"All Through the House" Holiday House Tour

Get ready to kick off the holidays with the Haddon Heights Library's "All Through the House" Holiday House Tour. The library is celebrating the 35th anniversary of the tour with 4 beautiful homes. The evening portion of the tour will also feature carolers and an indoor model train display at the Haddon Heights Library. We are excited to share these wonderful homes with you as part of the kick-off to the holidays in Haddon Heights. The tour will showcase a Gemberling Cape Cod with a beautiful new kitchen, a lovely mid-century center-hall colonial with a Pennsylvania field stone front, a classic American Foursquare with colonial revival elements and a recently modified Cape Cod that features a large kitchen and family room. This is all in addition to the Haddon Heights Library, which will present an evening model train display (6:30 - 9:30 p.m.) as well as an evening caroling performance. This year's tour is set for Friday, December 7. The tour runs from 12 - 3:30 and 6:30 - 10.

The five locations are spread around Haddon Heights and will give tour goers a great look at different styles of homes. Tour goers are invited to drive from home to home on this self-guided tour. Tickets are \$15 in advance and \$20 the day of the tour. They can be purchased at the Haddon Heights Library, April Robin Florist, Freshest Flowers and Kunkel's Restaurant. This year we are also offering online ticket sales. Just visit the library's Facebook page for the link. All proceeds benefit the library and are used to purchase more materials and services for our residents. It is the second largest fundraiser for the library each year. For more information, call Christopher Walter at 856-547-7132.

Mayor's Message

Dear Neighbors:

The year has gone by quickly. To begin I have to thank everyone who makes our town the special place that it is - our employees and volunteers. Our office staff, police officers, firefighters and our public works crews are a dedicated group of employees who go above and beyond to keep our town running efficiently. We are also blessed with a tireless corps of volunteers who serve on our many boards, commissions and committees and civic organizations throughout town. Thank you for your dedication. I am sure 2019 will be another productive year for us.

Speaking of dedication, I want to thank Councilwoman Jackie Valvardi for her never ending work for our town and congratulate her as she completes her term on Borough Council. Few people work harder or are as dedicated as she is. While we will miss her on Council, I am sure her passion and energy will be evident in other causes around our community. I would also like to congratulate Councilman Scott Schreiber on his re-election

and as well as Chris Morgan on his election. I look forward to working together with everyone.

We have enjoyed a nice string of fall events as always. So many of our residents look forward to Sippin' on Station, the Fall Festival, the Soldier Encampment Re-enactment and the Town Wide Yard Sale, despite the weather during some of these, all were successful and well attended. I know how much effort goes into the coordination of these mass undertakings and again, want to express my appreciation for all of the volunteers who came together to make these events happen.

Our Holiday Parade will be held on Friday, November 23rd at 6 pm on Station Avenue. Please bring the family and enjoy a festive event, sure to please. We expect to welcome a special visitor in a red suit!

I hope to see you all there.

As the leaves continue to fall, please assist our leaf collection crews by piling your leaves on

the curb, not in the street. Leaves in the street may cause flooding and drainage problems which can be difficult to manage. Our crews are working hard to collect leaves and your cooperation will go a long way.

As always, it is my privilege to be your Mayor. Please do not hesitate to call, e-mail, or visit during my office hours. Best wishes for the 2018 holiday season and wishing everyone a happy and prosperous New Year.

Mayor Jack D. Merryfield

Do You Need the Winter "Function Better Program"?

Each winter, many folks perform activities such as bundling-up for afternoon walks, shoveling snow, clearing snow and ice off the car, visiting friends, attending children's shows and shopping in town. If you find yourself in a position where the bending, reaching, endurance, balance, standing, walking, carrying and climbing requirements of these activities are too difficult, too painful or even impossible, the "**Function Better Program**" at WORK-UP PHYSICAL THERAPY may be just what you need to perform your tasks and activities this winter!

The "**Function Better Program**" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. After completion of the "**Function Better Program**", many people report that they are pain free and able to lead a more active and independent lifestyle.

WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming winter session of the "**Function Better Program**" are limited and filling quickly.

- Individuals of all ages and fitness levels are welcome.

HOW TO REGISTER: This is a reservation only system for the door-to-door shopping

Robert C. Stanfill Towers, HUD Housing for Haddon Heights Seniors was established in 1978. It is sponsored by the Haddon Heights Senior Citizen Housing Corporation, which does business as Stanfill Towers, and is professionally managed by PRD

Follow the instructions so you can leave a message for the shopping program. Speak slowly and clearly. Give your name, address with city, phone number and the day of the route.

HOW THIS IS FUNDED: Monday, Tuesday and Thursday rides are paid for by the Stanfill Towers Board. There is no donation requested. Interfaith Caregivers

Be a Volunteer SuperHero • Help Your Neighbors
Have you been thinking about volunteering for Interfaith Caregivers? There is no time like the present!

Come to our volunteer orientation on Wednesday, January 9, 2019, from 7pm to 9:30 pm at the Stanfill Manor, 109 E. Atlantic Ave. Haddon Heights or on Wednesday, February 6, 2019, at the Mabel Kay Senior Center, 24 Walnut Street, Haddonfield. For more details, call the Interfaith Caregivers office at 856-354-0298 or email suzan@ifchaddons.org.

Many of your neighbors are already helping our 90 Haddon Heights' clients. Won't you join them? Give as much time as you have – an hour or two a week or a month. We have a database that allows volunteers to see what opportunities are available and work with your schedule.

For 27 years Interfaith Caregivers has been helping Haddon Heights' residents 65+ and people with disabilities live independently and stay active in the community. Our volunteer superheroes provide free rides to doctors, hairdressers, and social events. We grocery shop and run errands with seniors. Do you or someone you know need Interfaith Caregivers? If so call our office at 354-0298.

Haddon Heights Good Neighbors

"As man draws nearer to the stars, why should he not also draw nearer to his neighbor?" Quote from Lyndon B. Johnson

Here in Haddon Heights, our next door neighbors are an integral part of our lives. We turn to them when we go on vacation to watch our house or get our mail. We call them up if we need a cup of milk for a recipe we are making for dinner in one hour. We help them shovel snow on their driveway when we know they need help getting to work. Establishing these bonds was so important when we decided to move to Haddon Heights, and we find it was one of the best decisions we ever made.

But there are so many more "neighbors" in Haddon Heights who we do not know, yet still need our help. They may have lost jobs or gotten ill. Haddon Heights Good Neighbors (HHGN) is an organization that can help out.

HHGN was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

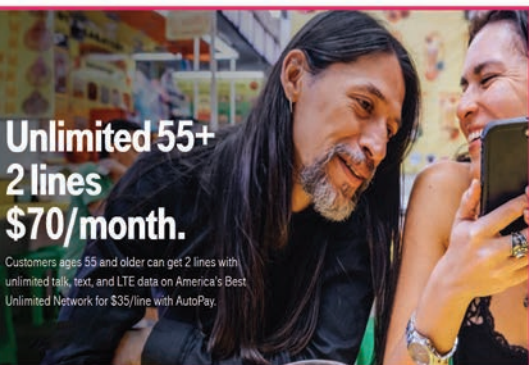

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to: Haddon Heights Good Neighbors 625 Station Avenue, Haddon Heights, NJ 08035 856-546-6677 or www.hhgoodneighbors.org.

