## DEMOCRACY Commemoration of the End of World War II

This summer marks the 70th Anniversary of the end of World War II. At that time many residents of Haddon Heights answered the call and served; their names are recorded on our War Memorial. Other residents served here at home in Civil Defense. Many other veterans moved to Haddon Heights in the years after the war. Most residents have a parent or grandparent who fought in World War II. We would like to commemorate this anniversary by inviting all townspeople to share their World War II artifacts: newspapers, medals, ration coupons, picture albums, quilts, clothing, and mementoes on Wednesday, July 15 at Town Hall. Resident Mike Burns will

display his collection of World War II helmets and weapons. Resident history professor Bill Lange will produce a special presentation to loop all afternoon and give a brief talk in the evening when residents who wish can share their memories.

Join us on Wednesday, July 15. Borough Hall Set-up 2 p.m. Open Forum from 3 p.m. Talk by Bill Lange at 7 p.m.

Please call Rose Fitzgerald at 547-3950 if you would like to display something or if you need a ride to this event. The Borough Hall is air conditioned, handicapped accessible with rest room. All are welcome to attend, including children. Refreshments will be served. Parking behind John's Market.

## Summer Rec 2015

Get your grade school aged youngster or grandchild up and out in the morning. Our Summer Rec Program is a great way to start the day with three hours of outdoor play, games, projects, crafts and sports instruction while you get some 'me' time. The kids will be in good hands - our Directors are certified teachers; our college and HS counselors are trained and supervised. You pick the weeks that best match your family schedule; if you have to drop off late or leave early someday, just let us know. While we love to be outdoors, we operate on rainy or heat wave days using our air conditioned Cabin and Community Center. Sign up soon to save your spot!

You can find more information and the registration form on Page 25.

# MAYOR'S MESSAGE:

Dear Neighbors:

We are all happy to see the arrival of spring! As we are in the midst of another graduation season, I would like to extend my congratulations to all of the graduates at all levels of education in our town. From kindergartners to college grads, you all make your hometown proud. Many thanks to all of the parents of our graduates as we know how hard you work for your children. Best of luck to all!

The municipal budget for 2015 has been finalized. The good news is that we have been able to hold the line on discretionary

spending by looking for ways to use your tax dollars more efficiently. As a result, I am pleased to announce that there will be no municipal tax increase in this year's budget. I would like to thank the budget committee and all department heads for the hard work that made this possible. Great work by all!

Some exciting town events approaching... I am sure many have noticed our Farmer's Market is back in full swing, Sunday mornings at 10 a.m. on East Atlantic Avenue. The Farmer's Market is growing every week with added vendors and ever increasing resident attendance. A new addition this year is Local Lynx Market will now be providing a CSA (Community Supported Agriculture) stop for local organic farmer, Summer Wind Organic Farm! Every Wednesday you will be able to pick up your "share" of local organic produce May through October; directly from the Farmer to your plate! For those who may be interested in signing up, please stop by Local Links for more information. Please continue to support this great addition to our town.

The Farmer's Market endeavor takes a lot of coordination so I would like to thank everyone who works so hard to make it possible every week. I take the opportunity to attend as often as I can, walking throughout the Market and talking to our residents. Please feel free to say hello and introduce yourself.

The Fourth of July Parade is a hometown favorite event. Our volunteers are working very hard to ensure that this year's Parade is the best yet. Post Parade activities are also being planned. See events included in this edition of the HEIGHTS REPORT on pages 1 and 6. I hope to see you all there.

Looking for something to entertain the youngsters this summer? You can start planning your children's or grandchildren's summer activities now! The Haddon Heights Summer Rec Program is now accepting registration for kids from Kindergarten to sixth grade. The Program runs on Tuesdays, Wednesdays and Thursdays from 8:30 a.m. to 11:30 a.m. There are five weeks to choose from. All information regarding registration can be found on the Borough's Website at haddonhts.com. Summer Rec 2015 Information or you can contact

Kathy Lange, Director of Parks and Rec at (856) 546-4852 or at klange@haddonhts.com

My office hours this summer will be June 2nd and August 4th from 3:00 p.m. to 6:00 p.m. Please feel free to stop by, e-mail me or approach me on the street with comments, suggestions, ideas or just to say hello. Interacting with residents is the most rewarding part of my job as your mayor. You can also call me directly on my cell at 609-605-8086.

