2019 Holiday House Tour

Get ready to kick off the holidays on Friday, December 6 with the Haddon Heights Library's Holiday House Tour. The tour runs from 12 - 3:30 and 6:30 - 10. The library is celebrating the 36th anniversary of the tour with 5 beautiful homes. We are excited to share these wonderful homes with you as part of the kick-off to the holidays in Haddon Heights. The tour will showcase a mixture of American Foursquare and Center Hall Colonial homes, each with their own distinct personalities and beauty.

The five locations are spread around Haddon Heights and will give tour goers a great look at different styles of homes as well as holiday decorations. Tickets are available now and are \$15 in advance and \$20 the day of the tour. They can be purchased at the library, April Robin Florist, Freshest Flowers and Kunkel's Restaurant. This year we are also offering online ticket sales. Just visit the library's Facebook page or website (www.haddonheightslibrary.com) for details. All proceeds benefit the library and are used to purchase more materials and services for our residents. It is the second largest fundraiser for the library each year. Mayor's Message

Dear Neighbors:

I cannot believe this has happened so quickly, but this is my final Mayor's Message. On December 31, 2019, I will complete my term as Mayor and will end my many years of serving in municipal government. For me, it is bittersweet. I have always enjoyed the opportunity to be of service to our residents; to get to know many of you; and to work together with our volunteers to make good things happen in our town. On the other hand, I am looking forward to spending some time on other interests, and it's also very important that we spread around our opportunities to lead.

I cannot possibly begin to thank the many people that have helped me throughout my career in public service. I want to mention a few groups. Our professional public servants – police, public works, and borough hall staff – are incredible people who are dedicated to the service of our residents. They are always there to help and have been of tremendous value to

me as I have sought to discharge my responsibilities. Just as important, have been the hundreds of volunteers that I have had the privilege to work with. There are many boards, committees, and commissions, to say nothing of our volunteer fire and EMS. All of these work because of the dedication of our volunteers.

I also have to thank my fellow elected officials and those who have chosen to run for office. Serving as mayor, a council member, or a school board member takes a large amount of time and commitment. I have had the privilege to work with many fellow elected officials – Democrats, Republicans, and independents alike. And I have been involved in campaigns with candidates who have been willing to serve but were unsuccessful in being elected. They, too, deserve appreciation for their time, their efforts, and their willingness to serve. It takes a lot to put oneself out there with everything that is involved in political life. I have

learned so much from my fellow elected officials, and I thank all of them.

I have to thank all of the residents of Haddon Heights who work together to make our town the special place that it is. I especially appreciate – and encourage – an active citizenry. Those who are willing to call, write, or come to a council meeting and hold the government to account are discharging an important civic duty. I know for a fact that I have disagreed with some of our residents and the ideas they have expressed. That is part of a vibrant democracy, and from those debates we can often find a way to improve. The biggest threat to small town government is complacency, and I know that our vibrant, engaged citizens will never allow that to happen. Your government is here to serve you, not the other way around – and if you have an idea or disagreement, I hope that you will continue to express it, and that your government will continue to listen and be responsive. That is the

only way a town like ours can properly function.

Finally, I want to thank my wife Sandy and my family for their continuous support and understanding throughout my years of service to Haddon Heights.

I wish nothing but the best to our future Mayor and Council and hope that we can continue to do great things as a town. From the bottom of my heart, thank you for everything, and best wishes for a happy 2020.

Mayor Jack D. Merryfield

What's New at the Station

There will be no January 2020 show at the municipal building this year to give the club more time to work on both layout expansion and maintenance on the station. The station is 130 years old in 2020 and we are working in coordination with several community groups to have a birthday celebration on Saturday, May 9, 2020 as an expanded Down by the Station Day. Details on the event will be forthcoming as we get closer to the date. Feel free to stop by Wednesday nights or Saturdays to see our progress.

Haddon Heights Good Neighbors

HADDON HEIGHTS

GOOD NEIGHBORS

"As man draws nearer to the stars, why should he not also draw nearer to his neighbor?" Quote from Lyndon B. Johnson

Here in Haddon Heights, our next door neighbors are an integral part of our lives. We turn to them when we go on vacation to watch our house or get our mail. We call them up if we need a cup of milk for a recipe we are making for dinner in one hour. We help them shovel snow on their driveway when we know they need help getting to work. Establishing these bonds was so important when we decided to move to Haddon Heights, and we find it was one of the best decisions we ever made.

