Mayor's Message

Dear Neighbors:

I'm sure we are all looking forward to an end to the rain as we need a few nice weekends!

This time of year always brings many great events coordinated by our volunteers. It's hard to believe but our July 4th celebration is quickly approaching. We always need volunteers to assist with every aspect of the celebration. Please consider getting involved. If interested, contact Borough Hall at 856-547-7164, ext. 33. I would like to thank the Civic Events Committee and the borough employees that work hard to put this special Parade together every year. I look forward to seeing many of you there!

We have several construction projects happening around town in connection with various improvements. While traffic can sometimes be inconvenient during construction, the net result is improved infrastructure for our town. We do our best to communicate information to our residents in advance of projects and/or while

occurring. We ask for your patience and cooperation as we work toward continued improvements in town. Please drive carefully in work areas for everyone's safety.

Our Summer Rec Program is getting ready to kick off! All weeks are full but we do maintain a waiting list. Often, we can accommodate families due to cancellations. For more information, please contact Borough Hall at 856-547-7164, ext. 36. Our dedicated Summer Rec team is already working tirelessly on this signature program for our youth. The Program also offers summer employment opportunities for our teens to work as counselors. Please check out the new website at www.haddonhts.com for helpful information about Summer Rec and much more.

Speaking of programs for our youth, I have to take a moment to recognize everyone who participates in our sports programs. It's so nice to drive by the soccer fields or baseball and softball fields and see so many people

engaged in sporting activities. As someone who was involved in these programs in the past, I can attest to the amount of time it takes to maintain the fields, manage the teams, coordinate schedules, and do all that is required to have successful youth sports programs. I cannot thank all of our volunteer board members, coaches, supporters and parents enough. The smiles that we see from our kids who participate makes all the hard work worthwhile.

Our Farmers' Market season has kicked off on Sunday mornings. This is a great asset for our town and gives our residents opportunities to buy quality produce and other products. It's also a nice opportunity to socialize and meet your neighbors. There are many community programs that take place during the Market. Please visit between 9:30 am and 1:00 pm on Sundays and check it out!

As always, your government continues to look for ways to be more efficient and provide the quality of service that

you deserve for your tax dollars. We recognize the need to provide top services to our residents while being fiscally responsible. Your governing body continues to work together to achieve that goal.

It is a privilege to serve as your mayor. If there is ever anything we can do to assist you or answer any questions, please don't hesitate to contact me or the staff at Borough Hall. I am available during my office hours, Wednesday June 5th. Have a great safe and happy summer!

Mayor Jack D. Merryfield

Letter from the Tax Assessor's Office

New Jersey Law requires the Tax Assessor's office to keep all property assessments current. The Assessor's inspector may visit your property if the property owner or their contractor obtained a building permit to build a new building, or update, improve, expand, remodel, redecorate, rehab and/or demolish an existing building located in Haddon Heights. Please cooperate with the Assessor's inspector who will perform an interior and exterior examination of your home or business, and request information to confirm the type of work done, or to be done, the cost of the project, and the date the job was, or is to be completed. This inspection is in addition to any inspection(s) required by the Haddon Heights Building Inspection Department.

The inspector will visit your property unannounced in the day, early evening, or on a Saturday. This method of inspection is very cost effective and I greatly appreciate your help allowing the inspector to collect the data required. The inspectors who work for the Tax Assessor's office are Judith Shoemaker (Judi), Jeffery Scott Pierson (Scott), and myself. Each inspector will wear an official Haddon Heights Borough ID Badge.

If you have any questions or concerns please do not hesitate to call Tax Assessor's Office at 856-547-7164 ex 33. Thank you for your anticipated cooperation with the inspection process.

Thank you, Thomas J. Colavecchio - Tax Assessor

What's New at the Station?

Summer is finally here. We continue our repair work on both our 30 year old layout and our 129 year old station, but with the return of good weather it is time to get out and ride some real railroads. There are many opportunities for rail trips in the area and a quick online search will yield current information. The easiest trips are those on New Jersey Transit. The Riverline traces most of the original route of the 1830 Camden and Amboy Railroad from Camden to Bordentown. A quick walk up the hill from the Bordentown Station gets you to historic Bordentown and a number of good places to eat. With the return of service on the Atlantic City Line, you can retrace the route of the 1854 Camden and Atlantic Railroad. Jitneys get you to the boardwalk and casinos.