Summer and spring mean late sunsets. Our children will be active around town going to activities and playing outdoors. Please remember to be safe and drive carefully. Have a wonderful summer vacation!

Your Mayor,  
Edward S. Forte

## Haddon Heights Post Office

Rose Fitzgerald and Joan Rossler attended 2015 National Lobby Day on March 3 during National Historic Preservation Advocacy Week to urge New Jersey legislators to support the Historic Preservation Fund in Fiscal Year 2016. They also visited the offices of Congressman Donald Norcross and Senator Cory Booker to urge them to protect the Haddon Heights Post Office from future closing. Haddon Heights' residents are also encouraged to write and support our local post office. Comments can also be posted on <https://postalexperience.com/Pos>.

A few years ago the National Trust for Historic Preservation named U. S. Offices as one of its "Eleven Most Endangered Historic Places," as the U.S. Postal Service identified nearly 4,400 post offices – large and small – that it plans to study for closure. For the time being our post office is safe. It is an integral part of our Main Street,

bringing residents and business people to Station Avenue daily.

The Haddon Heights Post Office contains a bas-relief sculpture, "The Letter," by Isamu Noguchi, one of the most significant American sculptors of the 20th century. It is one of the most important federal commissions by a world-renowned artist to grace a suburban post office. Installed in March 1939, the sculpture is a broad-faced full-figured woman who can be admired as a lyrical abstraction of gentle curves. "The Letter" remains in its original place in the Haddon Heights Post Office above the postmaster's door. Make sure to take notice of it the next time you visit.

### Parade Rain Date!

While we have all our fingers crossed and are hoping for beautiful weather, we know that sometimes mother nature is not on the same page. So if there is rain and the parade is postponed, we will hold the festivities on SUNDAY JULY 5th. Main Parade will start at 2:00 PM. Anyone in the parade will need to report at 1:00 PM. The Baby Parade will need to report at 1:30 PM; judging ends at 2:15 PM, where you will join into the main parade. The parade line up will remain the same.

### Own A Classic Vehicle?

This year we also want to extend an invitation to all residents with a "classic" car or truck to join into the parade also. If you are interested in joining the parade, line up on 2nd Ave the morning of the parade.

## Environmental Commission

### *Tree Survey Results and Request for Citizen Scientists*

On Saturday, April 18 the Environmental Commission along with 20 volunteers from the Bonner Institute for Civic and Community Engagement at The College of New Jersey (TCNJ), surveyed 565 trees in about 40% of the Borough blocks. Trees were geo-located,

circumferences measured and heights estimated using smart phone apps and quick math. Many of the tree species still need to be confirmed, as the leaves were not out at the time of the survey.

Our plan is to complete the survey for the street trees from roughly 10th Avenue to the Black Horse Pike. JUNE and JULY will be focused on Blocks 66-127, including 10th Avenue, Bellmawr Avenue, Birch Street, Cedar Avenue, Chestnut Avenue, Chestnut Place, Eleventh Avenue, Guyer Avenue, High Street, Lake Street, Maple Avenue, Oak Avenue, Prospect Ridge Boulevard, South Park Avenue, Sycamore Street, Twelfth Avenue, and Walnut Avenue.

If you live on any of those streets and would like to be part of our Citizen Scientist Team, contact Marshall Hatfield at 856.546.0391 or [mhatfield01@comcast.net](mailto:mhatfield01@comcast.net). It's a great way to get some exercise as a family activity as well as meet some of your neighbors! Our plan is to complete the survey for as many blocks as we can, and then submit the results for Sustainable Jersey certification points. Thanks for your assistance!

## Haddon Heights Good Neighbors

### How to you define a Good Neighbor?

Merriam-Webster defines a neighbor as a person or thing that is next to or near another. To define a good neighbor is much more complex.

Haddon Heights Good Neighbors believes that being a good neighbor involves kindness and lending a hand in hard times, with discretion and without judgment.

A job loss, an illness, a divorce, or some other unexpected crisis.... it could happen to any one of us in Haddon Heights.

It's the mission of Haddon Heights Good Neighbors to bring short-term financial assistance to any resident in town who needs temporary support. Last year, we helped families with holiday dinners, back-to-school kits, utility bills, housing costs and medical expenses.

Nobody wants or expects to ever need help, but it's nice to know that Haddon Heights Good Neighbors is there. Yet another reason to love Haddon Heights...

