Mayor's Message

Dear Neighbors:

Just like that, summer is over and fall is here. I hope everyone had an enjoyable summer. We had more than our fair share of great activities here in town sponsored by our volunteers. The fall season brings events that we all look forward to. This issue of the Heights Report is loaded with information about these events. I can only highlight a few, so please read this issue carefully so that you don't miss out!

I have to commend our Haddon Heights Neighbors Committee on another terrific Spaghetti Dinner. This event, which started several years ago, has become an annual tradition that I, for one, always look forward to. We had a beautiful day after a rainy week and a great turnout for some top quality food and entertainment. Great job as always!

The year it is scheduled for Saturday, October 6th from 10 am 4 pm on Station Avenue. This event, sponsored by our Business and

Professional Association, is always a good time, and a nice opportunity to take advantage of the stands put out by our local merchants and spend some time with neighbors. Please stop by and see everything Station Avenue has to offer! And, in general, if you haven't shopped Station Avenue lately, make sure to do so – we have many new businesses that cater to local residents. Why drive all the way to the Cherry Hill Mall when you can shop right here at home? While you're at it, don't forget our Kings Highway business district as well as the Black Horse Pike.

With the fall comes earlier sunsets. You will surely see more of our kids on the streets going to and from their various sports and other activities. Please be extra careful when driving and please encourage your kids to be extra cautious, particularly as it gets darker sooner. We've witnessed more than our fair share of "close calls" and we don't want to see anyone injured. Our Police Department, as always,

will be vigilant in looking out for everyone's safety. And speaking of fall sports, I know our volunteers are hard at work in HHYA, Soccer, Field Hockey, and other organizations to give our kids a top notch recreational experience this fall season. Good luck to all, and thank you again to the many volunteers who help administer and coach our youth athletic programs.

I know the Elementary Parent Teacher Group is working hard on its own series of events that many of us look forward to every year. This is an organization that works closely with our children and our schools to develop top notch events. The Hoots and Howl's event is coming up on October 20 – please check out the Parent Teacher Group on Facebook for more information and other scheduled events.

Finally, we recently had a change on Borough Council with Councilman Bryan Schroeder departing and Councilwoman Asiyah Kurtz being

appointed to take his place. I'd like to thank Councilman Schroeder for his service and welcome Councilwoman Kurtz; we're all looking forward to working together to serve you. In the spirit of service, as always, if there is anything I can do to assist you or answer any questions about your government, please feel free to call, email me or stop by for my office hours. I am deeply grateful for the privilege of serving as your Mayor and remain committed to doing anything I can to assist our residents.

Mayor Jack D. Merryfield

Do You Need the Fall "Function Better Program"?

Each fall, many folks enjoy activities such as going for cool afternoon walks as the leaves are falling, attending football or soccer games, raking leaves, picking pumpkins, tending to some gardening prior to winter and even doing some early Christmas shopping in town. If you find yourself in a position where the bending, endurance, balance, standing, walking and climbing requirements of these activities may be too difficult, too painful or even impossible, the "Function Better Program" at WORK-UP PHYSICAL THERAPY may be just what you need in order to have a fantastic fall season!

The "Function Better Program" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. After completion of the "Function Better Program", many people report that they are pain free and able to lead a more active and independent lifestyle.

WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming fall session of the "Function Better Program" are limited and filling quickly.

Walking Tour of Revolutionary War Haddon Heights

The Heights Heritage League will hold a one-mile WALKING TOUR of Revolutionary War Haddon Heights on Saturday, October 13 at 3:00 beginning at the Encampment at North Park and Tenth. Rose Fitzgerald will conduct the tour past two of our pre-Revolutionary War houses and the archeological site of the Glover Mill. First stop is the Hinchman House, the oldest continuously occupied house in Camden County, shown on Thomas Sharp's map of 1710.

The remains of the Glover Fulling Mill will be pointed out. The fulling mill was the first industry in the area – used to wash, process, dye and stretch fabric that had been woven by local women. The mill and the houses are listed on the State and National Register of Historic Places. Next stop, the path of the soldiers during the Battle of Gloucester will be pointed out and finally, the John Glover House.

Other houses remaining from the early days of Haddon Heights are the Colonel Joseph Ellis House on Sycamore and the Chalkley Glover House on New Jersey Avenue. The Col. Ellis House appears on a map painted on the wall of the Constitution Center in Philadelphia, noted Mrs. Fitzgerald, a copy of a 1787 map of the area. The walk is free and should take about 60 minutes, rain or shine. All are welcome to attend. Call 547-3950 with questions. A brochure describing the history of these houses is available at the Haddon Heights Library.

