THE HEIGHTS REPORT

The Official Borough Publication

Cheers for the Red, White & Blue!

While the rain may have pushed the parade back a day, it did not dampen the fun! The annual Independence Day Parade, Park Party and new Music and Arts Festival were a great hit. With the High School Color Guard leading off, next came this year's Grand Marshals, Delores Benton, Lois Cuthbert and Kathy Terranova, past and present presidents of the Haddon Heights Woman's Club in recognition of their 100th anniversary of community service. Mayor Ed Forte and Council plus the Independence Day Queen, Kristen Resh and her court Brenna Evans, Domenica Desalvatore, and Lauren Simmons greeted the crowd and the parade was officially on.

Over 40 other entries filled Station Avenue with music, entertainment and excitement. Firetrucks and ambulances added a traditional sound track and oh the fun that followed: sport teams, scouts, soldiers, our residents' cool cars, motorcycles, Corvettes, bands, floats, community

groups, bicycles and those adorable babies and toddlers herded into line by Jim Cox and his crew.

Once everyone reached the park, the party really started! It was coordinated by Joe Gentile, Susie Griffith and their helpers. There were three gigantic inflatables and many vendors. This year's new feature was the Music and Art Festival organized by Steve Berryhill and the Creative Team. The Borough sponsored and coordinated the six professional groups. The other events were supported by Shop Rite and the Haddon Heights Business and Professional Association. Freshest Flowers donated the queen and court bouquets. The convertibles and drivers were sponsored by Mall Chevrolet.

A big thank you to all of the volunteers who helped make the day a success. If you would like to volunteer next year kindly contact Kathy Lange at klange@haddonhts.com.

Summer Rec Says Thanks!

We are so lucky to live in such a wonderful community. The Summer Rec Program asked for items to keep costs down. Your response was incredible - boxes and bags of items on our list from tablecloths to craft items to packing wrap for science, markers, coloring books, felt, cardboard, oatmeal and Crisco the list goes on and OH! How we loved the beads and glitter!! We used all the items you sent us. We like to show the kiddies how you can reuse items for crafts. Thank you very much for everything.

We also want to recognize our two faithful volunteers; Wilma Hickman and Barbara Clay - your dedication, helping hands and sunny personality were a tremendous help. The Summer Rec Directors, Stacey Denning and Kenny Hamburger, also join me in thanking you!

Also, we want to send out a special shout out and high five for all

of the kids who came out and made each day fun! There were 114 local kids who joined in the Summer Rec fun! We hope to see you next summer! Kathy Lange, Director of Parks and Rec

MAYOR'S MESSAGE:

Dear Neighbors:

I am sure all were happy that the remnants Hurricane Arthur did not stop one of our town's finest traditions, the annual Independence Day celebration. Although weather delayed the events by a day, the weather turned out to be picture perfect. Our parade and events at Hoff's Park following the Parade were both among the best we have ever had. I want to thank the many volunteers who worked so hard to coordinate these events. I also want to thank our Police Department and Public Works Department for all of the work they did to make this day safe and successful. It was great to see so many of you!

Our Summer Rec Program is in full swing and is once again a resounding success. We have filled just about every available spot for the five (5) weeks the Program runs. Summer Rec is so valuable for a number of reasons; not only does it give our youth great recreational activities right here in our town, it also gives some of our young adults a great

opportunity to have a summer job working with our youth. This program would not exist without the tireless efforts and leadership of Council President Kathy Lange. I would like to personally thank her and her staff for all of their hard work in making this Program such a success and something we all can be proud of.

Our Neighbor's Night Out Committee has scheduled the annual Spaghetti Dinner on Station Avenue for Sunday, September 14th. This is one of our most successful community events and usually sells out early. Keep tuned to our website for further details about this fun, low cost event for the entire family. I hope to see many of you there.

Tax bills will be received no later than the last week in July. Included in your bill will be a detailed letter explaining the various tax rates and exactly where your money goes. To summarize, this year we have a small increase in the

municipal rate; approximately \$42 on a house assessed at \$200,000 for the year. While we never like to increase taxes, we have to do two (2) things: first, we have to keep up with mandatory costs beyond our control like health care, and second, we need to make sure that we are taking care of our town's infrastructure and assets such as roads, equipment, and sewers. The cost to maintain these items can be high. We need to ask for a modest additional contribution this year in order to maintain our town's level of service.