HHGN is NOT to be confused with the Haddon Heights Neighbors "Night Out" organization whose mission is different than ours although BOTH benefit our town

Another way to help HHGN financially is through the AmazonSmile program. AmazonSmile, is a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

Of special interest is a visit to a family whose wealth lies in their production of balsamic vinegar. You will see how the family gathers and the women lovingly make gnocchi for a delightful midday al fresco meal. Guests are welcome. After the meeting enjoy free refreshments. Stanfill Manor Senior Center Presentations:

Dr. Alexander Higgins on DNR Issues

WEDNESDAY, DECEMBER 12 AT 2:00 P.M

Our retired family physician, Dr. Alexander Higgins, will speak on the complex DNR issue. Dr. Higgins commented, "We all have reaped advantages from the advances in technology. Grandparents can now watch grandchildren grow up even though separated by hundreds of miles. None of us would wish to do away with the rewards of technology which have been granted to us. Yet, that same technology has brought with it questions and choices which our own parents and grandparents never had to make. Life-sustaining and prolonging technology can be both a blessing and a bane.

"The plethora of choices you face as you consider and determine the course of your final days include acronyms such as DNI, DNH, and DNR. What do they all mean and how do we navigate through this overwhelming maze of options? Then there are terms which may seem interchangeable but do have nuances of differences: living wills, advanced directives, health care advocate, power of attorney, and others. End of life decisions and end of life care are choices we are all called upon to make. Knowing the options is vital for good decision making."

Join us at Stanfill Manor Senior Center, 109 East Atlantic Avenue. No charge. All are welcome to attend. Park along the railroad. Refreshments will be served.

Forgiveness Workshop

WEDNESDAY JANUARY 2 AND WEDNESDAY JANUARY 9 AT 2:00PM

Well, you got through the holidays. How'd that work for you? Let's set the year 2019 off with a fresh start. Give yourself the gift of forgiveness this New Year.

Forgiveness liberates you from feverishly keeping score and remembering wrongs. It propels you into a new, higher way of living, a life of grace, a life of second chances. A life of seeing the possibilities for people and yourself rather than being debilitated in the swampy muck of what has been. A life of perfectionism is replaced with joy. A life in which you do not have to carry other people's wrongs or be trapped in the prison of your own. Forgiveness frees the wounded from carrying the poison of resentment. Come, be inspired by true stories and Sacred Scripture to give and receive forgiveness because... Everybody needs to forgive somebody.

Join presenter Judy Bickel for this inspiring program. Heights Senior Resource Center, 109 East Atlantic Avenue. Please park along the railroad.

Rethinking Recycling

China recently announced new standards for accepting recycled materials. It is now no longer economical for them to process our materials, since much of it is contaminated with non-recyclables. While the search goes on for a country willing to take our recycling, it's an opportunity for us to rethink recycling, using the 3 R's of the Environment: Reduce, Reuse, and Recycle.

**RETHINK
RECYCLING®**

Recycling isn't new. As early as 1690, there was a rudimentary process at The Rittenhouse Mill near Philadelphia that used fibers from linen and cotton rags to produce paper. During the Revolutionary War, recycling and reusing goods supported the war effort. Even Paul Revere had a scrap metal yard. In the nineteenth century, peddlers not only sold manufactured goods, but also bought recyclable materials, such as rags for paper and leftover beef bones for fertilizer.

During the Great Depression, manufacturers marketed products that had multiple uses—biscuit containers that could be used as lunch boxes and flour sacks that could be used as fabric for clothing, thus reducing the demand for goods and conserving resources. Collecting scrap metal, paper, and cooking waste helped the war effort in the 1940's.

The booming economy after World War II brought with it the consumer culture. The demand for disposable cans, bottles, and other single-use products grew along with the idea that you threw stuff out when you were done with it. Manufacturers produced products with built-in obsolescence rather than reusability. In 1947, the first landfill in the US, Fresh Kills, opened on Staten Island and recycling became a way to reduce the massive amounts of waste being produced rather than reclaiming valuable resources.

The first step is to reduce the amount of trash we create, by not buying things we don't need and being thoughtful about the things we do purchase. Reduce the use of single-use products and disposables, by taking our own shopping bags to the store rather than use new paper bags or new single-use plastic bags.