But there are so many more "neighbors" in Haddon Heights who we do not know, yet still need our help. They may have lost jobs or gotten ill. Haddon Heights Good Neighbors (HHGN) is an organization that can help out.

HHGN was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to: Haddon Heights Good Neighbors 625 Station Avenue, Haddon Heights, NJ 08035 856-546-6677 or www.hhgoodneighbors.org. HHGN is NOT to be confused with the Haddon Heights Neighbors "Night Out" organization whose mission is different than ours although BOTH benefit our town

Another way to help HHGN financially is through the AmazonSmile program. AmazonSmile, is a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

Caregivers**

#GiveLocal and Help a Neighbor

Interfaith Caregivers thanks the HHBPA for a wonderful day at the Fall Festival. It was a beautiful day and so great to meet so many new friends while saying hello to old friends.

We are always in need of new volunteers to help our organization facilitate the independent living of aging and disabled adults in Haddon Heights, and we will offer even more opportunities to get involved starting in January. To begin, come to just one volunteer orientation, held at our offices at 20 Chestnut Street, First Floor, in Haddonfield. Trainings will be held at 2:00pm on the first Monday of each month, at 6:30pm on the second Tuesday of each month, and at 10:00am on the third Wednesday each month. More information can be found on our website, www.ifchaddons.org.

Not sure what Interfaith Caregivers is all about? Join us on Giving Tuesday, December 3, 2019, from 8:30am-10:00am at an Open House. Meet our staff and learn about our mission and how you can help by working directly with volunteers or serving on a committee. We have a lot of wonderful ways for you to get involved.

Historic Preservation Commission

Tudor Home Restoring Front Entryway

The Tudor house at 101 East Atlantic Avenue will have its front door and sidelights restored with approval from the Historic Preservation Commission. The house is the last house on East Atlantic in the White Horse Pike Historic District and is owned and occupied by Youth Consultation Services as a group home for young women. The house is an outstanding example of the Tudor style, built in 1910, and features a front facade dominated by a prominent cross gable, stone wall cladding on the first floor and stucco over the wooden studs with half timbering on the bays and second floor. The house also features tall narrow windows and a steeply pitched roof. The style is loosely based on early English folk houses and late medieval palaces. YCS and contractor Rick

Volpe intend to replace the door and sidelights which have rotted beyond repair with an exact replica of the original. This is an important house which anchors the northern border of the Historic District on East Atlantic Avenue.

Dr. Dennis A. Cardillo Optometric Physician

714 Station Avenue, Haddon Heights, NJ 08035

Phone: (856) 546-8686

Monday: 10:00 am - 6:30 pm Tuesday: 11:00 am - 5:00 pm

Wednesday: 11:00 am - 7:30 pm Thursday: 10:00 am - 6:00 pm

2020 is the year of the eye doctor when Dr. Dennis A. Cardillo reaches the milestone of practicing as an optometric physician for 40 years. Little did he know then that in 2019 his wife Karen would be managing his office while their son, Dennis Cardillo Jr., a licensed optician, would be dispensing eye glasses and special lenses.

After graduating from college, Dr. Cardillo studied for four years at the Pennsylvania College of Optometry. He provides comprehensive eye care, routine eye exams for correcting vision, plus eye exams for abnormalities and eye diseases. He is also licensed to treat those diseases as needed with both oral and ocular prescription medicine. "Patients are often surprised that I am trained and licensed to dispense medicine. Additionally, I have worked very hard through the years to perfect the art and skill needed to accurately fit regular, astigmatic, and multi focal contact lenses" said Dr. Cardillo.

His optometric duties include checking for glaucoma, age related macular degeneration, dry eye, cataracts, ocular manifestations of systemic health problems like diabetes and high blood pressure as well as childhood vision problems such as strabismus, lazy eye.

If macular degeneration is found, Dr. Cardillo is able to refer patients to retinal specialists and often co-manage treatment with the specialist.

