Mayor's Message

Dear Neighbors:

After getting fooled in April by winter's revenge, it seems we have finally made it to our days of nice weather. This time of year always brings many enjoyable events organized by our town's many dedicated volunteers. Keep your eyes open for information on our 4th of July celebration, including our parade and post-parade festivities. I hope to see many of you there!

We recently had some changes in our Police Department. I would like to congratulate Chief Bruce Koch on his retirement and thank him for his many years of dedicated service to the people of Haddon Heights. He has been a strong leader and great example for our community. I, Council and our Police Department will miss working with him but wish him all the best. We are very excited to welcome Michael Scardino as the Borough's 15th Police Chief. In addition, Thomas Schneider will be our new Captain. I have had the privilege to work with both of these

dedicated officers for many years; I am certain that they will continue the long tradition of dedicated service that our Police Department has provided to the residents of Haddon Heights. I am sure everyone will join me in congratulating our new leadership.

Our popular Summer Rec program is getting ready to kick off. Most of the 5 week Program is full however, we have a waiting list, but in the past I know we've been able to accommodate most families who want to send their child to Summer Rec. For more information, please visit our website at www.haddonhts.com or you can contact us at summerrec@haddonhts.com. Our Program Coordinator can be reached at 856-547-7164, ext. 36. Kathy Lange, Executive Director of Summer Rec and her dedicated team are working hard to make this year the best yet.

The Haddon Heights Neighbors Committee has been working hard on the second Pop Up Soiree, scheduled

for Saturday, June 9. If last year's inaugural event is any indication, this should be a terrific night. You can purchase your tickets at the library. For more information on this event, check out Haddon Heights Neighbors on Facebook.

The Haddon Heights Farmers Market season kicked off on May 6. Visit the Market every Sunday through October from 9:30 am to 1 pm. The Farmers Market continues to be successful with many fresh and unique vendors as well as added community programs residents have the opportunity to visit. Please check it out if you haven't already.

Finally, congratulations to all of our college graduates and high school graduates. To our college graduates who might be returning home, welcome back! Please accept my best wishes as you move on to the next phase of life! To our high school graduates who might be leaving for college, best of luck, and remember, no matter where you go, you'll always

be from Heights. Go out and do big things!

As always, if there is anything your local government can do to assist you, please do not hesitate to e-mail me at jmerryfield@haddonhts.com, call Borough Hall, 856-547-7164, ext. 30 or stop by during my office hours (on the front page of this HEIGHTS REPORT). We are here to serve you!

Regards

Mayor Jack D. Merryfield

2018 Pet Licensing

Renewal forms for the cat and dog licenses have been mailed and are now due. The cost for a spayed/neutered cat or dog is still just \$9.00. The cost for a non-spayed/non-neutered cat or dog is \$12.00. To avoid the \$10.00 late fee, license must be issued on or before **JUNE 30, 2018**.

Please note that in order to obtain a license & tag you must provide the Borough with current vaccination information from your veterinarian. Also for the borough to be able to issue the license your pet's rabies vaccination **must not expire before November 1st, 2018**. This is a state regulation, if you have questions about the regulation you can find more information about it on the State of NJ's website.

You can see this information and more on the borough's website. You can also find a link to print a new renewal form on the website, if you are in need of a new form.

Tax Assessor Office

New Jersey Law requires the Tax Assessor's office to keep all property assessments current. The Assessor's inspector may visit your property if the property owner or their contractor obtained a building permit to build a new building, or update, improve, expand, remodel, redecorate, rehab and/or demolish an existing building located in Haddon Heights. Please cooperate with the Assessor's inspector who will perform an interior and exterior examination of your home or business, and request information to confirm the type of work done, or to be done, the cost of the project, and the date the job was, or is to be completed. This inspection is in addition to any inspection(s) required by the Haddon Heights Building Inspection Department.