Next, reuse the things we buy, like plastic, metal, or glass containers. Plastic food storage bags can be washed and reused rather than tossed. Unwanted toys, furniture, and clothing can be donated for others to use. Maybe an item only needs to be repaired to be usable again. The Philly Fixers Guild (phillyfixersguild.org) offers free repair clinics and YouTube has lots of helpful videos.

The last step before putting something in the trash is to see if it can be recycled. The easiest way to do this is to use the free app, Recycle Coach, available online and downloadable to your smart phone. It not only tells you what your town recycles, it will offer suggestions for disposing of items they don't collect. The internet is another good resource.

Recycle properly. Items need to be clean and free of food. Don't just put something in the recycling container hoping it can be recycled. If it isn't listed as recyclable, put it in the trash. Items destined for the trash will most likely be incinerated to generate energy, reducing the strain on landfill capacity. Recycling has now become necessary to reduce our footprint. So, reducing our desire for stuff and reusing what we have should be our priorities. And when we recycle, we need to do it right.

Michael Bartorelli of Michael's Jewelers and Gemologist both lives and works in Haddon Heights. He has been making jewelry for over 35 years. Michael started in the jewelry industry working with family at just 13 years old. He spent every summer working on Philadelphia's jewelers' row until after he finished high school. He then graduated from Bowman Technical School for Jewelers in 1985. Michael continued his education with the Gemological Institute of America. Michael has earned a Graduate Gemologist degree with GIA in 1993.

Over the years Michael says his business has evolved into a hi-tech jewelry factory right here in Haddon Heights. Michaels' Jewelers produces

custom jewelry in computer aided design. Jewelry is designed in 3D cad software and printed on one of their two 3D printers. Before 3D printers were available, they were cutting their models on a 4 axis CNC machine. The machine is still used at times for certain designs. They also cast their own precious metals using hi-tech casting machines. Michael's also has a laser welder used to precisely fabricate metals.

Michaels Jewelers has been operating for over 15 years on Station Ave. They are members of two of the largest jewelry buying groups in the country. Michael and his staff travel at least twice a year to go on buying trips. Buying directly from the world's largest diamond and gemstone

manufacturers allows Michael's to compete with any large chain or internet store on price.

Michael Bartorelli has been recognized multiple times in national jewelry design contest. He loves showing off his shop, and showing those interested the equipment they use. If you have never been in this store, stop in. You will see the most modern methods of jewelry manufacturing right in your own back yard. And you will see a selection of jewelry that has everything from silver to one-of-a-kind custom designs. What you will not see, is jewelry mass produced overseas!

100 Year Old Building Saved!

Our First Church of Christ the Scientist has been purchased by Desiree Avilla, a Haddon Heights native who was raised on Crest Avenue. The sanctuary along with its curved roof old church/offices and will be remodeled into a home for Ms. Avilla and her three sons who are relocating from California.

The church was formed in 1916 and in 1925 construction began for the curved roof building. The cottage-style church looks as if it could be

sitting on a rolling hill in the English countryside. It is an example of the storybook Tudor style that was popular in the 1920's. The steeply pitched roof appears to be made of thatching. It is, in reality, constructed of wood and slate. These types of roofs are made up of steamed cedar shingles, which have the ability to be shaped in curved formations. Creative underlying construction was required to support the heavy materials. The roof has been a visual delight for passersby for almost 100 years.

The church on the left with front facing gable was completed in 1952 and dedicated in 1966. The interior has half timbering, wonderful woodwork BUT is in its original 1921 and 1952 built condition with original doors, lanterns, shutters, hinges and shutter dogs, along with old plumbing, wiring, etc. and . . . it's a church! Ms. Avilla plans on remodeling the interior into a home while keeping the front exterior.

According to Dan White of Daniel White Realtors more than 80 prospective clients toured the building. This building is not listed as a town historic site nor is it in a historic district. It could have been demolished without so much as a review. Recently the Planning Board approved Ms. Avilla site plans for new construction of a compatible garage/carriage house, pool and fence.