Dr. Cardillo is qualified to prescribe drops for glaucoma. He is very pleased that he has been able to detect and successfully treat many patients with glaucoma. He also tests for dry eye and oversees tear replacement treatments.

Lasik surgery, the reshaping of the cornea to create 20/20 vision, is performed by a surgeon but after care is often co-managed by Dr. Cardillo.

Dennis Cardillo, Jr. joined his parents after

becoming board certified as an ophthalmic dispensing technician and contact lens dispenser. He takes great pride in his ability to accurately measure and custom fit eyewear. "I dispense the very finest state-of-the-art lenses and lenses coatings. The accurate measuring of frame to head size, lens size and positioning simply cannot be done at home with online purchased glasses. Also, if you bend the frames after wearing them, just come in. I regularly refit and adjust eyewear for our patients," said Dennis Cardillo,

The Cardillos are grateful to the community of Haddon Heights for being so supportive of their practice. Dr. Cardillo said, "My practice is built around the loyalty and support of the residents of Haddon Heights and surrounding communities. While we take great pride in our on going training and skills, we really enjoy serving our patients and helping them to see and remain healthy."

Haddon Heights School District

LGBTQ+ Inclusive Curriculum Grant Recipient

The Haddon Heights School District is one of twelve schools in the state awarded a grant to pilot a new state LGBTQ+ Inclusive Curriculum. The grant is sponsored by Garden State Equality working in collaboration with Make It Better for Youth. As a recipient of the grant, Haddon Heights School District will be one of the first schools in New Jersey to pilot this groundbreaking curriculum detailing the history and struggles of the LGBTQ+ community with the goal of promoting respect and appreciation for all people.

Haddon Heights School District will be given exclusive access to the LGBTQ+ curriculum, ongoing professional development, and support in best practices on infusing LGBTQ+ content into all areas of the curriculum. We will also be provided with free access to the state LGBTQ+ conference, and an opportunity to be afforded the recognition as a S.A.F.E. (Safe, Affirming, Fair, and Equitable) school.

On January 31, 2019 Governor Phil Murphy signed the LGBTQ+ curriculum into law, requiring school districts to teach about the contributions of LGBTQ+ people and people with disabilities for the 2020-2021 school year. This makes New Jersey the second state, along with California, to require an LGBTQ+ curriculum in all schools.

PCAST Elective Class

The PCAST elective class had the pleasure of hosting two guests in their classroom in October. The first guest was Joanne Hamza from Rutgers University and NJCAN (NJ Career Assistance Navigator). She was able to create accounts for our students so that they can access a multitude of information on careers, colleges and apprenticeships/trades. The class will continue to use this website to research and develop person centered plans. The second guest was Somerlee Monaghan from Rutgers Boggs Center. Ms. Monaghan helped facilitate a lesson in problem solving called Solution Circles. The students loved this interactive and beneficial approach of critical thinking and perspective taking.

Student Ambassador Program

Mr. Michael Renner, Haddon Heights Junior/Senior High School Assistant Principal worked with staff and Superintendent, Mr. Adams, to create and implement a Student Ambassador Program to Haddon Heights Board of Education. The spirit behind this initiative was to create and maintain a student representative to communicate and highlight all happenings within the district. Mr. Renner has been meeting with the Ambassador Leadership Group and representatives have already participated by contributing essential information at the board meetings, during the committee portion of the monthly meeting. An ambassador is present for each Board meeting and the team represents the entire student body.

Mr. Renner is enthusiastic about the work of this group as the project provides students with opportunities to develop leadership skills and gain a better understanding of the processes of a school district. The ambassadors already have had a positive impact on the school community and the communities at large. Giving students an avenue to share their feedback and take action to positively shape the future of the district is rewarding. The ambassador group, guided by the administration, is taking action and responsibility for their own growth and for that of the district and they are already seeing the benefits of the process. The ambassadors are also reporting information to the student body on Garnet Live to ensure communication with students.

Mr. Renner and the ambassadors have also paid particular attention to sharing their appreciation for the support of the community. Students recently presented the P.J. Whelihan's Group with an encased Garnets Football helmet and plaque, to be displayed at the Haddon Township location. The plaque is a token of the district's appreciation. Student, Shelby Counts, attended this event to provide coverage for Garnet Live. Mrs. Lodge, Junior/Senior High School Guidance Counselor worked with the ambassadors to secure food donations for various school climate events such as Activity Day and Fall Fest.