If you'd like to volunteer your time, make a donation, or inquire about receiving help, please visit us at [www.hhgoodneighbors.org](http://www.hhgoodneighbors.org) or contact us at 546-6677.

### WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE.

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization operated by the people of Haddon Heights for the people of Haddon Heights since 1979. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member.

## Stanfill Manor

### Seniors Social Service Coordinator

The owner of Stanfill Towers, the Haddon Heights Senior Citizen Housing Corporation (HHSCHC), is sponsored by seven of the churches in Haddon Heights, and opened Stanfill Towers in 1977. In 2006 HHSCHC purchased 26 units on the White Horse Pike (the DeMartini properties) and these buildings are called Stanfill Commons. Soon after, HHSCHC purchased the house at 109 East Atlantic, adjacent to Stanfill Towers. The rear portion of this property has been dedicated to additional needed parking. This Colonial Revival house with stone plinths and fence is a contributing building in the White Horse Pike Historic District and has been renovated to historic standards. It is now known as Stanfill Manor. The first floor will serve as a gathering place for up to 30 persons; the second floor is being repurposed for volunteer offices for an outreach service to the senior citizens of Haddon Heights.

Long term experience in the operation of Stanfill Towers has demonstrated that a significant resident need is met by the presence of an on-site Social Service Coordinator who assists residents with many social, medical, billing issues, etc. which in turn promotes a less stressful, healthier lifestyle. However, for the senior population living in Heights but not residing in Stanfill Towers, there is no such central resource. HHSCHC feels that the presence of "ready assistance" for seniors can in fact be exported to the larger senior community in Heights through the creation of a senior center utilizing volunteers with specific expertise in areas most needed by seniors.

To that purpose, Stanfill Manor will be a dedicated resource center for all Haddon Heights seniors. A part-time coordinator will be hired to train and manage volunteers to provide informational and referral services to seniors, such as: choices and filing for Social Security, Medicare; medical billing and issues; tax preparation; phone and data plans; utility bills, transportation issues; reverse mortgages; estate planning; finding qualified home maintenance personnel; homeowner and downsizing issues, etc.

HHSCHC will start up and fund the Stanfill Manor Senior Center for the benefit of all seniors living in Haddon Heights. Stanfill Manor Senior Center is anticipated to open in the late fall.

# FIRE DEPARTMENT

The HHFD would like to thank residents once again for the generous donations to our annual fund drive. The funding is crucial to our level of service, and helps provide additional training, uniforms and equipment for our department. We do it for you, but we can't do it without you, and we thank you for that.

Support doesn't always have to be financial. The backbone of the HHFD is supported by people who call Haddon Heights home. People of all ages, backgrounds, and experiences, who proudly

serve the community. We are always looking to add members, and if you feel like you are ready to step up to the challenge, please stop by. We gather every Monday at the firehouse, located behind the library on Station Ave.

June and July are peak months for grilling. The HHFD urges everyone to be safe when doing so. Grills should never be used or ignited indoors. Keep it away from any wooden deck or patio, and make sure it is completely extinguished, and the gas is shut down. Store away from your home or shed, outdoors if possible.

As always we are available around the clock by calling 911 in case of emergency. And for the latest updates, find us on Facebook!

### Glover Mill Village and Park Update

Construction has begun! The State of N.J. required that the County fence and overgrowth be removed. So, the new construction stands out, just like Kings Run stood out when it was being built eight years ago; Guyer Drive and South Park stood out in the 1960's, etc. Here is a photo of the farmland that used to be Eighth Avenue in 1900.

Lane. These buildings gave the Borough a vastly improved Service Operations Facility and new Community Center/Senior Room. Parking at these sites along with the renovated Log Cabin has eased the parking situation at Seventh Avenue School and HHYA fields. The "smart growth" homes at Glover Mill will bring new tax revenue and a choice for Heights' residents who want new modern housing. The one-acre Glover Fulling Mill Park, for which we received a \$50,000 grant from the New Jersey Historic Trust, will stabilize and protect the mill remains and celebrate our colonial, Revolutionary War and early industrial history for all residents.

Work will begin on the Glover Fulling Mill Park in June, after Bob Meyer's people create the nearby retention pond. I hope you can look at this privately-funded construction going on and picture a tree-lined street with a park at the end of it. We have the drawings from landscape architects Menke & Menke for an herb garden in the Glover Fulling Mill Park; if anyone is interested in volunteering for this, please give me a call.