Finally, with the summer storm season upon us, we have been advised that PSE&G has a new feature on its website to track power outages during storms or other events that result in a loss of power. Hopefully, this will be a way to communicate important information in the event you experience a loss of power. You can check it out at www.pseg.com.

I wish all a great rest of the summer. As always, if there is anything your Mayor or Council can do to improve your experience as a resident, please do not hesitate to get in touch with Borough Hall. Mayor's Office Hours are included on the cover of this HEIGHTS REPORT.

Mayor Edward S. Forte, Jr.

Did You Know...

....The Earnings Gap Between College and High School Graduates Is The Highest Since 1965?

According to a Pew Research Center analysis, the financial benefits of a college degree can far exceed the costs associated with four years of higher education. Young adults with just a high-school diploma earned 62 percent of the typical salary of college graduates. That's down from 81 percent in 1965, the earliest year for which comparable data are available

Haddon Savings can help you save for that increasingly important college education with significant tax advantages when you invest in a 529 College Savings Plan.

529s grow your college fund with earnings that are free from federal income tax. You can use 529 funds for most higher education expenses—including tuition, mandatory fees, supplies, books, computers or other required equipment, and room and board.

There are no income restrictions, and plans offer flexible, affordable investment options.

Call or visit your nearest Haddon Savings Bank branch to get started on the road to college.

THIRD THURSDAY BOOK CLUB

August 21 and September 18th

The Third Thursday Book Club meets at 1:00pm in the Library.

The book we are reading for August 21 is **THE FAULT IN OUR STARS** by **John Green**. This book has been made into a movie but yet the book has stayed at the top of the best-seller list.

The selection for Thursday, September 18 is **A DIAMOND IN THE DESERT** by **Jo Tatchell**. A lot has changed in the 35 years since Jo Tatchell first arrived in the dusty town of Abu Dhabi— just how much it has changed is the subject of her new book. "The growth has been unequalled, I think, in history," she says of the investment in the city since the 1960s, when people in Abu Dhabi had no shoes. This is an easy flowing story and informative book about the United Arab Emirates.

The books are available at the Library or local bookstores and Amazon. PLEASE READ THEM AND JOIN US!! ALL ARE WELCOME.

Sustainable Haddon Heights

Bike & Pedestrian Town Audit

Sustainable Haddon Heights is conducting a bicycle and pedestrian audit and we would like to receive your input. The purpose of the audit is to assess the existing conditions of our sidewalks, curb ramps, off-road bicycle/pedestrian paths, bicycle parking, pedestrian traffic signals and crossing guard locations throughout the Borough. Your input will be helpful in preparing a plan to make Haddon Heights a more bikeable, walkable community. Questions we would like answers to include:

- What challenges do you face as a pedestrian or biker on our local municipal, county or state streets?
- What changes to our current pedestrian and biking facilities would you like to see (crosswalks, bike lanes, bike racks, etc.), and why?

Please send your input to any or all of the above questions, or suggestions, to info@sustainablehaddonheights.com. Thank you for your participation and cooperation! Elizabeth Babcock – Social Media Director

Assess the energy efficiency of your home and see how it measures up:

EPA's Home Energy Yardstick provides a simple assessment of your home's annual energy use compared to similar homes. By answering a few basic questions about your home, you can get your home's Home Energy Yardstick score (on a scale of 1 to 10).

Insights into how much of your home's energy use is related to heating and cooling versus other everyday uses like appliances, lighting, and hot water. Links to guidance from ENERGY

STAR on how to increase your home's score, improve comfort, and lower utility bills along with receiving an estimate of your home's annual carbon emissions.

Getting Started:

To calculate your Yardstick score, all you need is some basic information about your home:

- Your ZIP code;
- Your home's square footage;

We are looking for Volunteers!

Sustainable Haddon Heights is looking for a few volunteers who would be willing to assist with this year's Community Energy Outreach program.

If you are interested, please email Marshall Hatfield at mhatfield01@comcast.com or call the Borough at 856-547-7164.