P.J. Whelihan's has also supported the district's special education program by providing a Structured Learning Experience for Heights student, Joey Ferraro. The experience offered an opportunity to learn and practice life skills and to more fully explore career interests. Moreover, Manager, Matthew Wineland, saw the work ethic and value that Joey brought to the team and offered employment to the student upon graduation. Mr. Wineland supports inclusion and is proud to have Joey as an employee! The ambassadors shared the district's appreciation for the support of the P.J. Whelihan's Group and their continued partnership. Mr. Renner looks forward to continuing to work with the ambassador group on future projects.

Pre-School Buddy Program

Haddon Heights School District Social Worker, Kristina Sacco, has partnered with Pre-school Teachers, Laura Goodfriend and Jennifer Gallimore, in a Pre-school Buddy Program. Students from Haddon Heights High School will be visiting the Inclusive Preschool throughout the school-year. In a

recent visit, senior student leaders, Robert Segrest and Shawn Gordon led lessons, including reading a story and engaging the students in themed activities. The Director of Special Education, Jocqueline Renner has supported the continuation of this program as it allows the students in both the preschool and the high school to cultivate their strengths. While having fun, students are engaged in a process

where they are making connections with other students. The students understand the powerful positive influence that they can have within their own school community as "Garnets"!

PROJECT CHILD FIND

2019 Holiday House Tour

Get ready to kick off the holidays on Friday, December 6 with the Haddon Heights Library's Holiday House Tour. The tour runs from 12 – 3:30 and 6:30 – 10. The library is celebrating the 36th anniversary of the tour with 5 beautiful homes. We are excited to share these wonderful homes with you as part of the kick-off to the holidays in Haddon Heights. The tour will showcase a mixture of American Foursquare and Center Hall Colonial homes, each with their own distinct personalities and beauty.

The five locations are spread around Haddon Heights and will give tour goers a great look at different styles of homes as well as holiday decorations. Tickets are available now and are \$15 in advance and \$20 the day of the tour. They can be purchased at the library, April Robin Florist, Freshest Flowers and Kunkel's Restaurant. This year we are also offering online ticket sales. Just visit the library's Facebook page or website (www.haddonheightslibrary.com) for details. All proceeds benefit the library and are used to purchase more materials and services for our residents. It is the second largest fundraiser for the library each year. For more information, call Christopher Walter at 547-7132.

Santa's Mailbox

Ho ho ho! Santa has a mailbox in front of the library again this year until December 20. Children are welcome to write their letters and drop them off in the box. Santa will read and reply to these letters, so don't forget to include your wish list and return address!

Holiday Model Train Display at the Library

The library is happy to announce that model trains are returning for a third year this holiday season. The Atlantic Division of the Train Collector's Association will be at the library on December 7 (10 – 4), December 8 (10 – 2), December 14 (10 – 4) and December 15 (10 – 2). This 6' x 12' layout is a combination of S and O gauges. It features interactive accessories that kids can operate themselves. It has three trains and a trolley always running. Also, we are happy to welcome back the South Jersey S-Gaugers to the library with their interactive model train display. The display will be open on December 14 (10 – 4), December 15 (10 – 2), December 21 (10

– 4) and December 22 (10 – 2). The South Jersey S-Gaugers display features a highly detailed, 26' x 12' sectional layout with three levels. It is capable of operating AC, DC or DCC and can utilize American Flyer, HiRail and 1/64th scale locomotives and rolling stock. There are so many features on this layout, you won't want to miss it.

We will also be giving out FREE coloring books featuring local spots in Haddon Heights, as well as selling tickets for our annual train giveaway which is valued at

\$300. We are very grateful to Jim Mercurio from Roads and Rails for donating this item. Stop by the library for more information and to enter the giveaway. All proceeds benefit the library. Happy Holidays!