**St. Rose of Lima
Food Pantry**

The St. Rose of Lima Food Pantry is in need of paper and plastic shopping bags. If you have any that you don't need or use, please drop off to the Rectory and we'll surely put them to good use feeding the families in our surrounding area! Thank you!

New Weekly Door-to-Door Shopping Ride Service

Robert C. Stanfill Towers, HUD Housing for Haddon Heights Seniors was established in 1978. It is sponsored by the Haddon Heights Senior Citizen Housing Corporation, which does business as Stanfill Towers, and is professionally managed by PRD Management, Inc. of Cherry Hill, New Jersey.

To celebrate the 40th Anniversary of Stanfill Towers and to help meet an ongoing need for transportation for shopping, as determined by a local survey, the Stanfill Towers Board of Directors has entered into a contract with the Senior Citizens United Community Services (SCUCS) to provide transportation for additional shopping services for all Haddon Heights Senior residents, age 60 and older.

Service is door-to-door, free and wheelchair accessible. Destinations include Wegman's, ShopRite in Lawnside and Brooklawn, Westmont Shopping Center, Center Towne Square (formerly Lion's Head Plaza), Walmart in Somerdale and the Deptford and Cherry Hill Malls. The service begins October 1, 2018.

The Bus will travel to many local shopping centers and grocery stores in the area. Check out the Monthly Calendar below for specific days and times they will be traveling to each location.

HOW TO REGISTER: This is a reservation only system for the door-to-door shopping routes. First time riders must call (856) 456-3344 to pre-register for the service. After this short phone intake, you must call each week to reserve your ride. All appointments for shopping service rides must be made by calling (856) 456-1148 the working day before your trip between the hours of 6:00 am and 6:00 pm. Follow the instructions so you can leave a message for the shopping program. Speak slowly and clearly. Give your name, address with city, phone number and the day of the route.

HOW THIS IS FUNDED: Monday, Tuesday and Thursday rides are paid for by the Stanfill Towers Board. There is no donation requested. Wednesday and Friday rides are currently in place, courtesy of the Senior Citizens United Community Services Sen-Han program, and will continue. A \$2 donation is suggested per one way ride.

Haddon Heights Good Neighbors

Throw kindness around like it was confetti -Author Unknown

When you read this quote, you start to understand how the Haddon Heights Good Neighbors Program operates. This past fiscal year, we helped 10 families (21 individuals) by providing funds for things such as to PSE&G to restore electricity for two families, for the Internet and basic cable for disabled, for air conditioner for two seniors - one with COPD and one for oxygen, for providing rent for three families, for providing senior tax for freeze, for providing car insurance and for providing money for the purchase and for installation of door locks and door stops. In addition, we distributed 28 John's Friendly Market food certificates to 6 families with children and 8 certificates to families with no minor children for a total of 36 food certificates for 30 people. Certificates are distributed for both the Thanksgiving and Christmas holidays. We work with other town organizations including Saint Vincent de Paul of St. Rose, the Haddon Heights Public School nurse and the Sons of Italy. "Throwing kindness" is so much fun when it helps so many people.

Haddon Heights Good Neighbors, HHGN, was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, our goal is to help members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

One way of helping HHGN to accomplish its goal is to join the organization. We typically meet the 1st Wednesday of January, May, September, and November. Meetings are held in Borough Hall at 7:00 PM. New members are always welcome.

Another way to help is make a donation. Your contribution will be used to assist residents in our community and whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes where it is needed the most.

In the early part of October, you should have received our yearly fund drive letter. Please make a contribution and help us continue to "throw kindness as if it were confetti." No donation is too small.

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to: Haddon Heights Good Neighbors 625 Station Avenue, Haddon Heights, NJ 08035 856-546-6677 or www.hhgoodneighbors.org. Like us on Facebook!

Another way to help HHGN financially is through the AmazonSmile program. AmazonSmile, is a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

Stanfill Towers 40th Anniversary Rescheduled

© Steve Mekler 2018

“Concert for the Community” Sunday, October 7, 1:00 - 3 p.m.

A free, family event! Bring your own seating! Complimentary refreshments at Intermission
June rains may have washed out Stanfill Towers 40th Anniversary “Concert for the Community” but they did not dampen Stanfill Towers Board of Directors’ enthusiasm for the hosting a community concert. Board President, Anne McAdams issued a mandate to reschedule the show and “make it so!” The Blawenburg Band agreed “The show must go on!” so Haddon Heights residents will be treated to a live concert on Sunday, October 7 from 1:00 - 3 p.m. on the grounds of the Towers.

