## WHAT'S INSIDE

### Independence Day Parade

It was a hot but beautiful day to kick off the holiday with the annual Independence Day parade. Leading the parade was the Haddon Heights Police Chief Mike Scardino, Haddon Heights

Fire Department with their Color Guard, and of course our Mayor Jack Merryfield and Council.

Our Grand Marshall this year was Reggie Beckett, Vice Supreme Master of the Knights of Columbus, Santa Maria Council #1443, former July 4th Committee Member and town resident waving to the crowd with his daughter driving the convertible and surrounded by his grandchildren and family dog. Our Independence Day Queen was Sophia Wiegand and her Court Katy Parkinson and Abbi Haines riding in the convertible driven by the Len Baker. Gia Nardi was also a member of the Queen's court but was unable to make the parade.

Over 30 other entries filled Station Avenue with music, entertainment and fun. Police cars, fire trucks and ambulances were just part of the excitement during the parade. Following in the parade were our sport teams, scouts, antique and cool cars, motorcycles, Corvettes, bands, floats, community groups, bicycles and those adorable babies and toddlers riding their decorated bicycles, scooters or getting a ride in their wagons. Many thanks to Jim and Sara Cox and his crew for organizing the lineup for this entry into the parade. Another big thank you to Trish Shields for handling the older crowd of bicyclists at Carole's Candy corner and having them enter safely into the parade route.

As the parade reached Hoff's Park, the after parade festivities kicked off. There were two gigantic inflatables, face painting, and a DJ sponsored by the Borough, along with Mr. Softee providing refreshing treats. It was a pleasant morning under the canopy of the trees of Hoff's Park.

A big thank you goes out to Trish Shields, Bob Hunter, and Borough Administrative Assistants Marian Hauser for being the behind the scenes person of the parade and Julie Yuhaze for advertising the events and after parade festivities. Thanks also to Jim and Sara Cox for their many years of dedication to the Baby Parade, Len Baker for the use of his beautiful convertible for the Queen and her Court and for all the residents who participate and appreciate our small town parade.

If you would like to volunteer or participate in next year's parade, contact Stephanie Madden @ smadden@HaddonHTS.com or Jackie Valvardi @ jvalvardi@HaddonHTS.com.

### Heights, Camera, Action!

Please join us for the second annual outdoor family movie night on Station Avenue, an event brought to you by the library and Haddon Heights Neighbors.

The outdoor movie, The Greatest Showman, will be held on the street in front of the library on Friday, August 17 with a rain date of August 24. Gates open at 7:30 and the movie begins at 8:15. Tickets are \$5 per person and \$20 per family. They are available at the library. All proceeds benefit the library.

The Greatest Showman will be shown on a massive 26-foot screen in HD and features concert-grade speakers. It is rated PG and is one hour and forty-six minutes long. Don't forget to bring your chairs, blankets and snacks. While there will be plenty of room on Station Avenue, seating will be first come, first serve. Call the library at 547-7132 if you have any questions.

### Summer Rec Wrap Up

Our ninth season of Summer Rec was another great success! Directors Stacey Denning and Kenny Hamburger ran a terrific program with a wide variety of activities and crafts. Our Police Department stopped by for some kickball games and snack-time hellos, our Fire Department stopped by on the last day of camp to cool off the kids with a spray of the fire hose; and important friendship lessons were supported by the Municipal Alliance. The weather was mostly cooperative and we were able to move many families off the wait list.

Our hometown community is so generous! We appreciate all of your donations. Your contributions help us to replenish our play equipment and offer new crafts. The kids learn how recycling items can be fun and, of course, beads, glitter, and glue are well used everyday!

Our high school and college bound Counselor staff members were awesome and the Cadets and Volunteer Wilma Hickman gave the youngsters lots of individual attention. I'm so lucky to enjoy yet another summer continuing the legacy of "Hoff's Park".

~ Kathy Lange

# Mayor's Message

Dear Neighbors:

It's been a great summer in Haddon Heights so far! The 4th of July celebration was a great time on a beautiful day. I want to recognize and thank everyone who volunteered in the planning and coordination of this annual event. I cannot possibly mention everyone by name, but everyone did a terrific job. Thank you to all of you who came out to enjoy the festivities!

The Haddon Heights Neighbors' Soirée en Blanc event was postponed due to inclement weather but has been rescheduled for Saturday, August 11th at 7:30 p.m. If last year's event was any indication, the evening should be a memorable one! Our Library is selling tickets. I am hoping to see many of you there.

