WHAT'S INSIDE

Annual Reorganization Meeting

A large crowd gathered on Saturday, January 5, 2018 to mark the annual Reorganization of the Haddon Heights municipal government. Council President Stephanie Madden's first order of business was to install the town's two recently elected Council members. Scott Schreiber and Christopher Morgan were sworn in by Camden County Freeholder Jeffrey Nash. Councilman Schreiber who served on Council last year filling an unexpired term was elected to a three year term. Councilman Scott Schreiber and Councilman Christopher Morgan join current Council members Christopher Mrozinski, Stephanie Madden and Asiyah Kurtz.

The newly-formed Council proceeded to work through its lengthy agenda.

Councilwoman Stephanie Madden was sworn in as Council President. Department directors were appointed, namely Councilman Schreiber to Parks & Recreation; Councilman Morgan to Public Works; Councilman Mrozinski to Finance and Construction & Zoning; Council President Stephanie Madden to Public Safety and Councilwoman Kurtz to Administration.

The Council has appointed Howard C. Long, Esquire of Wade, Long, Wood & Long as borough solicitor, as well as re-appointed Bach Associates as borough engineer.

One of the most important parts of the morning was the swearing-in of dozens of Haddon Heights' residents who will lend their valuable time to support the town's various committees, commissions and groups. Volunteers will assist with the Municipal Drug Alliance, Environmental Commission, Green Team, Planning & Zoning Board, Historical Preservation Commission, Civic Events Committee, and Shade Tree Commission-- just to name a few of Haddon Heights' important organizations. The Borough Council truly appreciate the community involvement, and encourages all residents to get and stay involved!!

Love Your Library Month

February is "Love Your Library" month and the Haddon Heights Library is always trying to give residents many reasons to love them. Downloadable e-books, museum passes, exciting community events, Blu-rays, children's programming, notary service and high speed internet are just several of the many services and products available from the library.

The library has provided all of this and more to try and offer our patrons the services and materials that they deserve. We are very proud of all our offerings, but we recognize the help the residents give us each year through donations to help make them possible. The support the residents of Haddon Heights have given the library over the years shows us how much you value your library and pushes us to deliver as many services as we can afford.

With February being "Love Your Library" month, we must appeal to you again and ask for as generous a donation as you can afford. Please keep your eyes peeled, as our solicitation letter will be hitting your mailbox in February. Without your support, we could not deliver the services you deserve. For more information about the library or how to donate, please call us at 547-7132 or visit www.haddonheightslibrary.com

Mayor's Message

Dear Neighbors:

On behalf of myself and Borough Council, please accept our best wishes for a happy and prosperous 2019.

The beginning of a new year always brings changes in our municipal government and this year is no different. I'd like to take this opportunity to welcome back Councilman Scott Schreiber and to welcome Councilman Christopher Morgan to Borough Council. I look forward to working together for the residents of our town. I would also like to thank and welcome the countless volunteers appointed to positions at our recent Reorganization meeting. We simply cannot do the work of government without you. Our town has always had a sense of civic pride; having dedicated volunteers is a key part of that fabric. Whether someone is volunteering for the first time or has done so for many years, everyone's service is greatly appreciated.

Speaking of volunteers, we recently received some grant support to help move along our Small Explorers

Playground at Hoff's Park project, which will be a nice addition to our recreation offerings. This project would never have made progress without the work, over many years, of former Council President Kathy Lange and resident Jillian Soriano. They and their group deserve our thanks and appreciation for their hard work and perseverance.

We recently honored the service of our former Mayor and Councilwoman, Susan Griffith, as she concluded her government service. There isn't much more that I can say that has not already been said, but Susan is one of a kind. Our town is a better place thanks to her volunteer efforts and she will be sorely missed. We wish her all the best and thank her for her dedication, commitment, and being an example of always doing the right thing.

With winter in full swing, it's important for everyone to do their part to help us keep things running smoothly when it snows. Our crews are constantly

out during storms working on our roads. Please try to stay off the roads whenever possible during a storm until they can do their job. Also, please don't shovel your snow out into the street. And, finally, inevitably those dreaded potholes will start showing up - if you see one, please call our Public Works department so that it can be quickly addressed.

Before we know it will be time to start thinking of spring activities. This issue of the HEIGHTS REPORT contains a few examples of some of those activities. I urge all residents to take a look at our many offerings. Our spring sports will be kicking off soon and as always, we thank the many people who put in so much time to make those programs the successes that they are. The Borough appreciates the opportunity to collaborate with our civic groups to make these many activities things that we can be proud of.

It's also about time for us to start our

municipal budget process. I, for one, will follow the philosophy I have always applied - we shouldn't ask you for a penny of tax dollars unless we can justify the expense. With costs always increasing, we need to be particularly attentive to how we utilize your tax dollars; our budget process will proceed with that fundamental principle in mind.

As always, it is a privilege to serve as your Mayor. If there is any way I may be of assistance, please do not hesitate to call or email me. Again, happy 2019.