Beginning at 12:30 p.m., Haddon Heights neighbors are invited to set up beach blankets or comfortable lawn chairs on the lawn of Stanfill Towers to enjoy the sensational stylings of the 60-piece Blawenburg Band. Young and old alike will be entertained by a rousing concert featuring the works of John Philip Sousa and other great composers. The Concert begins at 1:00 p.m. A brief intermission is planned, light refreshments will be served and the performance will conclude at 3 p.m. Guests are reminded to allow time to park and walk to 117 E. Atlantic Ave - as the street will be closed to traffic from Station Ave. to Green St. from 6 a.m.

Stanfill Towers is a senior community and has won numerous awards for excellence in property management. It is considered a premier apartment community and is nationally recognized as a Community of Quality by the National Affordable Housing

Management Association (NAHMA). The Manor, a fully-renovated historic home adjacent on the Towers’ campus, provides space where Towers residents can gather; it also houses The Heights Senior Resource Center. Stanfill Tower’s Social Services coordinator, Amy Jo Gradel, MSW, is available to assist local families and residents who need information about services available to older adults who desire to “age in place”.

In the event of rain, visit www.BlawenburgBand.org “Performances” for update or Facebook event page “Stanfill Towers 40th Anniversary Concert” as the Concert will move to the auditorium of Haddon Height High School, 301 2nd Street, Haddon Heights. For more information, contact the Stanfill’s event coordinator at 610.733.0955.

Upcoming Event

Join us Wednesday, October 10th at 10:00 am at Stanfill Manor Senior Center, 107 East Atlantic. Barbara Toritto of Healing Hands will be at HSRC for a free presentation to demonstrate the healing energy technique of Reiki. Light refreshments will be provided. All are welcome to attend.

Tax Assessor Office

New Jersey Law requires the Tax Assessor’s office to keep all property assessments current. The Assessor’s inspector may visit your property if the property owner or their contractor obtained a building permit to build a new building, or update, improve, expand, remodel, redecorate, rehab and/or demolish an existing building located in Haddon Heights. Please cooperate with the Assessor’s inspector who will perform an interior and exterior examination of your home or business, and request information to confirm the type of work done, or to be done, the cost of the project, and the date the job was, or is to be completed. This inspection is in addition to any inspection(s) required by the Haddon Heights Building Inspection Department.

The inspector will visit your property unannounced in the day, early evening, or on a Saturday. This method of inspection is very cost effective and I greatly appreciate your help allowing the inspector to collect the data required. The inspectors who work for the Tax Assessor’s office are Judith Shoemaker (Judi), Jeffery Scott Pierson (Scott), and myself. Each inspector will wear an official Haddon Heights Borough ID Badge.

If you have any questions or concerns please do not hesitate to call Tax Assessor’s Office at 856-547-7164 ex 33. Thank you for your anticipated cooperation with the inspection process. Thank you, Thomas J. Colavecchio - Tax Assessor

New Beginnings Learning Center

Celebrates 40 Years and Honors Richard Lindsey President, New Beginnings Learning Center Board of Directors

On Sunday, September 9, New Beginnings Learning Center and the First United Methodist Church kicked off the preschool's 40th Anniversary. The school's Board of Directors President, Richard Lindsey, was surprised by the announcement that the education wing of the church has been dedicated in his honor. A plaque has been added to the entrance of the school officially renaming the building the Richard O. Lindsey Education Building. Board members have come and gone, while

Richard has served as the beloved leader for all 40 years.

More than four decades ago the First United Methodist Church of Haddon Heights recognized the need for a preschool in our community. The existing education wing was under utilized and the church saw an opportunity to fill the beautiful classrooms with children during the week. A committee of church members, led by Richard Lindsey and his father, was formed to plan and open the new program. Mr. Lindsey became the Board of Directors President and the preschool opened with one small class offering affordable Christian

education to our youngest residents. Word spread quickly and the preschool expanded rapidly to fill the classrooms with children attending half day sessions, morning and afternoon. To date, over 3,000 children have begun their educations at NBLC.

New Beginnings Learning Center has grown and evolved over the years to meet the early education needs of preschool students. While many things have changed, the mission of the school under the leadership of Richard Lindsey has remained constant; an affordable quality preschool education with a solid foundation of Christian values.

