25th Anniversary Remembrance

On April 20, 1995 at 2:08 PM, The Haddon Heights Police Department and the Camden County Prosecutors Office lost Patrolman John Norcross and Investigator John McLaughlin to gunfire while executing a warrant at a residence in Haddon Heights. This year marks the twenty fifth anniversary of this tragic event.

There For more information about this tragic event please check out this documentary on our website: <https://cineluci.com/portfolio/2015-after-tragedy/>

MAYOR'S MESSAGE

Dear Neighbors:

Well, I feel lucky to say we have had a mild winter and seem to be welcoming springtime a little earlier than usual. With that, many of you may have already taken advantage of the change to our brush schedules. Our partnership with our neighbors in Audubon as the new Audubon Haddon Heights DPW has allowed us to begin to collect brush every week instead of every other. Brush collections for the East Side (10th Ave to Haddonfield) will be Wednesdays and brush collection for the West Side (10th Ave to the Black Horse Pike — including 10th) will be Thursdays. You may have also noticed that many of the long-standing stumps on our curb lines are being ground finally. If you happen to see in the coming weeks that we missed any, please feel free to reach out to the DPW, and they will schedule it at the earliest convenience.

You may also notice that this time of year, we experience an increase in road and utility work. We are happy to report that Haddon Heights continues to complete a number of projects through local and federal grant funding. The Devon Avenue resurfacing project is one slated to begin very shortly. We will do our best to minimize daily disruptions and keep everyone informed.

With the weather breaking a little sooner

than average, you can expect to see an increase in pedestrian traffic, especially around our schools, parks, athletic fields, and downtown. Please drive responsibly through our neighborhoods, obeying all posted speed limits and motor vehicle laws. Don't forget to yield to pedestrians in the crosswalks and remember it is against the law to cross over a double solid line into oncoming traffic to pass a vehicle parking on the street.

This time of year also brings more door to door salespeople. Mayor and Council are working on adopting an ordinance for a Do not knock registry here in town. With that said, one group who you may see this spring is the U.S. Census workers who will be making their rounds to ensure everyone completes the 2020 Census before the end of May. In the coming weeks, please keep an eye out for a mailer from the U.S. Census Bureau. This will have instructions on how to complete your census by phone or on the internet. Camden County has graciously offered us the use of their iPads for several 2020 Census collecting events to be hosted here in Haddon Heights at various locations. The Haddon Heights Library is also prepared to assist you with completing the census, so stop on in or take advantage during your normal visit. It is really important

to ensure an accurate count because billions of dollars in local funding are at stake. Remember to count anyone and everyone living with you come April 1st.

Kicking off this spring will be our first annual Civics Day event, which will be focused on beautifying our downtown Station Ave Business District as well as several other areas throughout town. Our committee of volunteers are diligently working to plan this event which will take place the morning of Sunday, May 3rd. Please keep your eyes out for volunteer sign-ups and opportunities to get involved and take pride in our beautiful Haddon Heights. In regards to more information, you may have noticed an increase in our social media presence. You should start to see the rise in social media usage for the sharing of information throughout all of our departments. So if you aren't following us already, click that Like or Follow button and don't be afraid to share our posts, we welcome that. Our website will continue to be our primary means of communication. For those more comfortable with seeing printed copy, this publication serves as a great source of information. Important notices are also posted in the Borough Hall.

Finally, this year marks the 25th

anniversary of the tragic events that unfolded on Sylvan Dr here in Haddon Heights where two law enforcement officers lost their lives; Patrolman John Norcross of HHPD and Detective John McLaughlin, CCPO. We mark April 20, as a somber day of remembrance for our two slain officers and a day to think about the people in our community who risk their lives daily to keep us safe. I was in the third grade when these events transpired but can remember it like yesterday. Please take a moment on April 20th to remember those lost.

As always, my office door is open most days, and if you have any concerns, please feel free to reach out to me personally at mayor@haddonhts.com or contact us at 856-547-7164. I look forward to seeing you around town as everyone takes full advantage of this beautiful weather and our amazing town.