Mayor Jack D. Merryfield

Do You Need the Winter "Function Better Program"?

Each winter, many folks perform activities such as bundling-up for afternoon walks, shoveling snow, clearing snow and ice off the car, visiting friends, attending children's shows and shopping in town. If you find yourself in a position where the bending, reaching, endurance, balance, standing, walking, carrying and climbing requirements of these activities are too difficult, too painful or even impossible, the "**Function Better Program**" at WORK-UP PHYSICAL THERAPY may be just what you need to perform your tasks and activities this winter!

The "**Function Better Program**" at WORK-UP PHYSICAL THERAPY emphasizes muscle strengthening and stretching exercises, activities to decrease pain, conditioning exercises on equipment as well as personalized instruction to promote safe and independent function. After completion of the "**Function Better Program**", many people report that they are pain free and able to lead a more active and independent lifestyle.

WORK-UP PHYSICAL THERAPY is conveniently located at 135 East Atlantic Avenue in Haddon Heights (just off Station Avenue). Due to high demand, slots for the upcoming winter session of the "**Function Better Program**" are limited and filling quickly.

Updates From Your Borough Council

A very happy and healthy New Year to all Haddon Heights residents! As the incoming Council President, I am happy to introduce this new feature to the "Heights Report" in order to give a fuller understanding of some of the initiatives that your Borough Council has in the works. Although there is still a chill in the air, be assured that spring will bring several exciting developments to our town.

First, within a matter of weeks, Haddon Heights will launch a brand-new, modern and mobile-friendly website. This website will allow for easy class registrations and tax payments. It will also include downloadable forms and permits. In addition, residents will be able to quickly report any public works related issues. Overall, the website will give both residents and visitors a fast and simple way to become better acquainted with this beautiful town.

The warmer weather will also bring the start of several new projects that will enrich Haddon Heights. The pedestrian and vehicular safety of Station Avenue will be vastly improved by new traffic calming measures, which will include more highly visible striping and epoxy paint bump outs. The Dell will also undergo a complete renovation to further beautify Haddon Lake Park, enhance the Summer Concert Series and draw more visitors to town. Finally, in partnership with Camden County, the Small Explorers Playground equipment has been purchased. We anticipate a spring ribbon cutting to introduce this toddler play area to our already well-loved Hoff's Park.

The Haddon Heights Borough Council is proud to serve our community. We always welcome our residents' input. Please feel free to reach me at smadden@haddonhts.com

Save the Dates for Summer Rec 2019

Start planning your summer fun now!

CONTINUED FROM PAGE 1 ...

Summer Rec is a great combination of “old school” fun and new skills. Activities are designed for youngsters entering First Grade in September 2019 through those Grade 6 “tweens”. The age requirements have been changed from last year and at this time we are unable to accept children entering kindergarten. We have enough variety that each week brings something different. We operate rain or shine using the air conditioned Cabin at Hoff’s Playground and the Community Center off Seventh Avenue.

Our primarily outdoor, rotating schedule includes some free choice options plus indoor snack time and craft sessions a different sport is featured each week. For your peace of mind we use school - like check-in and checkout procedures and every activity is well staffed. Please see the Registration Form for exact dates, fees and payment schedule.

You will also be able to find information about the program and registration form on the borough website under the programs page. By utilizing good communication from parents, we have accommodated a wide range of children throughout the years. If you have any questions or to determine if you think this program is a good fit for your child or grandchild, please contact the Borough Hall at (856) 547-7164 ext. 36 or email programcoordinator@haddonhts.com.

Zoning Department

As winter arrives, just a reminder that Borough Code 400-8 states that residents are required to have snow removed from their sidewalks within 12 hours of daylight following a snowfall. Failure to comply can result in injuries to pedestrians from falls or traffic accidents as they may be forced to walk in the street. A snow covered sidewalk creates a particular hardship for seniors and school children. It is also a violation to throw snow into the street. Your cooperation is appreciated.

What's New at the Station?

The annual January train show is over and we are back at work on the new coal mine modules. The track work is complete and we are moving on to scenery and structures. If you have seen the layout and wondered what it takes to make the trains operate, the above picture shows electrical repairs in progress on one of the modules. The increasingly technical requirements of model railroading have made the simple loop of track under the Christmas Tree a thing of the past. If you are interested in learning more about how we create and operate our layout, the Club meets every Wednesday night from 7:30. Members are often working on the layout Saturdays as well, so feel free to stop in.

Crossing Guards Needed

The Haddon Heights Police Department is in need of Crossing Guards. If you're in good health, enjoy being out doors and spending time helping children you may be qualified. Interested applicants should apply at the: Haddon Heights Police Department, 625 Station Avenue, Haddon Heights, NJ 08035

Please call 856-547-0614 ext. 10 if you have any questions. Crossing Guards typically start part time and move to a permanent position when a post becomes available.

Overnight Parking:

- Parking is prohibited on Borough streets from midnight to 5:00am.

