Reorganization Meeting

Working Together to Keep Haddon Heights Great!

The annual, state wide process of “Reorganization” marks the start of the new governing year in our Borough. Beginning with the traditional flag salute and an Invocation by Reverend E Joseph Byerley, Mayor Jack Merryfield welcomed the large crowd and recognized dignitaries. The mayor then moved to the important business at hand - installation of the two newly elected Council members.

Susan R Griffith was sworn in by Albert J. Olizi, Esq; Bryan P. Schroeder took the oath of office from Congressman Donald Norcross. Following remarks from the newly installed, the other Council members in attendance - Steve Berryhill, Kathy Lange, and Jackie Valvardi - offered their thoughts. Mr.

Donald Norcross addressed the gathering and was thanked by Mayor Merryfield for his service on behalf of his family and all the people of South Jersey.

The first item of new business for Council was the election of Susan Griffith to the position Council President and the appointment of Council members to Directorships. Next on the agenda were Resolutions appointing the many officials who are responsible for the orderly management of the Borough and those who contribute to public health and safety. The tireless community volunteers who serve on over 15 Boards, Commissions and Committees were asked to stand together, take the oath of office and be publicly thanked for their service to our hometown.

Our form of government - BY THE PEOPLE - works best when citizens take part in the process. We encourage residents to become involved and informed by attending Council meetings or contacting your elected officials. Together we will keep our beloved small town a great place to live.

LOVE YOUR LIBRARY MONTH

February is “Love Your Library” month and the Haddon Heights Library gives residents many reasons to love them. Downloadable e-books, museum passes, Blu-Rays, DVDs, children’s programming, high speed internet access and free notary service are just a few of the many services and products available from the library.

The library has provided all of this and more to try and offer our patrons with the services and materials that they deserve. We are very proud of all our offerings, but we recognize the help the residents give us each year through donations to help make them possible. The support the residents of Haddon Heights have given the library over the years shows us how much you love your library and pushes us to deliver as many services as we can afford.

With February being “Love Your Library” month, we must appeal to you again and ask for as generous a donation you can afford. Please keep your eyes peeled, as our solicitation letter will be hitting your mailbox in February. Without your support, we could not deliver the services you deserve. For more information about the library or how to donate, please call us at 547-7132.

MAYOR'S MESSAGE:

Dear Neighbors:

Happy New Year! I hope everyone had an enjoyable holiday season. As we move toward the end of winter, we look forward to the many spring events that we all enjoy.

Our annual Reorganization Meeting was held on Saturday, January 7th at which time we organize the local government for the upcoming year. We welcomed back Councilwoman Susan Griffith and elected her to the position of Council President for the year 2017. Susan is a tireless volunteer who has served our town as both Mayor and as a Councilmember. We were also happy to welcome Councilman Bryan Schroeder to Council. We are looking forward to working together to keep your government running smoothly and most importantly, efficiently. Please come out to a Council meeting to see your government in action. Every Council meeting offers opportunities for public comment. Please know we are always interested in hearing from

you, our residents.

One item of business during our Reorganization Meeting is the appointment of the many volunteers to our various Boards, Committees and Commissions. I would like to welcome the many new volunteers as well as those who come back year after year to serve our town. If you would like the opportunity to be involved, please contact Borough Hall at 856-547-7164, ext. 33.

Should we get more snow this winter, there are a few important reminders that will help our Department of Public Works keep our streets clear. Please note that if you shovel your snow to the right of your driveway (facing the street), it is less likely that the plow will push the snow back in front of your driveway (as sometimes unavoidably happens). Please do not park on the street until our snow plowing operations are complete. Parking on the street not only makes it very hard to clear the streets, but

it can likely result in your car getting plowed in. Please remember that some of our roads are maintained by the County or State who will also have plows out clearing their roads as well.

Looking forward to warmer weather? It's never too early to start thinking about summer. Registration for our Summer Rec Program is now open. You can visit the Borough website for more information. Reserve your spot now, as we have been at full capacity as early as March. Councilwoman Kathy Lange and her team are hard at work to create another terrific summer experience for our kids.

As a reminder, for the most up to date information about what is happening around town, please be sure to check our website regularly at www.haddonhts.com. The homepage highlights upcoming events and pertinent information for our residents.

I appreciate the opportunity to serve as your Mayor. I am available to help address any concerns or suggestions you might have. If there is anything I can do to help, please do not hesitate to call, e-mail, or stop by Borough Hall during my office hours which are listed on the front page of this HEIGHTS REPORT. Enjoy the rest of winter!

Mayor Jack D. Merryfield

Do You Need the Winter "Function Better Program"?

Each winter, many folks perform activities such as bundling-up for afternoon walks, shoveling snow, clearing snow and ice off the car, visiting friends, attending children's shows and shopping in town. Kindness Rocks and Playing Rolls Event for Our New Toddler Playground

Hey kids - Bring your families and Come join us for a free painting event on Friday, February 17 anytime between 1 to 3 pm at Paint A Treasure Studio, 614 Station Ave.