The inspector will visit your property unannounced in the day, early evening, or on a Saturday. This method of inspection is very cost effective and I greatly appreciate your help allowing the inspector to collect the data required. The inspectors who work for the Tax Assessor's office are Judith Shoemaker (Judi), Jeffery Scott Pierson (Scott), and myself. Each inspector will wear an official Haddon Heights Borough ID Badge.

If you have any questions or concerns please do not hesitate to call Tax Assessor's Office at 856-547-7164 ex 33. Thank you for your anticipated cooperation with the inspection process.

Thank you, Thomas J. Colavecchio - Tax Assessor

Driving & Parking Near Ballfields

The Haddon Heights Police Department would like to remind residents that spring sports are now in full swing. Therefore after the winter lull you will now notice increased pedestrian, motor vehicle and bicyclist activity near sports fields. Please make a point of slowing down as you drive through these areas. Additionally, we ask that you abide by all No Parking regulations. These regulations were passed to reduce bottleneck situations and to open up sight lines so motorists can see pedestrians, including children. Our Department will strictly enforce speeding and No Parking violations in these areas.

Crossing Guards Needed

The Haddon Heights Police Department is in need of Crossing Guards. If you're in good health, enjoy being out doors and spending time helping children you may be qualified. Interested applicants should apply at the: Haddon Heights Police Department, 625 Station Avenue, Haddon Heights, NJ 08035

Haddon Heights Good Neighbors

The sun is shining, the days are getting longer, and the summer months are right in front of us. It's great time of year to be living in Haddon Heights and a great time to give pause to think about our neighbors who might be having a hard time enjoying the warmth of summer because of a medical problem or a financial problem. What we might be able to do to help them? Fortunately, Haddon Heights Good Neighbors is able to help brighten the lives of these neighbors.

HHGN was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

One way of helping HHGN to accomplish its goal is to join the organization which typically meets the 1st Wednesday of January, May, September, and November. These meetings are held in Borough Hall at 7:00 PM. New members are always welcome.

Another way is to make a donation to the organization which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to:

Another way to help HHGN financially is through the AmazonSmile program. If you are not familiar with AmazonSmile, it's a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

Haddon Heights PTG Science Fair

The PTG Science Fair was held on Thursday, April 12th, at the Seventh Avenue Multi-Purpose Room. The students did a tremendous job explaining their hypotheses and the steps they followed to create their projects. Based on the type of project they created some students even did the experiment again live for the parents, community members, staff members and administrators that were in attendance. Thank you to everyone in the PTG that organized and ran another incredible Science Fair.

Haddon Heights School District Special Education Parent Advocacy Group

The Special Education Parent Advocacy Group hosted a follow-up presentation on the topic of anxiety. The initial presentation, "Supporting Students with Anxiety Disorders", was held on Wednesday, January 10th, and featured Guest Speaker Dr. Steven D. Tsao. Many parents attended and expressed an interest in having more time to discuss strategies that could be used with an anxious child. Therefore, Mrs. Renner, Director of Special Education, asked Mrs. Judy Marino to present and she accepted with excitement. Mrs. Marino is a Psychologist on the Haddon Heights Child Study Team and received training through Temple University's Anxiety Clinic under Dr. Phil Kendall. The follow up presentation was held Monday, April 23rd. During the presentation, Mrs. Marino offered many strategies that parents and educators can use to support students. She provided the audience with a useful presentation of the "F.E.A.R. Plan" (Feeling, Expecting, Attitude and Actions, Rewards) and provided a variety of additional resources. Additionally, Mrs. Marino allocated time to discuss specific scenarios with the audience.

Congratulations Haddon Heights Jr./Sr. High School Color Guard

On April 24th and April 25th the Haddon Heights Color Guard participated in two TIA (Tournament Indoor Association) shows. The Haddon Heights Short Circuit Color Guard, Synergy Color Guard, High Voltage and Indoor Percussion went undefeated in both shows! The High Voltage Color Guard, Indoor Percussion and Synergy Color Guard are all now ranked first in their TIA classes! Our Short Circuit Color Guard is ranked second by only .5 of a point in their TIA overall class rank.