In particular, we need assistance with the Energy Benchmarking portion of the program, which is available for select Commercial,

Industrial and Institutional Buildings. Brochures explaining the various energy programs will be available at the Borough Hall, Library and as PDFs at www.sustainablehaddonheights.org

- Number of full time home occupants;
- A list of all the different fuels used in your home (e.g., electricity, natural gas, fuel oil); and
- Your home's last 12 months of utility bills (usually found in the 12 month summary provided on your bill)

Go to www.energystar.gov and then click on "Energy Savings at Home,

followed by "Home Assessment Tools" and finally to the "What's Your Score" section where you will enter your information. Once you get your results, you can then use New Jersey's Clean Energy Program (NJCEP) to save both energy and money with several types of rebates. If you are a resident, go to www.NJCleanEnergy.com/RESI for more information. If you are a business-owner, go to www.NJCleanEnergy.com/DI for more information.

The Woman's Club of Haddon Heights

Girls' Career Institute (GCI) is a program, offered by the New Jersey State Federation of Women's Club of GFWC (NJSFWC), for girls who have completed their junior year of high school. The GFWC Woman's Club of Haddon Heights has selected the following young women to attend this year's program: Juliette Rayser and Roberta Curless.

Photo: Juliette Rayser

The GCI program, which began in 1947, is held at Douglas Residential Campus at Rutgers University and affords a unique mini college experience for approximately 175 students from all over the state. This year's dates were June 9 - June 12.

Delegates are sponsored and the cost is underwritten by local NJSFWC Clubs or individuals. Delegates are selected on the basis of interest, community service and participation in school activities. They experienced a sample of college life by living in a dorm, eating in the cafeteria and attend lectures and workshops. They also learned about career choices and how to network with other delegates from all over the state of New Jersey. During free time, there were organized activities, such as swimming, crafts and after dinner programs.

In addition to organizing and directing all the activities of the GCI program, NJSFWC clubwomen volunteer their time and act as housemothers for the program.

The GFWC Woman's Club of Haddon Heights is a member of the New Jersey State Federation of Women's Clubs (NJSFWC) of GFWC, which was founded in 1894 and has been headquartered on the Douglass Residential Campus, formerly Douglas College in New Brunswick since 1966. The NJSFWC is a member of the General Federation of Women's Clubs, the oldest and largest nonpartisan, nondenominational women's volunteer service organization in the world. Opportunities are provided to women in education, leadership training and community service through participation in local clubs, enabling members to make a difference in the lives of others, one project at a time.

If you are interested in learning more about the NJSFWC or in joining a local club, contact NJSFWC Headquarters at (732)249-5474 or www.NJSFWC.org.

We serve our local community with a particular focus on the young and not so young.

In addition to providing three scholarships, annually, to our local students - From June 23rd to June 26th we sponsored three of our outstanding high school juniors to attend our annual Rotary Youth Leadership Awards Conference (RYLA) at Richard Stockton College. - Emma Erwin, Matthew Janis and Ronald Breining will be sharing their experiences with us at an upcoming meeting. As has been the case, over many years, with returning students, we know they will tell us it was a life changing experience.

Also, August will be our annual Strike Out Hunger night at the Phillies. Come join us.

Rotary is marked by an incredible atmosphere of service, fellowship, friendship, and networking that is rarely found in any other organization.

You do not need an introduction to talk with other people here! You are free to converse with anyone and everyone, and as your conversations continue, the usual exchange of names and business cards occurs. Regardless of where you are from, you will eventually meet someone who can help you with a project, business lead or who knows someone you know - and - ANOTHER Contact! It is difficult to believe, but it's true! That is the magic and the power of the Rotary network!

We meet Thursday evenings at 6:15 at Tavistock Country Club. So our offer to you is to come out, meet and greet our members, talk with as many people as you can. You will be astounded by the friendliness and helpfulness of Rotarians and their guests, and it takes no introduction to get started. All of us have stories to tell, and many of our stories are about the professional activities, accomplishments and community service activities. So let us show you. We I invite you to come out enjoy and evening with us and exchange ideas, make new friends, as we mutually grow together.

Haddon Heights Good Neighbors

625 Station Avenue - Haddon Heights, NJ 08035

"In a gentle way, you can shake the world."
- Mahatma Gandhi

Thirty-four years ago, Sue Watson noticed that the world needed a little shaking. She was a municipal welfare worker in Haddon Heights and recognized that there were people with real needs who did not qualify for public assistance. And, in her gentle way, she called upon the community to help. She and a group of volunteers founded Haddon Heights Good Neighbors.