Haddon Heights Community Garden

Do you want your family to have access to Non GMO, organic vegetables with no pesticides? You can do that by growing your own vegetables at the Haddon Heights Community Garden. Join a large group of other people already growing their own produce. There will be plots available for rent this year. The Haddon Heights Community Garden is located at 13 Glover Avenue. The garden has 30 plots that are each 100 square feet in size. Registration opens on March 15. Plots rent for \$25 per year. Applications are available online and in person at the Borough Hall Administrative office.

New gardeners are encouraged to register early, when there are more options for plot location. For a full season of growing, many gardeners clear their plots of weeds and turn the soil in March and April, to be ready for planting in early May. There is a shed at the garden for storage of tools and equipment. There is a water hydrant on the property with an attached hose. The cost of providing water is included in the rent. If you have any questions or want additional information, contact Rich Burke at stoney2503@gmail.com or call at 856 546 9133.

Circolo Italiano of So. NJ

Circolo Italiano of So. NJ is bringing you an award-winning young tenor, Justin Gonzalez at the April 13th meeting at 7:30, at the Haddon Heights Borough Hall on Station Ave.. Based in Philadelphia, his powerful vocal performance has him compared to Luciano Pavarotti and Placido Domingo. The program will showcase the versatility of his range as he sings operatic arias, classical tunes, big band and Broadway musical theater standards. Jerry Blavat has called him "the son of Mario Lanza." Be sure to invite your friends to a great evening of musical entertainment along with free refreshments. The program is free of charge.

Circolo Italiano of So. NJ will meet on May 11th at 7:30 in the Community Room at the Haddon Heights Borough Hall. If you didn't attend the World's Fair in 1939, we have a treat for you. John Giannotti, sculptor and professor emeritus at Rutgers has been a speaker who, in the past, dealt with Italian art and artists. But this time he will inform us of the transportation and engineering history of Italy. He'll focus on the Italian railway system of the late 19th century. A highlight will be a scale model of the very first electric locomotive ever used in Italy in 1901. As for the World's Fair, what he will show us was on exhibit at the Italy Pavilion of the New York World's Fair in 1939. This model has been in his family's collection for 80 years. This is a rare chance to learn about a very interesting part of Italian history. Bring friends and later enjoy free refreshments. The program is free of charge. Contact 856 627-2869 with any questions.

Bike Rack Project is About to Happen!

Several years ago, while preparing for two bike-related Sustainable Jersey actions, it was discovered that Haddon Heights had no real bike racks in our historic business district, just ornamental fencing at the Library and John's Market. Further research confirmed that the only other bike racks in town were a wave-style rack at the Community Center, a wave-style rack tucked behind the concession stand at the W Atlantic Ave ballfields, and grid-style bike racks at our three elementary schools. Sustainable Haddon Heights decided that instead of sourcing the cheapest possible bike racks, we would seek high quality racks with three points of contact to insure stability and security while controlling the bike footprint with wheel troughs. We also chose a rail mounting system as a significant added upfront expense, reducing the time and cost of installation, and the least intrusive option for the brick pavers in our historic business district. Conversations with many actual bike riders confirmed we were on the right track. The only negative feedback came from a few citizens more interested in racks with an artistic look, regardless of functionality. ShopRite of Lawnside and Zallie's Fresh Kitchen have continued their support of Haddon Heights by agreeing to co-sponsor the cost of 20 racks, holding 40 bikes for residents and visitors. Racks are planned to arrive by late April or early May. Actual implementation dates are planned to be posted on the Borough website.

SHU SUSTAINABLE HADDON HEIGHTS

Environmental Commission

April 22, 2020 is the 50th Anniversary of Earth Day. In conjunction with The Shade Tree Commission and Sustainable Haddon Heights, 650 tree tubelings are being provided to local school children for planting. We are also going to plant 350 trees in a no mow zone on Cedar Avenue to reforest that location. If you are available to help with this project please contact Tom Ottoson at e-mail TOTTOSON@HADDONHTS.COM or cell phone 856-816-4993. A Celebration of Earth Day on behalf of Haddon Heights Borough will take place on Sunday, April 26 at 2:00 p.m. Please mark your calendar. Former Governor James Florio will be a guest speaker. Additional details to follow.

Environmental Commission has been working on a plastic bag ordinance to reduce the waste and environmental hazard caused by single use plastic bags.

Reduction of Energy Expense and a shift to green energy are under study for community changes in components and purchase. We are working to reduce our community carbon footprint through aggregation of electric and implementation of greener energy sources.

