

Mitigation Plan for Four New Jersey Counties Final Municipal Appendix – Website Directions

To obtain a .pdf file of the Final Municipal Appendix to share with elected officials as part of requesting their formal adoption, go to the project website at: <http://nj4hmp.com>.

Then, either:

- left click on “Camden” in the tabs above the four photos at the top of the home page

or...

- scroll to the four counties map, put the cursor on the Camden County green cross, and left click on “Visit the Camden Page”

Then, either:

- a. put the cursor on the green cross for the municipality on the County map and left click on the municipality name

or...

- b. scroll down to the list of municipalities and left click on the municipality name

Then, after you reach the municipality page, left click on the “Final Appendix” link. When the .pdf file opens, you can view the file, print the file directly, or download the file to print at a later time.

In addition, the Municipal Appendix cross references the NJ4 HMP “Regional Hazard Mitigation Plan” that is part of the overall plan and is also referenced in the Adoption Resolution. To view, print, or download sections and annexes of the NJ4 HMP Regional Hazard Mitigation Plan:
