DEPARTMENT OF PUBLIC WORKS

John Ellis, Superintendent
Frank Spadea Jr., Foreman
Chris Tessing, Mechanic
Joe Bradley, Assistant Mechanic
Driver/Operators:

James Hanton, Brian Heckler, Lou De Leonardis,
Mike Borman

RESPONSIBILITIES:

DPW is responsible for maintaining the overall look and feel of the Borough throughout the year. We are responsible for brush, grass and leaf collection as well as the maintenance of Borough properties (buildings, grass cutting, trees and fields); pothole repair, street signs, line painting, snow removal, trash, recycling, holiday decorations, banners and storm water management. We also maintain the Borough's Sanitary Sewer System, including three sewer pump stations.

EAST SIDE: 10TH Avenue to Haddonfield

WEST SIDE: 10TH Avenue to Black Horse Pike

BRUSH: Must be tied and bundled, not to exceed 4 feet in length or 50 lbs. Please do not put your brush out until the night before your collection day.

GRASS CLIPPINGS: Collected Mondays (APR - OCT) – check your calendar. Clippings must be placed in an open container not to exceed 50 lbs. Do not mix brush or trimmings with grass clippings (strictly

enforced). Consider leaving grass clippings on your lawn as fertilizer.

LEAVES: Collected between OCT 15 - DEC 15 during NOV and DEC. Please adhere to the following guidelines:

- Consider mulching your leaves as compost for your spring planting beds.
- Lawn service contractors must remove leaves from your property.
- Rake your leaves to the curb, NOT INTO THE STREET, no more than 7 days prior to collection.
- Leaf piles in the street cause flooding and drainage problems during rainstorms. Do not place leaves closer than 10 feet from any storm sewer inlet.
- Do not mix leaves and brush together.

SNOW REMOVAL: Property owners or tenants are required to remove all snow and ice from sidewalks and corners within 12 hours of daylight after a snowfall. Additionally, it is helpful if you can clear the snow from in front of fire hydrants and around storm water inlets. It is a violation of Borough Code to put snow into the street – violators will be fined. DPW plows Borough streets as quickly as possible and may make several passes, depending on the duration and amount of snowfall.

The following streets are maintained by Camden County (856-566-2980): E. Atlantic Avenue, Highland Avenue, Hillside Avenue, Kings Highway, N. Park Drive, S. Park Drive, Prospect Ridge Blvd., Station Avenue, 9th Avenue and 13th Avenue. New Jersey DOT (856-795-4735) maintains the White Horse Pike (Rt. 30) and the Black Horse Pike (Rt. 168).

TRASH & RECYCLING COMPANY:

South Jersey Sanitation (856) 772-9899

TRASH: You may place your trash at the curb after 4pm the day before, and by 6am the day of collection. Please remove empty cans on the day of collection. Carpet and discarded wood should be cut and tied into 4-foot bundles not exceeding 50 lbs. Please remove or flatten nails to prevent injury to our staff. Private contractors are required to dispose of all construction or demolition debris, so please DO NOT place these materials at the curb.

SINGLE STREAM RECYCLING: Single stream simply means that common recyclables can be mixed together in the same can.

Acceptable materials include: Glass jars and bottles; aluminum and tin cans; plastics #1, #2, #4, #5 and #7; newspapers, white paper, magazines, paperback books and cardboard.

Unacceptable materials include: Plastic bags, coat hangers, pots, pans, Plastic #3 and #6, ceramics, light bulbs, dishes, mirrors, drinking glasses and SYRINGES.

Recycling may be placed at the curb after 4pm the day before, and by 6am the day of collection.

ELECTRONIC RECYCLING: Haddon Heights now provides electronic recycling at our Service Operations Facility. You can drop off all electronics MON - FRI from 7am - 3pm. It is a violation of NJ law to put TVs and computers at the curb.

WHITE GOODS: Anything of metal construction, including appliances. Pipes and poles with concrete on them will not be collected as this is considered to be construction debris. White goods are picked up the third Monday, or you can call Public Works (856) 546-2580 to schedule a pickup.

FIRST RESPONDERS' REMINDER:

Our Fire and Police Departments as well as dispatched Emergency Responders are repeating their request to residents to make sure your house numbers are clearly visible from the street.