To kick off our "Kindness Rocks and Playing Rolls" campaign, designs of the new Small Explorers Toddler Playground at Hoff's Park will be on display and kids will have a chance to talk about and draw their ideas about favorite playground equipment.

What is Kindness Rocks and Playing Rolls? Kindness Rocks is a national movement to spread kindness and positivity and pay it forward in local communities. Participants decorate kindness rocks, post a picture of them on a designated site and then leave the rocks throughout their community (in a safe, non-hazardous, public place, of course) for others to find and enjoy. When a Small Explorer or any community member finds a rock, their day is brightened and they can share its message by posting their discovery on social media. Doesn't this sound like an ideal project for our hometown? What better way to kick off the Small Explorers

Playground design phase then by combining our playground project with Kindness Rocks!

The Parks and Rec Department will supply the rocks and Sharon Sayers, owner of Paint a Treasure, will supply the paint. Come join us.

Follow us on Facebook @smallexplorersplayground and check the Haddon Heights Borough website for other events. Would you, an employer or wealthy relative like to help us get #openforplay? Donations are accepted and reserved for the playground through the Borough. Checks of any amount are appreciated; they are made payable to Haddon Heights Department of Parks and Rec with Small Explorers on the memo line. Reach out to Kathy Lange at klange@haddonhts.com or Jillian Soriano at jillianhnsoriano@gmail.com with comments or suggestions about this project.

Delaware & Susquehanna Model Railroad Club

A little Haddon Heights railroad history: The Haddon Heights passenger station was built in 1890 by the Lippincott family as an inducement to the Philadelphia and Atlantic City Railroad to make the town a stop on the railroad. Since that time the station has served the Reading Railroad, Pennsylvania Reading Seashore Lines and most recently Conrail. The station is currently leased by the Delaware & Susquehanna Model Railroad Club from Conrail.

The Club has both maintained the historic station and operated our HO scale model railroad in the building for the past 11 years. Conrail continues to operate daily freight service to Woodbine on the line.

More information was available January 20, 21 & 22 at our annual Haddon Heights Show and at the Club website: www.dsmrrc.net.

The station will be open Saturday, May 13 as part of the Down by the Station Day Celebration

Meeting of Circolo Italiano

Our meeting will take place on Monday February 13th at 7:30 pm at the Haddon Heights Borough Hall, 625 Station Avenue, in the Auditorium. We will continue with the second part of the film "Cinema Paradiso" having shown Part one at our January meeting.

The March meeting will take place on Monday March 13th at 7:30 pm. Why do people living in Italy live longer than we do? To say it is all in the genes is oversimplifying a complex subject. Why is it they enjoy so many more years of good health? They smoke more than we do, they earn less, their economy is inferior to ours, they spend less on healthcare and no self-respecting Italian has a gym membership. Yet, according to the World Health Organization in 2013, Italians have the longest life span in Europe and the second longest in the world with Japan having the longest. Please join us for a fascinating glimpse into this topic presented by lecturer Peter Damato. Also Patrice Leonetti will give a demonstration telling how to prepare healthful Italian foods. After the presentation, enjoy homemade treats and coffee and tea. Remember, one does not have to be a member to attend. Guests are always welcome.

Haddon Heights Good Neighbors

THE NEW YEAR 2017! We often give a lot of time to plan our New Year's Resolutions, and we often forget about them quickly. Well, we have an easy one for you to plan and accomplish!

Here in Haddon Heights, we have an organization known as Haddon Heights Good Neighbors. Formed in 1979, HHGN provides short-term financial assistance of material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

What better resolution can one make than to help others in our very own town? This can easily be accomplished. One way is to join the HHGN which typically meets the 1st Wednesday of January, May, September, and November. These meetings are held in Borough Hall at 7:00 PM.

Another way is to make a donation to the organization which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

We want to thank all of you who made generous contributions to the Haddon Heights Good Neighbors Organization during our October 2016 fund raiser. We would also like to thank the Sons of Italy and the Neighbors Night Out Committee for their generous donations especially during the holidays.

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE.

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to:

FIRE DEPARTMENT

We're in the heart of winter, and the potential for harsh weather conditions always exists. The HHFD urges everyone to be prepared. In case of emergency, plan at least two ways to escape your residence, and keep your driveways and sidewalks clear. These steps, plus digging out a 1-2 ft path around any hydrant near your property, will help expedite emergency response times. Be ready in case the power goes out, and have battery powered flashlights and spare batteries available. Never use candles as emergency lighting. If you encounter any downed power lines, report them to authorities, and do not attempt to touch any wires.

You can follow us on Facebook for all the latest safety updates and happenings around the HHFD. As always we're available around the clock for emergencies by calling 911, and thank you for your continued support!

The Village Playbox - Storytime Theater

Join us on March 11th and 12th when Storytime Theater brings to life, "The Three Billy Goats Gruff." The children's theater troupe was founded in 2012 in Woodbury, and they are currently in their third year of performing in Haddon Heights.