I would like to congratulate and thank our Parks and Rec team for another successful season of the Summer Rec Program. Many of our families were able to take advantage of the program this year. It provides jobs for many of our high school and

college aged kids right here at home. Summer Rec is a wonderful asset to our town! On that note, keep an eye out for the various programs we offer at our Community Center and Cabin. Please take the time to review and maybe take advantage of one or more of our classes. There's something for everyone!

Our Farmers Market remains in full swing every Sunday on East Atlantic and Station Avenues. This is also a great offering in our town. A visit to the Market is a nice opportunity to take advantage of fresh produce, unique vendors and live entertainment. It's also a good place to meet members of our community. Please come out and support the Farmers Market every Sunday from 9:30 a.m. to 1:00 p.m.!

The Department of Public Works needs your assistance in allowing us to serve you in a more efficient manner. We would greatly appreciate your cooperation with regard to both grass and brush collections. Place grass clippings in an open container

no heavier than 60 pounds. Please do not mix the grass with any trash or dirt. When you place your grass container curbside please locate that container several feet away from your regular trash containers so our staff can quickly determine it is grass. This will allow for a more efficient collection process. All brush is to be cut in 4 foot lengths. Please place the brush curbside, not in the street, in either a container or tie the brush in bundles no heavier than 60 pounds. These items are placed in the back of a refuse vehicle and your cooperation with these restrictions will drastically improve our collection process. PLEASE NO PLASTIC BAGS for grass or brush.

Finally, I have to take a moment to thank all of the volunteers who contribute so much to our town. Many government functions are run by volunteers. Your Mayor and Council are volunteers as are the many members of our various boards, committees and commissions. In

addition, the countless individuals who give so much of their time to our youth sports organizations and other civic initiatives help to build a strong sense of community. This would not be possible without the volunteerism we enjoy in this town. I deeply appreciate everyone's service.

As always, if there is anything I can assist you with or if you would like to voice any issues or concerns, please do not hesitate to call, e-mail, or visit Borough Hall during my office hours listed on the front page.

Enjoy the rest of the summer!

Mayor Jack D. Merryfield

## What's Up With Small Explorers Park?

Mayor and Council recently created the Small Explorers Playground Steering Committee to bring to completion the Small Explorers Playground and Kindness Garden located at Hoff's Park.

Chaired by advocates Jillian Soriano and Kathy Lange, and joined by 6 other residents, committee responsibilities include, among other tasks, community planning, media outreach and communication with stakeholders.

The Small Explorers Park playground is designed for youngsters from 18 months through four years of age, with age appropriate elements including an inclusion spinner. The design concept was created to not merely plop down equipment but to blend the area into a natural setting. Thus the adjacent Kindness Garden will be created, including a huge "Kindness Rock" for climbing, a natural tunnel, pollinator plantings, a labyrinth for relaxing and a reading bench courtesy of the town Library.

Donations already received funded the purchase of "Willow Whips" from a specialty nursery. Planted by volunteers, these willows will form a natural tunnel which youngsters can enjoy. Although still in recovery from vandalism and protected by safety fencing, you can see the tunnel beginning to emerge at Hoff's Park near the swings.

While financial support will mainly come from grants and possibly an assist by the Borough, donations of any size help move the playground forward. Only \$40,000 gets the playground equipment delivered and installed; an additional \$20,000 finishes the Kindness Garden.

An appreciative shout out goes to the 11th Ave Families and Friends for their recent contribution. See the donation list for details on how you can contribute and be on the lookout for our pop up displays.

## Circolo Italiano

Monthly meeting of Circolo Italiano of South NJ will be held on Monday, September 10<sup>th</sup> at 7:15 pm at Haddon Heights Municipal Building, 625 Station Ave. Haddon Heights.

John Giannotti, Rutgers University professor emeritus and noted sculptor/painter, will present "Leonardo vs. Michelangelo: Battle of the Giants" at our opening meeting of the year. He will present a lively discussion of the major works of these iconic Renaissance artists, comparing their styles, mannerisms, strengths and shortcomings. What influence did they have on future artists? What were their strident and rarely positive opinions of each other! Using source material ranging from Georgio Vasari's contemporary Michelangelo writings and Walter Isaacson's recent bio of Leonardo, Prof. Ginnotti will separate myth

from fact regarding these giants of art history.

Dues will be collected for the year and are due by October 31<sup>st</sup>. Tickets for Lucky Bucks will be sold and free refreshments are offered. For more information or any questions please contact Marie Denz (856) 627-2869.