Haddon Heights Soccer Club

The beginning of Fall marks the start of another fantastic year ahead for Haddon Heights Soccer Club. Haddon Heights has a strong soccer tradition, and it starts with the Haddon Heights Soccer Club. From the Age of 3 thru early High School years, the Club offers many programs to help develop skills and to build the concepts of teamwork. The entry point is Tot Soccer, available to 3 and 4 year olds. The focus here is on fun and skills building. From Tot, our players progress to Recreation soccer, where they are introduced to small sided games played Saturday mornings. Starting at the age of 7, for those looking for a new challenge, Travel Soccer programs are offered. This Fall, 6 girls teams and 11 boys teams will wear the HHSC badge in games played thru-out South Jersey. And, for those players who love the game but are interested in a less intense environment, the Club offers Rec programs for "younger" kids and "older" kids. To build skills, this year the Club has partnered with GPS who will provide training support for our players and Coaches. And, the season got off to a high flying start with our Annual Opening Night, which was held on 9/7/2018.

Our Club President Lee Griffith welcomes everyone to join the Club. More information can be found at www.haddonheightsoccer.net

HHYA Families:

As the 2018 Fall Softball / Baseball Season comes to an end, I am happy to report that our Fall enrollment numbers are stronger than ever. This fall we had 2 Teen teams, 3 Major teams, 4 Minor teams, 2 Rookie teams for baseball and 1 Major team and 1 Teen team for softball. I am very, very pleased with our numbers and participation this fall.

As I write this last letter for the Heights Report, I am reminded that I made it clear on Opening Day that after 13 years on the HHYA Board and the last 6 years as the President, I would be retiring from the HHYA Board at the end of my term effective October 31st. Steve Butler has been elected President and will take over on November 1st.

When I joined the Board, I was very surprised about the amount of volunteer time that was required. When I became President in 2012 I quickly realized that the hours spent within the program could easily equate to a second job. Nevertheless, I had one mission in mind and that was to make the HHYA Organization proactive and to provide the kids with the opportunity to play in the best environment possible. A strict policy regarding demeanor and behavior of coaches, players, Board Members, umpires and referees was implemented and for those who know me best, I have no tolerance for unprofessional behavior exhibited on the fields or court by any coach, player or official. I never wanted any child to be subjected to negative behavior at any time or any level.

With the help of the Board Members, we promoted the sports programs (Softball, Basketball and Baseball) in a way to invite kids to participate in sports. We realized that it is very important for a child to participate in sports during their developmental years.

Our basketball program is doing great thanks the leadership first initiated by former Commissioners Jim Donnelly and Keith Reynolds and now current Commissioner Matt Campbell and Deputy Commissioner Tim Bieg. These leaders have worked extremely hard to ensure the maximum participation by implementing basketball workouts and soliciting the Philadelphia 76ers to run basketball camps and private training options at our facilities for all of our participants.

Our softball program continues to improve as initiated by former Commissioner Keith Borchers and now current Commissioner John Paul Madden and Deputy Commissioner Chris Connelly. I remember the days of which the softball program struggled to field teams and now enrollment steadily increases and we have a few champions under our belts which is a great accomplishment. The Commissioners initiated playing in multi-town leagues to ensure our program continues to prosper and provide opportunity for our kids. Over the past few years, we have fielded fall softball teams which is great sign that our program continues to progress.

Our baseball program continues to get stronger each year as initiated under the command of former Commissioners Tim Daly and Phil Castellano and current Deputy Commissioner Chris Harris. The enrollment has been outstanding over the years and continues to increase annually. Our baseball program has multiple teams at every level compared to many towns within our District who struggle to field one team per level. We have increased our game schedule to twenty games at the Majors level, fifteen to eighteen at the Minors level and at least twelve at the Rookie level. Unfortunately, weather does not

always side with HHYA and has cut into our game schedule over the past few years. About six years ago, we reached out to neighboring towns with the idea of playing different teams instead of playing all Haddon Heights teams. Although this would appear to be a simple task, this was not a traditional avenue to travel within our league. This has been very successful as it has provided an opportunity for kids to play at different fields in different environments.

When assessing our field conditions at the Barr Complex six years ago, we put a plan together for improvements. With the expert help of former Vice President Joe Monteleone, we began to address some much needed improvements. Joe Monteleone was a tremendous asset to our program and the renovations at the Barr Complex. We would have never been able to get all of this work done without Joe. Thank you Joe for your hard work and expert advise and oversight of our projects. We began with Minors building. We realized that the second floor announcers area was not used since 2003. We learned this because there was a scorebook opened with the date on the windowsill that was left after the last game played. We cleaned out and painted the 1st floor renovated the 2nd floor, installed a new roof, replaced windows, purchased new announcers equipment, repaired the old Minors scoreboard that had not been used in years and ordered new doors. We then began announcing games on the Minors field. When kids hear their names announced at games, it brings a special smile hard to describe.