Borough Ordinance No. 973 was adopted on April 5, 1995 and Chapter 144 of Borough Code provides the following specifications for numbers, placement and violator penalties for non-compliance:

- A. In Arabic numbers
- B. Minimum height of three inches
- C. Mounted so as to be clearly visible from the street
- D. Contrasting color to the background color it is mounted on
- E. At least 60 inches above the road bed and placed so that trees, scrubs, vines and other obstructions do not block the line of sight of the numbers from the street.

Compliance is required for any sale, conveyance or other transfer of real property. Non-compliance after two months of a violation notice could result in "a maximum penalty of a fine not exceeding \$1,250 or by imprisonment for a period not exceeding 90 days or by a period of community service not exceeding 90 days, or any combination thereof."

HISTORY

For the first decades of Haddon Heights' development, residences along East and West Atlantic and those fronting the White Horse Pike were considered the most prestigious places to live. Some of the grandest houses were built along these transportation corridors where they had high visibility. Accordingly, the block between Station Avenue and Green Street was completely developed within a decade of the Borough's 1904 founding. The house at 109 E. Atlantic was built circa 1913 and is located within Haddon Heights' local historic district. By 2010, the house had fallen into disrepair and the property was purchased to provide additional parking space for adjacent Stanfill Towers, a 123-unit high rise senior citizen facility built in 1977. Sympathetic to the seniors' need for more parking, but concerned about the potential loss of the historic house, Borough Planning Board members suggested a compromise to allow the non-conforming parking in the rear yard in exchange for preservation of the house. The new facility held its grand opening on November 16, 2015.

CURRENT USE

The Stanfill Manor Senior Center is an outreach project of the Haddon Heights Senior Citizens Housing Corporation (HHSCHC) which owns Stanfill Towers. HHSCHC decided to build on their very successful social service program by creating a place for town residents age 55 and older to obtain social services and connections to help them "age in place." This new initiative is being led by a long time town resident, Nancy Cuomo, LCSW who has over 30 years of social service experience dealing with senior issues. Stanfill Manor welcomes all Haddon Heights residents to visit our Senior Center. Free consultation is available on Monday, Wednesday and Thursday from 10 am to 2 pm or by appointment or telephone. For more information call (856) 546-2490 or visit our page at: www.facebook.com/stanfillmanorseniorcenter