A trip to Strasburg, PA will get you both the Railroad Museum of Pennsylvania and the Strasburg Railroad, along with lots of good places to eat or you can take a picnic lunch along to eat at the picnic grove on the railroad. Other trips include: New Hope & Ivyland, Black River & Western in Ringoes, NJ, and the Wilmington and Western in Delaware. Remember to stay off the tracks and always use caution around operating railroads.

The station will be open for the Fall Festival on October 5 and you are always welcome to stop in Wednesday nights to see the progress.

Haddon Heights Good Neighbors

The sun is shining, the days are getting longer, and the summer months are right in front of us. It's great time of year to be living in Haddon Heights and a great time to give pause to think about our neighbors who might be having a hard time enjoying the warmth of summer because of a medical problem or a financial problem. What we might be able to do to help them? Fortunately, Haddon Heights Good Neighbors is able to help brighten the lives of these neighbors.

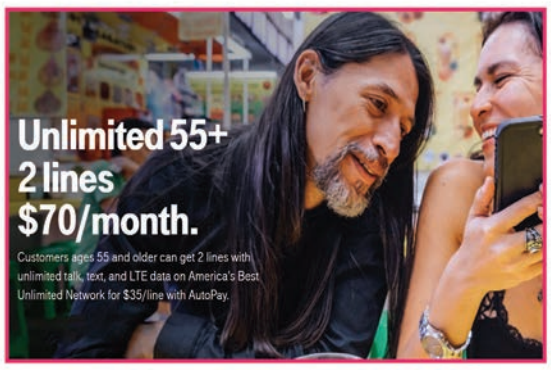

HHGN was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

One way of helping HHGN to accomplish its goal is to join the organization which typically meets the 1st Wednesday of January, May, September, and November. These meetings are held in Borough Hall at 7:00 PM. New members are always welcome. Another way is to make a donation to the organization which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to: Haddon Heights Good Neighbors 625 Station Avenue, Haddon Heights, NJ 08035 856-546-6677 or www.hhgoodneighbors.org. HHGN is NOT to be confused with the Haddon Heights Neighbors "Night Out" organization whose mission is different than ours although BOTH benefit our town

Another way to help HHGN financially is through the AmazonSmile program. AmazonSmile, is a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

Thank You for Your Dedication to Our Town

Haddon Heights Daisy Troop 30216

Haddon Heights Daisy Troop 30216 has been very busy this spring. The girls have participated in many activities that focus on being a good neighbor, caring for others and the Earth and persevering through challenges. Some of our Daisies enjoyed learning about knot tying and rock climbing at The Gravity Vault in Voorhees. The girls took on physical challenges and worked as a team to achieve their rock climbing goals. This spring Troop 30216 has also spent time learning about their town by studying and building a map of Haddon Heights and caring for Hoff's Park with a park clean up after learning about the impact of plastic pollution on our environment. The Troop also collected donations for the Animal Welfare Association and learned about responsible pet ownership. Troop 30216 thanks Haddon Heights residents for their support and looks forward to continuing to learn and grow in our community.

ABILITY AWARENESS

This year the Haddon Heights School District is embarking on the 8th year of their Ability Awareness Initiative. The primary focuses of the initiative are to raise awareness and to work to build a world of inclusion. Although this is a constant frame of mind that the district promotes, new events to increase acceptance and raise awareness continue to be organized.

This year's themes are Show Your Stripes and Inclusion Matters! Inclusion Works!, based off of the New Jersey Coalition for Inclusive Education theme. On April 16th, the district celebrated by recognizing students for their dedication to spreading these positive messages with the goal of continuing to create an accepting and inclusive school and community environment. Mrs. Jocqueline Renner, Director of Special Education, worked closely with staff, parents, and students to plan this year's celebration. The night began with the High School REACH Program students and staff serving smoothies to highlight their business, REACH for a Smoothie! Students were recognized for their participation in social groups and poster and writing contests. The celebration included the viewing of a video, Dispelling Myths about Students with Disabilities, created by high school students and staff. Videos of siblings and peers, with and without disabilities, sharing their unique qualities enabled participants to get an inside look at the benefits of inclusion. Sixth grade representatives, from each elementary school, shared a book review of All My Stripes and shared the valuable lessons they learned from reading the story. Their messages were shared throughout the elementary schools.