Everyone knows me as a preservationist but I am someone who has always been concerned about moving Heights forward. The key to attracting new residents, young and old, the key to survival for an "older inner ring suburbs" is having good schools and community services, fine athletic fields, nice shops on our Main Street, etc. In 2008 we had the opportunity to buy the vacant NJ Water properties - their garages and offices on East Atlantic and laboratory on Lippincott

## BUSINESS SPOTLIGHT : BEAUTIFUL BEGINNINGS

307 White Horse Pike Haddon Heights, NJ 08035  
856-546-3089

Dr. Melissa Sheldon opened Beautiful Beginnings 10 years ago after witnessing the positive difference laser skincare made in her patients' lives. She realized the results of many procedures were so much more than cosmetic, improving not just the look and feel of her patient's skin but also enhancing their confidence and self-image. When it comes to your appearance, Dr Sheldon believes in a "less is more" approach to achieve the most natural results. These procedures not only improve the look and feel of patient's skin, but also enhance their confidence and self-image. She offers solutions to correct for example.

- Fine lines and wrinkles
- Rough skin texture
- Hyperpigmentation
- Dull skin
- Redness/scarring
- Acne

As her business continued to grow, more and more of Dr. Sheldon's patients began seeking her medical expertise for weight-loss assistance and health problems related to weight. In keeping with her personal and professional goal to encourage total health, Dr. Sheldon began the search for a weight-loss protocol that she could believe in and whole-heartedly prescribe for her patients. Today, Dr. Sheldon's patients are enjoying great success by way of the Ideal Protein diet and Cool Sculpting Weight Loss procedures (Non-Invasive Fat Cell Extraction Protocol) She is very successful with her weight loss program. So much so that Dr Sheldon doesn't advertise. Her patients are her walking advertisement.

Dr. Sheldon is a board certified practitioner of family medicine. Dr. Sheldon continues to practice family medicine and is dedicated to helping

her patients achieve their health goals.

She grew up in New Jersey and is a graduate of Rutgers University and the University of Medicine and Dentistry of New Jersey. Dr. Sheldon currently resides in Haddon Heights with her husband and four children. She is active in the community, is an avid runner and a true-believer that optimal health is achievable for all.

10 years ago while practicing in a large family medicine practice. Dr. Sheldon started treating patients with cosmetic laser treatments and other aesthetic procedures. As her side business grew, she decided to leave her practice and open her own business; incorporating family medicine, aesthetics, and a comprehensive weight loss program. She recently relocated her practice to 307 White Horse Pike in Haddon Heights.

Haddon Heights will allow Dr. Sheldon

the flexibility of being close to her children's schools and home while she continues to build her business. With many professional offices already located along the White Horse Pike, Dr. Sheldon believes that calling Haddon Heights home for Beautiful Beginnings will be the perfect fit and will benefit the community. She is happy to be back in Haddon Heights, and she looks forward to rejoining the business community.

Total health from inside and out can be achieved at Beautiful Beginnings Cosmetic Laser Center.

 Awards: Air Medal, Purple  
 Heart

**SECOND LIEUTENANT JOHN P. SHAW JR.** was born in 1918. His father was a sergeant in the Haddon Heights NJ Police Department, and the family lived at 1937 Sycamore Street in Haddon Heights. John Shaw had attended Haddon Heights High School, and appears to have resided in Bergen County NJ, from where he enlisted in the Army in January of 1942. John Shaw spent some time in the cavalry at Fort Riley KS before qualifying for flight duty. He trained at Santa Ana CA, and was commissioned as a Second Lieutenant on November 2, 1943 at Morley TX. In December of 1943 he was reported as being stationed at Mountain Home ID.

The 850th Bombardment Squadron (H) was activated October 11, 1943 at the Army Air Base, Mountain Home, Idaho. With it, were activated the Headquarters Detachment, 490 Bombardment Group (H), the 848th Bombardment Squadron (H), and the 849th Bombardment Squadron (H); and together with the parent 851st Bombardment Squadron (H)---formerly designated the Seventh Anti-Submarine Squadron---all became the subordinate units of the newly activated 490th Bombardment Group (H) at the Army Air Base, Mountain Home, Idaho. Second Lieutenant Shaw went overseas with this unit

In May of 1944 the 850th Bomber Squadron was re-assigned to the 801st Provisional Bomb Group (H). This unit was tasked with supporting OSS operations in occupied Europe.