Parking During Snow Emergencies

The Police Department would like to remind residents about NO PARKING regulations during snowstorms:

- When it is snowing between the hours of midnight and 5:00 am ALL motorists are not allowed to park their vehicles on Borough streets.
- Whenever there is a “Snow Emergency” declared by the Borough or a State of Emergency declared regardless of the time of day we will strictly enforce no parking regulations.
- There are several reasons for this strict enforcement, they are: 1) to reduce motor vehicle accidents 2) to keep the road clear for emergency vehicles and key personnel, 3) to keep the roads open for snow plows, allowing them to do a better job clearing the road in a timely manner

STAY CONNECTED

Don't miss out on any of the fun! You can join Haddon Heights on Facebook (@haddonheights), Instagram (@haddonhts) and you can also sign up for our bimonthly e-Report. You will be able to still receive current information about what's going on around town on the months you do not receive the *Heights Report* directly in your inbox. You can register for this informative e-mail on the home page of the borough website at www.haddonhts.com.

Business Happenings

Welcome to 2019 and a new column on business happenings in town!

First CONGRATULATIONS to Blade and Brush on their Grand Opening Saturday 1/5, Gradwell House Recording Studio on a fabulous article in the Retrospect, Westfield Architects celebrating 30 years in business, and Heights in Progress on their 5th Anniversary! But a sad farewell to Tigress Boutique on Cheryl Segal's retirement. We'll miss you and your shop, Cheryl!

The Business Association recently distributed 2019 calendars throughout town -- if any residence or business still needs one, please stop by Borough Hall or the library. The calendar is also available digitally on the Borough website (<http://haddonhts.com>).

The Haddon Heights Business and Professional Association (HHBPA) is a long-standing membership organization for business owners and professionals practicing in Haddon Heights that works to improve and promote our business districts while providing community outreach through the family-focused Fall Festival, the calendar, High School Scholarships, and organization sponsorships. We currently have 79 members, but would welcome other business owners and professionals to join us. We meet at the Service Operations Facility (aka

the Public Works building) at 514 W. Atlantic on the second Wednesday of each month. On odd numbered months we meet at 8am; even numbered months we meet in the evenings at 6pm.

Remember that the local businesses count on the support of the residents of Haddon Heights. Can you imagine this town without John's Friendly Market?!? Stop in for one of their award-winning hoagies, fresh meats, or whatever you might need. Buying things is the best way to ensure any store's continued presence on Station Avenue.

If you have business news to share in the next Heights Report, please call or email me at 547-0465 or MargaretWestfield@gmail.com

Circolo Italiano

The monthly meeting of Circolo Italiano of So. NJ will be held on February 11th at the Haddon Heights Borough Hall, 625 Station Ave., Haddon Heights in the Community Room at 7:15. Our guest will be Catherina Dattola Dawson who will tell us how the Calabrians make soppressata. Having been born in Calabria, she has a wealth of information to share on the customs and food of the region. The program will feature a demonstration of the process and some samples. A question and answer period will give an opportunity to gain valuable information, recipes, etc. After the program, enjoy free refreshments. Guests are welcome.

In March we will meet again at Haddon Heights Borough Hall on the second Monday, March 11th at 7:15. Bruce and Rosemary Smith, who have recently returned from a trip to Ireland, will tell about their experiences there. An item of interest is that St. Patrick was of Italian heritage. Included in their visit was the Titanic museum. See photographs of the sights toured by them. Hear their first hand observations of the cultures, food, etc. and how they compare and contrast with Italy. We welcome guests. Free refreshments after the program.

Tell Me Your Story

It was on a brisk autumn walk when I first saw it. The sentence was scrawled in block lettering on the rusted metal of the Green Street Bridge: "I kissed a girl I loved right here a long time ago for the first time".

Granted, I would rather not see graffiti love letters in town; but each time I cross that pedestrian bridge I think about the personal experience that led to it being recorded there. I also wonder about other stories whose "Once upon a time" began at a place in Haddon Heights.

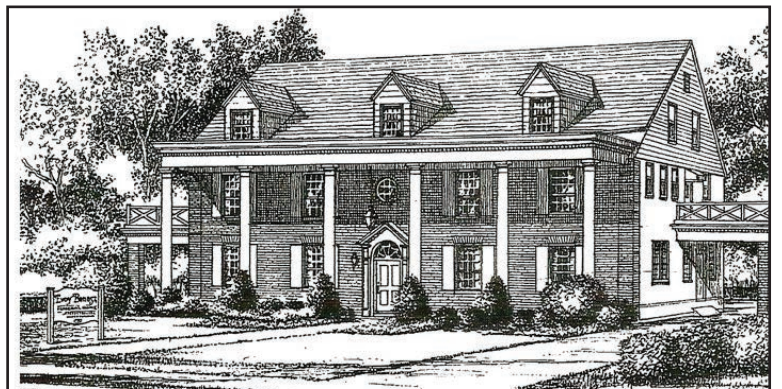

One of the intangible assets about our town is that it has a sense of place. In an essay in *The Nature of Cities*, the co-authors wrote that one's sense of place "also reflects our historical and experiential knowledge of a place and helps us imagine its more sustainable future." (Adams et al. 2017)

Although I've only been a resident for two years and thus lack some historical knowledge, there is something unique that compelled my family to move here instead of one of the other towns we had visited. A certain *je ne sais quoi* which – to this point – has proven elusive to define.