The event was informative and fun! Attendees were encouraged to add their colorful fingerprint to a tree painted on canvas to demonstrate how our fingerprints don't fade from the lives we touch. -Judy Blume. Also, an Eagles Jersey signed by Alshon Jeffery was given away to raise funds and awareness for the Eagles Autism Challenge. Parent, Mrs. Putman, shared information about William's Syndrome and the Down 2 Dance non-profit organization shared their mission to inspire, educate, and raise awareness for Down Syndrome. Guest speakers, Professor Jennifer Hoheisel and her son Will Hoheisel co-presented on the topic of Autism.

Since its inception, Abilities Awareness has been embraced by the school community and by the Borough of Haddon Heights as a whole. The town passed a resolution on April 16th to recognize and declare the month of April as Inclusion Month. The district appreciates the support of everyone who has worked corroboratively in spreading this necessary and positive message!

St. Rose of Lima's Social Action Committee is sending a BIG thank you to all in our community who continually drop food to the Post Office for our food pantry. Your continued contributions help feed residents in our town and our neighboring towns as well. Your generosity is greatly appreciated!

Mrs. Rooney will continue her collaboration with the Borough through the spring of 2019 and hopefully expand our partnership for years to come. Please check out the link below:

facing during this transitional phase of their lives. During our conversations, our students have communicated their anxiety and stress levels regarding the unknowns of college life. Mr. Borden and his colleagues will present on the registration process, course selection, time management, the importance of a structured daily living schedule, getting involved, and meeting new individuals. They will take questions, as well, from the students. Garnet Country is excited and proud to have members of our local community college present and to help prepare our students for their next step of their lives.

Dispelling Myths About Students with Disabilities

High School students have been meeting with Mrs. Renner, Director of Special Education, and Mr. Clark, Special Education Department Coordinator, to plan the creation of a video, "Dispelling Myths about Students with Disabilities". The video was recorded by Mr. Ortiz, Jr./Sr. High School World Language teacher and Garnet Live advisor. Students and staff from the High School participated in the making of the video which was shown at the "Inclusion Matters" night event on April 16, 2019 at 6:30pm in the Seventh Avenue multipurpose room.

PCAST (Person Centered Approaches in School and Transition)

The information listed below was provided by Ms. Renner, Director of Special Education. Two of our very own Haddon Heights School District educators, Mr. Michael Celli and Ms. Dana Kahlbom, were selected to present at The Association of People Supporting Employment First (APSE) national conference. This conference highlights best practices in supporting people with disabilities in career planning, supported and customized employment, and transition from school to work.

Mr. Celli and Ms. Kahlbom presented about their trailblazing work in creating the PCAST (Person Centered Approaches in School and Transition) curriculum and elective class. They are the first two

educators in the New Jersey area to create such a class. During their presentation, they shared how to best support students through the use of person centered approaches in the classroom. Through these approaches, students increase meaningful contribution in the IEP process, promote informed decision making and support intentional, thoughtful, transition planning.

They had an audience of well over 40 participants ranging from Educators, Adult Service Supervisors, Employment Coaches/Developers, School Administrators and State Agency Personnel.

Feedback from students who participated in the course is outlined below: PCAST has helped me become more aware of my options that I never knew even existed for me, and it made me want to reorder my priorities as I learned what is really important in all aspects of life. It has guided me in the way that I have a more positive but realistic outlook on things, it made me more confident in things I do but also taught me how to prepare for the real world and be able to advocate for myself.

I enjoyed how it was more personal than most of my classes, I could focus on my work because it grabbed my attention. I also enjoyed the trips, it made me change my decision to not go to college. I enjoyed how since the class was so "person centered" I got to know and trust the teachers, the class became a safe place for me.

PCAST is a helpful course that has guided me to understand what is in my IEP and my modifications and accommodations. It has showed me my options for after high school. This class that helps me realize who supports me with my education and using skills to advocate for myself for my education and future.

I can come to my teacher for anything and they make me realize how to use my IEP with my subjects and what I'm allowed to use in class.

Even though the path to a good college is hard, the teachers are willing to put in the extra effort to help and make sure we have a better chance to make it into college and live the life we want afterwards.