The 801st Bomb Group appears to have been subsequently merged into the 492nd Bomb Group. Nicknamed the Carpetbaggers, this unit for the most part did not fly traditional bombing missions, instead this unit served as the first Special Operations group of the United States Army Air Force. At the peak of operations, in July of 1944, this group of approximately 3000 personnel, operating out of Station 179, Harrington, in the UK, with a small detachment at Leuchars, Scotland cooperated to

fly "Spies and Supplies" into Western Europe on an almost nightly basis, bad weather excepted. Millions of propaganda leaflets, thousands of guns, tons of supplies of all kinds, and hundreds of individual personnel, the specially trained "Jedburgh" teams, the larger O.S.S. "Operational Groups", were all flown into Occupied Europe by the flyers of the Group on forays unprotected by fighters or any other air cover in specially prepared B-24 bombers. Additionally, a small number of C-47 flights were flown which took in supplies and brought out agents and evaders from Allied forces.

John P. Shaw was killed when his plane went down after colliding with an RAF plane in a drop zone over Europe on July 18, 1944. He was 26 years old, and was survived by his parents.

### COURIER-POST CAMDEN SATURDAY MARCH 3, 1945 MEDAL AWARDED TO MISSING FLIER

An Air Medal was awarded posthumously to 2nd Lieutenant John P. Shaw Jr, son of Mr. and Mrs. John P. Shaw, of 1937 Sycamore Street, Haddon Heights. Operating a bomber B-24, over France, Lieutenant Shaw has been missing since last July.

The medal, presented to his mother, Mrs. Mary E. Shaw, was sent from New Castle Army base, at Wilmington DE, by direction of President Roosevelt, for meritorious achievements in accomplishing with distinction numerous aerial operational missions over enemy occupied Europe.

"The courage" the letter adds, "coolness and skill displayed by this officer in the face of determined opposition, materially aided in the successful completion of these missions." "His actions reflect general credit upon himself and the armed forces of the United States."

## New Beginnings Learning Center

*Your Hometown Preschool For Over 35 Years!*

New Beginnings Learning Center has just completed the 36th year of providing a high quality preschool experience for children from Haddon Heights and surrounding communities! It was another wonderful year filled with play and learning at NBLC! Highlights of the year included trips to the pumpkin patch, visits to the Haddon Heights Police and Fire Departments, and a Princess & Pirate Party! We wrapped up the school year with a tribute to the USA in our Star Spangled Closing Program! More than 30 of our students have "graduated" to Kindergarten this year. We will miss them but are so proud of each and every one!

One of the many things the staff at NBLC enjoys is having grown up alumni students come back to visit us and volunteer to assist with our current students. For several years former students and their friends have been volunteers at our annual Family Event. This year they even came dressed as princesses and pirates to help with the event! Recently the preschool was filled with "big kids" who spent a morning in our classrooms for Take Your Child to Work Day. The older students helped out in so many ways and the younger students loved having them there to play with! The visiting students enjoyed reminiscing about their own days as NBLC preschoolers. Several of the NBLC alumni volunteers have been helping us for years and will be graduating from high school this year. We are so proud of them and wish them success as they go on to college! We have enjoyed watching

them grow up!

It is open enrollment time at New Beginnings Learning Center! Classes are available for children ranging in age from 18 months to 5 years old. Half day classes foster the creative process in children through a developmentally appropriate curriculum that provides for all aspects of a child's growth; spiritual, emotional, intellectual, creative, physical, and social. Children are encouraged to learn through play because research proves that children learn best when learning is fun!

Certified and licensed by the state of NJ, New Beginnings proudly surpasses the requirements of the state regulations. The caring, dedicated, educated, highly experienced staff routinely exceeds the state requirement for continuing education, is CPR/AED and First Aid certified, and has received extensive emergency management training. The school building has a security system and video surveillance providing a high level of safety to the students and staff.

Make New Beginnings Learning Center your family preschool! Our very reasonable tuition rates and payment plan mean you can give your child the gift of preschool without breaking the bank. Registration for the 2015-2016 school year is under way. Call the school at 856-547-4444 or visit the website at [www.nblc-haddonheights.org](http://www.nblc-haddonheights.org) to make an appointment for a tour, request an admission application, or for more information.