Mark your calendars for the Saturday after Thanksgiving – November 30th is Shop Small Saturday! Please visit our local merchants on Station Avenue, King’s Highway, and the Black Horse Pike for unique gifts and special sales. Remember that when you support our local shops, you are helping a neighbor put food on the table and pay for their child’s dance lessons, not stuffing the wallet of a mega-chain’s CEO. A vibrant main street makes for a vibrant community, so we all benefit from keeping our local merchants in business. Please be a conscientious shopper.

Thank you everybody who attended our Fall Festival on October 5th.
We hope you had a great day!

Are you ready for the 2020 Haddon Heights Community Calendar? We heard your feedback and this year there will be less advertisements and more space in each daily square so you can add your own notes and activities. We’re also adding photographs of historic Haddon Heights buildings and scenes above each month. Once you receive your free calendar this December, let us know what you think! We appreciate constructive criticism.

Left Photo: HIP’s new booth with a pumpkin patch and pumpkin painting was a major hit with the kids!

As always, the Haddon Heights Business and Professional Association (HHBPA) welcomes new members, and our meetings are open to all. We meet at the Service Operations Facility at 514 W. Atlantic on the second Wednesday of each month. On odd numbered months we meet at 8am; and on even numbered months we meet in the evenings at 6pm. If you own a business in Haddon Heights, or live in Haddon Heights and own a business elsewhere, please join us at 6pm on December 11th or at 8am in the new year on January 8th.

Meanwhile, if you have business news to share in the next Heights Report, please call or email me at 547-0465 or MargaretWestfield@gmail.com.

Who do you think you are, to judge someone else?" James 4:12 (We love that too!) We gather on Sunday mornings and we want you to feel at home. Grab a cup of coffee or tea, pull up a pew and relax. God is here and is not concerned with what you are wearing!

St. Mary's Episcopal Church

Here we are again. Facing another December ... wondering where the year went wondering if we really did our best with the days and experiences of 2019. Are we better? – or more informed? – or kinder? – or more purposeful than we were a year ago? Did we make any difference in this world over the last year? Perhaps it is time to stop wondering and grab this last month of the year as one might grab a bull by its horns! Let's live with intention and care and commitment! But how, you ask?

It seems pretty simple! Stop sitting alone on the sidelines. Give community a chance. Welcome a stranger. As individuals – and as families – and as communities ... Let's try to make this December a time of intention and care. But how, you ask?? (again!)

And if you are looking for ways to get off the sidelines... St. Mary's has some ideas! If you are going to try any of these, you'll have to take us at our word! And our word is this: You always welcome here! We believe that Church should follow the Planet Fitness rule of being "a judgment free zone"... We are determined to be welcoming. We are determined to support your gifts. We are determined to do what we can to ease any burdens you carry. So ... if you are ready to take this last month of 2019 and do something with it – just show up! But when? And what do I need to know?

Thursday, November 28th: A neighborhood Thanksgiving! You don't need to spend your day alone – or with companions on TV, waiting for the day to pass. Our parish hall will be bustling and open to all – and YES! That means you! Come alone or bring your family. Bring a covered dish if you wish, or simply an appetite to enjoy something prepared by someone else. Just come meet others and spend an afternoon sharing life. It will restore your gratitude and your joy. We are gathering at 2 p.m. Call the office (856) 547 – 3240 by Friday Nov. 22 to tell us how many people you are bringing. Don't hold back! Get off the sidelines! Everyone is welcome!

Sunday, December 8th: Who doesn't like Christmas decorating? This is the date we "Green Our Church!" Garland, trees, nativities, music ... and snacks, of course! Even if you have never been with us before – it is a joyous time! We'll always welcome another set of hands! Don't hesitate! Get off the sidelines! Come! Greening will follow our 10 a.m. service, so you can come to worship with us or just show up about 11:30 and be part of the festivities!

Sunday, December 15th: A free concert - part of our "Sundays at Four" program. (And yes, that does mean

you are invited to join us at 4 p.m. to enjoy the music of the Moorestown Madrigals! These youthful and talented voices will surely lift your spirits and give you some respite from the busy-ness of the holiday season. Stay after the concert to enjoy a delicious spread of holiday treats, and to wander around our church to see our magnificent display of "Nativities of the World". It really is time to get off those sidelines!