Thomas Wolfe said, "You can't go home again." That's not true. Ms. Avilla is moving home, rescuing one the most unique buildings in Haddon Heights and answering the unspoken prayers of hundreds of residents who love this church.

Haddon Heights Soccer Club

Congratulations to all the players who completed another season with the Haddon Height Soccer club. From Tots (Age 3) to our 2005 Travel Teams, Devon Field was filled nightly and throughout the weekends with players working on their skills and competing against the best that South Jersey has to offer. The Cub partnered with GPS this season, and the training our players received, from both Coaches and Trainers, was impeccable. Our largest obstacle this Fall was the rain, but Director of Soccer Operations Josh Haas did his best to keep Devon Field playable And, 5 travel teams competed in the inaugural Sound Jersey Cup. Thanks to our players and coaches for a fantastic season and thanks for representing the Badge.

With this being the Holiday season, here are a few soccer related gift ideas, most available from www.soccer.com, www.worldsoccershop.com, or www.Amazon.com:

By the time this goes to print, those pumpkins on the lawn at the corner of the White Horse Pike & Green Street will be but a faint memory. But I'm sure you noticed them back in October! We have discovered that our Haddon Heights area communities LOVE pumpkins – and we in the St. Mary's community LOVE meeting our neighbors. And there's a lot to consider... size, shape, color and carving possibilities! So, before jumping in to fill you in our upcoming plans, we want to say a huge Thank You to all those friendly souls who bought their pumpkins here. If you missed out this year – plan on being with us next year. And, in case you didn't realize... our pumpkins are grown on a Navajo Reservation in New Mexico. That means that your contributions help employ and benefit many along the way!

And now, looking ahead... Our doors are open to all for a free holiday concert, Sunday, December 9th, at 4 p.m. Come hear the glorious holiday music of the Moorestown Madrigals! You will find the choral music of the Madrigals (all sung in colorful period costumes under the direction of Sergey Tchachenko) quite magical and enchanting. It's a not-to-be-missed event, part of our free Sundays at Four concert series

Remember the Library House Tour of 2017? We do! As a stop on the 2017 tour, we discovered that many of our neighbors had never stepped into our beautiful sanctuary, had never seen the sunlight filling the interior through the beauty of our stained-glass windows, and had never heard the glorious sounds of our magnificent 52-rank Schantz organ. Though we are not a stop on the still-sure-to-be-wonderful library tour this year, we want to invite you back on Sunday, December 16th, between 2 p.m. and 4 p.m., or between 6 p.m. and 8 p.m., to experience all of that! At St. Mary's "Creches of the World" display, you will be treated to an amazing display of nativity sets from around the world, including a full Fontanini village nativity, plus treats and refreshments for all. Younger, older, and everyone in between will find something to enjoy!

Some of us are now in full-fledged holiday season mode! Baking, buying, singing, planning dinners, hoping for peace and joy for all. Others are feeling anxious or lost, grieving some loss, or just plain old tired from the realities of a very tough year in American life. Whether you are bustling with hope or

struggling to breathe or are any place in between, we invite you to come inside our beautiful and peaceful haven that is our church at some point during this season. We will always welcome you, and you just may find the refreshment of spirit that carries you through.

We do have some other suggestions for keeping your sanity: Wander into our chapel at 7 p.m. on any Wednesday evening leading to Christmas, starting December 5th! Stay just half an hour, joining us at Compline by Candlelight. Compline by Candlelight is a come-as-you-are simple gathering for half an hour of music and prayer... all by candlelight. This half hour will help to calm your heart and mind from the stress of life. Everyone is welcome! Come be restored!

For many, the holidays bring on some feelings of sadness, loneliness, or grief. The Longest Night service (sometimes called a "Blue Christmas" service) invites you to acknowledge those feelings either for yourself or for someone you love. In keeping with those heavy feelings, the Longest Night service takes place when the day is the shortest and the night is the longest. This year, the longest night is the night of Friday December 21st. If you are struggling with the holidays or know someone else who is struggling, please join us at 7:30 p.m. that night. You will have the chance to honor the truth of sadness and pain in this world, and you just might experience God's quiet gentleness and acceptance of those difficult feelings.