For all those people who fell through the cracks and didn't meet the criteria for government aid, Sue provided a way for residents to give to a general fund that would help those in town who needed temporary help.

Since 1981, Haddon Heights Good Neighbors has provided close to \$380,000 in financial relief to hundreds of residents. We are so grateful to the generous people of Haddon Heights and to the resourceful and compassionate Sue Watson.

The mission of HHGN is to provide short-term financial assistance of a material nature to residents in need. If you'd like to volunteer your time, make a donation, or inquire about receiving help, please visit us at www.hhgoodneighbors.org or contact us at 547-1255.

EMPLOYEE SPOTLIGHT

Eric Fitzgerald

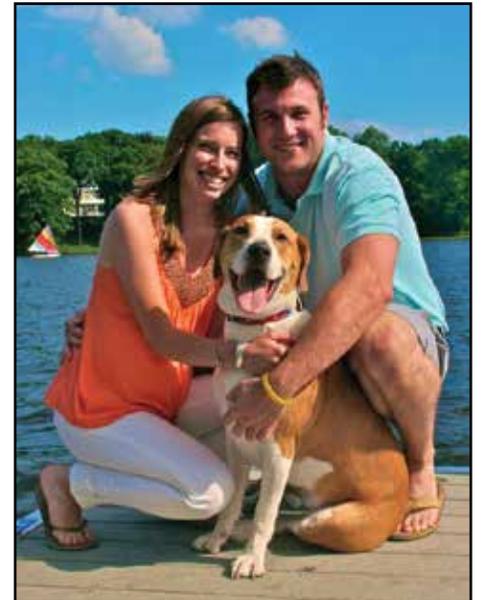

Eric Fitzgerald is the new Tax Collector for the borough. Included in Eric's responsibilities are the billing, collection, and reporting of taxes. Eric will also be involved in the Animal Licensing process.

Eric arrived at the borough after 4 and a half years with Edmunds and Associates, the software manufacturer whose products are used by Haddon Heights for tax, finance, animal licensing, etc. At Edmunds, Eric traveled the east coast managing installations and training new users on the software. Several years ago he even spent a few days in Haddon Heights to train some of the users at the time.

Eric is from Northfield, where he attended Mainland Regional High School before earning his degree in Business Administration

from the University of Mary Washington in Fredericksburg, VA. While in college, Eric met his wife Meredith and they were married in August 2012. Meredith is a sign language interpreter working for the Upper Township school district, where she assists a number of young deaf and hard of hearing students in their classes. She recently interpreted at a horseback riding camp for a deaf child who wanted to learn to ride and will soon be assisting another at a surfing camp.

Eric and Meredith just moved into their first home and love to spend their free time outdoors. The beach, boardwalk, and long walks are some of the things they enjoy doing and you will most likely see their dogs Utley and Ruca right by their side. They are also big sports fans, as they both

played sports for all four years in college, Eric at baseball and Meredith at lacrosse.

Eric's office hours are Monday through Friday from 9:00am to 5:00pm. He can be reached at 547-7164 x30 or by email at efitzgerald@haddonhts.com

LABELocal

Labelocal is a women's boutique and sewing studio featuring items designed and made by area artists. Items for sale include clothing, jewelry and accessories. We carry designers with small limited edition lines which makes the store different every time you visit. Classes are offered for youth and adults on a variety of items to be sewn at eight sewing stations set up in the store.

When owner, Emily Meyer, found this store site she knew it was the right location. This vital downtown has been wonderfully accepting and supportive of our unique 'hands on' store.

Following her years of experience in fashion retail and schooling in apparel technical design in Philadelphia, Meyer began donating her time, as well as resources to inner city Philadelphia students. It was important to her to continue to give back and while thinking of ways to off set the cost, came up with

this interesting combination of boutique and sewing studio.

Sewing classes are offered to students starting at age 8. This summer sewing camps are scheduled, as well as daily walk-in classes with fun projects such as towel pants and beach bags with no experience required. Check our website and Facebook for up to date class schedules.