SANBORN MAPS

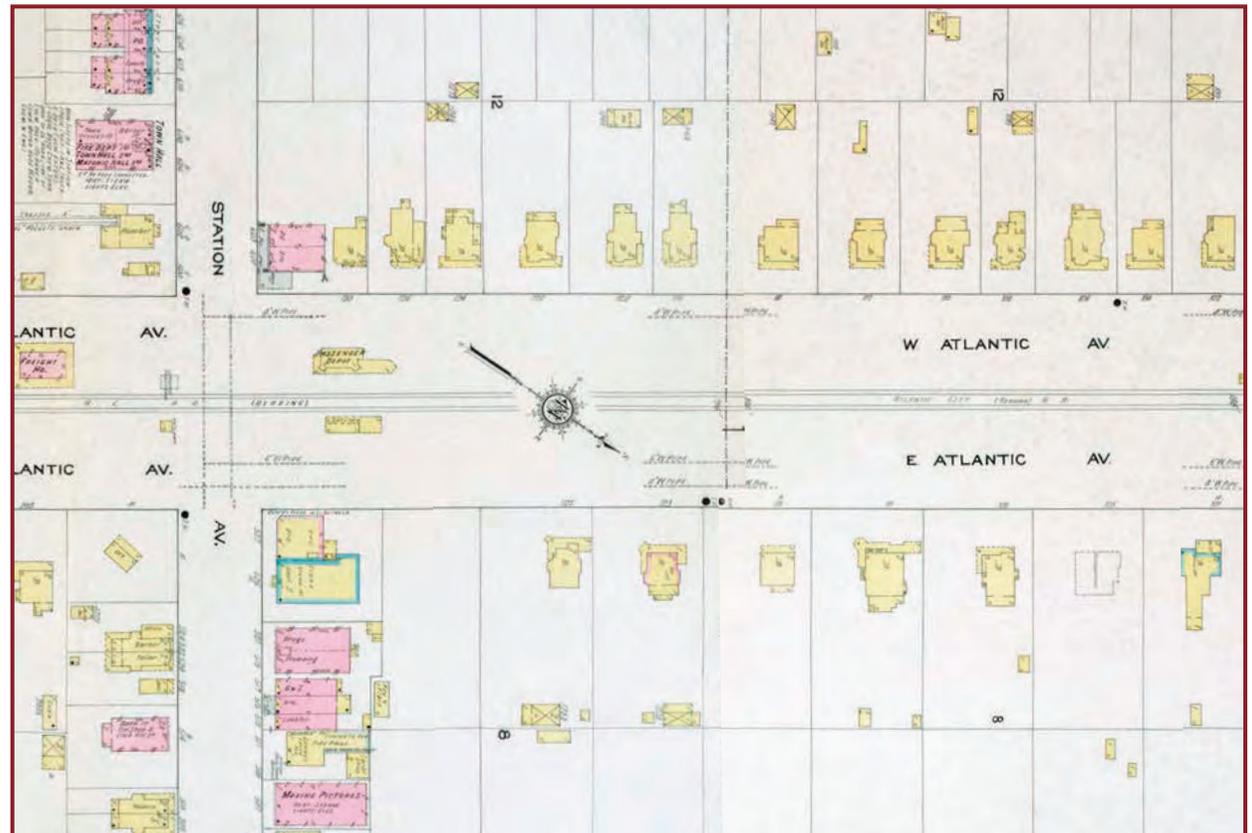

The map on this page is an excerpt from the 1914 Sanborn Map of Haddon Heights. The Sanborn Insurance Company produced survey maps for communities nationwide to document buildings and other features every few years. Maps of Haddon Heights from 1909, 1914, and 1922 are available at: <http://library.princeton.edu/libraries/firestone/rbcs/aids/sanborn/camden/haddon-heights.html>

LOCAL PHONE DIRECTORIES

Another helpful resource for research in Haddon Heights is an index of Borough directories from 1895, periodically until 1977: <http://www.haddonheightslibrary.com/citydirectory/> These directories are searchable by last name or street address. For Stanfill Manor, the first occupants were Joseph P. and Carrie Creely in 1915 followed by the Johnsons, Tegges, and Rushtons.

Sustainable Haddon Heights (SHH) – SHH is dedicated to preserving and enhancing the quality of life for our residents through environmental, economic and social actions. We partner with local constituencies to enact environmentally positive practices and principles; to educate the community on practical, cost-effective ways to forge a sustainable path into the future; and to advocate for legislation and practices at all levels of government that balance the long term needs of a healthy society. Visit sustainablehaddonheights.org for more information. Your tax-deductible contributions help support our programs and can be mailed to: Sustainable Haddon Heights, P.O. Box 344, Haddon Heights, 08035.

President's Message

It is with pleasure that the HHBPA presents the 2016 community calendar. Our cover features the new Stanfill Manor Senior Center that offers free services to our older residents. This year, the calendar highlights the 501 (c) (3) non-profits of Haddon Heights, with a reminder that you can become involved in these organizations and also contribute financially to receive a tax write-off. There are many ways to promote these organizations, and the HHBPA encourages you to support their work.

A highlight of HHBPA's accomplishments in 2015 includes the expansion of our high school scholarship program. In past years, we provided a scholarship to one graduating student interested in a career in either professional or business services at Haddon Heights High School. This year, we included Baptist Regional High School and increased the program to include both male and female seniors for both schools. Also, through our contribution to American Legion Post #38, we sponsored two junior high school students to attend Boy's and Girl's State. This program is a hands-on learning experience of local, county and state government where "participants are exposed to the rights and privileges, the duties, and the responsibilities of a franchised citizen."

Additionally, the HHBPA has been honored with assisting in the preservation of the historic Haddon Heights Passenger Station, our town's most recognized building, maintained by the Delaware & Susquehanna Model Railroad Club. The HHBPA was happy to aid this group of volunteers in their efforts and we ask that you also consider helping.

I thank our business members for their community support and I thank our residents for the support you give to the businesses, professionals, and associations in Haddon Heights and our surrounding towns. Wishing you all a very happy holiday season and a healthy and prosperous new year.

Respectfully,

Brett Harrison – President

The businesses listed on this page support the community of Haddon Heights in so many ways throughout the year. The \$10,000 delivered cost of this calendar allows them to promote our local civic, faith-based, library, post office, schools and 501(C)(3) non-profit groups all year long. These groups need both your talents and your money to keep their organizations operating. When you get the opportunity, consider thanking our business members with a smile, a handshake and your business. It helps make Haddon Heights a special community, and they would appreciate it.