If you feel inclined to check out a regular church service in the weeks leading to Christmas, we hope you will join us for a regular worship service, each Sunday at 10 a.m. And, of course, you will be invited to stay to share in a time of fellowship and snacks afterward. If you want to bring children or grandchildren along, you can join them for a Bible Story time (we call it "Bible Champs"). Bible Champs gives adults and children a chance to explore Bible Stories together. Let's face it: some of these stories are written for a place and time that we don't understand – so it's great to explore them together! Sundays, December 2, 16, and 23; and January 6, 20, and 27, at 9:30 a.m.

If Sunday mornings aren't your time, or if you aren't sure you are ready for Sunday worship – or even if you just occasionally hope prayer will get you or someone you love through a challenging time or experience...

you are welcome to join us for a simple worship services focused on healing of body and spirit. Come any Wednesday morning at 10 a.m.

And then there's the big day: Christmas Eve! Our Festive Christmas Eve Eucharist begins with a Service of Light at 8:30 p.m., Monday, December 24th. It will be a magnificent celebration of joy and hope, with choral and congregational caroling – a perfect start to your family celebrations!

Our Christmas Day Eucharist will be beautifully simple and peace-filled, beginning at 10 a.m. Join us and when you go on your way, we are certain that hope and peace will accompany you!

Finally, our most favorite service of 2017 was the semi-impromptu Festival of Carols and Readings on the Sunday after Christmas. Repeat!! Join us on Sunday, December 30th, at 10 a.m.! This service will be fun-filled... a pageant in which everyone can have a part! Join us as we remember how Christmas and the birth of a child fits into the whole picture of life over all the generations of God's people.

Haddon Heights Baptist Church

December at Haddon Heights Baptist Church is all about the joy of the Incarnation of the Savior. Christmas cantatas and dramas and special services all are celebrations of the event that changed the world-the birth of Jesus Christ.

On Sunday morning, December 2, the Shepherds Department of special needs students presents the musical drama "Wise Men Today Seek Jesus." The fully-costumed students perform at 10:45 am in the Main Auditorium.

On Sunday evening, December 9, at 6 pm, the children and teens assemble for a special evening of "Melodies of Christmas." Handbells, chimes, percussion instruments and voices will lead the celebration of the birth of the Christ Child.

On Sunday morning, December 23, The Haddon Heights Baptist Adult Choir and Orchestra present the cantata "God Came Near." Cantatas at HHBC not only are a tradition, but their message is at the heart of the Christian experience. The choral and spoken word performance is the work of the inimitable talents of best-selling writers Tom Fettke and Max Lucado. It is designed to heighten and enrich your celebration of the Incarnation...when God came near.

On December 19, clubbers will share the joy of those carols with shut-ins of Haddon Heights Baptist Church and then experience the Live Nativity on the church lawn. Christmas crafts will be made during December, as well. In January, clubbers will sharpen their skills at Speed-Stacking.

Awana, which stands for Approved Workmen Are Not Ashamed, is a kids club for children age 3 through 6th grade. Emphasis is on wholesome game activities, Scripture memorization and Bible-based teaching. Awana meets Wednesdays, September through April, from 7:00 pm to 8:30 pm. All are welcome and parents of clubbers may attend Bible Study groups held at the same time as the clubs.

Harvest Celebration

On October 31, Haddon Heights Baptist Church set up a refreshment station on the front lawn at the corner of Third and Station Avenues. As hundreds of Trick-or-Treaters passed by, they were invited to take a break from their arduous door-to-door endeavors to partake of cider and snacks. The corner full of church workers serves as a neighborhood presence to help maintain the safety of the borough streets. Costumed children and their parents enjoyed pretzels and candy treats as well, on Station Avenue

gathering is for those who enjoy a good theological discussion in a less traditional atmosphere. Our conversations last about 30 minutes. We meet at the Station House, 602 Station Ave. Haddon Heights. People of all faiths are welcome.