SWIFT911 Emergency Communication

When a crisis affects the Borough of Haddon Heights, Municipal and Emergency Management Officials must be able to reach residents instantly with warnings, information, and updates. In order to ensure that residents can be contacted quickly and effectively, the Borough has begun using Swiftreach Networks, Inc. as the Emergency Notification service provider. Swift911™ in its simplest form is a system that makes phone calls to specific people or areas in the event of an emergency or for sharing important information. All the calls you receive will have the Caller ID of 'Borough of Haddon Heights' or 'Haddon Heights Police Department'.

Whether residents need to be informed of a water main break, approaching storm, State emergencies, or other crisis, the emergency notification system is the most efficient way to reach residents with the news. Residents will benefit from increased safety levels and peace of mind, while community leaders see improved response planning, increased efficiency and proficiency.

This is the link to sign up and receive notifications: portalv4.swiftreach.com/portal.aspx?c=202253 This information and an active link can be found on the Borough Website www.haddonhts.com on the left hand side under NEWS.

Haddon Heights Good Neighbors

Finally, the warmth of April and spring has arrived bringing a breath of fresh air. We love the blossoms on our trees and flowers in our garden. We love the longer, warmer days to take daily walks around our fabulous town.

What we may not be aware of, however, is what might be happening within the homes of some of our neighbors. Instead of taking the time to enjoy the beauty of our neighborhood or taking long walks to appreciate this beauty, some of our neighbors are still burdened from the effects of the winter. The cold temperatures may have put a strain on their utility bills. Or, possibly, they got one of those long viruses and the cost of medicines prevented them from making this month's rent. Fortunately, the Haddon Heights Good Neighbors (HHGN) organization is able to brighten up their days and put a new "spring" in their step.

HHGN was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

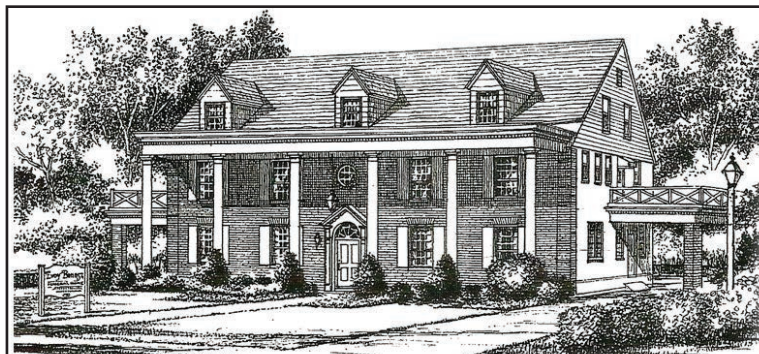

One way of helping HHGN to accomplish its goal is to join the organization which typically meets the 1st Wednesday of January, May, September, and November. For 2020, the meetings are January 8, May 6, September 2 and November 4. These meetings are held in Borough Hall at 7:00 PM. New members are always welcome.

Another way is to donate to the organization which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to: Haddon Heights Good Neighbors 625 Station Avenue, Haddon Heights, NJ 08035 856-546-6677 or www.hhgoodneighbors.org. HHGN is NOT to be confused with the Haddon Heights Neighbors "Night Out" organization whose mission is different than ours although BOTH benefit our town

Another way to help HHGN financially is through the AmazonSmile program. AmazonSmile, is a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

The Sewing Studio

506 Station Avenue
Haddon Heights, NJ 08035
www.the-sewing-studio.com/about-us

The Sewing Studio is a place for anyone to learn how to sew. Whether you have never used a sewing machine, or you are an experienced sewist, the shop has something for everyone, including all of the equipment you need to get started. You don't have to bring or own a machine to learn.

Becky Pyles opened the shop as a continuation and upgrade to the sewing lessons she had been giving for the past 15 years through the Gloucester Township Recreation Department.

"It's hard to think about but I have been sewing for more than 30 years! I have been in the trade for the past 20 years, starting with custom window treatments and home goods, which morphed into clothing, alterations etc. All of that led me to sewing on a very large scale in the trade show industry. Teaching has been the most rewarding part of my sewing career".