Ability Awareness Walk for Autism

The Ability Awareness Walk for Autism was held on April 13th for the 6th grade classes. Each 6th grade class took a field trip to the War Memorial Cannons in Haddon Heights. Members of the Haddon Heights Police Department joined the students at the event. After arriving at the park, the book "The Girl Who Thought in Pictures" was read by Mrs. Renner, Director of Special Education. The book described a young Temple Grandin who was diagnosed with autism. No one expected her to talk, let alone become one of the most powerful voices in modern science. Yet, the determined visual thinker did just that. Her unique mind allowed her to connect with animals in a special way, helping her invent groundbreaking improvements for farms around the globe! The Awareness Event culminated with an activity and treat for the students as they took pictures in front of the Awareness sign that was displayed at the cannons. Additionally, on April 13th, special education teachers throughout each elementary school visited classes to read the same book and complete a project to light the halls blue for Autism Awareness. The high school REACH students made and distributed Autism Puzzle Pins for the staff. Books to bring awareness are on display in the high school library. Resources to further expand knowledge was also shared with the staff. Mrs. Renner will share photos of the events at the May Board of Education meeting.

New Beginnings Learning Center

New Beginnings Learning Center Preschool celebrated the conclusion of their 2017-18 school year with appreciation for their wonderful, caring, dedicated teaching staff. These women never fail to go above and beyond when it comes to doing what is best for their young students. From planning fun and educational lessons and activities in their classrooms, to attending countless hours of training classes, to pitching in to keep the school running smoothly every single day, this staff is simply the best! Teacher Appreciation Week and a celebration "retreat" later in May were the perfect opportunity to show them all how special and valued they are.

At the end of May the staff planned a very special Closing Program celebration for the students and families of NBLC. The event titled "NBLC Kindness Olympics" included songs about friendship and good deeds. It was a wonderful day celebrating the students and reminding all that kindness makes the world go around!

The celebrations didn't end there though! Closing Program was followed by a morning of outdoor fun at the school's playground. The NBLC staff planned and provided games, crafts, snacks,

bubbles and music for one more morning of fun with the preschoolers. This annual event is the perfect way to kick off summer vacation!

The best celebration is yet to come! New Beginnings Learning Center will proudly be entering its 40th year of providing excellent and affordable early education to the families of our community and surrounding towns. Started as a mission of the 1st United Methodist Church of Haddon Heights, NBLC has been the first school experience for countless children. Many parents of current students started their own education at New Beginnings!

Registration for the 2018-19 school year is underway with limited spaces still available. Classes are available for children aged 2 1/2 to 5 years plus a wonderful Mommy & Me class for children 18-30 months old with an adult. You can visit the school website at www.nblc-haddonheights.org or call 856-547-4444 for more information, to schedule a tour or receive an application packet. Haddon Heights Parent Teacher Group

HHPTG is rounding out the school year with some great events and planning for the future.

On Sunday, May 20, we hosted our fifth annual Run Like It's Recess. Starting at Hoff's Park and circulating throughout the streets of Haddon Heights, this event has become a staple and a great way to end our school year. We thank Mrs. Carrie Parejo, elementary physical education teacher, for leading our group stretch and for our chairperson, Danielle Linaris for forgoing her own run to lead this event.

On Wednesday, May 23 our district-wide Art Show was held. Our talented art teacher, Mrs. Michnowski carefully cultivates and transforms our school into a art museum with works on display from every elementary student in our schools. Under the guidance of parent volunteer, Kathleen Franklin, we are proud to continue for a second year to have our students create polymer beads in conjunction with the Beads of Courage organization.

In addition, to these programs, our newest venture, Art Goes to School (AGTS) was formally

introduced to those in attendance. AGTS works to bring elementary students access to fine art in fun and meaningful ways. Through cooperation with Haddonfield's chapter, we shared numerous prints from a variety of artists, styles, and time periods. Through the work of Mrs. Michnowski and our volunteers, we encourage all students to "look, listen, and feel" art.

