and are learning very quickly! Pastor Ayn gives developmentally appropriate individual instruction on one of the church's many pianos, a floor keyboard (like in the movie "Big"), as well as beginning music theory. Piano music can now be heard in the school's hallways each morning, as the students are learning the notes and are even beginning to play Christmas carols! A recital is planned for December to allow the piano students to show off their new skills. New Beginnings Learning Center is very proud and excited to offer this opportunity to preschool students!

Registration for the 2017-18 school year is coming soon! New Beginnings Learning

Center offers classes for children 18 months to 5 years old, conveniently located in Haddon Heights. Call to arrange a personalized tour at 856-547-4444 or visit www.nblc-haddonheights.org for more information.

Christmas Eve at St. Mary's

We have all become so overwhelmed with responsibilities, even on Christmas Eve, that we find ourselves unable to get to church to celebrate the true meaning of the holiday; the birth of Jesus Christ.

To provide an opportunity for you to worship on Christmas Eve, St. Mary's Episcopal Church, White Horse Pike and Green Streets in Haddon Heights is holding its Christmas Eve service at 4:30 pm. This service is family oriented and we welcome everyone to attend. Families are encouraged to bring their children of all ages to church. You will not find anyone shushing a crying baby or asking you to take a rambunctious child to a separate room. Just as Jesus did, we welcome little ones to be with us. We rejoice in their sounds and curiosity and are blessed by their presence among us.

Please join us for this wonderful celebration and invite your whole family to share the time with you.

Haddon Heights Baptist Church

Christmas at Haddon Heights Baptist Church. Haddon Heights Baptist Church is happy to announce a very special musical event for the Christmas season. On Sunday, December 18th, the church's Senior Choir and Orchestra will present "A Great and Mighty Wonder." The Christmas musical takes us again to Bethlehem to experience the fulfillment of God's plan in a humble manger. Beloved and familiar carols along with inspiring contemporary texts and melodies combine to create a meaningful Christmas worship experience. The event begins at 6:00 pm in the Main Auditorium of the Haddon Heights Baptist Church.

Shepherds' Christmas Program

On Sunday morning, December 4th at 10:45 am, The Shepherds Department of special needs students will present "A Very Special Day." The musical play takes us back to that first Christmas day when Mary, Joseph and Heaven's angels gathered to experience a day of wonder as Jesus Christ arrived on earth.

The 6:00 pm evening service that day is a night of Christmas caroling and testimonies. All are welcome at both events.

Children's Choir Christmas Program

On Sunday evening, December 11th at 6:00 pm, the Children's Choir will present "Ring in Christmas." The musical event is also a food event featuring homemade Christmas goodies, beautiful decorations and heavenly music by the church's children and teens. Come to The Chapel of the Haddon Heights Baptist Church for a heart-warming evening of Christmas joy.

Live Nativity

On Wednesday evening, December 14th from 7:00-8:30 pm, The Haddon Heights Baptist Church presents a "Live Nativity" featuring actors and animals on the

Great Lawn dramatizing the life of Christ from the manger to the Cross. Inside the church's Chapel, musical presentations are featured as well as plenty of Christmas cookies and hot chocolate. Bring the whole family for a night of fun and blessings. Each child attending receives a free Christmas ornament.

Christmas Eve Candlelight Service

On December 24, the church gathers for a special evening service of Christmas Carols and Scripture, climaxed by the lighting of candles as Silent Night is sung. The event is a fitting way to put the hectic hustle and bustle of the season behind and focus on The Reason for the Season.

Pie and Praise

A special November event is the annual Pie and Praise Night on the Sunday before Thanksgiving. Held in Fellowship Hall on November 20th at 6:00 pm, it is traditionally an evening of thanksgiving and moving testimonies as folks share examples of God's grace over the past year. Warm pie is shared, as well!