"Sewing has been my creative outlet and a social activity, introducing me to others who share my interest. I am passionate about sewing and want to share that with others. Haddon Heights offered me the perfect opportunity, a thriving downtown and business district and a very welcoming community." The many people, who have signed up, attended class and signed up online again indicates that she has made the right call in coming to Haddon Heights.

The shop's beginner classes are available for both kids and adults. Beginner classes start at the beginning with sewing machine basics, cutting and pinning. Projects are age appropriate and reinforce skills taught during class. All materials for the first classes are provided then students are encouraged to get creative and pick their own.

For a lot of sewists sewing becomes a

passion as well as a social experience. Once a user is comfortable with the sewing machine, they often enroll in the Pick Your Project classes. These classes are less formal and allow students to choose their projects with the help of the studio. Fast friends are also often made in these classes and it becomes a passion, hobby and social event.

"Sip and Sew" nights offer a fun night for friends to get together and enjoy some snacks and drinks, while making creative sewing projects. These projects may include seasonal pillows, cork clutches, and cosmetic bags.

The shop has classes for quilting, serging, weekend workshops and other courses. Becky added "We are working with local Girl Scout troops to help them with their badges. If there is something that you want to learn you can contact the shop and if

there is enough interest, a course will be created."

"I plan on teaching and working with students of all skill levels, from beginners to experienced. We will have multiple sewing stations, cutting tables, forms and all of the materials needed to learn and complete projects."

The shop will also offer weekend workshops of one or two days. Go to <https://the-sewing-studio.com/about-us/> or Google The Sewing Studio Haddon Heights. Please check the website calendar to learn when special projects are planned or to contact Becky.

How Energy Aggregation Can Reduce Your Electric Bill

New Jersey is one of only eight states that permit Community Choice Aggregation (CCA). CCAs allow local governments to purchase electricity in bulk from a single source for their residents, businesses, and municipal accounts. Buying in bulk can result in lower rates for participants and many towns see it as an opportunity to also support renewable energy.

Here's how a CCA works. After a bidding process, the local government enters into a purchasing agreement with a single energy supplier to provide electricity for the entire community. Typically, residents are automatically enrolled, but may opt out if they wish. Utility bills would still be handled by PSE&G. PSE&G would continue to be responsible for maintaining the delivery infrastructure and restoring power when necessary. The only thing that would change is the supplier. It would no longer be PSE&G (or another third-party) but would be the one chosen by the local government. Low income assistance would still be available to those who qualify. The goal is to reduce energy costs, typically by 2% to 20% for the supply charges. Delivery charges would continue to be set by PSE&G.

Haddon Heights is considering joining several nearby towns in exploring energy aggregation options for its residents. The goal is to reduce resident energy bills and at the same time reduce the town's carbon footprint by purchasing renewable energy generated by solar and wind. More information will be forthcoming and residents will have an opportunity to express their opinions before any decisions are made.

Strategic Plan Update

In January, Ms. Judy Wilson, Strategic Planning Facilitator, met with all the co-chairs and Mr. Adams regarding the development of the action plans for each of the four goals. Ms. Wilson then met with each set of co-chairs about their goal specifically and distributed/discussed a template to use for the action plans. The final product is designated to be completed no later than April 30th. Since the beginning of January the action teams, comprised of staff members and administration, have been working extremely hard researching best practices and instructional strategies in order to develop action steps for each goal.

Congratulations Garnets Swim Team

The Haddon Heights High School Swim Team won the South Jersey Interscholastic Swim League Arctic Division Championship! In addition to their division championship, they finished with an 11 - 1 record!

6th Grade Event for Barrington, Haddon Heights, Lawnside & Merchantville Students

Staff members and administration from Barrington, Haddon Heights, Lawnside, and Merchantville school districts recently met to organize this year's sixth grade event. This event gives the sixth grade students from all four districts an opportunity to enjoy a day of team building and social interactions with their future High School class members. This year's event will be held in Lawnside on April 2nd. Last year's event was a huge success and was hosted by Barrington.

Students Programming Mini Robots

Under the direction of Ms. Gravener, Jr./Sr. High School Business teacher, students at the High School are learning coding. Pictured below students are programming their Sphero Bolt Robots to roll in a certain direction, flash colors, and make noises. They were also given specific challenges to complete. For example, students had to code a robot to travel in a line over a ramp and return. This requires students to plan and solve problems when the robots don't perform up to expectations. The students enjoyed programming the robots and the challenges they were given.