A project was initiated for the purchase and the installation of a large scoreboard on Memorial Field for both the baseball and softball programs. This was a great addition to the Memorial Field especially because the field never supported a scoreboard.

Another project was the installation of new dugouts for the Memorial, Majors and Minors Fields. A total of ten (10) dugouts were built on cement slabs with roofs.

The next project was the renovation of the Majors and Minors Fields and the installation of lights for the Majors Field. This was a huge project for 2012 /2013 and major upgrade to the Barr Complex. Night games for the Little Leaguers on the Majors Field was an awesome experience. This was a major improvement to each of the fields. This could not have been possible without the support of the Mayor and Council of Haddon Heights.

With the assistance of two (2) Camden County Open Space Grants, we began a project that included a new two-story announcers booth for the Majors Field, removal and installation of higher fencing and netting around the Memorial and Majors Field and the installation of two (2) new batting cages for the Majors and Minors Fields.

Once we renovated fields, we purchased a field groomer that we nicknamed "The Beast". This piece of equipment is used to drag the fields and keep them in the best playing condition. We needed to invest in a valuable piece of equipment to ensure our fields were always in the best condition.

Last year the owners of Ralph's Pizza - former HHYA Board Member Joe Fermano and Augie Martinez approached me and wanted to do something for the program. I advised them I would really like to install a new scoreboard on the Majors and move the current Majors scoreboard to the Minors Field (because the Minors scoreboard was very old and was not functional). Within a few weeks, both Joe and Augie contacted me and said they have three (3)

If you passed by the corner of Green and Altantic on some recent mornings, perhaps you noticed 25 kids were doing yoga on the lawn by St. Mary's Church. Or maybe you saw groups of kids playing together on fun problem-solving tasks... Or just maybe you caught up with groups of kids, walking the neighborhood with painted rocks, leaving their messages of peace all over town? That was the first ever Peace Camp at "The Center" here at St. Mary's. Peace Camp was GREAT! For one week, kids ages 5 through 12, all from local communities, came together to think about how to live peaceably. Music, stories, conversations, games, crafts, and – yes – even yoga! We'll be back for more Peace Camp fun next summer!

PeaceCamp was the first undertaking of "The Center." So just what is "The Center"? It is our newest venture! Like many churches, St. Mary's happens to have an excess of space and we have struggled for a while as to what to do with it. Admittedly, many fewer people go to church now than in decades past. It finally dawned on us: Why not take all that extra space and put it at the service of the community? Why not open our doors to activities that help everyone? And with that thought, "The Center" was born!

The Center is a place for all who care about building a better world – and we really believe there are many of you out there! Some may share our faith, but others may not. It matters not! As long as you care about building a better world, you are welcome at The Center.

Now that we have made it through Peace Camp week with more than 20 energetic and delightful kids, we are ready to tackle some adult concerns. How about coming together for a monthly Film & Discussion Night grappling with issues of Hunger, Homelessness, Equality, Healthcare, Bullying... and more? Join us at The Center on Tuesday October 2nd, at 6:30 for a film and discussion of Voter Issues in the U.S. You are welcome to bring your own snacks and refreshments... but come ready to engage! Then, come back on Thursday, November 1st for film viewing and discussion on the realities of hunger in the U.S. Check the Center's website for the names of the films and related programs.

In another vein... What reasonable adult in our midst is not concerned

about the state of civil discourse in this country? It seems we have forgotten how to exercise civility when we encounter people whose perspectives and opinions differ from ours. The Center has a solution: join us for a 5-session seminar during which we will put our minds together to figure out how to engage in fruitful civil discourse in a world that too often polarizes and too seldom recognizes that we all have something to learn from those with whom we differ. This Civil Discourse Seminar will take place on 5 Monday nights, beginning September 24th, at 7 p.m. Whether you can join us at The Center for one, two – or all five Monday evenings, this should not be missed! If we want to build a better world for our children, we need to figure this out!

Oh! And remember that old saying "liar, liar, pants on fire"? If only that were true... then we would know who is really telling the truth. It seems that truth in public discourse is too often understood as "relative." It isn't. Truth matters. The obligation to tell the truth is fundamental in all of our major religious tradition. For that reason, and to help responsible citizens prepare to exercise their voting rights on November 6th, The Center will host a multi-faith panel discussion on the requirement for Truth-Telling and Accountability. Come share your thoughts & ask your questions: Monday, October 29th, at 7 p.m. If we stand up for truth by our exercise of our voting rights, just maybe we can build a better world.