YOGA-SOULS- BRAND NEW

Please join us on Sunday mornings at 9am for 40 minutes of guided meditation. All classes are under the guidance of a certified Yoda instructor. Day care will be provided. Classes will meet in our church lounge on the 2nd floor. A good will offering for both the instructor and day care is greatly appreciated but never required.

THEOLOGY ON TAP

Every fourth Friday from September to May, join us for Theology on Tap. It is a night of interfaith discussion and fellowship from 6:30pm-8pm. On September 28 and October 26 we will gather at Lunacy Brewing Company, 1500 W Kings Highway Haddon Heights to discuss our faith and how it affects our choices and

at Third Avenue.

Youth Groups

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00 pm to 8:30 pm September through June. Come for food, fun, fellowship, a challenging speaker, good music and games.

December and January events had yet to be scheduled at this printing, but are available on the church website and on Facebook.

The church's College and Career group, Crossroads, ages 18-30, meets every other Monday for Bible Study.

Day of Prayer & Granny Club

Haddon Heights Baptist Church believes that a foundational reason the church has been in existence for 120 years is the commitment of its members to praying for one another. Wednesday Prayer Meeting has been in existence for all of those 119 years. In addition, members pray successively around the clock on a monthly Day of Prayer to lift up the fellowship in prayer to the Lord on the second Tuesday of every month. A Granny Club meets on the first Thursday of every month for grandmothers to meet and uphold their grandkids in prayer.

On January 26, the Women's Ministry will hold a Swap Event between 9 am and 12 noon. Bring entertainment items (games, videos, CDs etc.) to swap.

Using the Gospel Light lesson series, the younger three classes learn Bible stories and life lessons. Most lessons include a "take-home" flyer so that families are informed of and involved in the week's message.

Our teens focus on life in today's world and service to others.

In addition we also have a nursery that is staffed every Sunday through out the year to watch your toddlers and babies while you are enjoying the service.

Stanfill Towers 40 Anniversary Concert for the Community

A Star-Spangled Success!

Blawenburg Band conductor Dr. Jerry Rife regales the audience attending the Stanfill Towers 40th Anniversary Concert for the Community with fun facts about the music the band performed on Sunday, October 7. (credit MP Scorzetti)

It was cloudy, but dry as residents of Stanfill Towers and their Haddon Heights neighbors convened on the Towers' property to enjoy a rousing concert by the sensational Blawenburg Band on October 7. Hosted by the Stanfill Towers Board of Directors, the concert was the culminating event in a year-long 40th Anniversary celebration at the senior living community.

Festivities began with a presentation of colors by the Color Guard from 1775 Detachment, Marine Corps League based at the American Legion Post in Oaklyn, NJ and an acapella rendition of the National Anthem performed by soloist Colette Scorzetti of Drexel Hill, PA. The Reverend Joseph Byerley, pastor, of St. Rose of Lima Church in Haddon Heights offered an invocation and James M. McGrath, Chairman of PRD Management, Inc., Stanfill property manager, delivered remarks recounting the history of Stanfill Towers and acknowledging the individuals and community churches responsible for its founding and growth over the years.

Guests were treated to a two- hour performance by the full concert band. Crowd pleasing Sousa marches, recognizable medleys and old time favorites including a rousing military medley, recognizing veterans from all branches of the military, were performed. During intermission, pretzels and water donated by Shop Rite, Philly

Pretzel Factory and Wawa were enjoyed. Families and residents visited with members of the Barrington Ambulance Company who shared safety information and distributed coloring books and candy.

The Stanfill Board is most grateful for the support it received from Haddon Heights Borough clerk Kelly Santasusso, the department of Public Works, the Police Department along with Haddon Heights School District in planning the celebration.