Ability Awareness

The Haddon Heights School District will continue their efforts to celebrate "Ability Awareness". This year's theme is "Choose to Include". Students at the high school have been meeting to brainstorm ideas to support the theme with Mr. Clark (Special Education Department Chair), Mr. Renner (Haddon Heights High School Assistant Principal), Mrs. Renner (Special Education Director), and Mr. Rosen (Haddon Heights Junior/Senior High School Principal). Recently the group met to review the results of a recent student survey that asked junior/senior high school students to identify words that describe inclusivity to them and the meaning of inclusion in their own words. Many students responded to the survey which provided much needed input to support the development of an Inclusion Pledge. The group developed a pledge that they felt represented the views and belief system of the school.

Following is the Inclusion Pledge: Because we are a school that strives to create a more inclusive environment for people of all backgrounds, identities, and abilities, without fear of judgment. We choose not to marginalize, discriminate and exclude. We, instead, pledge to value and embrace our differences in order to promote acceptance and equity, encourage expression, and take action through the power of inclusion to ultimately create a school environment in which we all belong.

The group looks forward to sharing the pledge with the school and community. In addition, students and staff are creating short videos to share the message that "Garnets Choose to Include!"

Fellowship United Methodist Church

Fellowship UMC is a welcoming and casual church filled with people made in God's image. We are a church that honors Jesus' top 2 commands: Love God, Love people. Matt. 22:36-40 (We love that!) We work hard to be judgement free because

"God is the only lawgiver and judge. Who do you think you are, to judge someone else?" James 4:12 (We love that too!) We gather on Sunday mornings and we want you to feel at home. Grab a cup of coffee or tea, pull up a pew and relax. God is here and is not concerned with what you are wearing! Expect Miracles, Ayn M. Masker, Pastor (she, her, hers)

Sunday Morning Worship - Family Worship begins at 10:04am in the sanctuary

Children's Church, Sunday School and Nursery - Children's Church begins at 10:10am, led by Mr. Steve and music. Following the music time, Sunday School lessons begin for ages 6-12 and Sunday School and Nursery for ages 0-5.

Teddy Bear THANKS and HUGS!

On Sunday February 23rd, the sanctuary of Fellowship UMC became the 'winter den' for 244 adorable, cuddly teddy bears who came to celebrate Teddy Bear Sunday. "Ambassador Bear", K.I.C.S. (Kids In Crisis Situations) had been visiting for a month prior to help us prepare for this special day. This project was part of the work of the First UMC of Mt. Ephraim for 22 years prior to their merger with First UMC of Haddon Heights in January 2019 to become Fellowship UMC. We hope to continue this tradition as a new church family for many years to come!

The bears will be gifted to children coming from all over the area for treatments and therapies to the Osborn Family Clinic of Our Lady of Lourdes Hospital in Camden. Thanks to their social work department, children in stressful situations will be able to select their very own bear to comfort and keep them company during times when they might be frightened or just need something to hold tight to. Each bear comes with a card tied to its arm letting each child know that they are being thought of and prayed for. So many bears were donated this year that we will also be able to give bears to the Haddon Heights police department for their officers to give to children in difficult situations that they encounter on the job.

After the bears were blessed and gathered, stories of those who have been given bears in past years were shared, along with what that gift meant to their lives and faith. Then all in attendance celebrated the day by sharing in the covered dish "Teddy Bears' Picnic" luncheon.

Our church family is tremendously grateful to all who donated bears and came to share the day with us, particularly members of our local communities and families of the church's preschool, New Beginnings Learning Center! It is amazing how many lives can be touched when we come together

in God's Love for others!!

Sharing Gospel Love ~ Let's Change The World Together - On Saturday, March 21st, Fellowship UMC joined with over 30 Methodist churches to RISE AGAINST HUNGER. Our goal was to make over 500,000 meals. With many hands and hearts, we not only met that goal but exceeded it. Woo-hoo! There are more than 7 billion people in this world and more than 800 million of them are hungry. Everyone deserves an education and the opportunity to flourish - but in order to do this they need enough to eat.

UPCOMING EVENTS

Ministerium Gatherings - What's a Ministerium?