Every story teaches a lesson and "The Three Billy Goats Gruff" will be no exception. The moral of the upcoming story is, "Don't be greedy." This local children's theater troupe provides live theater in a non-threatening atmosphere. "Costuming is minimal, yet effective, and helps to teach children dramatic play," says Suzanne Tuttle, founder of Storytime Theater. Children will have a chance to meet the Storytime Friends in the beginning of the show and from then on there is plenty of audience participation.

In association with the Village Playbox, Storytime Theater performs 5 shows per year starting in September of each year. "The Three Billy Goats Gruff" is their fourth show of the year, and they will end with "The Princess and the Pea" on May 20th & 21st. Saturday performances are at 1pm and 3pm while the Sunday performance is at 2pm. Tickets are \$6.00 and can be purchased at the door or online at storytimetheaterfriends.com. All performances take place at the First United Methodist Church, 704 Garden St. Haddon Heights, NJ.

The Village Playbox

The VILLAGE PLAYBOX is pleased to announce their showing of the 2013 Tony award winning **BEST PLAY... VANYA & SONIA & MASHA & SPIKE**. Performances will run February 3rd, 4th, 10th, 11th, 17th, 18th @ 8:00 PM and February 5th & 12th @ 3:00 PM.

This is a comedy play written by Christopher Durang. The story revolves around the relationships of three middle-aged single siblings, two of whom live together, and takes place during a visit by the third, Masha, who supports them and is an aging movie actress. They discuss their lives and loves, argue, go to a costume party as Snow White characters and Masha even threatens to sell the house. Some of the show's elements were derived from works of Anton Chekhov, including several character names, the play's setting in a Bucks County Pa., and the theme is of the possible loss of an ancestral home. Despite all this drama, Its hilarious!

The play premiered at McCarter Theatre in Princeton, New Jersey in 2012, followed by an Off-Broadway production later the same year. It transferred to Broadway in 2013. The original McCarter, Off-Broadway, and Broadway casts included David Hyde Pierce, Kristine Nielsen, Sigourney Weaver and Billy Magnussen. Subsequently, the play has been produced in Tennessee, California, Indiana, Minnesota, Arizona, Washington, Massachusetts, Missouri, Wyoming, Georgia, South Carolina and the District of Columbia.

Critics praised Vanya and Sonia and Masha and Spike as a humorous adaptation of Chekhov themes that doesn't require familiarity with Chekhov. The original Broadway production proved to be a commercial success.

The talented cast consist of Michael Hicks whose credits include HAIRSPRAY, THE DROWSEY CHAPRONE, THE PRODUCERS, MOON OVER BUFFALO and TO KILL A MOCKINGBOARD. Bonnie Kapenstien has appeared in BRIGHTON

2017 Summer Rec Program = Outdoor Games + Crafts + Sports + Fun!

Get those youngsters up and out first thing in the morning! Our Summer Rec Program is the perfect way for your child to develop confidence, make friends and try new things.

Our schedule is Tuesday, Wednesday and Thursday mornings from 8:30 to 11:30 am- perfect to mix and match with other activities. We run for 5 weeks; you can select the weeks that match best with your family schedule. Last year we sold out so consider registering early to get your preferred time.

Summer Rec is a great combination of "old school" fun and new skills. Activities are designed for youth entering Kindergarten in 2016 through Grade 6 "tweens" and have

enough variety that each week brings something different. We operate rain or shine using the air conditioned Cabin at Hoff's Playground and the Community Center off Seventh Avenue.

Our rotating schedule includes snack time and indoor craft sessions plus free choice options. A different sport is featured each week. For your peace of mind we use school like check-in and checkout procedures and every activity is well staffed. Please see the Registration Form for exact dates, times and fees.

You will also be able to find information about the program on the borough website under the programs page. If you have any questions you can contact Kathy Lange, Director of Parks and Rec, (856) 546-4852 or klange@haddonhts.com.

EMPLOYEE SPOTLIGHT:

Julie Yuhaze Program Coordinator

Julie has worked at the Borough of Haddon Heights for the last three+ years as an Administrative Assistant. She has been a dependable employee who is always willing to go the extra mile to make sure her work is done well and on time.

When the Program Coordinator position became vacant last summer Julie stepped up to take on the additional position and workload as the Acting Program Coordinator on top of her current position in the Borough Hall to make sure the transition went as smooth

as possible for the Programs Department. As of January 1st, 2017 the Borough Council has officially appointed Julie as our new Program Coordinator for the Haddon Heights Programs Department. Everyone at the Borough would like to congratulate Julie on her promotion and are glad to have another hard working loyal employee to help us continue to make Haddon Heights a great place to live.

BUSINESS SPOTLIGHT:

SUB STATION

503 Station Avenue

Phone: 856-546-6800

Hours: Tuesday - Saturday 11:00 am - 7:00pm

Sunday 11:00 am - 2:00 pm

The first thing brothers Del and Craig Hoffner did when they bought their sandwich shop was change the name to the Sub Shop to help identify with Station Avenue and to “ better fit into the community.” Del says, “Our mission is to serve quality food for an honest price. Haddon Heights is a nice town with nice people. We are doing our best to win their respect and loyalty with good service and really good food.”