Growing up in a small town in Ohio and working for their local jeweler, Emily knew that the main street feel of Haddon Heights was the perfect fit. It is apparent that the Haddon Heights community recognizes the importance of shopping local and labelocal is so excited to be a part of it!

Labelocal is located at 612 Station Avenue.

Business hours are: Tuesday through Friday 11-6 and Saturday 11-4

For more information about Labelocal you can check out their Facebook page at www.facebook.com/labelocal or you can check out their website at www.labelocal.com

USA Champion Brings Home Medals

David Praiss

David Praiss, a 41 year old resident of our town, has earned several medals in the State and National Special Olympics. He first won 3 Gold and 1 Silver Medal for Power Lifting in the State Games. This qualified him for the National competition, which was held this year in our home state of New Jersey. His hard work at the national games earned him a Gold medal for Bench Press, Squat and Combination of all three (Bench, Dead and Squat total); he also earned a Bronze medal for Dead lift.

Not just a “summer sport” Olympian, David is also a successful skier. As his father commented “He’s a fantastic Alpine skier. And you know why? Leg Strength! He’ll do 500 pound leg presses, 30 - 40 of them.” Besides lifting, he also enjoys swimming, golf, bowling, basketball, and track & field. He is a

year-round athlete. David has been participating in the Games for 33 years. While he started with track & field and swimming, - when power-lifting was added to the games when he was 11 or 12, David was right there.

David trains at Royal Fitness in Barrington, with trainer Blake Kondras.* David has a positive attitude and works hard to maintain his strength and form. When not training David works 5 days a week at The Abilities Center of Southern New Jersey. He is a friendly and social person, he loves talking with people and would gladly have you squeeze his arm muscle. (Which would feel like a rock!)

**Side Note: Trainer Blake Kondras is also an instructor at the Community Center for some of our Haddon Heights Programs.*

Haddon Heights School District

Congratulations Class of 2014!

Academically, the Class of 2014 has been extremely successful. In the fall, 54 percent of the Class of 2014 will be attending four year colleges, 38 percent two year colleges, 3 percent trade schools, and 5 percent will be entering the work force or the armed services.

Some of the colleges they will be attending in the fall are: Belmont University, Camden County College, University of Delaware, Drexel, Lehigh, University of Maryland, University of Oklahoma, Rider, Rowan, Rutgers, Temple, Widener, and York College.

Speaking of accomplishments and success, the Academic Challenge Team had a great season. There were several Seniors on the team who led them to six

victories and a second place finish in the championship tournament.

Athletically, the Senior class had an amazing year as well. The Senior class had a huge part in the Girls' Field Hockey Team and Boys' Tennis Team making it to the South Jersey Championship Games. They also played a major role in the Girls' Softball Team winning their 4th straight Conference Championship. The Wrestling Team had three seniors win the District Championship. The indoor track team had a senior win a state championship and at the Meet of Champions become the fastest runner in the state at the 55 meter dash.

Official Book Launch Party

The official launch of *Stalked: The Boy Who Said No* by Patti Sheehy will be held at Tavistock Country Club in Haddonfield, NJ, on Friday, September 12 at 6 p.m.

The much-anticipated sequel to *The Boy Who Said No: An Escape to Freedom* continues the story of Frank Mederos as he struggles to make his way in America.

“The sequel is every bit as exciting as my first book,” said Sheehy. “It is a tale of tender love, devastating loss and the life-saving power friendship. Frank and Magda face a challenge neither of them could have imagined. In addition, Frank has not heard the last of Lieutenant Pino.”

The Boy Who Said No has enjoyed critical acclaim since its release in June 2013. It received the Benjamin Franklin Award for Best New Voice in Fiction, the 2013 USA Best Book Finalist Award in its genre, and the ForeWord Finalist Award for Best Book of the Year 2013

in the genre of historical fiction. *Library Journal* called it “a tense and exhilarating read” and the *New York Journal of Books* dubbed it “a powerful fictionalized version of a true story and one that stays with the reader for a long time.”

Stalked was listed in *Publisher’s Weekly* as one of the trending books for the fall of 2014.