## Department of Public Works

### Municipal Recycling 50% Target of Waste Stream

The New Jersey Department of Environmental Protection, Division of Solid Waste, has marked the 30th anniversary of the enactment of the NJ Statewide Mandatory Source Separation and Recycling Act by establishing a goal of recycling 50 percent of our municipal waste stream. Haddon Heights, like all other municipalities in New Jersey, was tasked to update their Recycling Programs to ensure that all residential and commercial property owners are aware of the requirement to recycle. I remind you that you must recycle all items listed in Chapter 393 of the Borough Code. The code is accessible online at [www.haddonhts.com](http://www.haddonhts.com) and ask that you commit your household or business to pay special attention to your waste stream and that all acceptable items are recycled weekly. Should you have any questions, please reach out to me at @ 856-546-2580. I appreciate your anticipated cooperation in assisting Haddon Heights in meeting our goal.

## What's New at the Station

Summer is winding down and fall is time to get back to serious model railroading again. If you have been following events at the station, you will remember that two new modules are under construction portraying an anthracite coal mine and a typical rural scene with a combination station and lumber company store. We have spent time this summer gathering more information and pictures to help in our modeling. The track is now in place and we are moving on to scenery and structures. Stop by any Wednesday night to see how we make this happen. The station will be open with trains running for the Haddon Heights Fall Festival on October 6. The Delaware & Susquehanna Railroad is an HO scale layout, but the scenery and structure techniques can be used on your home layout.

## Tax Assessor Office

New Jersey Law requires the Tax Assessor's office to keep all property assessments current. The Assessor's inspector may visit your property if the property owner or their contractor obtained a building permit to build a new building, or update, improve, expand, remodel, redecorate, rehab and/or demolish an existing building located in Haddon Heights. Please cooperate with the Assessor's inspector who will perform an interior and exterior examination of your home or business, and request information to confirm the type of work done, or to be done, the cost of the project, and the date the job was, or is to be completed. This inspection is in addition to any inspection(s) required by the Haddon Heights Building Inspection Department.

The inspector will visit your property unannounced in the day, early evening, or on a Saturday. This method of inspection is very cost effective and I greatly appreciate your help allowing the inspector to collect the data required. The inspectors who work for the Tax Assessor's office are Judith Shoemaker (Judi), Jeffery Scott Pierson (Scott), and myself. Each inspector will wear an official Haddon Heights Borough ID Badge.

If you have any questions or concerns please do not hesitate to call Tax Assessor's Office at 856-547-7164 ex 33. Thank you for your anticipated cooperation with the inspection process. Thank you, Thomas J. Colavecchio - Tax Assessor

## Haddon Heights Good Neighbors

*We can't help everyone, but everyone can help someone.*

- Ronald Regan

Haddon Heights is such a wonderful place to live because we are fortunate to have such great neighbors. We are also fortunate to have resources that enable us to help one another. One of these resources is the Haddon Heights Good Neighbors organization.

Haddon Heights Good Neighbors, HHGN, was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

One way of helping HHGN to accomplish its goal is to join the organization which typically meets the 1st Wednesday of January, May, September, and November. These meetings are held in Borough Hall at 7:00 PM. New members are always welcome.

Another way to help is make a donation. Your contribution will be used to assist residents in our community and whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

### WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to:

Another way to help HHGN financially is through the AmazonSmile program. If you are not familiar with AmazonSmile, it's a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

When Dr. Madhuri Battula acquired Heights Dental, she continued the tradition, started by Dr. Nelson Robbins in 1951, of having a dentist office in 607 Station Avenue. However, Dr. Battula's dentistry is very much 21st century. She and her staff belong to the Spear Faculty Club, created for dentists who are committed to a lifetime of clinical learning and professional development.

When Dr. Battula graduated, in 2010, from UMDNJ, Rutgers University School of Dentistry, she specialized in pediatric dentistry for high-risk children. "Instilling a calm and compassionate atmosphere for my young clients was most important to me," said Dr. Battula. As her reputation grew, her practice expanded to meet the needs of her young clients' family and friends, especially anyone who is has a fear of dentists.