We are honored to have offered our inaugural HHPTG Volunteer Scholarships to members of the graduating class from Haddon Heights High School as well as awarded educational grants to our talented staff. Check our Facebook page or website for the list of the winners.

Imagine getting all your back to school products ordered and delivered without ever entering a store! HHPTG has paired up with 1st Day School Supplies to offer the opportunity to order supply kits, and more via this website. Kits will range from \$19-\$50 depending on teacher requests. Through this new vendor, they additionally offer a selection of backpacks and lunch boxes from Vera Bradley, Jansport, and Under Armor.

This is not a fundraiser. We have opted not to mark up these supplies and instead give our families the discount. There is an option to donate a kit through the site as well.

Ordering is now open and will close June 30 at <http://www.1stdayschoolsupplies.com>

Finally, our HHTPG Executive Board would like to offer our sincere thanks for all the great support our organization has received this school year. Thank you to our families, teachers, businesses, and members of our Haddon Heights community who have attended our events, pledged sponsorship, made donations, or volunteered their services or time. Thank you to our teacher and school liaisons, as well as our chairpeople. We are so grateful.

We look forward to working together for the 2018-2019 school year.

Have a safe and happy summer!

“Protect Your Borders”

In the mid-1970's Mayor Joe McCullough visited the new Walt Disney World in Orlando. When he walked down Main Street, he said, “Why we have this in Haddon Heights!” He returned and asked Borough Clerk Bob Fannen to research how the Borough could preserve Station Avenue from the demolition that was damaging many main streets in South Jersey, e.g. Clementon. The answer was historic districting. While not all buildings in a historic district may be individually historic or architecturally significant, combined they give a “sense of time and place.” In Haddon Heights that time and place was the 1895-1930 period when the town was founded and built up.

Borough Council established a historic district in 1976 along the White Horse Pike and Station Avenue. A Borough-wide architectural survey in 1986 confirmed that the entire “original village” First to Tenth was eligible for historic districting, but in the least the Borough should “protect the borders” of the White Horse Pike Historic District by expanding the White Horse Pike Historic District to include Fourth Avenue and East Atlantic in the White Horse Pike Historic District. This is because

oftentimes the buildings nearest the business district in any town or city fall prey to rentals, dilapidated housing, parking lots, etc.

So the Borough expanded the WHP HD to include Fourth and East Atlantic Avenues. East Atlantic had already been at risk by a development plan in the 1970's. (See display in Library basement.)

Since 1986 this ruling has protected the St. Rose Rose Garden from paving and has brought about the renovation of many of the Tudor, Queen Anne, Bungalow and Colonial Revival houses on Fourth and East Atlantic. Protecting our borders has enhanced the property values on both those streets. The Planning Board considers the residential setting of those streets when approving parking lots, drainage, and lighting for businesses on the Pike.

The Ordinance also gives the Borough Historic Preservation Commission the right to review any application within 500 feet of the historic districts.

Stanfill Towers 40th Anniversary

"Concert for the Community", Sunday, June 10

Forty years ago, Haddon Towers opened its doors as the first affordable senior housing community in a neighborhood rich with old-fashioned charm, Haddon Heights.

The new older adult community evolved under the watchful guidance of a Board of Directors comprised of representatives from seven local church communities.

Residents settled into one-bedroom and studio apartments and enjoyed an array of amenities including a sitting area/lobby, a computer learning center, a community room with kitchen and a library. It was the same year that the Phillies Phanatic settled into his new home at Veterans' Stadium and the cartoon character "Garfield" moved into the funny pages of newspapers around the country...and the Phanatic and Garfield weren't the only ones moving and having fun! Towers' residents enjoyed planned activities including weekly games, group discussions and special dinners and celebrations. The Towers' ideal location, near the intersection of E. Atlantic and Station Avenues, just footsteps from convenient shopping on "Main Street" and the iconic Haddon Heights train station, invited residents to step out of the Towers and into the neighborhood