As your neighbor and member of the Borough Council, I am interested in hearing your stories. What brought you to Haddon Heights? What landmarks around town are part of your experience living here? How does your story fit into your vision of the future of Haddon Heights? And perhaps, the most important question of all, why do you stay?

I am particularly interested in hearing from seniors and those new to town and invite you to share your thoughts with me by emailing me at akurtz@haddonhts.com.

So, tell me...what is your story? I'm listening.

The Village Playbox

The Village Playbox of Haddon Heights will present the hilarious comedy *Noises Off*, February 1, 2, 3, 8, 9 10, 15, and 16. All performances will be held at the First Presbyterian Church of Haddon Heights on Green Street between Seventh and Eighth Avenues. Friday and Saturday performances begin at 8:00 p.m. and Sunday matinees at 3:00 p.m.. Tickets may be purchased at the door or in advance for a discount at www.villageplaybox.org.

A play-within-a-play, *Noises Off* captures a theatrical troupe's production of a farce called *Nothing's On* in three stages: dress rehearsal, the opening performance, and a performance toward the end of a disastrous run. The audience sees what is happening

on the stage as well as the pandemonium behind the scenes, from out-of-control egos to flubbed lines and missed cues to mounting friction between cast members in the final performance (not to mention a passionate affair, slamming doors, falling pants, and flying sardines). This classic farce, nominated for a Tony as Best Play in 1984, is directed by John Blackwell. The talented cast members are Chal Gallagher, Evan Hairston, Ashley Bianchimano, Phyllis Josephson, Haley Melvin, Scott Partenheimer, D. Michael Farley, Cara Dickinson, and Tom Lorenz.

Haddon Heights Good Neighbors

We often give a lot of time to plan our New Year's Resolutions, and we often forget about them quickly. Now that February and March of 2019 have made us turn to new pages on our calendar, it is never too late to formulate a new resolution to help make 2019 a great year. We have an easy way for you to make this a fabulous year for yourself and others!

Here in Haddon Heights, we have an organization known as Haddon Heights Good Neighbors. Formed in 1979, HHGN provides short-term financial assistance of material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

What better resolution can one make than to help others in our very own town? This can easily be accomplished. One way is to join the HHGN which typically meets the 1st Wednesday of January, May, September, and November. These meetings are held in Borough Hall at 7:00 PM.

Another way is to make a donation to the organization which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

We want to thank all of you who made generous contributions to the Haddon Heights Good Neighbors Organization during our October 2018 fund raiser. We would also like to thank the Sons of Italy Committee for its generous donation during the holidays as well as John's Market for its certificates. Your support has not gone unnoticed. We hope that you can continue to make a resolution to help our organization.

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to: Haddon Heights Good Neighbors 625 Station Avenue, Haddon Heights, NJ 08035 856-546-6677 or www.hhgoodneighbors.org.

HHGN is NOT to be confused with the Haddon Heights Neighbors "Night Out" organization whose mission is different than ours although BOTH benefit our town

Another way to help HHGN financially is through the AmazonSmile program. AmazonSmile, is a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

Business Spotlights

Haddon Savings Bank (HSB) is a local community based bank. It started operations in 1905 and its main office has been at the corner of White Horse Pike and Station Avenue in Haddon Heights since 1956.

The Bank started and functioned for many years as a savings and loan association, specializing in personal mortgage loans and deposit accounts. Changes in technology and bank laws have allowed the Bank to offer small business loans, online and phone banking, debit cards and home equity loans.

The Bank's primary business area is Southern New Jersey (Burlington, Camden, Gloucester, Atlantic, Cape May, Cumberland and Salem Counties).

The Bank has a 5 star rating from Bauer's Bank Rating Service. HSB has held the highest rating

for over 10 years. While there have been many changes in economic conditions, the Bank has always remained as a solid, safe provider of financial services to its community.

A major factor in the Bank's long term stability has been the good fortune to place its headquarters in Haddon Heights. It is a great location for the customers and the Bank's employees. The Bank's only other branch office is in Cherry Hill, which has been another favorable location.

Despite the many technological advances that have occurred in banking, HSB has always emphasized personal service to its customers. Answering customer questions and solving their problems is a higher priority than selling more products. In addition, during business hours, no one is sent to a phone menu, "in order to serve

you better". The average years of service for its employees is fifteen, which helps to keep service at a high level.

The Bank's Board of Directors feels it has an obligation to help the local community. Each year, the Bank donates thousands of dollars to local charities and also provides scholarships to local college students. In addition, the Board members and employees devote a significant amount of their time to local charities.