A ministerium is a gathering of clergy in a local area working together

to bring the love of God into our churches and communities. Here in Haddon Heights we have a very active ministerium joining together for certain seasons and celebrations during the year. We embrace God's love above all recognizing we share much more in common than we do apart. The participating churches are Audubon United Methodist, Rev. Jisun Kwak, First Presbyterian of Haddon Heights, Rev. Eliza Cramer Jaremko, Logan Memorial Presbyterian, Rev. Don Painter, St. Mary's Episcopal, Rev. Genevieve Bishop, Holy Trinity Lutheran, Rev. Dick Kitz & Fellowship United Methodist, Rev. Ayn Masker. On April 1st & 8th, the Ministerium will meet for the last 2 discussions in the LENTEN LUNCHEON SERIES.

Come join us for a free luncheon meal and an engaging conversation with area clergy about "Encountering Jesus" this Lent. We will be discussing the Gospel of John and the lives of the people who experienced Jesus. We meet at Fellowship UMC, 704 Garden Street, Haddon Heights, NJ. Please call the church office (547-3300) for more information.

On April 5th @ 4pm, the ministerium will join together for THE SEVEN LAST WORDS at St. Mary's Episcopal Church. A perfect beginning to Holy Week Services! French composer, organist, and music teacher Theodore Dubois composed Les Sept Paroles du Christ (The Seven Last Words of Christ) in 1867. Our local pastors will reflect on selected passages. Participating clergy will be The Reverend Eliza Jaremko of First Presbyterian Church in Haddon Heights; The Reverend Don Painter of Logan Presbyterian Church, Audubon; The Reverend Richard Kitz of Holy Trinity Lutheran Church, Magnolia; The Reverend Ayn Masker and The

Reverend Sandra Campbell, both of Fellowship United Methodist Church, Haddon Heights; and the Reverend Walter Norris of St. Joseph the Worker Roman Catholic Church in Haddon Township. This is a free concert. Light refreshments will be served when the program concludes.

APRIL 10 @ 11am On Good Friday, the Ministerium will be sponsoring the Walk of Witness. This is a contemplative walk reflecting upon the journey of Christ's final days to the cross. Check our church website fellowshipumc.net for a map of the walk and meeting place for the luncheon.

He is Risen indeed!

Annual Town Wide Food Drive

It's time again! When you see those grocery bags on your porch you know it's time for the Haddon Heights food drive. On April 18th, Fellowship UMC will be the collection point and will distribute the foods collected. The dry goods will be used to replenish local food pantries.

Interfaith Homeless Outreach Council

What do a shoebox, shoes (new or gently worn) and personal care items have in common? They are a blessing for the homeless staying in day centers and shelters. We will be partnering with IHOc during March and April. The Adopt-a-Box drive is a wonderful way for YOU to get involved in helping the less fortunate. Please check the church website fellowshipumc.net for a list of personal care items.

April 5th - April 19th The men of the IHOc will be joining us on April 5th and staying over until April 19th. We'll gather together on Sunday evening, April 5th for a community meal and welcome our friends. We look forward to making our community your home.

Little Hands Little Feet

Little hands Little Feet will be our special mission project for lent. We will be supporting the clothing ministry of Saint Andrew's United Methodist Church in Cherry Hill. This is the only ministry in the three-county area to provide clothing for children in need. There are ten agencies that make clothing requests to their church office through the agency social workers. Last year they provided over 700 children with bundles of clothing plus a book and a toy.

HOW CAN YOU HELP? DONATE: Gently used clothing sizes preemies to size 16, pajamas, jackets, coats, sweatshirts, NEW underwear and socks, baby blankets and bibs, diapers, books, and stuffed animals. Donations may be dropped off between

PROGRAMS

Our Winter Programs are currently all on hold. While all of the borough's facilities are closed and programs currently cancelled we are closely monitoring the current events. Once it is safe to do so we are hoping to complete any make-up classes needed from the winter session.

Our Spring Brochure and Class Registration Flyers have been delayed as we try to determine how to handle the current situation.

As soon as we have been given the ok to move forward we will let you know when you can expect the Brochure in your mailbox and when you will be able to see program information on our website.

If you have questions in the mean time please email the Program Coordinator at programcoordinator@haddonhts.com or you can call and leave a message at 856-546-2585. While the Program Coordinator is not in the office she will be able to answer emails and will be checking voicemail and will get back to you as soon as possible.