Craig says, “Cheesesteaks are our best seller right now but we continue to serve a variety of the popular hot chicken cutlet sandwiches. Also, classic hoagies, made to order, are available. We have added panzarotis and wings

to our menu,” Lunch orders can be delivered to offices and dinner can be sent to your home for a \$1.50 delivery charge.

Recently, all day breakfast sandwiches, egg, cheese, and meat, including Taylor pork roll, have been added to the menu. Two varieties of soup are served each day.

Think of the SUB SHOP when you are planning that Super Bowl party or other event. Bucket of wings and custom party trays can be ordered. Don't forget the fresh cut fries. Some people are stopping in just to get “the best fries in town.”

A Spirit of Giving at New Beginnings Learning Center

For the second year the families of New Beginnings Learning Center have been called upon to help local families in need by donating children's pajamas. In cooperation with the Scholastic Book Company, 70 pairs of new cozy, warm PJs were donated this year in sizes for premie newborn to teen and matched with books, helping local children have better nights. The giving didn't stop there. The 1st United Methodist Church of Haddon Heights puts up a Warm & Fuzzy Christmas tree each year to collect donations of winter hats, scarves, gloves and mittens. This was a record year of donations! A second tree was quickly needed to accommodate the overwhelming response by the congregation and NBLC families!

The preschool, located at the church on 7th & Garden Street, was founded by the church in 1979 as a mission to bring quality early education and Christian values to the community's children. Classes are available for children ranging in age from 18 months to 5 years old. Children are encouraged to learn through play because children learn best when learning is fun! The popular Stay & Play option offers the opportunity for afternoon sessions for all enrolled students. New for the 2017-18

school year are the Extended Care Sessions, allowing parents to choose the convenience of early drop off and/or late pick up.

Piano lessons and sign language are part of the curriculum at NBLC. The older 4 & 5 year old PreK students have been taking lessons as an addition to their curriculum, while the younger 4 year old students have been offered the option of receiving a weekly lesson. Pastor Ayn Masker gives developmentally appropriate, individual instruction on one of the church's many pianos, a floor keyboard (like in the movie "Big"), as well as beginning music theory, free of charge. In December the students performed in their first recital during a Sunday church service. The school's PreK students also performed Silent Night in sign language. New Beginnings Learning Center is very proud and excited to offer this opportunity to the preschoolers!

Certified and licensed by the state of NJ, the school proudly surpasses the requirements of the state regulations. The caring, dedicated, highly experienced staff exceeds the state requirement for continuing education, is CPR/AED and 1st Aid certified, and has received extensive emergency management training. New Beginnings Learning Center pays very close attention to the safety of students. The school building is protected by a security system and video surveillance. Photos of children's faces are never used by the school in advertising or on social media. The school is "nut safe" and takes great care in excluding foods that contain ingredients that students are allergic to. An inspector from the NJ Division of Licensing has called NBLC "the model for what a preschool should be".

Registration for the 2017-18 school year is underway. Classes fill quickly, so don't delay! Call the school

at 856-547-4444 or visit the website at www.nblc-haddonheights.org to make an appointment for a tour, request an admission application, or for more information. Parents of preschool aged children are invited to visit the school with their child to spend time in the clean, bright, well equipped classrooms and to meet the administrative and teaching staff. You are always welcome to visit!

In total, with the entire school participating, they were able to collect over 10 large boxes of food items. These food items included boxed potatoes and stuffing, pudding and canned fruit, soups and canned vegetables, and cranberry sauce and turkey gravy. Haddon Heights Elementary Parent Teacher Group

The winter cold does not keep the Haddon Heights Elementary Parent Teacher Group from moving forward with fun events throughout this season.

The first ever school-wide MLK day of service, occurred on Monday, January 16. Under the direction of technology teacher, Mrs Gravener and preschool teacher, Mrs. Goodfriend, families joined together to create hand-tied fleece quilts for the Cozies for Chemo campaign. This non-profit organization provides hand tied fleece blankets to cancer patients throughout the United States and Canada. Having an opportunity to make a difference in someone's life through this small act of good, exemplifies all that Dr. King held true. We plan to continue this Day of Service every year.

The annual Valentine's day dance will be Friday, February 10 from 6-8 pm at Atlantic Avenue School. This night encourages students from all three schools to come together and dance. We are proud to announce the beloved teacher basket raffle is back and better than ever! In addition, we'll have a great DJ, photo booth, and tons of snacks available for purchase.