A Haddon Heights Halloween

Each Halloween, Haddon Heights Baptist Church offers the community a safe station for Trick-or-Treaters as they walk our borough streets. On the lawn at the corner of Third and Station Avenues, church volunteers man a harvest-themed display to offer families treats and refreshments in an effort to provide relief and protection to all who pass by. This year over 400 kids and adults helped themselves to candy and snacks, grateful for the church's presence as they navigated the dark streets.

Who You Gonna Call?

Please join us for Coffee, Cake and Cordials. Wednesday, December 7th at 3:00 pm in the COMMUNITY ROOM at KINGS RUN to meet Amy Gradel, the new Social Service Coordinator at Stanfill Manor Senior Center who serves all the seniors of Haddon Heights. No reservation necessary. Enter Kings Run on Haddon Street and park in the unmarked parking spaces and enter through the main lobby. Call Rose Fitzgerald at 547-3950 for more information.

What is a Social Service Coordinator? The role of the service coordinator is to link the elderly and disabled to supportive services and other community resources. Service coordinators assist in accessing needed supportive services to allow them to: maintain their independence and remain in their homes; avoid premature admission to more costly institutionalized care; develop links to organizations, programs, and

individuals within government and non-profit agencies, and private enterprises which can be of service to the client; identify resources and make connections to help the client solve caregiving, hunger, hoarding, housekeeping or other issues.

Thanks to a generous partnership & grant program between Stanfill Towers and PRD Management, our Social Service Coordinator, Amy Gradel, is able to offer her expertise and assistance to the larger Haddon Heights elder community. To take advantage of this service, clients must be residents of Haddon Heights, aged 55 and older. The coordinator's hours are currently by appointment only. If you or someone you know could use this type of support, please call Amy Gradel at (856) 546-2490 or email agradel@stanfill.prd.net.

Sustainable Haddon Heights

Have a Sustainable Holiday

Did You Know...

- Between Thanksgiving and New Year's Day, Americans throw away a million extra tons of trash per week?
- Half of the paper we consume each year is used to wrap and decorate consumer products?
- The 2.65 billion Christmas cards sold each year in this country could fill a football field ten stories high?

Here's how to reduce, reuse, recycle, and repurpose.

Decorations

Instead of buying new decorations, modify the decorations you already have to create something new and different.

Collect pine cones, evergreen branches, etc. to make decorations rather than purchase plastic ones. The most inexpensive plastic decorations come from China and the petroleum used in making them, as well as the petroleum to ship them to the U.S., increases our carbon footprint.

Use LED or CFL lighting to decrease energy usage. While the initial cost may be more, they last longer than the older style lights and use less electricity, so they are actually less expensive in the long run.

Christmas Trees

If a reusable tree is not your idea of Christmas, consider a live tree that you can plant after the holidays. Dig the proper hole before the ground freezes so your tree can be planted later after the holidays. The hole should be as deep as the original container but about twice as wide to allow room for the roots to spread.

If you prefer a cut tree, put it in your yard after the holidays and decorate it with treats for the backyard birds, such as pinecones covered in peanut butter and birdseed, or string cranberries and popcorn. You can also cut off the branches and use them for mulch and cover for wildlife during the winter months.

Gifts

Give homemade gifts. Consider giving experiences, such as museum memberships or tickets to a special event.

Take your reusable bags with you when you shop. They aren't just for groceries!

Buy local and support the local merchants. The money you spend will re-circulate in your own community. Local merchants often have better quality items and offer excellent service because you're their neighbor.

Look for gifts with the least plastic packaging. Not only are they easier to open, they reduce trash. This is another reason to shop local, as their items generally have less packaging. If you have to order online, look for sellers like Amazon, who offers frustration-free shipping, by eliminating unnecessary packaging.

Recycle or reuse the cardboard boxes that gifts may come in. Recycle wrapping papers that are not wax-coated or made of foil. Save the larger pieces of wrapping paper to reuse.

Buy wrapping paper made of recycled paper. Use paper or cloth gift bags that can be reused by the recipient.

Holiday Cards

Consider e-cards. With their animation and sound, they are fun to receive. Post something special on your Facebook page for your friends to enjoy instead of sending a card.

Make a charity donation in lieu of sending cards. Suggest your friends do the same.

If you buy cards, look for ones made with a high percentage of recycled paper. Avoid foil and wax-coating so the cards can be recycled.

Use previously-received cards as decorations. The internet has many great ideas.

Make it a sustainable holiday!

St. Mary's Parish Historian Featured at the 2016 NJEA Convention

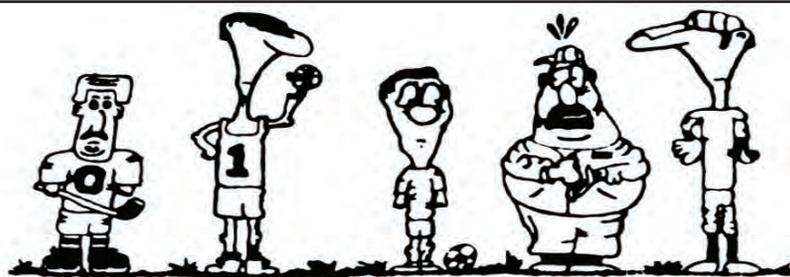

Craig E. Burgess, educator, poet and Parish Historian at St. Mary's Episcopal Church in Haddon Heights, was one of the featured authors at the 2016 NJEA Convention in Atlantic City on November 10th & 11th. The New Jersey educators' Association selected Burgess for the *Authors' Alley* area in the Convention Center, inviting him to share his latest book --- A FLEETING GLIMPSE OF PARADISE: PHOTOGRAPHIC AND POETIC IMAGES OF THE HAWAIIAN ISLANDS --- with educators from around the state of new Jersey. His 2016 release, combining color photographs, original poems and anecdotes, provides insights into the history, culture, music and arts of the residents of the Hawaiian Islands, as well as insights into patriotism, focusing on the Commissioning of the USS Pearl Harbor on May 30, 1998 and on the terrorist attack on America on September

11, 2001.

Since the release of the book in February, bookstores on the islands of Oahu, Kauai and Maui have ordered copies and are planning signing sessions for Burgess in 2017.

Readers interested in learning more about Hawaii are encouraged to visit the Haddon Heights Public Library to purchase an autographed copy for family and friends for the holidays and to come to the Christmas Bazaar at St. Mary's on Saturday, December 3rd to pick up a flyer describing the literary collection.

For additional information, contact the Haddon Heights Public Library at (856) 547-7132, St. Mary's Episcopal Church at (856) 547-3240 or author Burgess at (856) 547-2440.

My Fair Trade Lady

My Fair Trade Lady is a one-of-a-kind destination featuring hand-made gifts from around the world. My Fair Trade Lady is located at 531 Station Ave in the heart of the Haddon Heights Business District and is the only store in South Jersey that features fairly-traded mens, womens and childrens accessories and clothing, jewelry, home goods, chocolate, coffee, tea, spices and more from artisans who have been paid a living wage for the amazing items they create. Open since September 2013,

My Fair Trade Lady has built up a loyal customer base of people who care about the quality of their purchases and the people who make them.

The fair-trade model is one that My Fair Trade Lady's owner, Donna Gottardi, is very well-versed. As a professor of sociology and anthropology, Gottardi guided her students to countries where they were able to see first-hand the impact fair trade has for producers. As a result of her research into fair trade and the relationships she made with folks who are economically and socially marginalized, Gottardi was inspired to open her own store to create opportunities for producers to better support themselves, their families and

their communities through fair trade. For Gottardi, My Fair Trade Lady not only helps the artisans, but it also benefits consumers who care about how the products they buy are being made. In addition, many of the items at My Fair Trade Lady are eco-friendly and sustainable because they are produced with repurposed materials like aluminum cans, fishermen's nets, and even steel oil drums! Another great incentive to shop at My Fair Trade Lady, according to Gottardi, is that the gifts are as affordable as they are beautiful!