Thank You for Your Dedication to Our Town

Adopt-A-Cop Program

The Haddon Heights Police Department began the Adopt-A-Cop program during the 2015-2016 school year alongside Haddon Heights School Counselor, Matthew Baals. Since the inception of the program, officers from HHPD visit classrooms at Glenview, Atlantic, and 7th Avenue Elementary Schools three times a week.

While in the classrooms, officers read stories to students, play games with students and answer any questions they have about the officers' professional experiences as well as their personal lives. They teach life lessons coinciding with the schools' Character Education Program. Officers also occasionally eat lunch with students, participate in after school events and judge science fairs.

The Adopt-A-Cop program has been largely successful, a rewarding experience for officers in our Borough, and has strengthened the relationship between officers and students throughout the Borough. As of the 2018-2019 school year, HHPD has expanded the program to Brookfield Elementary School and hopes to participate in all of our schools in the near future.

Haddon Heights School District

The students in the Haddon Heights School District High School REACH Life Skills and Careers classes have been working hard this school year to plan and prepare for the launch of their very own school business, "REACH for a Smoothie." The REACH students brainstormed ideas, created a business plan, researched recipes, shopped for ingredients, practiced making smoothies in the kitchen, and finally, hosted a business presentation and taste testing event for administrators and child study team members. The students want their business to be as waste-free as possible, so smoothies will be served in glass mason jars with reusable silicone straws and lids.

The goal of this business is to provide the students in the REACH program with vocational experiences throughout the school year. Students will clean and prepare the kitchen, make and deliver the smoothies, clean up all of the materials, and handle the money. In order to make sure our students are able to be as independent as possible throughout this process, we will be starting small, and growing at a pace that works for the needs of the students. The business was launched in January and the students are thrilled to share their delicious smoothies with the district staff!

Haddon Heights Soccer Club

With the Winter comes a much needed rest for Devon Ave Fields. Some of our travel teams play Indoor Soccer, some play Futsal (a variant of soccer played mostly in South American and Europe), and some enjoy the downtime. But, there is a lot going on with the Club:

a. Haddon Heights Soccer Club has partnered with the Haddon Heights High School Athletic Department on field maintenance this winter. Work is being done to all three fields to help improve playing conditions for the Spring. The Club is also planning a longer term strategy for Devon Ave.

b. Via a grant with Green Acres, the Club is planning an expansion of our building at the Devon Ave complex. A second level will be added, as well as more storage, to allow for more of a Clubhouse type feel for usage by our teams.

competing in the Annual Wildwood Beach Blast.

c. Registration for the Fall is right around the corner. Coming in early Spring, you will see notification to register to one of our many Fall programs including Tots, youth recreation, older player registration, and travel soccer. We hope you consider joining. Our primary goal is to ensure our kids have fun, as evidenced by the pic below of one of our teams

d. An important part of Team Sports is doing things off the fields of play to make communities better. We would like to thank the u14 Girls Scream for donating their time to the Annual Center for Family Services Holiday Gift Project. A picture of the event is below:

Also, with the advent of 2019, the Club has named a new President. We thank Lee Griffith for his years of service to Haddon Heights Soccer Club and we welcome Josh Haas to the Presidency. Thanks Lee, and Good Luck Josh!

The Summer Rec work schedule is Tuesdays, Wednesdays and Thursdays from 8 am until noon. The program starts on Tuesday, June 25 and runs through Friday July 26. We ask our Counselors to be available for all 16 days of the program (15 days of the program plus one inventory day). Counselor pay would be the current NJ minimum wage. Previous counselors must reapply for their position, but would get an increase in pay depending on the number of years employed. As a Borough sponsored activity preference will be given to Haddon Heights residents. To be eligible for an interview all of the required information (hard copy) must be delivered or mailed to Haddon Heights Borough Hall, 625 Station Ave. Haddon Heights, NJ 08035 Attention: Summer Rec. before the deadline.

Using the Gospel Light lesson series, the younger three classes learn Bible stories and life lessons. Most lessons include a "take-home" flyer so that families are informed of and involved in the week's message. Our teens focus on life in today's world and service to others. In addition we also have a nursery that is staffed every Sunday through out the year to watch your toddlers and babies while you are enjoying the service.

Haddon Heights Baptist Church

In 1898, four years before the incorporation of the Borough of Haddon Heights, townspeople of this community founded its first house of worship-Haddon Heights Baptist Church. On this 121st anniversary of that event, the church would like to present a brief history of its presence here in the borough.

Still Holding Forth "Holding forth the word of life, so that I may rejoice in the day of Christ that I have not run in vain or labored in vain." Philippians 2:16

For 121 years Haddon Heights Baptist Church has made it a goal to follow the Word of God in order to be a testimony not only in Haddon Heights but around the world. Without the theme of still holding forth, this would not have been possible. And, that is this church's legacy. Those very words are placed prominently and etched in stone on the front of the Main Auditorium as a reminder of that legacy.