Save the date and join us for our third annual Designer Bag Bingo Thursday, March 9 at St. Thomas Greek Orthodox Church, Cherry Hill. This adult-only evening

has grown into one of our biggest fundraisers. Tickets are \$30 in advance, \$35 at the door. This ticket ensures access to 10 rounds of bingo, 3 basket raffle tickets and one door prize ticket. Consider grabbing nine friends to reserve a table for \$300. Press your luck with the 50/50, basket raffle and silent auction too. Food, drink, and paper products are bring your own, as we enjoy a night-out benefitting our public schools. All profits go back in full to our HHPTG, which provides technology support, teacher grants, enrichment opportunities, and assembly programs for our elementary schools. To reserve a space in advance, please contact Danielle Linaris at dalinaris@gmail.com. To donate a raffle basket, please contact Jackie Schroeder at jqueen1978@gmail.com.

Seniors Honor Haddon Heights Police Department

The Senior Class of Baptist Regional School recently thanked the Haddon Heights Police Department for providing them with a safe community in which to attend school. Although most of our student body does not live in Haddon Heights, they recognize the value of a Police Force dedicated to serving not only the residents of town, but also all the students in town.

Senior Class President, Hannah Ceraso, presented gift bags for each of the officers and thanked them for their service. The bags included Wawa coffee mugs & a gift card and assorted small gifts including a chocolate badge. They also set up an account at John's Market so the officers could conveniently refill their mugs there. Of course, not all the officers were present when the seniors stopped by, but we have been grateful to have three officers including the Chief stop by school to say a personal thank you. We are blessed to be part of the Haddon Heights Community.

Seniors and their Advisor personally thank the Haddon Heights Police Department for their service to the community.

SUNDAYS AT FOUR MUSICAL SERIES

The weather outside may be frightful but St. Mary's Episcopal Church, White Horse Pike and Green Streets in Haddon Heights is a warm and welcoming place to spend a Sunday afternoon enjoying some excellent music.

Please join us for a special event on Sunday afternoon, February 12, at 4 PM as we host our Second Annual Opera and Chocolate Concert as part of our "Sundays at Four" music series.

After a greatly enjoyed afternoon in 2016, guests requested that this entrée in our series be brought back in 2017. And so, we are happy to be welcoming soprano Teresa Bonilla and friends, an amazingly talented group of singers, who will once again thrill us with their vocal sounds.

This concert is a very special one in our series as it truly offers something for everyone in one afternoon of music. We will begin with opera in the church and will then adjourn to the Parish Hall where you can enjoy a lavish spread of chocolate delights as you listen to some of your favorite Broadway show tunes.

This is a wonderful way to spend an afternoon with your someone special at a FREE pre-Valentine's Day event.

Moving ahead into March, our "Sundays at Four" program will host another unique musical afternoon. On Sunday, March 12th at 4 PM the concert will include music for flute and piano.

Flutist Beverly Pugh and pianist Nicholas Mastripolito will use various types of side and end-blown flutes, pan pipes and bamboo flutes along with program narration.

All of our programs are suitable for everyone but this particular one would be an excellent way to introduce children to new instruments, their origins, sounds and capabilities.

We invite everyone to join us for these two exciting opportunities to enjoy a musical afternoon in Haddon Heights.

First United Methodist Church

Soup & Sandwich Luncheon

Come in from the cold and join us for a soup and sandwich luncheon on Saturday February 11 from 11:00 - 2:00 at the First United Methodist Church 704 Garden Street. The menu includes homemade chicken vegetable soup, hot ham and cheese sandwich, beverages and desserts. Tickets are \$10.00 for adults, \$5.00 for children under 12 and available by calling the church office at 547-3300.

LOOKING AHEAD TO LENT

For Christians, approaching Easter is a time for contemplation and introspection; a time where we look at our lives, our behaviors, our inter-actions with our fellow man and attempt to change our lives into a more Christ like way of living. The period prior to Easter is known as Lent.

Lent begins with Ash Wednesday. St. Mary's will hold an Ash Wednesday Service with imposition of Ashes at 7 PM on Wednesday, March 1, 2017.

At St. Mary's we provide opportunities for study and prayer through our weekly Lenten series of "Soup, Sandwiches, Study and Stations". We gather on Wednesday night at 6 pm for homemade soup (provided by the church) ,and sandwiches (you bring your own). After enjoying a time of fellowship. we will spend thirty minutes in Lenten study led by the Reverend Martin Gutwien. When our study time is over, we adjourn to the church where we participate in Stations of the Cross. Stations leads us throughout the church in prayer as we trace Christ journey on the way to his crucifixion. You will be heading home by 8PM.

Everyone is welcome to be a part of our Wednesday night sessions which will be held on March 8th, 15th, 22nd, 29th and April 5th at 6pm.

ANNIVERSARY MONTH

February at Haddon Heights Baptist Church is Anniversary Month, and this year the borough's first church celebrates its 119th year of service to the Lord and to this community. On Sunday, February 5, the church plans a special event to commemorate the anniversary. At 10:45 am, after Sunday School and Community Groups, a special worship service is planned, followed by an all-church luncheon and a Service of Celebration with special music and speakers.