Tickets for the book launch can be purchased at the Haddon Heights Public Library on Station Avenue, beginning Monday, August 4. The ticket price is \$40 and includes dinner. Tickets are available on a first-come, first-serve basis. Proceeds benefit the Haddon Heights Public Library. Both books will be on sale at the event, and Frank Mederos and Patti Sheehy will be signing books. *Stalked* will be available for sale on Amazon.com on September 2, 2014. It is available for pre-order now.

For more information and to order tickets, call the Haddon Heights Public Library at 856-547-7132.

St. Mary's Episcopal Church

It's a NEW DAY at St. Mary's Episcopal Church in Haddon Heights!!!

We are excited to offer you the opportunity to share in our worship as well as our fellowship and friendship. At St. Mary's, EVERYONE is welcome.

St. Mary's hosts Sunday services at 9:30 am each Sunday with the celebration of the Holy Eucharist and Church School followed by a coffee hour for everyone. There is also a celebration of the Holy Eucharist and A Healing Service each Wednesday morning at 10 am.

Sunday, September 14th is an exciting day for the congregation as we welcome back an old friend and long time staff member. William Fenimore, an Audubon resident, was with St. Mary's for many years as our organist and choir master. His tenure at St. Mary's is remembered as one with excellent music on Sunday mornings as well as exciting musical events that were attended by the community. Bill is looking to recapture those days of old and bringing St. Mary's music program back to full strength with a large, active choir and community outreach in which we can share the joyous sounds of our Shantz organ.

Haddon Heights Baptist Church

At Haddon Heights Baptist Church, summer is an exciting time, beginning with the borough's Fourth of July parade and climaxing with Vacation Bible School at the end of July. The rain that postponed the Friday parade to Saturday the Fifth didn't dampen enthusiasm for the church's float entry. The theme of the float, as usual, was all about the upcoming Vacation Bible School. Marchers with the HHBC float passed out invitations to attend a special edition of VBS, the "International Spy Academy."

This year, kids 4 years old through 6th graders will learn how to become "Agents for the One True God." Training starts July 28 through August 1 from 9 am to 12 noon. Registration forms can be downloaded from www.haddonheightsbaptist.org. The International Spy Academy is the place to be this Summer at Haddon Heights Baptist Church.

A Mothers' Class will run simultaneously, with Bible study, refreshments and informative sessions--a refreshing time just for women. This year's theme is "Lessons from Ruth: A Journey of Faith-A Pathway of Hope."

Speakers will address the following topics:

1. Tips and Tricks for Travel
2. Encouraging Others on the Journey
3. Creativity in Your Home
4. Real Talk with a Realtor-improving Your Home's Value

A nursery will be provided for children through age 3.

In the evenings the same week as Vacation Bible School, Teen Time will take place, beginning at 6:30PM in The Chapel for teens entering 7th grade through 12th grade.

AWANA Clubs at Haddon Heights Baptist ended their club year on April 30 with an Awards and Recognition Program. Clubbers and leaders now take a well-earned break and will resume activities on September 10, 2014

Baptist Regional School, a K-12 ministry of HHBC, is proud to announce the addition of a Pre-K program beginning in the Fall of 2014. 5 day a week 1/2 day and full day sessions are available. Early and after care are offered for

Our Sunday school program will gear up for the 2014-15 year on September 14th as well. We are thrilled to be able to offer a Christian Education program for children infancy through 5th grade. Our two to four year old youngsters will take part in a curriculum called "Knowing God". Through storytelling, crafts, music and movement, they will be introduced to classic Bible stories. Our older children in Kindergarten through 5th grade will experience "The Old Testament Live". They will meet Old Testament personalities and learn the ways in which God directed them in their lives just as He does in our lives today. St. Mary's is not your mother's Sunday school; no boring coloring pages here! Instead, we focus on interactive, creative, out of the box methods to bring our kids to a deeper understanding of God.

St. Mary's is a welcoming congregation where everyone is valued and appreciated for the individuals that they are. We invite you to join us for services. We are anxious to meet you!

this new program, as well.

Haddon Heights Baptist Church provides several housing units on campus for missionaries on between-field ministries. Currently, Susan Hossack, translation missionary to Chad and John and Roberta Stevenson, church rescue specialists, are spending furlough time enjoying these facilities.

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00pm to 8:30pm September through June. Come and enjoy food, fun and fellowship, a challenging speaker, good music and games.