Haddon Heights Business & Professional Association

We have new businesses in town!

In January, Jennie Scarpato opened Rooted Yoga and Wellness at 308 White Horse Pike. It's a wellness studio founded in service and recovery. She offers yoga along with many other holistic modalities, with a small artisanal retail space. When you utilize her services, a portion of the profit goes to help a rotating non-profit promoting social causes.

Also in January, the Sewing Studio opened at 506 Station Avenue, owned by Becky Pyles. The Sewing Studio is a place for sewers of all ages and skill levels, from beginners learning to sew, and intermediates enhancing their skills, to established sewers bringing their own projects to work on. Becky loves to teach and offers a wide variety of sewing classes, projects, and workshops, as well as private and group sewing lessons for ages 8 to 88.

Please join me in welcoming these new businesses to our community!

Meanwhile, two other new businesses are on their way -- Tanner Brewing Company at 222 West Atlantic Avenue, and a brick oven concept at the former Elements Cafe/CC's Kitchen location at 517 Station Avenue. Both locations are waiting on approvals in hope of 2020 openings.

The Haddon Heights Business & Professional Association is a membership organization for business owners and professionals that works to improve and promote our business districts while providing community outreach through the Fall Festival, the calendar, High School scholarships, community sponsorships, and ads in the Retrospect newspaper. We meet at the Service Operations Facility at 514 W. Atlantic on the second Wednesday of each month. On odd numbered months we meet at 8am; even numbered months we meet in the evenings at 6pm. We welcome any and all business owners and professionals to join us.

If you have business news to share in the next Heights Report, please email me, Margaret@WestfieldArchitects.com

HADDON HEIGHTS AND THE RAILROAD

The story of the railroad and the community of Haddon Heights began in 1877 with the construction of the Philadelphia and Atlantic City Railroad through the area, which was then part of Center and Haddon Townships. The first tracks were narrow gauge, replaced with standard gauge in 1884.

In 1890, Benjamin A. Lippincott was given permission by the railroad to construct a passenger station here on his land, and construction of a freight storage station followed in 1906. While the area was farmland prior to this time, the establishment of commuter railroad lines to Philadelphia and the construction of the passenger station contributed to the development of the area as a suburban town. Lippincott and other property owners around the railroad station began to subdivide and sell their land, leading to the growth of the community and the incorporation of the Borough of Haddon Heights in 1904.

Rail passenger service continued until 1965. The railroad tracks are still in service for freight trains. Haddon Heights is one of very few New Jersey communities that still has its original passenger and freight stations.

Window Workshop

Wednesday April 22, at 6:30 pm

Join Fairmount Park Conservancy experts, Ray Tschoepe and Tom McPoyle for a free workshop on wood window restoration on Wednesday, April 22, at 6:30 PM, in the Borough Hall auditorium.

The Fairmount Park Conservancy's architectural conservation staff offers a full complement of building restoration and preservation maintenance services throughout the Philadelphia metro region. The conservators possess the educational background that allows them to make sound preservation decisions based on an understanding of a building's history and materials while balancing the financial needs. Their experience preserving historic structures ranges from National Historic Landmarks to barns.

Mr. Tschoepe is the Director of Conservation for the Fairmount Park Historic Conservancy and adjunct faculty member of the historic preservation program of Bucks County Community College, where he teaches a core course in building conservation. He graduated from the School of Fine Arts masters' program in Historic Preservation, and is a contributing editor of Old House Journal. Mr. McPoyle leads a team of architectural conservators and conservation technicians and oversees the work of the Conservancy's hands-on team. He has a sculpture background and earned a Bachelor's degree in Fine Arts from the University of Delaware. He enjoys working on his mid-19th century farmhouse. The Workshop is sponsored by the Haddon Heights Historic Preservation Commission.

They really worked hard to earn their first aid, pottery, and home-scientist badges. Way to go, Brownies!

Girl Scout Troop 30751

Girl Scout Troop 30751 making hat, glove, sock packs for the homeless of Philadelphia. The troop also worked on Logos with artist Jenny Troester from Dreamwalker Productions! They also went to Magnolia Garden to learn about the importance of bees and making a bee habitat.