AWANA

Awana, which stands for Approved Workmen Are Not Ashamed, is a kids club for children ages 3 through 6th grade. Emphasis is on wholesome game activity, Scripture memorization and Bible-based teaching. Awana meets Wednesdays, September through April, from 7:00 pm to 8:30 pm. All are welcome and parents of clubbers may attend Bible Study groups, held at the same time as club.

Awana continues it's club year in February with training for the upcoming AwanaGames, held this year on February 25. Clubbers will practice AwanaGame elements during club Game Time and on Saturday mornings during February to prepare for competition with other church Awana clubs at the big AwanaGames event.

March is Grand Prix month, with Pit Day scheduled at the church on Saturday, March 4. Pit Day gives clubbers an opportunity to get help designing and fabricating their Grand Prix racers. The races will be held on Friday, March 17 at the church. Come for a great evening of family fun and excitement as clubbers, leaders and parents vie for Grand Prix race and design trophies. March is also Speed Stacking Month on Wednesdays in club. Clubbers hone their cup stacking skills during Game Time competition.

DAY OF PRAYER & GRANNY CLUB

Haddon Heights Baptist Church believes that a foundational reason the church has been in existence for 119 years is the commitment of its members to praying for one another. Wednesday Prayer Meeting has been in existence for all of those 119 years. Now, the church is adding a monthly Day of Prayer to lift up the fellowship in prayer to the Lord around the clock on the second Tuesday of every month. In addition, a Granny Club will meet on the first Thursday of every month for grandmothers to meet and uphold their grandkids in prayer.

YOUTH GROUPS

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00 pm to 8:30 pm September through June. Come for food, fun, fellowship, a challenging speaker, good music and games.

On Sunday, January 29, the Jr/Sr High Youth Group combines with the College and Career Group after the evening service to stage a "Nerf Night" competition throughout the entire church building. In February, a Winter Retreat is planned.

The church's College and Career group, ages 18-30, meet every Friday for Friday NightLIFE at 7:00 pm for Bible Study and some Sunday evenings for S.N.A.C. (Sunday Night After Church) for fun, food and fellowship.

Haddon Heights Baptist Church maintains housing for missionaries on furlough. Presently enjoying our facilities is Dottie Glorn, church-planting missionary to Argentina.

INTERIM PASTOR

Rev. John Stevenson is serving as Interim Pastor as the church seeks a permanent Senior Pastor. He and his wife Roberta are longtime members and retired missionaries of Haddon Heights Baptist, their sending church. Pastor John's Sunday morning messages in February and March are from the book of Mark and evening messages from the book of Judges.

This past Christmas season, Haddon Heights Baptist Church staged a Live Nativity to celebrate the birth of God's gift to mankind-Jesus Christ.

Haddon Heights Baptist Church celebrates 119 years of service to the Lord and Haddon Heights Borough.

First Presbyterian Church

COME TO CHURCH and BRING THE KIDS! First Presbyterian Church of Haddon Heights offers SUNDAY SCHOOL for all ages. There are four classrooms: PK-K, grades 1-4, grades 5-7 and teen. The younger classes meet every Sunday, and the teens meet twice a month on the 2nd and 3rd Sundays. Children stay in church for the beginning of each service, and follow their teachers to Sunday School after the "children's sermon," when our pastor shares an age-appropriate (and fun) message with our youngsters.

A nursery is staffed every Sunday to watch your toddlers and babies while you are enjoying the service.

Using the Gospel Light lesson series, the younger three classes learn Bible stories and life lessons. Most lessons include a "take-home" flyer so that families are informed of and involved in the week's message.

Our teens focus on life in today's world and service to others. Among other projects, they have written cards with special messages and made small gifts for children who are hospitalized; they have sent similar messages and packages to the elderly in nursing homes and military service men and women; and they learn to apply God's word in the world.

Adult Class is held Sundays at 9 AM in Room 2. Classes are led by Pastor Eliza Jaremko.

LIBRARY CORNER

Tax-Aide at the Library

The Haddon Heights Library will host the AARP Tax-Aide program again this year, beginning on Monday, February 6. The program will be held every Monday, except for President's Day (February 20) through April 10. Tax assistance on these days will run from 12:00 – 3:30 p.m. and is first come, first serve.

Tax-Aide volunteers are trained to assist with filing the 1040 Form and the more standard of the schedules, including Schedules A & B. Electronic filing is offered at most sites, with no charge to the taxpayer. Taxpayers must bring photo ID, last year's return and all the necessary items they receive to file their taxes. Call 547-7132 for more information.

Tax Forms Available at the Library

The library has tax forms available for the public. These forms are free of charge and provided by the IRS. If forms you require weren't provided to us, library staff can access them from the State and Federal websites at 15 cents per page.