“All Through the House” Holiday House Tour

Get ready to kick off the holidays with the Haddon Heights Library's "All Through the House" Holiday House Tour. The library is celebrating the 35th anniversary of the tour with 4 beautiful homes. The evening portion of the tour will also feature carolers and an indoor model train display at the Haddon Heights Library. We are excited to share these wonderful homes with you as part of the kick-off to the holidays in Haddon Heights. The tour will showcase a Gemberling Cape Cod with a beautiful new kitchen, a lovely mid-century center-hall colonial with a Pennsylvania field stone front, a classic American Foursquare with colonial revival elements and a recently modified Cape Cod that features a large kitchen and family room. This is all in addition to the Haddon Heights Library, which will present an evening model train display (6:30 – 9:30 p.m.) as well as an evening caroling performance. This year's tour is set for Friday, December 7. The tour runs from 12 – 3:30 and 6:30 – 10.

The five locations are spread around Haddon Heights and will give tour goers a great look at different styles of homes. Tour goers are invited to drive from home to home on this self-guided tour. Tickets are \$15 in advance and \$20 the day of the tour. They can be purchased at the Haddon Heights Library, April Robin Florist, Freshest Flowers and Kunkel's Restaurant. This year we are also offering online ticket sales. Just visit the library's Facebook page for the link. All proceeds benefit the library and are used to purchase more materials and services for our residents. It is the second largest fundraiser for the library each year. For more information, call Christopher Walter at 856-547-7132.

Holiday Model Train Display at the Library

The library is happy to announce that model trains are returning this year, with more trains running than ever. The Atlantic Division of the Train Collector's Association will be at the library on Saturday, December 1 from 10:00 to 4:00 and on Sunday, December 2 from 10:00 – 2:00. This 6' x 12' layout is a combination of S and O gauges. It features interactive accessories that kids can operate themselves. It has three trains and a trolley always running. Also, we are happy to welcome back the South Jersey S-Gaugers to the library with their interactive model train display. The display will be open from 10 – 3 for everyone to see on December 8 and 9 and again on December 15 and 16. The South Jersey S-Gaugers display features a highly detailed, 26' x 12' sectional layout with three levels. It is capable of operating AC, DC or DCC and can utilize American Flyer, HiRail and 1/64th scale locomotives and rolling stock. There are so many features on this layout, you won't want to miss it.

We will also be giving out FREE coloring books featuring local spots in Haddon Heights, as well as selling tickets for our annual train raffle. This year's raffle features one 1950s vintage set and one brand new modern set. Both are valued at \$300. We are extremely grateful to Jim Mercurio from Roads and Rails for donating these items. Stop by the library for more information and to enter the giveaway. All proceeds benefit the library. This event couldn't have been put together without Roads and Rails, Heights in Progress, the Atlantic Division of the TCA and the South Jersey S-Gaugers. Many thanks go those involved. Happy Holidays!

“A Christmas Carol” Live Performance Featuring Master Storyteller Jonathan Kruk

Please join us on Wednesday, December 19 at 7:00 p.m. for a live performance of “A Christmas Carol.” This live show features master storyteller Jonathan Kruk and musician Jim Keyes, fresh off their run in Sleepy Hollow, NY and Haddon Heights performing “The Legend of Sleepy Hollow.” Experience the tale of Ebenezer Scrooge like you never have before. These two wonderful performers will regale you with their adaptation of Charles Dickens's “A Christmas Carol.”

Tickets are on sale now and cost \$10.00 per person. They are available at the library and also online by visiting the event site on our Facebook page. Our master storyteller has been featured on CBS Sunday Morning, The Travel Channel, The History Channel, The Today Show and many other television programs. Jonathan Kruk, along with Jim Keyes, perform this holiday classic to sold out shows in New York every Christmas season. Please join us for this very special live performance at your library.

Santa's Mailbox

Ho ho ho! Santa has a mailbox in front of the library again this year until December 22nd. Children are welcome to write their letters and drop them off in the box. Santa will read and replies to these letters, so don't forget to include your wish list and return address!