Haddon Glen Swim Club

2019 Memberships Still Available!

Our historic Haddon Heights shines all year round, but summer is when the borough truly comes alive! The nostalgia of a simpler time washes over you as you walk down Station Avenue on a summer's evening and you start to remember all of those memories of summers past. Those endless days filled with the melodies of an ice cream truck in the distance, the comforting crash of fireworks, and the chilling sound of your best friend's belly smacking the water in the diving well down at the Glen. That's right, nothing screams summer like a cannonball into the pool and Haddon Glen Swim Club.

Tucked behind the McCullough Complex on Devon Avenue is a hidden gem of Heights, Haddon Glen Swim Club. A cornerstone of summers in Heights since the 1950s, Haddon Glen Swim Club has remained a resounding example of what a community can do when its members come together to accomplish a common goal. In the '50s a group of neighbors wanted to create a place that would provide a

lifetime of memories to its members and over sixty years later, that goal has not changed.

This summer we invite current and new members to join us at the Glen for a summer you will never forget. 2019 will feature more fun than ever. Including:

- Haddon Glen Swim and Dive Teams
- Kids Campout, Movie Nights, and Float Parties
- Adult Socials, Bingo, and Quizzo
- And more!

Whether you're chasing your toddler around the baby pool, want to get a snack at our world famous Seahorse Café, or in need of a cool place to host a child's birthday party, Haddon Glen Swim Club has you covered.

For more information on memberships, swim and dive teams, or the August Buy go to www.haddonglen.org Be sure to follow us on social media; @HaddonGlenSC (Twitter and Instagram) or Haddon Glen Swim Club on Facebook. Hope to see you "Hanging at the Glen" in 2019!

Kids will learn about the good news of God's love-the gospel-going to new frontiers in the book of Acts. They will respond to God's love and learn how they can take it to new frontiers today.

And while the "young-uns" are busy mining God's Word, the womenfolk are invited to do their own prospecting in the Women's Class, where they can enjoy fellowship, refreshment and educational workshops. A nursery for buckaroos ages 0-3 years will be provided.

St. Mary's Episcopal Church

The warmer weather is here! This summer, St. Mary's Episcopal Church is offering a range of activities in order to have fun with our family, friends, and neighbors (near and far)! People don't always think of church and fun together, but here at St. Mary's we do! Why does St. Mary's want to create fun activities? Throughout the year, we run ourselves and families into the ground with work, school, and all types of activities. As humans we need time to rest, recharge, and refresh ourselves. We view summer time as a gift, that if unwrapped and enjoyed, can be full of joy, laughter, and a renewed sense of connection with our loved ones, nature, and God! Recreation and relaxation are a big part of summer, and St. Mary's would love to be a part of your summer activities!

You may be thinking... but wait, I am not religious! That's ok! We have plenty of activities that are not faith based, they are FUN based! Come have a hoot at our Hula lessons for both adults and children (ages 5 and up). Crack open a book on the beach that you bought from our Book Sale! Come feed your soul with the flavor of summer, by sharing some Hawaiian Food, with your family and friends, for a cause at our Fundraising Benefit for Let's Share the Sun! Let the kids come and play at our Peace Camp! Summer is a time for a break from our hectic pace, and we all know laughter and fun are good for the heart, mind, and soul.

You may be thinking... but wait, I want to explore my Faith! St. Mary's loves to engage in fellowship and faith! Have a thirst for more? Come join us over beverages and brews at our Theology on Tap discussion. Do you feel like the all this talk of sun and fun doesn't match your life right now? St. Mary's knows that the days aren't always sunny, the seas aren't always calm, and the skies aren't always clear. If you are seeking shelter from the thunderstorms of the heart and soul, St. Mary's invites you to find some refuge here! We offer a Healing Service every Wednesday and a Sunday Worship Service at 10am.

At St. Mary's we believe that God loves each of us, and every part of us. All are welcome here! Whether you join us for Faith Based or Non-Faith Based activities we know you will have fun! St. Mary's has something for everyone this summer!

What is Peace Camp? Peace Camp will not teach
your child about scripture and it will not address
faith or faith traditions. Instead, Peace Camp draws
on our fundamental shared humanity. It is open to
everyone and will respect all differences, including
differences of faith. Through both large and small
group age-specific activities (filled with fun!), led by
experienced teachers, children will explore ways to

respect the world they encounter and to care about the world beyond their reach through: Artistic fun, Recreational activities and Creative problem solving

When is Peace Camp? It is two weeks this year: August 12 - 16, and August 19 - 23. Monday through Friday. 9 a.m. - 1 p.m. Before and Aftercare options are available from 7:30am to 9am and 1pm until 6pm for an additional fee.