SPORTS

Haddon Heights Girls Soccer

The girls soccer team ended the 2016 season 16-8. For the third year in a row they are the Colonial Conference Champs, Patriot Division. As the regular season concluded they earned a bye in the first round of the playoffs. In a very unique situation, the quarterfinal game against Pitman had to be moved to Woodland Middle School due to Devon Ave fields being closed for renovations. After downing Pitman 4-2, they traveled south to take on a tough Pennsville team who only had 1 loss on the season. Freshman Morgan Hearn's 1st half goal was all they needed, defeating Pennsville 1-0. The Heights team was awarded with hosting the championship game. In what proved to be an incredible setting, athletic director Joe Cramp decided to move the game to the high school's football field. In front of an enormous and energetic crowd, the girls defeated Gateway in overtime 2-1, with goals coming from star player Alex Pease, and the eventual game winner from (yet another freshman), Delaney McGlade. This was also the second year in a row Haddon Heights Girls Soccer is the Group 1 South Jersey champions. That is 3 south jersey titles and 3 conference titles in the last five years. Congrats to all the girls who have contributed on this epic run!

Foreign Movie Series

Please join us for our foreign film series, which is held the fourth Thursday of every month. The films start at 6:30 p.m. and all are welcome. The next films will be shown on February 23 and March 23. Stop by the library for a list of titles.

Bark for Books!

Join us on the first Wednesday of every month for Bark For Books, our popular dog therapy reading program. Bark For Books is held from 3:30 – 4:30 p.m. and is aimed at children grades K – 6. The next sessions will be held February 1 and March 1. This program is designed for new and struggling readers, but all children are welcome to come and read to the dogs. These certified therapy dogs are trained to help children build confidence and self-esteem by giving readers the opportunity to read out loud without the stress of being judged. Call us at 547-7132 if you have questions.

For more information about these programs or about the Haddon Heights Library please check out our website at <http://www.haddonheightslibrary.com>, on Facebook or you can also give us a call at (856) 547-7132

Haddon Heights Soccer Club

HHSC is very excited to announce the lights at Devon Avenue fields are near completion and we are looking forward to using them during our Spring soccer season starting in early March. We are working on getting a new irrigation system installed and hope to have it complete in time for the Spring season.

We want to send a very special thank you to all of our members for their support of our fundraising efforts this year. Between FootballMania and the Soccer Social, we raised \$15,000. This money will go towards the new irrigation system and increased ASF training.

Important news and highlights:

- Spring Travel soccer starts in early March 2017.
- Spring Supplemental Soccer Programs - Register in early February
- Pre-Travel (players born 1/1/10-12/31/11). This program is designed to help prepare young soccer players for Fall Travel game play. It will consist of 6 one hour training sessions broken into 3 areas of concentration. Each session players will begin with skills training, followed by tactical field play, and ending in a 20 minute small sided game. At the end of the 6 sessions, players will participate in the Deptford Summer Kickoff Tournament, scheduled for June 9-11. The tournament games will resemble the Fall 2017 game play and provide a great experience for these young players.
- Premier Tournament and Supplemental Training Programs - The Fury Program - Registration and Tryouts are rolling but the program will begin in March. Contact scott.ramalho@gmail.com if you have questions.
- Fall Registration will begin for ALL our fall 2017 programs in late February.

Love Your Planet on Valentine's Day

Valentine's Day is an opportunity to express appreciation to our planet as well as to those special people in your life. Here's some suggestions on how to show your love and warm hearts while being earth-friendly.

Skip the fancy and expensive greeting cards. Make cards from scrap paper or previous cards, reducing paper waste and saving money. Cards and gifts you make mean more to your loved ones than sending one you purchased, but if you still prefer to purchase a card, select one that is made from recycled content. Or, send an e-card. There are many sites online with animated cards at no or minimal cost. Out of 500 women recently surveyed, 85% preferred a hand-written note or card. Use a dry erase marker to write a message to your loved one on a mirror. For many, a simple text will do. It's the thought that counts.

Give experiences, not products. Your loved one will remember the experience you shared together more than something you purchased.

Have a romantic dinner at home rather than eating out. Visit a farmers' market together to select fresh, locally-grown ingredients. Express appreciation to your local farmers for the work they do.

Give eco-friendly chocolate. Shop "fair trade" and look for the Rainforest Alliance frog on packages to ensure that the cocoa farmers have good living and working conditions. Ghana and the Ivory Coast produce 75% of the world's cocoa and are known for using unethical practices such as child labor.

Buy locally-grown flowers. Ask your florist

for flowers grown in local greenhouses rather than those shipped thousands of miles that are often doused with pesticides and increase our carbon footprint. Consider buying a potted plant or planting a tree instead. They both can be enjoyed for a longer period of time.

Ditch "Dirty Gold". The manufacture of an average gold ring creates more than 20 tons of mining waste. Check the No Dirty Gold/Earthworks website (<http://bit.ly/1Jnx0vL>) for retailers committed to ending destructive gold mining practices. Consider purchasing antique jewelry instead of buying new, a romantic way to recycle.

Shop local. Express love for your community by supporting local shops and by purchasing locally-produced items.

Love your honey (bees). Bees are dying at alarming rates. Stop using pesticides and grow native plants that attract native bees. Support your local beekeepers and their efforts to protect the bee population.