The fellowship began on Sunday, November 22, 1896 when a group of 39 individuals met together to form a Sunday school. After about a year of Sunday afternoon Bible school meetings, this group of believers grew interested in building a local house of worship. Ground was broken, a cornerstone was laid at a property on White Horse Pike in October of 1897, and the chapel was completed to hold its first service on January 8, 1898. A young university graduate named T. Harry Sprague was called to be its first pastor. The following month, on February 26, Haddon Heights Baptist Church was officially incorporated. To make sure the congregation held fast to the Word, the New Hampshire Declaration of Faith was immediately adopted as the church's statement of belief and doctrinal position.

The first thirty years of the church saw steady growth. After services featuring famous evangelist Gypsy Smith were held in Haddon Heights in 1914, the church saw a revival which renewed a commitment to God and His Word. Eight years later, a need for more space arose and the church building

was completely rebuilt and practically doubled in its size. By this point, Dr. A. O. Gilmore was the seventh pastor to faithfully serve, and it was under his ministry that a missionary and evangelistic zeal was born.

In late 1927, Dr. Gilmore resigned after nine years, the longest pastorate to date, in order to move on to another ministry, which opened the door to Rev. Louis C. Allen. It was said of his pastorate that "the Bible became living and powerful and its influence began to be manifested in their [the members] lives."

Perhaps it was Pastor Allen's leadership and utter devotion to God's Word that prepared the people of the church for what was to come. At midnight on June 2, 1929 a fire broke out in the church basement and quickly spread upstairs. Over twenty area fire departments arrived to help, but after three hours the building was reduced to ashes. The congregation refused to give up on the work being done for Christ, and were determined to rebuild. Only four months later, the Stock Market would crash, sending the country into its worst economic depression. However, God in His sovereignty provided for his people through Mr. and Mrs. Lindsey, members of the church, who gave their own land on Station Avenue for a new building. Ground was broken and by October of 1930 the new building was dedicated. The first year in the new building resulted in continued growth with a period of eight weeks dedicated to prayer with the "intention to hold on in prayer until He does mighty things for His own honor and glory." Pastor Allen resigned in September of 1931 believing that his full time ministry should be that of studying the Word. Without a doubt, Haddon Heights Baptist Church was *still holding forth*.

A new chapter began at HHBC when the Rev. George A. Palmer became its ninth pastor. Pastor Palmer, along with his passion for reaching the lost, brought with him new, modern methods of evangelism for the church on Station Avenue. Immediately, he began to broadcast Sunday afternoon prayer services on the radio. It was

St. Mary's Episcopal Church

Hula Dancing at the Church?? Who would think of such a thing? We would, of course! You know St. Mary's – that church on the corner of the White Horse Pike and Green Street! The one that runs pumpkin sales... and presents those great "Sundays at Four" free music concerts.... The church that sponsored the Peace Camp program for kids last summer... and that showcased a display of nativities of the world to remind us that there is no single way to view the birth of Jesus. You know! The church that had its priest standing on the corner of Station Avenue last year to give passersby the chance to receive ashes on Ash Wednesday. The church that offers healing prayers to all in need every Wednesday at 10 a.m. Yes, that St. Mary's Church is now hosting Hula dance classes!

So why Hula? Hula is a Hawaiian art form, accessible to everyone. All ages, all body types, all ethnicities, all genders.... In short: all humans! Hula can strengthen and tone your body and can improve your physical coordination. Hula can improve your memory, introducing you to the meanings of movement and the stories and legends behind the dances. And Hula can alleviate stress as you find yourself transported mentally right into the beauty that fills the natural world all about us. If you long for the peace of spirit that can come when your body, mind, and spirit are integrated and peaceful, come try Hula! We will learn from Faye Takata, on Tuesdays from February through April. Children are welcome from 4:00 p.m. – 5:30 p.m., and adults from 6:00 p.m. – 7:30 p.m.

I can hear you now: Okay, it sounds like something good, but still... WHY would a church host Hula? Isn't a church supposed to be all about spiritual stuff? Well... it isn't a just a gimmick!. We know that life can get really fractured. And when life is fractured, the human spirit gets fractured as well. And when spirits are fractured, all kinds of chaos breaks into our lives. At St. Mary's, we are concerned about chaos. We believe that the church must be engaged in the task of reconciling people to each other and to God. And reconciliation is not possible where chaos reigns. Hence, Hula, and free concerts, and discussions of world and local concerns, and even movie nights complete with popcorn! It's all part of helping people move from chaotic lives to peace and reconciliation.

Now Hula isn't our only musical undertaking! On Sunday, February 17th, you can leave the world behind to enjoy a late afternoon free concert of

Operatic Arias & Broadway Hits, while munching on delicious hors d'oeuvres. The program (part of our Sundays at Four concert series) begins at 4:00 p.m.