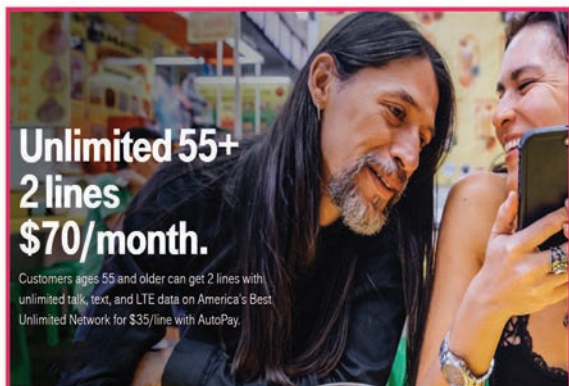

"I believe dentistry is not just about fixing teeth, but about building a rapport with patients to understand their needs,

expectations, and address any fears. I treat a wide array of patients from children to adults. My most rewarding experience as a dentist is helping my patients overcome any dental anxiety they may have regarding their treatment and seeing them leave with a smile. My staff and I are dedicated to continuing education programs to stay up-to-date on the latest techniques and technology to ensure that my patients receive the highest standard of care."

Haddon Heights Smiles maintains convenient daytime, evening and weekend hours. Dr. Battula is happy to schedule a fast emergency appointments, even on weekends, online or by telephone.

"My staff, some continuing from Dr. Zelle's practice, and I are so pleased with the friendly welcome we have received from the residents of Heights," said Dr. Battula.

## St. Mary's Episcopal Church

If you've noticed the banner sign in front of St. Mary's Episcopal Church (corner of Green Street & the White Horse Pike), you might be wondering about the flip flops and the message... "Casual Service?" "5:30-ish??" What the heck?? Well, it's all about getting together to reflect on life and the world - and the God who sustains us and speaks to us through all of that. It's a wonderfully uncomplicated experience. One rather like the worship of the early church. In the early years after Jesus' death and resurrection, the followers of Jesus gathered to share a meal - yes that means real food! And during that meal they remembered and discussed all that Jesus had said and done during his life. They broke bread in his memory. They had conversations about how to live a life like Jesus. That's our "Casual Service" in a nutshell! This summer, we are gathering at about 5:30 each Saturday afternoon. We review our week, the worries of our hearts, the joys of our days. We reflect together on a "Jesus story" and what it tells us about how we are to life today. The kids play whatever instruments they want to

tackle. We break bread and share a cup in memory of Jesus. And when we are done, we eat a little more. (Let's see... so far we've shared hot dogs, tofu dogs, some chicken tenders, lots of snacks, and water or juices!) Before long, everyone is on their way, refreshed in spirit, in body, and in friendship! Come check it out! Everyone is welcome! Every Saturday!

As I write "everyone is welcome here," my mind rushes back to Mr. Rogers and the currently showing documentary of his life and work. What would Mr. Rogers say (through his puppets, of course) to today's children? How would he help them learn to value themselves and others in a world that surrounds them with nearly constant verbal and physical aggression? I suspect he would teach them that - despite what they may be observing in our society - verbal and physical aggression are not the values we embrace. Mr. Rogers would say we don't dig in our heels in the face of problems that require collaboration. He would say that we don't embrace a culture of shouting each other down.

## St. Mary's Episcopal Church Continued...

(CONTINUED FROM PAGE 16)

Mr. Rogers would say we want to embrace collaborative problem solving. So where are we to begin? How about with "Peace Camp"? We are holding one at St. Mary's August 13th through August 17th. All children ages 7 through 12 are welcome, regardless of their faith tradition or experience. The children will have fun while exploring emotions and the ways we communicate these. They will try to find new ways to recognize, understand, and resolve conflict. They will experience "peace building" on a practical level, and will get to know some peace-making superheroes of our day. Spots are limited, so please call promptly to reserve a spot for your child! (Spaces are limited!) You might see this as an "anti-bullying" program – and while it will be that, it will also be so much more. Peace Camp – August 13th through 17th... A fun and fabulous week for all 7 to 12 year olds in our very welcoming neighborhood!

Ah... once again I am writing of "welcoming." Sadly, "welcoming" is not the most common experience in today's world. When we are honest, we probably admit that the opposite experience is not uncommon. We too often feel unwelcome – both in places and conversations. Conversations are often polarized, as is much of the commentary on world news. We probably all have family

and friends who don't get together anymore because they so strongly disagree on political or social questions. People who have known each other for years have closed both actual doors and virtual doors (aka "social media") to each other. At St. Mary's, we think it is time to do something about this! We who profess that everyone is our neighbor can't just sit back and let the walls and divisions grow. We must re-learn how to speak and listen, how to engage in conversation with those who hold different points of view. In the upcoming weeks, we hope to start this process by opening our doors and inviting everyone in for some better-than-civil conversation. Though the dates are not yet carved in stone, we will post these on our website and will flag them on our Facebook page. If you want to make sure you don't miss the dates, please send an email to officestmh@gmail.com. Let us begin to change the world by changing ourselves.