The Center also reminds us that the creative arts also take us closer to a better world. The arts cross all the artificially constructed boundaries that divide us. For several years, St. Mary's has supported the Arts by hosting free concerts known as "Sundays at Four". We invite you to experience the Arts within our beautiful church at a free concert at 4 p.m. on Sunday, October 14th. On that date, enjoy acclaimed flautist Beverly Pugh, accompanied by pianist Nicholas Mastropolito, for a wonderful musical experience. Once you have enjoyed that experience, you will want to return for the performance of the Moorestown High School Madrigals on Sunday, December 9th, again at 4 p.m.

Ah... so all that is about The Center. (Actually, it's not ALL that there is to know! Watch our website

(<http://stmaryshnj.org/we-are-st-marys/>) and check the pages that say "Seeking Justice & Peace?" for more details. Now what about regular "church stuff"??? Well, of course! We continue to have our usual Sunday service – which begins at 10 a.m. Of course, if you can get your act together, you are welcome to experience an inter-generational Bible story time, beginning at 9:30 a.m. on Sundays! It's simple, great fun, and worth checking out! We also have a healing service every Wednesday at 10 a.m. – a wonderful chance to come request prayers and blessings for everyone whose cares weigh upon your heart.

And ... if you are looking for a fall pumpkin... come visit us during our Second Pumpkin Patch, on the lawn of The Center at St. Mary's, between October 14th and October 31st. Best pumpkins ever!! Come visit The Center at St. Mary's, on the corner of the White Horse Pike and Green Street. Justice & Peace, the Arts, and traditional Church --- all in one place! local businesses who would like to contribute and purchase a new scoreboard for HHYA. Thank you to Ralph's Pizza, Dan White Realtors and Royal Fitness for your generous donations used to purchase and install the scoreboard on the Majors Field.

Along the way, we installed stadium seating around the Majors Field, installed new championship signage, rules and regulation signage and my favorite "positive quotes" signage around the Majors and Minors Fields. We are hoping to have "positive quotes" signage installed around the Memorial Field in 2019.

All of this work could not have been possible without the countless hours of volunteer time from our Board as well as the support from our HHYA Families. I wanted kids to have a smile on their face whenever they arrived at the fields and I wanted them to enjoy their time as Little Leaguers for as long as possible.

The behind the scene role of an HHYA Board member requires a commitment to volunteer countless hours to do to perform a variety of functions for the program. The planning of the Opening Day Parade, games, tournaments, championships, fundraisers, scheduling, monthly meetings all require an enormous amount of volunteer time that goes very often unnoticed by those who are not directly or indirectly involved with the Board.

The communication between the sports programs and our HHYA families is extremely important. Over the years, we have improved our level of communication and this was possible because of the commitment and dedication of our Corresponding Secretary Pat DiCostanzo. Pat is an Information Technology (IT) wiz who created our current HHYA.org website and is responsible for the email blasts, player registration and social media sites. I cannot thank Pat enough for his efforts with the correspondence of valuable information along with monitoring and

organizing all of the HHYA registrations. In addition, Pat handled the organization and ordering of all of our uniforms for every season. Pat would often only have days between getting the necessary information for the uniforms (sizes and/or number) to order the uniforms and the start of scheduled games. Pat was so precise, that there were times when Pat would deliver the uniforms to teams at a particular field a mere fifteen (15) minutes before a game would begin. Parents were happy as long as the uniforms were delivered before the game started and grateful for the hard work and personal delivery of the Board Member. Pat always made it happen and I am very grateful for his service on the Board.

Our snack-stand is an extremely important piece of our program. The ordering and delivery of food alone is very time consuming. The scheduling of volunteers is probably the hardest part of the job. It is impossible to keep record of the hours spent on the snack-stand but our Board members were able to keep it together. Former Board Member Danielle McGrath-Headley spent several years running the snack-stand then former Board Member Joe Gentile ran the snack-stand and most recently former Board member Patty Perkins and current Board Member Merilee Rutolo were in charge. Perkins developed a committee that included many of the HHYA moms who would operate (open/close) the snack-stand on a regular basis. The committee specifically included Donna Harris, Holly Russell, Kim Costello and Merilee Rutolo. I remember hearing some of the moms say they have spent more time in the HHYA snack-stand than in their own kitchens. I want to thank all of them for I am very grateful for their commitment to the HHYA Organization.

Some of the fundraisers that we have had over the years included our annual beef and beer and adult softball tournament. These events have been very successful for our program.