Improve your love life. Did you know that 40% of people on a first date have a more positive opinion of someone who recycles than someone who did not (21%), according to a PepsiCo survey done last year? That ranks higher than a graduate degree (25%), a decent job (18%), or a healthy bank account (8%)!

Share your love through simple acts of kindness and remember to reduce, reuse, repurpose, and recycle.

Glover Fulling Mill Park Dedication

Save the Date! Saturday March 25th

The Borough of Haddon Heights will dedicate The Glover Fulling Mill Park on Saturday, March 25 at 10 a.m. in the park, rain or shine. Refreshment will be served.

The Glover Fulling Mill Park is a one acre park and archaeological site that was part of the former DPW Plant. The Park runs from the cul de sac on Fulling

Mill Lane to Sylvan Drive. A four panel historical marker, mimicking fabric stretched on tenter frames, explains the fulling process, the role of the Glover Mill during the Revolutionary War and history of the Glover Family. It was designed by Westfield Architects & Preservation Consultants.

The Borough wanted to preserve, protect, and interpret the historic Glover Fulling Mill archaeological site and received a \$50,000 Historic Site Management Grant in 2014 from New Jersey Historic Trust.

Former Councilwoman Rose Fitzgerald, who prepared, submitted and managed the application for the Borough, invites all of the public to attend.

The Glover Fulling Mill site is listed on the New Jersey and National Register of Historic Places. The Mill was built in 1775 on King's Run, the south branch of Newton Creek off the Delaware River and owned and operated by the Glover Family

for a century. After being abandoned, the masonry building decayed. By 1911, the structure was no longer standing, and an eight acre portion of the Glover property was purchased by the Borough for its sewer plant. The last photo of the Glover Fulling Mill appears on the 2017 Business and Professional Association Town Calendar.

The park will be a passive park - no playground equipment, picnic tables or bathroom facilities are planned as they are provided a block away in the County Park.

The Glover Fulling Mill Park is the only historic site owned by the Borough. The Borough's four colonial-era houses and the passenger and freight stations are all privately owned. Mrs. Fitzgerald said, "I am delighted and thankful that New Jersey Historic Trust awarded Haddon Heights this grant and provided the Borough with the funds to excavate this unique historical site representing the early industry of Haddon Heights and South Jersey, as well as plan for its maintenance and present it to the public with an outstanding historical marker."

Sustainable Haddon Heights

Tips to Stay Warm, Save Money, and Help the Environment!

1. Lower your thermostat to 68 degrees. A setting of 65-68 is ideal for during the day. Set it for 58 at night or if you will be away for several hours. Not only will this lower your energy bills, but energy production from coal, oil and natural gas is one of the leading causes of greenhouse gases that contribute to global climate change. Wear a sweater to stay comfortable.
2. Keep your window drapes closed at night and close doors to seldom-used rooms.
3. Seal air leaks including those around entrances, attic stair openings, light fixtures, pipes, and wires. Attic entryways should be weather-stripped and insulated. Seal duct work as well.
4. Lower water heater to 120-125 degrees. Take shorter showers and install low-flow shower heads. Wash your clothes in cold water unless heavily stained.
5. Change furnace filters every month. This is the number one reason for furnace breakdowns.
6. Weather-strip doors and windows. If you can see daylight around a door or window frame, then the door or window needs sealing. Ask your utility company for an energy audit to find out how to increase your energy efficiency.
7. Add an insulation blanket to the water heater.
8. Turn off unused lights and computers. Install energy-efficient lights. They last longer and cost less in electricity. Choose energy-efficient appliances.
9. Avoid unnecessary idling of your car. Cars no longer need to be warmed up before driving in cold weather. It is more gas-

efficient to turn off most warmed-up vehicles than to idle for more than 30 seconds. Unnecessary idling increases pollution, smog, and global warming. Idling exhaust is especially hazardous to children around schools and aggravates childhood asthma.

10. Burn only dry wood in your fireplace. Wet wood burns incompletely and releases more pollutants into the air. Burn only seasoned wood that has been drying for at least six months.

11. It is especially important in the winter months to use the least-hazardous cleaning products because your home is more airtight. Toxic products can concentrate fumes in the air you breathe and harm your health. Young children are particularly vulnerable to these effects. Use products such as baking soda to scrub or vinegar and water solutions to clean.

12. Get your gas-powered lawn mower serviced now to get ready for spring. Small engines contribute large quantities of carbon dioxide and pollution to the air, even more per hour than a car. A tuned up mower not only runs better; they produce less emissions.

13. Prevent hazardous waste from chemicals by using non-toxic de-icing substances such as clean clay cat litter, sand, or fireplace ash. Chemical de-icers can be hazardous to pets, trees, and shrubs as well as the environment. Run-off pollutes local waterways.

14. Clean humidifiers regularly and refill with fresh water daily. Humidifiers can become breeding grounds for bacteria.

Use the cold, dreary days of winter to read those seed catalogs that start arriving in the mail, plan your garden, think of spring, and warm weather.