As the summer winds down and we head towards Fall, you should notice additional activities on the corner of Green and the White Horse Pike. We are planning many activities and it is impossible to describe them all here. Better to check our Facebook page and our website ([www.stmaryshnj.org](http://www.stmaryshnj.org)) if you want to keep up! We hope to meet you at some! You are always welcome here.

WINNING JEWELRY DESIGNS.

The two items were entered into the Independent Jewelers Organizations annual design contest. This is a national contest with jewelry entered from designers all over the country. The awards are given out based on creativity and uniqueness as selected by their peers.

Michael created a vintage style ring containing a rare mint green garnet and diamonds that won second place honors. He also created a necklace made with vintage style scroll work set with diamonds and backed by black enamel that won honorable mention.

Both of these items were created and manufactured right here at Michael's Jewelers and Gemologist. They are now in our inventory and offered for sale.

# Library Corner

## Heights, Camera, Action!

Please join us for the second annual outdoor family movie night on Station Avenue, an event brought to you by the library and Haddon Heights Neighbors. The outdoor movie, *The Greatest Showman*, will be held on the street in front of the library on Friday, August 17 with a rain date of August 24. Gates open at 7:30 and the movie begins at 8:15. Tickets are \$5 per person and \$20 per family. They are available at the library. All proceeds benefit the library.

*The Greatest Showman* will be shown on a massive 26-foot screen in HD and features concert-grade speakers. It is rated PG and is one hour and forty-six minutes long. Don't forget to bring your chairs, blankets and snacks. While there will be plenty of room on Station Avenue, seating will be first come, first serve. Call the library at 547-7132 if you have any questions.

## Halloween House Decorating Contest

The library is holding its fourth annual Halloween House Decorating Contest this October. Last year's contest was extremely popular, with over 20 homes participating. This contest is strictly for the outside of your house and is restricted to the front yard. We will have several prizes and categories. Registration will begin in September. Keep an eye out on the borough website, the library website and Facebook for more information on this scary contest!

## Foreign Film Night

The library is continuing its exciting Foreign Film Night this fall. Join us on the fourth Thursday of every month for foreign films, some classic and some new. The films will start at 6:30 p.m. The next showing is August 23. Stop by the library for a complete schedule.

For more information about any of these programs or about the Haddon Heights Library please check out our website at [www.haddonheightslibrary.com](http://www.haddonheightslibrary.com), on Facebook, or you can also give us a call at (856) 547-7132

## Volunteers Needed

There are 14 non-profit organizations showcased on your community calendar, and all of them could use some of your discretionary time or financial support. Sustainable Haddon Heights is looking for volunteers who have an interest in improving our community, and learning or using project management or grant writing skills. We have over 50 Sustainable Jersey actions to work on toward the Borough's Silver certification, and each of those actions could use a project leader. The nice thing is that best practices for those actions are shared online among the 80% of NJ towns who are registered with Sustainable Jersey.

If you are a student, not currently employed, or retired, we could use your talents to help build a more sustainable community. We meet on the first Monday of every month from 7pm - 9pm at the Library, except holidays when we meet the 2nd Monday. Contact Marshall Hatfield at 609.502.2653 (mobile/text) or [mhatfield01@comcast.net](mailto:mhatfield01@comcast.net).

Perfect for BBQs, Bridal and Baby Showers, Graduation Parties, Birthday Parties, Receptions, Book Clubs and more! Hoff's Playground is conveniently located next to the Cabin and adjacent to the Community Center, children can play within view of adults enjoying their event. There is ample street parking for all of your guests.

If interested in renting one of your hometown's facilities, you can find all the information and pricing on the borough's website at [www.haddonhts.com](http://www.haddonhts.com). Just select rentals from the list on the left and select either the Community Center or Cabin for their specific rental information. Both pages offer a slide-show of photos taken of the facilities (some items pictured were rented from an outside source and brought in by the renter.) You will also find a link to a PDF version of our required rental agreement paperwork.

The spaces are rented on a first come, first serve basis. If you are interested in a specific date we recommend calling the office at 856-547-7164 ex. 36 to see if the date and time you would like are available. We can put a tentative hold on the date for one week, while you fill out the paperwork and send it/drop it off to our office along with the required security deposit check.
