**Community Group Registration Form**

N.J.S.A. 2C:7-1, et seq., commonly known as "Megan's Law", entitles community organizations with supervisory control over children and victims' groups to information concerning the release of known sexual offenders who meet certain criteria.

Pursuant to the law, organizations must register with the local law enforcement agency. Organizations and groups to be included on the notification list are to be limited to those groups, agencies and organizations that own or operate an establishment where children gather under their care or where women are cared for. The Camden County Prosecutor's Office shall then determine which organizations meet these requirements.

Please fill out the form below and return it to the appropriate police agency. If the Prosecutor's Office determines that your organization or agency qualifies under the law, you will be notified of the release and whereabouts of certain sex offenders.