Beyond Hula dancing and concerts, our doors are always open to those who feel drawn to enter. Now if you or your family have been part of Scouting, there is one more reason you might feel drawn to venture through our doors. It's on Sunday, February 3rd. Our worship service on Scout Sunday will celebrate the energy, the commitment, and the hope brought to us by today's young people. And, yes! There really is much to celebrate! If you have any Scouting connection, come spend some time with our Troop 67 and be reminded of your days of boundless energy and hope!

Before you know it, we will have journeyed from the December holidays to the Lenten season. Last year, for the first time, St. Mary's was part of the "Ashes to Go" program – called by some "Mobile Ashes!" If you are too busy to make it to church, we will be out in the community, distributing ashes on the foreheads of any passersby who want to mark the Lenten Season with ashes, the traditional mark of repentance. Find us on the Corner of Station Avenue & the White Horse Pike, from 7:00 a.m – 9:00 a.m. on Ash Wednesday, March 6th; and on the corner of Atlantic Avenue & Green Street from 2:30 p.m. – 4:00 p.m.

While many think of Lent as a time to "give things up", we here at St. Mary's find it a time to take up with new seriousness the work of reconciling people to each other and to God. Every Friday evening in Lent (beginning March 8th), we will watch and discuss a film that raises questions about peace and justice in our world. Everyone is welcome and snacks are provided! The specific films will be listed on our website.

On Mondays in Lent, we will once again take up the challenge of "Let's Talk!" Let's Talk gathers people who are concerned that our world is so polarized that we no longer know how to converse respectfully with each other. This is a problem we CAN solve – but only if we take the time to explore it together. Join us for Monday evening "Let's Talk!" discussions, beginning March 11th.

OH! And you can help us, even if you can't take part in any of these activities. St. Mary's is having a Used Book Fair – the funds from which will be used to sponsor all kinds of programs. If you have books (all except encyclopedias

during this time that the Morning Cheer radio broadcast, one of the earliest Christian radio programs, was begun in the Palmers home on Seventh Avenue with the constant theme of "Jesus Never Fails." A heart for evangelism spread to the young people of the church as they began holding meetings in Clementon Park and elsewhere. This also extended to its support of missionaries. The church had previously only supported two missionaries, but was now adding its support to seven more, with some being sent from its own fellowship.

Pastor Palmer resigned in July 1940 so that he could wholly dedicate himself to the works he had begun. Only a few months later a young and dynamic new pastor would assume the role of shepherd of the church. Kenneth W. Masteller arrived in September 1940 with continued devotion to prayer, evangelism and God's Word. Pastor Masteller stressed the importance of the local church and its ministry to the believer. 1941 saw the first Daily Vacation Bible School, a ministry continued annually 78 years later, which has faithfully reached countless children and women with the Gospel. By 1942, HHBC officially joined the General Association of Regular Baptist Churches as a restatement of the historic Baptist position.

Numerical growth, as well as spiritual, carried on through World War II, but really began to pick up at the war's end which resulted in the need for a new building. In 1951 the auditorium building was erected. Junior Church was started in 1954 and new Sunday school classes were formed. The Christian Service Volunteers program started then to aid young people who wanted to dedicate their lives to serving Christ. Ground was broken in June of 1959 for a new educational building, which was dedicated to the Lord in October, 1960 with Dr. Charles Ryrice addressing the congregation. James Cairns, the Sunday School Superintendent at the time, remarked, "May God give to each one of us and increasing faithfulness and zeal in holding forth the Word of Life."

In 1962, Irma Sheppard and Helen Abel felt a burden to minister to special needs students and the Shepherds Department was born. A new emphasis on church planting began when the church assisted in starting Berean Baptist in Magnolia in 1961, and started Bethel

Baptist in Cherry Hill in 1964. From Bethel came Shawnee Baptist in Shamong in 1976 and from Shawnee came Fellowship Baptist (now Community) of Mt. Laurel in 1981. In 1973, Winslow Baptist Church was started.

1971 and 1972 were active years in the history of our church, as AWANA began. The church helped to found New Life Island, a Christian summer camp, which has ministered to countless children and teens since its opening. Also during this time, Pastor Masteller and a planning committee came together to create a Christian high school. Baptist High School held its first classes in September 1972. Today, children from pre-school up to twelfth grade can get an education consistent with the worldview from the Word of Life. 1972 was also a hard year for the church. In November, after serving faithfully for 32 years, Pastor Masteller resigned after having lead Haddon Heights Baptist in great numerical and spiritual growth.

Under the ministry of Dr. Jack Jacobs, sending out the Gospel through homegrown missionaries continued. In 1974, a 40-foot houseboat called "The Ambassador," built by men from the church, was dedicated to the Lord to be used by Dan and Judy Smith and family to serve on the Amazon River in Peru.

Pastor Terry Smith's ministry came next, as well as another church plant in Voorhees in 1991. Even today we've seen renewed growth in our young adult and young married couple's ministries as they seek to grow in God's Word.