Wednesdays, December 4, 11, and 18: Compline by Candlelight! End your day with a few moments of quiet prayer and music. Not fancy. Not long. Just peaceful and restorative!

Saturday, December 21st: Blue Christmas (also known as The Longest Night service). It is true that - for many people - the holidays bring on feelings of sadness, loneliness, or grief. This service (on the night of the Winter Solstice) invites those who struggle to acknowledge those feelings. If you are struggling with the holidays or know someone else who is, please join us at 7:00 p.m. You will have the chance to honor the truth of sadness and pain in this world, and you just might experience God's quiet gentleness and acceptance of those difficult feelings.

And – of course – there's the big day: Christmas Eve! Our Festive Christmas Eve Eucharist begins with a choral prelude at 8:10 p.m. and a Service of Light at 8:30 p.m., Tuesday, December 24th. It will be a magnificent celebration of joy and hope, with choral and congregational caroling – a perfect start to your family celebrations!

This year, on Christmas Day, we are going to be like the shepherds... getting out of our usual space to meet the Lord in a different setting. We will gather with our neighbors at Holy Family Episcopal Church, 233 Fairmount Ave., Laurel Springs, for a 10 a.m. Eucharist. Simply travel about 5.7 miles down the White Horse Pike, and turn right onto Fairmount Ave. Holy Family is about 2 ½ blocks in, on the left. This service will be beautifully simple and peace-filled. Gather with us there ... and when you go on your way, we are certain that hope and peace will accompany you!

Finally, on Sunday, December 29th: This service is just great fun and full of inspiration! Join us at 10 a.m. this Sunday to a semi-impromptu Festival of Carols and Readings. This is a pageant in which everyone can have a part! Join us as we

remember how Christmas and the birth of a child fits into the whole picture of life over all the generations of God's people.

If you feel inclined to check out a regular church service in the weeks leading to Christmas, we hope you will join us for a regular worship service, each Sunday at 10 a.m. And, of course, you will be invited to stay to share in a time of fellowship and snacks afterward. If

If Sunday mornings aren't your time, or if you aren't sure you are ready for Sunday worship – or even if you just occasionally hope prayer will get you or someone you love through a challenging time or experience... you are welcome to join us for a simple worship services focused on healing of body and spirit. Come any Wednesday morning at 10 a.m.

Before signing off, I need to put in a word for everyone who feels a bit beaten up or worn down by the challenges of life. We have begun a weekly Adult Art Program called "Works in Progress" because well... aren't we all works in progress?. Thursday evenings, 7:00 p.m. – 8:30 p.m. There is a \$15 materials fee. If the fee poses a hardship, please call the office and we'll try to help. (856) 547 – 3240.

And – finally – we have "Creation Station" – an art program for children 2 – 5 years of age. Mondays, Wednesday, and Fridays at 10 a.m. \$10 materials fee. Call the office for more information.

So – heading into the final month of 2019 and looking toward the start of a new year: isn't it time to pick up your spirit and walk for a while in the midst of people who are committed to welcome and care of all? You truly are welcome here! Check our website for additions and modifications: stmaryshnj.org

Pie and Praise

A special November event is the annual Pie and Praise Service on the Sunday before Thanksgiving. Held in Fellowship Hall on November 24 at 6:00 pm, it is traditionally an evening of thanksgiving and moving testimonies as folks share examples of God's grace over the past year. Warm home-made pies are shared, as well!

Awana

As temperatures begin to fall, Awana clubbers bundle up and head to Haddon Heights Baptist Church to continue an action-packed year at Awana clubs. In December, clubbers will celebrate the blessed Christmas season with Christmas caroling and craft-making. January brings new beginnings as the second half of the club year commences with wintry games and new team-mates. Awana, which stands for Approved Workmen Are Not Ashamed, is a kids club for children age 3 through 6th grade. Emphasis is on wholesome game activities, Scripture memorization and Bible-based teaching. Awana meets Wednesdays, September through April, from 7:00 pm to 8:30 pm. All are welcome and parents of clubbers may attend Bible Study groups held at the same time as the clubs.

Fall Festivals

On Saturday, October 6, the borough presented the Fall Festival on Station Avenue. Haddon Heights Baptist Church and it's school ministry, Baptist Regional School, participated in that event. Hundreds of visitors received free pedometers and string bag back packs from the church and school.