The amount of time dedicated to these annual events is very difficult to track, but the Board Members who were always stepped up to take the lead were former Board Member Patty Perkins, current Board Members, Merilee Rutolo, Chrissie DeCastro, current Vice President Pat Warren and Jeff Moore. I thank you for all of your hard work planning and executing these events.

Sponsorships have always been a huge support to the HHYA program. Former Board Member Vince Stango and current Board Member Ben Simon have taken the sponsorship process to a new level. Their ability to organize and make contact to our sponsors year after year has been remarkable. I thank them for their hard work. The list of annual sponsors varies year to year and I am grateful for their contributions to our program. Each year we hang sponsorship signs, provide teams in the sponsor's name, identify the sponsors at our Opening Day Parade and list them on our HHYA.org website. Our biggest sponsors year after year have been Brown & Connery, LLP and Robinson Waste Disposal. I want to publicly thank them and all of our sponsors for their continued support of HHYA.

It is very important to HHYA to have the ability to call upon a variety of local businesses for services at the Barr Complex. Fortunately, we have established great relationships with Pinnacle Irrigation, All Seasons Rental & Repair, Landscape Maintenance, B & B Tree Service, Interior Construction Plus, Inc., Robinson Waste Disposal, Lautenbacher Security, Heim Wholesale Foods and many others. Very often, I have telephoned any one of these vendors and requested their assistance for a specific problem and they have always addressed and resolved our issues immediately. I want to thank them for assistance over the years.

I also want to take the time to recognize the Haddon Heights Board of Education. The

BOE cuts and maintains the grass on the Memorial, Major and Minor Fields. I want to personally thank Rich Reamer and others for their hard work and commitment to cutting the grass on our fields. Rich Reamer has always been very attentive to our needs at the fields and works very hard to ensure the grass at our fields is cut on a regular basis.

I also want to recognize and thank Jim Russell, our Treasurer, aka: "The Human Calculator" for his hard work crunching the numbers and maintaining the finances of HHYA. I also want to recognize and thank Board Members, Owen McCabe, Lauren Prassel, Dan Severino and Scott Lewis and our newest members, Josh Durand, Vince DelGozzo and Frank Monaghan for their efforts and contribution participating on the numerous committees within the program.

To all of the HHYA Families that have participated in the HHYA program, I want to thank all of you for your support and I sincerely hope that your children had a positive experience.

Thank you to all of the former Board Members and coaches who have helped and supported the HHYA program over the years, dragging and lining the fields, cutting the gas, removing the puddles after rain and just spending time with the kids and making our program a success. Thank you to all of the past and present Mayors, Borough Council members, Borough Employees, and the Haddon Heights Police and Fire Departments for supporting the HHYA program throughout the years.

I leave as President of a great organization that has very strong enrollment numbers and a facility that is one of the best in the area. I want to wish Steve Butler and entire HHYA Board the best of luck in the future. Most importantly, I wish the kids a wonderful and positive experience in the HHYA program.

"Win with class, lose with Dignity. No matter the outcome, always have fun!"

and the Carlsons have been sent to proclaim the Gospel in Brazil. All will be presenting their ministries to the church and Baptist Regional School during that jam-packed week of services and activities.

A complete schedule of conference events is available at www.haddonheightsbaptist.org and is posted on Facebook at Haddon Heights Baptist Church, or call the church office for a conference brochure at (856) 547-3579.

Harvest Celebration

Each October 31, Haddon Heights Baptist Church sets up a refreshment station on the front lawn at the corner of Third and Station Avenues. As hundreds of Trick-or-Treaters pass by, they are invited to take a break from their arduous door-to-door endeavors to partake of cider and snacks. The corner full of church workers serves as a neighborhood presence to help maintain the safety of the borough streets. Costumed children and their parents will enjoy pretzels and popcorn as well, on Station Avenue at Third Avenue.

Youth Groups

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00 pm to 8:30 pm September through June. Come for food, fun, fellowship, a challenging speaker, good music and games.

In September, the Teens enjoyed a Back-to-School Bonfire event and a Gym Night. October activities include a hayride on the 6th and another bonfire, this time on the 20th during the Missions Conference, with missionaries speaking. November events had yet to be scheduled at this printing, but are available on the church website and on Facebook.

The church's College and Career group, Crossroads, ages 18-30, meets every other Monday for Bible Study.

Day of Prayer & Granny Club

Haddon Heights Baptist Church believes that a foundational reason the church has been in existence for 119 years is the commitment of its members to praying for one another. Wednesday Prayer Meeting has been in existence for all of those 119 years. In

addition, members pray successively around the clock on a monthly Day of Prayer to lift up the fellowship in prayer to the Lord on the second Tuesday of every month. A Granny Club meets on the first Thursday of every month for grandmothers to meet and uphold their grandkids in prayer.