In 1977 Haddon Towers was re-named Stanfill Towers in honor of former Board Chairman, Robert C. Stanfill who worked tirelessly to organize the community to accept the Towers. In the same year, PRD Management was hired to oversee the Towers. PRD President James McGrath envisioned Stanfill Towers not only as a residence, but also as resource for local seniors and their families. His vision became reality with the procurement of a residential property adjacent to the Stanfill Towers in 2006. After meticulously renovating the property to meet historic code, The Manor, a new community space and senior services resource center was christened in 2008. Today, The Manor is staffed by a part-time service coordinator who links residents of the Towers and the Haddon Heights community to services that can help individuals successfully age in place.

Stanfill Towers has won numerous awards for excellence in property management. It is considered a premier apartment community and is nationally recognized as a Community of Quality by the National Affordable Housing Management Association (NAHMA).

Judy Kohlmyer, property manager, has been at the helm of Stanfill since 1980. She is aided by administrative assistant Sandee Vogel and Social Services coordinator, Amy Jo Gradel, MSW.

As its 40th Anniversary approached, Anne McAdams, President of the Stanfill Towers Board of Directors, suggested a free community concert featuring fabulous music and refreshments to mark the milestone occasion -- and so on Sunday, June 10th, the 60-piece Blawenburg Band will roll into town to regale young and old alike with a rousing concert featuring the works of John Philip Sousa and other great composers on the lawn of the Towers.

Beginning at 12:30 p.m., Haddon Heights neighbors are invited to set a beach blanket or comfortable lawn chair on the lawn of Stanfill Towers to enjoy the show. There will be activities for kids and families to enjoy before the Concert begins at 1:45 p.m. A brief intermission is planned and light refreshments will be served. The Band will conclude its performance at 4 p.m. Please plan to attend!

In the event of rain, the concert will be performed in the gym of St. Rose of Lima Parish, 300 East Kings Highway, Haddon Hts., NJ 08035. For more information, contact the event coordinator, 610.733.0955.

• And again, the conversation continues....
• Other: "Hey! There's a new sign out there by Church on the corner of the White Horse Pike and Green Street! It's got flip flops all over it! What's going on?"
• Me: "The flip flops are eye-catchers, right?"
• Other: "Yeah, it looks great! But what's it mean?"
• Me: "Well, we have a great little community there at St. Mary's, and... well, when you've got something good, you want to share it!"
• Other: "But what do you mean by "Casual Service"? It's still some kind of prayer and worship celebration, right?"
• Me: "Sure! But we got to thinking about how much the world has changed. Church and prayer and worship are now something like oddities instead of a part of ordinary life... It's sort of like the old 'pound sign' that is now "a hashtag!"
• Other: WHAT???. Now you are talking in riddles. Plain English, please!
• Me: Well, last week a teen was in my office. I was making a call on speaker and the voice on the phone said "press the pound sign"... And - you won't believe it but when I got off the phone, Jack said to me "What's a 'pound sign'... never heard that one before!" And he's a super-smart kid! But he didn't know what was meant by "press the pound sign"...
• Other: You are kidding, right?
• Me: Nope. Seriously. And when I showed Jack the 'pound sign' he said... "No, no, no! That's a hashtag!" And we got to thinking that "hashtag" wasn't even 'a thing' in the old days. It is a re-invention of the pound sign and it makes the old 'pound sign' purposeful in new ways.
• Other: Got it! But what does that have to do with your "Casual Service"? Is it just a new name for the same ole' thing?
• Me: Not at all! The Casual Saturday Service - like the hashtag - has a new purpose. There was a time when almost everyone went to church or synagogue or mosque or some other place of worship - but that just isn't our world. That doesn't mean that people don't need community and faith and relationship with each other and with God... but we have to create new experiences of these things that speak to today's world. Get it now?
• Other: Well, I'm thinking about it. Not sure I get it fully, but you got me thinking anyway. Maybe I'll show up for one of these "Casual Services" and check it out. I can wear flip-flops, right?
• Me: (just smiling...) Sure! Everyone really is welcome! Kids, furry friends, people who just want to make new friends, people who have never seen the inside of a church and people who've vowed to stay away forever! ... and I think we're having a "hot dog bar" after... so plan to hang around a bit, okay?
• All true!! Beginning June 16th (the evening before Father's Day), St. Mary's will hold a Casual Saturday Service. "Five thirty-ish" every Saturday from then through Labor Day (at least!) Everyone is welcome! We will do our best to make sure you are both comfortable and ready for the week ahead when you leave.
• St. Mary's is also the place to be on Saturday, June 2nd! 2 p.m. - 8 p.m... Last year's "Strawberry Jam" was a wonderful community event and this year promises to be even better! Great food... Craft beer... wine... a "Kids Zone" with face painting, games, and prizes... Music from the Lonesome Turnpike Ramblers (who were a huge hit last year) and the new addition of the great DJ Bennie James (who will have everyone jumping and hopping)! And, of course, vendors, crafters... and strawberries in every form imaginable! The JAM is a great family friendly event and a wonderful opportunity to spend a warm, sunny spring day out with your neighbors! Don't miss it!
• Finally... Need a week that occupies your kids in a warm, welcoming setting with great fun and learning? Let us know if you are interested in a week of Vacation Bible School! Call the office with your contact information and the names and ages of your kids! This could be a high point of their summer ... and yours, of course!
• For updates on these and other programs, please visit our website www.stmaryshhjn.org and visit our Facebook page!