Harvest Celebration and Trunk-or-Treat

Each October 31, Haddon Heights Baptist Church sets up a refreshment station and neighborhood safety presence at the church on Station Avenue. As hundreds of Trick-or-Treaters pass by, they are invited to take a break from their arduous door-to-door endeavors to partake of cider and snacks. This year, families were invited to enjoy games and candy from a bevy of Trunk-or-Treat stations set up in the church parking lot. Costumed children and their families and friends enjoyed a night of fun at Haddon Heights Baptist Church.

Youth Groups

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00 pm to 8:30 pm September through June. Come for food, fun, fellowship, a challenging speaker, good music and games. This Christmas season, the group is participating in Operation Christmas Child, a worldwide ministry to underprivileged children. The youth group will be sending hundreds of boxes of gifts to Samaritan's Purse to be distributed, along with the gospel message to children around the world. Jr/Sr High December and January events had yet to be scheduled at this printing, but are available on the church website and Facebook. The church's College and Career group, Crossroads, ages 18-30, meets the first Thursday of each month for Bible Study. Other events are a Christmas Party on December 20 and a Soup-Tasting on January 25.

Day of Prayer & Granny Club

Haddon Heights Baptist Church believes that a foundational reason the church has been in existence for 121 years is the commitment of its members to praying for one another. Wednesday Prayer Meeting has been in existence for all of those 121 years. Now, the church is adding a monthly Day of Prayer to lift up the fellowship in prayer to the Lord around the clock on the second Tuesday of every month. In addition, the Granny Club meets on the first Thursday of every month for grandmothers to meet and uphold their grandkids in prayer.

Haddon Heights Cub Scouts

Haddon Heights Cub Scout Pack 163 is very busy! We have dens for boys from kindergarten to fifth grade. Watch and like our Facebook page for details of fun summer events. Registration will be in early September at the First United Methodist Church at 7th and Garden for new cubs.

Girl Scout Troop 30751

The girls from Haddon Heights Troop 30751 have been busy this season! They started the year with a slim-a-palooza at Camp Inawendiwin, they also enjoyed an escape room challenge, and they also learned some survival skills while camping.

Girl Scout Troop 30120

The girls from Haddon Heights Brownies Troop 30120 are no longer Daisies. They had their bridging ceremony at the Dell where they each stated their favorite part of being a Daisy. We are looking forward to an exciting year of new adventures as Brownies. Congratulations, girls!

HOW TO REGISTER: This is a reservation only system for the door-to-door shopping routes. First time riders must call (856) 456-3344 to pre-register for the service.

After this short phone intake, you must call each week to reserve your ride.

All appointments for shopping service rides must be made by calling (856) 456-1148 between the hours of 6:00 a.m. and 6:00 p.m. the working day before your trip. Follow the instructions to leave a message for the shopping program. Speak slowly and clearly. Give your name, address with city, phone number and the day of the route.

Please note that the Special Bus Trips for the Holiday House Tour and to Cinemark are limited to a maximum of 24 people with no wheelchairs and 22 people if two use wheelchairs; first come first served. The Special Bus Trip to the Reading Mall is limited to 18 ambulatory people (no wheelchairs) because of the Christmas rush and limited parking. These three Special Trips will have a single pick-up location at Stanfill Towers. To reserve a seat, please contact the Heights Senior Resource Center (856) 546-2490, at least 10 days before the trip.

For the Special Trips to the Holiday House Tour and Cinemark, we provide the transportation; the tour ticket and the movie and lunch are on you.

HOW THIS IS FUNDED: Tuesday, Thursday and Special Trips are paid for by the Stanfill Towers Board. There is no donation requested.

The Wednesday rides to ShopRite in Brooklawn and the Friday ride to Walmart in Somerdale remain courtesy of the Senior Citizens United Community Services Sen-Han program, and will continue. A \$2 donation is suggested per one way ride.

Rental Facilities

Need to find a space to host your next party? Look no further!