The deadline for Registration is August 1st.

We hope that this summer will warm your souls! We hope as you enjoy the gifts of the multi-colored flowers, the deep blue of the sky, the beauty of the beaches, the laughter of children at play, people strolling in parks, families gathered around picnic tables and more time to spend with family and friends; your hearts will be filled with a deeper awareness of God's presence and Love in each of our lives! We are wishing you all a blessed, happy, peaceful, safe and fun-filled summer.... and we really hope to see you!

HOW MANY DIFFERENCES CAN YOU FIND?

Take a look at the two photos below... Both are showing the 600 block of Station Avenue! The historic photo of a parade dates to c.1935. The current photo was taken on May 2, 2019. Up to 17 differences were found, but there may be more!

So what has changed downtown in 85 years? Starting at the left: 1.) There weren't any trees planted in front of the stores; 2.) Parking was diagonal, not parallel to the street; 3.) The Fries Building didn't have any awnings (because it's on the shady side of the street and the main purpose of awnings back then was to keep the sun out of the stores.) 4.) The tall brick building (Borough Hall) was demolished and replaced by the library; 5.) The flagpole is gone; 6.) Historically, the lamp posts only had a single light above; 7.) The third floor apartments above (what is now) C. Len Schmidt and the Haddon Piano School were destroyed by fire on January 4, 1970 -- John Schmidt has a picture of the fire on the wall of his shop! 8.) The street was full of marchers, not cars; 9.) There was no center line dividing the lanes (or honoring our fire fighters); 10.) There was no painted warning about the railroad crossing; 11.) There was no banner strung across the street; 12.) Where there was once a house with trees in its front yard at the end of the block, we now have Borough Hall; 13.) The electric power lines have changed -- they were wrapped around glass insulators at the top of the telephone poles (although you can't see the detail in the current photo, you can see that the center of the tree in front of Painted Treasure has been cut out for the power lines running above); 14.) When the current photo was taken, there were cones in the street, blocking parking spaces; 15.) There was no street furniture historically -- now we have benches and trash cans; 16.) There is no projecting sign for the BAKERY serving home made ice cream (because that storefront is now a dentist's office); 17.) There were transoms (a row of window panes at the top) on the store windows at the right. But one thing that has remained the same through all these years is the W.C. DAVIS PLUMBING, who still occupies that same corner store today, advertising with the same vertical wall sign, although the paint has faded over the years! The company has been in business since 1926. -- Margaret Westfield, HHBPA

**Headed to the shore this summer?
Be sure to take reusable bags!**

A statewide bill is being considered to ban carry-out plastic bags, Styrofoam food containers, as well as placing a fee on paper carry-out bags and require straws to be served only by request. Many shore towns, however, have already passed local ordinances.

One of the main reasons for the ordinances is the plastic pollution that is occurring in our oceans. It is estimated that by the year 2050, there will be more plastic than fish in our oceans, according to a report by the World Economic Forum and the Ellen MacArthur Foundation

Recycling rates for plastic bags vary from 2% to 12%, depending on the source, but clearly it is low. And recycling is costly. The Clean Air Council says that recycling one ton of plastic bags costs \$4,000 while the recycled product can only be sold for \$32.

Approximately 25% of the plastic bags that aren't recycled end up in our waterways and another 37% end up along our roadways as litter according to TerraCycle. The rest end up in landfill.

Many states, along with cities and even a country (Rwanda), have banned plastic bags all together. Some places have taxed plastic bags, reducing their use by as much as 90%. The results have been a cleaner environment.

Plastic bags account for 80% of the grocery bags given out. Using reusable bags is an easy way to help reduce pollution and save clean-up costs.

Haddon Heights Bus Route Calendar

NEW DESTINATIONS AND NEW TIME FRAMES

Weekly Door-to-Door Shopping Ride Services for all Haddon Heights Seniors 60 years of age or certified handicapped.