If God could be so good to the church in the past, why should anyone ever doubt that He wouldn't be in the future? For 121 years, Haddon Heights Baptist Church has been richly blessed by God. As stated in the conclusion of the 80th anniversary booklet, "The faithful hand of a loving and kind God has reached out to His little flock in times of indecision, need and sickness. May this rich heritage continue, and may the inscription over the door forever inspire this congregation to hold forth the Word of Life."

The library has provided all of this and more to try and offer our patrons the services and materials that they deserve. We are very proud of all our offerings, but we recognize the help the residents give us each year through donations to help make them possible. The support the residents of Haddon Heights have given the library over the years shows us how much you value your library and pushes us to deliver as many services as we can afford.

With February being "Love Your Library" month, we must appeal to you again and ask for as generous a donation as you can afford. Please keep your eyes peeled, as our solicitation letter will be hitting your mailbox in February. Without your support, we could not deliver the services you deserve. New Weekly Door-to-Door Shopping Ride Service

Robert C. Stanfill Towers, HUD Housing for Haddon Heights Seniors was established in 1978. It is sponsored by the Haddon Heights Senior Citizen Housing Corporation, which does business as Stanfill Towers, and is professionally managed by PRD Management, Inc. of Cherry Hill, New Jersey.

To celebrate the 40th Anniversary of Stanfill Towers and to help meet an ongoing need for transportation for shopping, as determined by a local survey, the Stanfill Towers Board of Directors has entered into a contract with the Senior Citizens United Community Services (SCUCS) to provide transportation for additional shopping services for all Haddon Heights Senior residents, age 60 and older.

Service is door-to-door, free and wheelchair accessible. Destinations include Wegman's, ShopRite in Lawnside and Brooklawn, Westmont Shopping Center, Center Towne Square (formerly Lion's Head Plaza), Walmart in Somerdale and the Deptford and Cherry Hill Malls. The service begins October 1, 2018.

The Bus will travel to many local shopping centers and grocery stores in the area. Check out the Monthly Calendar below for specific days and times they will be traveling to each location.

HOW TO REGISTER: This is a reservation only system for the door-to-door shopping routes. First time riders must call (856)

456-3344 to pre-register for the service. After this short phone intake, you must call each week to reserve your ride. All appointments for shopping service rides must be made by calling (856) 456-1148 the working day before your trip between the hours of 6:00 am and 6:00 pm. Follow the instructions so you can leave a message for the shopping program. Speak slowly and clearly. Give your name, address with city, phone number and the day of the route.

HOW THIS IS FUNDED: Monday, Tuesday and Thursday rides are paid for by the Stanfill Towers Board. There is no donation requested. Wednesday and Friday rides are currently in place, courtesy of the Senior Citizens United Community Services Sen-Han program, and will continue. A \$2 donation is suggested per one way ride.

101 White Horse Pike To Be Rebuilt

Written By Rose Fitzgerald, Historic Preservation Commission

On February 25, 2013, an explosion rocked and destroyed the Tudor Revival house at 101 White Horse Pike. Fortunately, no one was killed. The triplex was built as a prestigious single home about 1915 and featured half timbering and a stone foundation. The carriage house was not destroyed in the explosion. The property was eventually sold to Andrew J. Dietz, D.D.S. who has started the new construction and will move his dental office from across the street at 17 White Horse Pike.

Dr. Dietz came before the Historic Preservation Commission for both an informal and formal review before presenting to the Planning Board in the summer of 2017. Since the property is in the White Horse Pike Historic District, the application had to be reviewed even though it was new construction. While new construction is not required to imitate the rest of the buildings in a historic district and can be modern in design and materials. It is a requirement, however, that the new construction be COMPATIBLE in terms of height, setback, materials, proportions, property placement and architectural details. The HPC used the National Trust's guidelines for new construction infill in their debate. The design Dr. Dietz submitted showed a good effort to mimic the Tudor design of the original house by use of fieldstone, stucco, gables and half timbering. The carriage house will be painted to match the new building, the windows restored

and the building will be used for storage. The carriage stop stone along the curb will be reinstalled.

It will be exciting to watch this impressive building come to life and we appreciate Dr. Dietz's determination and efforts to build his own dental office for "Cosmetic & Family Dentistry" in the White Horse Pike Historic District.

When Love Speaks

Colleen Sheldon Barrett:

Woke up to a "good problem to have" in our dining room this morning. Thank you to Matt Barrett, Colleen Sheldon Barrett and actually the whole Barrett family who collected and hauled all of these suitcases for the kids and families we work with. I was not expecting a mountain of cases but thankfully that is what we got. Often times kids and families must leave wherever they are without notice to get away from a dangerous situation so they throw their belongings in trash bags. Luggage lends some dignity to them during a hard time in life. Matt, who is a high school senior at Haddon Heights, did a terrific job! Thank you

¡Gracias Haddon Heights PTG! Señora Sarchese and the third grade students at Seventh Avenue were excited to use the new Spanish program Rockalingua donated by our PTG. Thank you PTG for your support!