Haddon Heights has two facilities to offer you! The Cabin and The Community Center are available to rent for private parties and functions. Hoff's Playground is conveniently located next to the Cabin and adjacent to the Community Center, children can play within view of adults enjoying their event. There is ample street parking for all of your guests.

If interested in renting one of your hometown's facilities, you can find all the information and pricing on the borough's website at www.haddonhts.com. Just select rentals from the list on the left and select either the Community Center or Cabin for their specific rental information. Both pages offer a slide-show of photos taken of the facilities (some items pictured were rented from an outside source and brought in by the renter.) You will also find a link to a PDF version of our required rental agreement paperwork.

The spaces are rented on a first come, first serve basis. If you are interested in a specific date we recommend calling the office at 856-547-7164 ex. 36 to see if the date and time you would like are available. We can put a tentative hold on the date for one week, while you fill out the paperwork and send it/drop it off to our office along with the required security deposit check. After one week the date will be released.

If you have questions or would like to check on the availability of a date/time, please contact Julie Yuhaze at 547-7164 ext. 36 or email at jyuhaze@haddonhts.com.

The Community Center is located at 321 Seventh

Ave. It offers a spacious main room with french doors leading to a fenced in yard. It is equipped with a full kitchen & sound system. Round tables & padded chairs are supplied and set up for

you by the borough for each event. The Community Center accommodates up to 100 guests.

The Cabin is located at 600 Lippincott Lane. The Cabin

offers a charming space which includes a gas fireplace, a small warming kitchen area with a full size refrigerator and audio visual equipment. Tables and chairs are supplied and set up for every event. The

Cabin accommodates up to 40 guests.

Sports

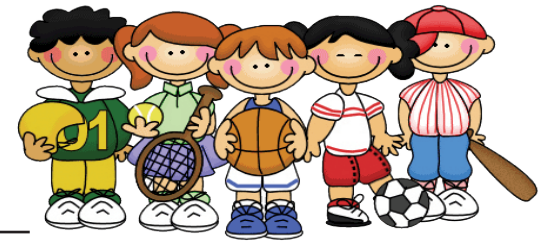

HHYA

Basketball is back. HHYA is offering programs for girls and boys from first grade through sixth grade. Basketball clinic is for first and second grades and teaches the fundamental of dribbling, shooting, and passing. We always have a great turnout. Registration is open until 1/5/20. Intramural basketball is for third and fourth grades. Intramural is an instructional setting that includes playing games. It teaches the fundamentals of team basketball in a fun, relaxed setting. Registration for intramural basketball ends 12/1/19. Travel basketball is for grades fourth through sixth. HHYA plays in the Camden County Basketball League. It is a very competitive league with teams throughout Camden County. Register at HHYA.org and like us on Facebook.

HHYA had a great showing in fall baseball. We had 2 coach pitch teams, 3 minors teams and 3 majors teams. The Haddon Heights Garnet majors team won the Presidents' league with a very exciting 6-2 victory over Haddon Township White.

Look for information regarding spring softball and baseball in January 2020.

Garnets Hockey

Garnets Hockey had a Fantastic Fall 2019 Season. Not a lot of rain to delay or cancel practice and games this year! We were thrilled to have over 90 girls participating in programs in grades K-8 from Haddon Heights, Barrington, Merchantville, Audubon, Mt Ephraim, Gloucester City, and Bellmawr. Providing girls with an opportunity to learn the sport of field hockey is at the

core of what Garnets Hockey is all about. Instilling the love of the sport comes from caring, loving and supportive coaches and board members. Garnets Hockey would like to thank its volunteers for our 15th season. Our coaches were Myranda Christy, Mariah Thomas, Madi Bowman, Ava Bartholomew, Jackie Valvardi, Lauren Chestnut, Eric Chestnut, Paige Costello, Breanna Ratkevic, and Rachel Simonetti. Board members behind the scenes are Becky Bogina, Amber Gordy, Jaime McElree, and Shannon Parkinson. All of these ladies worked hard to make sure all the players and parents

had a positive field hockey experience. For more information about Garnets Hockey check out www.heightsfieldhockey.org. Email heightshockey@hotmail.com. FaceBook page - Garnets Field Hockey. Looking to volunteer? Come share your love of field hockey and grow the game! #garnetshockey #fhlife