### Teacher's Choice Awards

The Haddon Heights Teacher's Choice Awards took place on April 1, 2015. Nineteen students were recognized that evening. The Teacher's Choice event is a unique awards program. What makes the award truly unique is that each award itself is unique. Each individual staff member determines their criteria for the award so in essence each award by its nature is

different.

Each year teachers are given the opportunity to select one student who they feel is deserving of recognition based on their own criteria. Students do not find out who selected them and why they were selected until the night of the event.

## Rotary Club of Haddon Heights - Barrington

The Rotary Club of Haddon Heights-Barrington has selected two candidates to attend its District Rotary Youth Leadership Award Conference at The Richard Stockton College of New Jersey this summer from June 21 through June 25, 2015.

Please join us in congratulating Erick Ostock of Haddon Heights and Carly Turner of Barrington for being selected to attend the conference.

Dianne DiGiamber Deal, local Committee Chairperson and Maureen Blake, co-chair, said that participants, juniors in high school, were selected from young men and women who have exhibited leadership abilities and who will be entering their senior year of high school in the Fall. The Rotary Club had contacted high school guidance counselors for nominations of conference participants.

Aimed at developing the leadership potential of young men and young women, the conference will feature many challenging activities including workshops, speakers, discussions, sports, music, and news reporting. Topics will focus on decision-making, critical thinking, communicating effectively, ethics, public service, contemporary problems, and career development.

The participants will live, work, study, and play together in an academic setting under the guidance of professional counselors and educators. In addition, guest lecturers and discussion leaders will present a wide variety of vocational and community interests.

## Haddon Heights Baptist Church

As Spring yields to Summer in our borough, thoughts invariably turn to vacation time. Vacation at Haddon Heights Baptist Church means VBS--Vacation Bible School.

Students enjoy an action-packed Bible story at Haddon Heights Baptist Vacation Bible School.

This year, the theme of Vacation Bible School is "To The Edge-Encounter The God Of The Universe." Students will witness God's great power as they explore deep space, traveling beyond our solar system. They will learn what God, the Creator of all, is like-His love, holiness, forgiveness and plan of salvation.

VBS for ages 4 through 6th grade begins July 27th through the 31st from 9 am to 12 noon. A Mothers' Class will be held concurrently and a nursery is available for children ages 0 through 3 years. Registration forms can be downloaded from [www.haddonheightsbaptist.org](http://www.haddonheightsbaptist.org). Look for the VBS float in our borough's 4th of July Parade!

The Shepherd's Department of special needs students also presents a Vacation Bible School with the same theme from July 6th through the 10th. Games, crafts, snacks and Bible lessons are featured in both VBS sessions.

AWANA held its annual Awards and Recognition program on Wednesday, April 29th. Many clubbers in Cubbies, Sparks and T & T clubs were presented Awards for excellence in Scripture memorization and

handbook completion. Family members and friends of these Approved Workmen were on hand to share the joy of their accomplishments as the club year came to a close. AWANA resumes the second Wednesday of September.

AWANA, which stands for Approved Workmen Are Not Ashamed, is a kids club for children ages 3 through 6th grade. Emphasis is on wholesome game activity, Scripture memorization and Bible-based teaching. AWANA meets Wednesdays, September through April, from 7:00 pm to 8:30 pm. All are welcome and parents of clubbers can attend Bible Study groups, held at the same time as club.

Haddon Heights Baptist Church provides several housing units on campus for missionaries on between-field ministries. Currently, John and Roberta Stevenson, church rescue specialists, are spending furlough time enjoying these facilities.

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00 pm to 8:30 pm September through June. On March 6th, teens enjoyed an all-nighter. Come for food, fun, fellowship, a challenging speaker, good music and games.

# LIBRARY CORNER

## “Bark For Books” Program Launches

The library is launching an exciting reading program for new and struggling readers, featuring registered therapy dogs trained to help children with reading! Therapy dogs help build confidence and self-esteem by giving readers an opportunity to read out loud without the stress of being judged. They will snuggle up with the children, providing a calming environment. The kids will read to the dogs, all while making a new friend. We will have two therapy dogs during this program, which will be held the first Wednesday of every month from 4:00 – 5:00 pm. Our first date for this new program will be on Wednesday, June 3. Children can bring their favorite book from home or choose from the library collection. Reading to dogs has shown an increase in literacy skills and confidence in children. Call the library at 547-7132 for more information.