Camp Moose On The Loose

June and July at Haddon Heights Baptist Church are crammed full of special events. Headlining the Summer activities are the two Vacation Bible School weeks in July.

Shepherds VBS begins July 9 and continues through July 14. Their VBS is meets evenings at 7pm that week, with the Saturday session from 11 am to 1 pm.

Vacation Bible School for 4 year olds through 6th grade is from July 30 through August 3 from 9 am to 12 noon.

Students of each VBS will experience Camp Moose on the Loose, complete with tents, campfires and wildlife. Campers will learn about the life of Christ as seen through the eyes of the apostle Peter. They will discover the lasting forgiveness only Christ can give.

The July 30-August 3rd camp features a Ladies Class at the same time. Ladies will enjoy fellowship, refreshment and Bible Study while their young ones up to 3 years are cared for in the nursery.

Day of Prayer & Granny Club

Haddon Heights Baptist Church believes that a foundational reason the church has been in existence for 120 years is the commitment of its members to praying for one another. Wednesday Prayer Meeting has been in existence for all of those 120 years.

Now, the church is adding a monthly Day of Prayer to lift up the fellowship in prayer to the Lord around the clock on the second Tuesday of every month. In addition, a Granny Club meets on the first Thursday of every month for grandmothers to meet and uphold their grandkids in prayer. Upcoming meetings of the Granny Club are on June 1st and July 7th.

Haddon Heights Youth Athletics

HHYA is at the mid-season point of 2018 with our Baseball and Softball programs running smooth. Our Opening Day Parade was very successful with one of the largest attended Opening Day in many, many years. Our special guest, the Philly Phanatic was a big surprise to our kids. HHYA was also honored to dedicate the 2018 season to the Haddon Heights VFW1958. Members Jack Kuhlen (Army); Pete Gemmell (Army) and Fred Wisniewski (Air Force) attended the ceremony and were recognized. A very special thank you to the New Jersey State Police Aviation Bureau South Unit for their Fly-Over to recognize our Veterans.

Thank you also to the Public Works Department and the Police Department for their assistance with the parade.

Our Beef and Beer on April 28th at the Community Center was very well attended with the proceeds providing us the ability to make improvements to our program.

Our next big event will be our HHYA Adult Softball tournament scheduled for Saturday June 9th. Please visit HHYA.org for additional information.

The success of HHYA could not be possible without the continued support and commitment of the Borough Administration of Haddon Heights, the HHYA families, the numerous HHYA Sponsors and the HHYA Board of Directors.