Because of popular demand, we have made changes to the Haddon Heights Senior and Disabled Bus Calendar. Added were Aldi, Audubon Crossing/Acme and the Deptford Town Center (Christmas Tree Shop and Bed Bath and Beyond) to the Deptford Mall stop. We have also added "Special" Trips to both the Reading Terminal and Amish Market. Deleted were the Cherry Hill Mall and Cooper Towne Center as they were under-utilized; Monday was eliminated as a shopping day.

Shopping time frames have been shortened to 10-12 for single destinations, 10-12:30 when there is the opportunity to visit additional stores during a shopping trip and 10-12:45 to the ShopRite in Brooklawn. The Special Trips are three hours from 10-1.

HOW TO REGISTER: This is a reservation only system for the door-to-door shopping routes. First time riders must call (856) 456-3344 to pre-register for the service.

After this short phone intake, you must call each week to reserve your ride.

All appointments for shopping service rides must be made by calling (856) 456-1148 between the hours of 6:00 a.m. and 6:00 p.m. the working day before your trip. Follow the instructions to leave a message for the shopping program. Speak slowly and clearly. Give your name, address with city, phone number and the day of the route.

Please note that the Special Bus Trips to the Reading Terminal and the Amish Market are limited to a maximum of 24 people with no wheelchairs and 22 people if two use wheelchairs; first come first served. These trips will have a single pick-up location at Stanfill Towers. To reserve a seat, please contact the Heights Senior Resource Center at (856) 546-2490, no later than one week before the trip.

HOW THIS IS FUNDED: Tuesday, Thursday and Special Trips are paid for by the Stanfill Towers Board. There is no donation requested.

The Wednesday rides to ShopRite in Brooklawn and the Friday ride to Walmart in Somerdale remain courtesy of the Senior Citizens United Community Services Sen-Han program, and will continue. A \$2 donation is suggested per one way ride.

Rental Facilities

Need to find a space to host your next party? Look no further! Haddon Heights has two facilities to offer you! The Cabin and The Community Center are available to rent for private parties and functions. Hoff's Playground is conveniently located next to the Cabin and adjacent to the Community Center, children can play within view of adults enjoying their event. There is ample street parking for all of your guests.

If interested in renting one of your hometown's facilities, you can find all the information and pricing on the borough's website at www.haddonhts.com. Just select rentals from the list on the left and select either the Community Center or Cabin for their specific rental information. Both pages offer a slide-show of photos taken of the facilities (some items pictured were rented from an outside source and brought in by the renter.) You will also find a link to a PDF version of our required rental agreement paperwork.

The spaces are rented on a first come, first serve basis. If you are interested in a specific date we recommend calling the office at 856-547-7164 ex. 36 to see if the date and time you would like are available. We can put a tentative hold on the date for one week, while you fill out the paperwork and send it/drop it off to our office along with the required security deposit check. After one week the date will be released.

If you have questions or would like to check on the availability of a date/time, please contact Julie Yuhaze at 547-7164 ext. 36 or email at jyuhaze@haddonhts.com.

When Love Speaks

Local Love:

A few weekends ago a little boy from Haddon Heights was playing basketball at the park. He and his dad were playing with his brand new basketball that he was pretty proud of. When the family left the park, they mistakenly left the basketball behind. As soon as the boy realized, his dad took him back to the park to retrieve it. The boy was excited to see it laying just where he left it. When he ran up to it, it had been deflated, probably by a silly teenager who thought it was abandoned there. The boy's mom took to the HH parent page on Facebook, not to admonish the teens but to ask other parents to joint together to remind all of our kids to be kind. She recounted the story on the Facebook group page. That's where Coach Ricci happened to see the story.

Coach Ricci is a father to four of his own kids, a 22 year veteran high school coach (11 at 3HS) and a Haddon Heights resident. Without hesitation, he dropped what he was doing, made a few calls to find out where the boy and his family lived and jumped into action. Coach Ricci didn't want him to associate his love for basketball, the park, teenagers or people with the incident, he wanted to show him something better. Coach Ricci took the shiniest of his own basketballs that he uses with his players, a 3HS baseball hat, a lanyard, and a warm up jersey and stopped by the boys house. He knocked on the door and said he was sorry for what happened but wanted to replace the ball. His family was moved. Moved to pay it forward, moved to get back on Facebook's Haddon Heights parent group with another message... That people are good. Coach Ricci is a good dad, neighbor and friend! Thank you for all you do!