Then, their new friends will take them through a fairytale filled with fun, laughs and audience participation! Some of the kids will even be invited on stage to help tell the story.

The Haddon Heights Library runs this new program, Market Story Time, in an effort to bring the library to you. The library has partnered with Village Playbox, Neighbors Night Out and the Haddon Heights Farmer’s Market to help put on this new program. Stay tuned for more Market Story Time events! ## Historical Haddon Heights Directories Online

Before the telephone directory, there was the city directory, a book that listed the names, addresses and occupations of people in a particular town or city. The Haddon Heights Library, with tremendous support from the Haddon Heights Historical Society, has digitized local directories for the public’s perusal that will be available on the Haddon Heights Library website starting June 1st. Find out who lived at your house, where an ancestor resided, or what businesses were around Haddon Heights in the early part of the 20th century!

For inquiries, visit the Library website at [www.haddonheightslibrary.com](http://www.haddonheightslibrary.com) or call at (856) 547-7132.

# Summer Rec 2015

## Outdoor Games + Crafts + Sports = Summer Rec Fun!

Get those youngsters up and out first thing in the morning – Entertain your visiting grandchildren – Have a second cup of coffee or get out of the house alone. Our Summer Rec Program is the perfect way for your child to develop confidence, make friends and try new things.

Summer Rec is a great combination of “old school” fun and new skills. Activities are specifically designed for Kindergarten through Grade 6 “twins” and have enough variety that each week brings something different. We operate rain or shine using the air conditioned Cabin at Hoff’s Playground and the Community Center off Seventh Avenue. Each youngster registered by May 1st is guaranteed a tee shirt in their size.

Summer Rec Director Stacey Boegly Denning and Assistant Kenny Hamburger bring a terrific combination of teaching and personal experience in sports, phys ed, art and crafts along with their extensive experience in dealing with young people. Our teen Counselors are trained and supervised, plus we enjoy the help of summer rec volunteer camp veterans - Barbara Hoff Robinson, Wilma Hickman and Barbara Clay. All of our adults have had a Criminal Background Check.

Our rotating schedule includes snack time and

# Improper Mulching Can Kill Your Trees!

It's that time of year when everyone wants to clean-out and freshen-up their garden beds. They like the "pleasing" look of mulch without the presence of leaves. Rather than rake up the leaves and put them out for the town to compost, consider using a mulching mower and leave the clippings on the lawn as fertilizer. Or, catch the clippings and use as free, beneficial mulch in your garden beds. It is more "earth-friendly". Don't like the look of shredded leaves? Put a thin layer of more attractive mulch on top of them.

There are many "green" benefits to applying mulch. Less fertilizer is needed since the mulch slowly decomposes, improving soil fertility. It also helps maintain soil moisture, decreasing the need for extra watering. Weeds are prevented from germinating and growing, so herbicides are not needed. Mulch keeps the soils cooler in summer and warmer in winter. Mulch also makes maintenance easier and helps prevent damage from mowers or string trimmers.

Unfortunately, there is a practice that the general public now thinks is the proper way to mulch around a tree or large shrub. It is referred to as "volcano mulching". We all have seen it, especially in shopping centers, apartment complexes and even on public property. With this type of mulching, the mulch is applied directly next to the trunk of the tree, often extending a foot or

Improper "Volcano" Mulching!

more up the trunk. This kind of mulching is very dangerous to the tree and can actually kill it. It is among the leading cause of mortality in freshly planted trees. It makes the tree more susceptible to fungus, insects and rodents, particularly voles which eat the bark and roots. It also prevents water from reaching the root system of the tree. You can see an example of "volcano mulching" in the photo. Even landscapers are guilty of doing this. They want to please their customers who insist on it because they think it is the right way to mulch.

The correct way of mulching is called "donut mulching". A ring of mulch, generally advised to be about 3 inches deep, is put around the tree extending out as far, when possible, as the branches extend. Minimal mulch, a thin coating at most, is placed within about 3-4 inches of the trunk. Therefore the mulch closest to the trunk is in the shape of a donut.

Proper "Donut" Mulching!

Sustainable Haddon Heights encourages you to mulch properly. Do not follow the lead of your neighbors, family or friends. Be a leader and an educator and tell others - even a professional if you hire one - about the proper way to apply mulch. Your trees will thank you!