2018 VBS Review

Camp Moose-On-The-Loose set up camp from July 31 through August 3 with an average of 249 campers (children), rangers (staff) and ladies (women's class) each day. Campers experienced a week of Discovering God's Forever Forgiveness

during assemblies, Bible lessons, crafts and game times. Parents and friends joined the closing assembly with their campers, making 362 folks, who all enjoyed a carnival picnic afterwards to festively close a great week at Haddon Heights Baptist Church.

Master Storyteller Jonathan Kruk and Musician Jim Keyes Return for Two Shows

The headless horseman of Sleepy Hollow, America's first ghost, continues to gallop in our imaginations. Master Storyteller Jonathan Kruk retells Washington Irving's classic with varied voices, jumps, horror and humor. Historic Hudson Valley's official storyteller, Kruk, brings this gothic tale which sells out annually in Sleepy Hollow to Haddon Heights. Performing in period garb, true to Irving's original story and language, this is the authentic version of The Legend. Featuring live musical accompaniment by Jim Keyes. This live performance will help close out the Halloween season and be held at the library on Friday, November 2 at 7:00 p.m. Tickets are on sale now at the library and cost only \$10.00 per person.

We have also added a second show with Mr. Kruk and Mr. Keyes this year! Join us on Wednesday, December 19 at 7 p.m. as these two performers regale you with their adaptation of Charles Dicken's "A Christmas Carol." Experience the tale of Ebenezer Scrooge like never before at the Haddon Heights Library with this live performance. Tickets will be on sale soon and cost only \$10.00 per person.

Renowned for performing "The Legend of Sleepy Hollow" throughout October, all forty of their performances sell out every year. It is an absolute treat that we are able to bring this show to Haddon Heights. Their version of "A Christmas Carol" also sells out in New York and has been featured on CBS Sunday Morning, The Travel Channel, The History Channel and many other television programs. Please join us for these very special live performances at your library.

Fire Department

This year for the NJ State Firemen's Convention, the HHFD was asked to lead the parade to honor Past Chief Gene Dannenfesler. Chief Dannenfesler, who was also a Camden County Fire Marshal, was deployed to New York City days after the 9/11/2001 attack. Gene developed cancer after his exposure and is considered a Line of Duty Death relating to his work there. The members of the fire department dedicated countless hours of work to prepare the apparatus for the parade and to honor Gene. Our 1999 Seagrave Engine was rededicated in his name and had Chief Dannenfesler's family place the memorial plaque on the truck. All of the members' hard work paid off, as we have brought home numerous trophies from the convention this year!

The Village Playbox

The Village Playbox of Haddon Heights will present *Lost in Yonkers*, November 2, 3, 4, 9, 10, 11, 16, and 17. Neil Simon won the Pulitzer Prize for Drama in 1991 for this touching coming-of-age story that also won a Tony award for Best Play. Set in Yonkers in 1942, Simon's semi-autobiographical play centers around two brothers, Arty and Jay, who recently lost their mother to cancer. The boys are forced to live with their formidable Grandmother Kurnitz as their father Eddie takes to the road as a traveling salesman to pay off his debts (from his wife's medical treatment) to a loan shark. As the boys adjust to their new life in Yonkers, a tangle of repression, lies, crime, and secrets comes to light through Eddie's siblings, Bella, Louie, and Gert.

The stellar cast includes several Playbox veterans as well as some new faces. Phyllis Josephson plays Grandma Kurnitz; Lori Alexio Howard, Bella; Doug Cohen, Eddie; Chuck Klotz, Louie; Amy Sullens-Bannister, Gert; Ricky Conway, Jay; and Colin Becker, Arty. The production is directed by Steve Allen.

Evening performances begin at 8:00 pm and Sunday matinees at 3:00 pm. Tickets can be purchased at the door or online at a discount through the Playbox website, www.villageplaybox.org. Season tickets are now available for \$30 to Haddon Heights residents and \$40 to non-residents. A season ticket guarantees seats to all three shows without a commitment to a specific date of a performance run. All performances are held at the First Presbyterian Church of Haddon Heights on Green Street between 7th and 8th Avenues (handicap accessible). Email us at info@villageplaybox.org or call 856-534-6960 for more information.

The Village Playbox would like to thank all those who attended Stars Under the Stars at the Dell in Haddon Lake Park at the end of August. We had two great evenings featuring favorite love songs and the talents of several area singers. We will be back next year with another fine program.
