## Borough Offices Are Open To The Public

When the pandemic hit in March, it seemed as though everything came to a standstill. The Governor shut down the state and the Borough offices were closed to the Public. The Borough Clerk and essential staff were still working to ensure essential services to our residents. Non-essential staff also worked at reduced hours/remotely to make sure everything was still running as smoothly as possible. During the second stage of openings from the Governor, the Mayor and Council decided to reopen the Borough offices to the public July 6th. We are here to help you! Please be advised that social distancing practices will be in place and face masks are required prior to entering any Borough Building. We look forward to serving you once again in person.

# MAYOR'S MESSAGE

Dear Neighbors:

I can't believe the summer has come to a close already, though this year seems to be never-ending. 2020 has brought about many challenges for our residents, businesses, and government alike in Haddon Heights. However, I am confident in our community weathering this storm through our ability to work together and support one another. Throughout this issue, you will find lighter than expected announcements for fall events. Still, I encourage you to read through the issue carefully, taking note not only what we plan to offer but also the advertisements from our business community announcing any fall specials. And as always, follow Haddon Heights on social media and check out the website for the most up to date information.

State Officials continue to lift COVID19 restrictions as we move through the year. I want to encourage everyone to continue to support our businesses here in Haddon Heights and shop local. If you feel safe and healthy, please consider patronizing our retail and service shops and visiting any fabulous restaurants to dine in or take out. However, remember to wear your mask and follow all social

distancing and state health guidelines. Please do it if not for yourself but your neighbors.

I also want to remind everyone that Haddon Heights Good Neighbors continues to be here to support our community's residents. They are a fantastic group of individuals who have supported the residents of Haddon Heights more so than ever during this pandemic. Though the pandemic appears to be slowing, HHGN is still here to help, whether for food, paying bills, physician visits, or errands. They can be reached by phone at 856-546-6677 or emailed at [information@hgoodneighbors.org](mailto:information@hgoodneighbors.org).

One positive note is the recent addition of self-watering planters to Station Avenue along our business district. It was a coordinated effort between multiple parties. I want to thank the Camden County Parks Department for the donation of potting soil, all the organizations and families that donated funds, and our hardworking volunteers who put all of this together. I believe these planters will be a welcome addition to our beautification efforts throughout the town and serve as

only the beginning of larger initiatives spearheaded by our newest committee, Heights Grows!

Heights Grows! is a committee comprised of 5 voting members from the public and a council liaison. The committee formed from an ad hoc group of volunteers who spearheaded our downtown business district's clean up after the canceling of our Civics Day event in the spring. This committee's vision is to build and improve community aesthetics, foster civic pride, and support our community's economic development to increase the welcoming feel of Haddon Heights through ongoing beautification efforts. Anyone wishing to volunteer and support the committee and their projects, please reach out directly to Mrs. Cyndy Mullineaux at her email [cynejm@gmail.com](mailto:cynejm@gmail.com). And again, I want to thank all of our volunteers who have made this possible.

One quick reminder that our library is open and operating once again. With that said, the library has been forced by COVID19 to cancel many significant fundraising events they do annually. Please consider donating to our library

this year. Finally, if there is anything we can do for you as your elected officials or want to chat with one of us, please feel free to reach out to me at [mayor@haddonhts.com](mailto:mayor@haddonhts.com). Also, please continue to look for my video updates on social media @mayorhouck on Instagram and Twitter and [www.facebook.com/mayorhouck](http://www.facebook.com/mayorhouck).

## Do You Need the Winter "Function Better Program"?

Each winter, many folks perform activities such as bundling-up for afternoon walks, shoveling snow, clearing snow and ice off the car, visiting friends, attending children's shows and shopping in town. ## Historic Preservation Commission

### Fourth Avenue

Anchoring the White Horse Pike Historic District on Fourth Avenue is the old St. Rose Rectory/Convent, now the home of Constantino and Christine Karageorgis. This Queen Anne Victorian house was also the founding site of St. Mary's Episcopal Church in 1900 when then owners Mr. and Mrs. D. Mason Godwin donated the use of their new home for the first Episcopal service in the new town of Haddon Heights. The house later became the St. Rose Rectory, and then from the mid-1970's until the late 1980's the Dominican Sisters' Convent. Mr. & Mrs. Karageorgis have recently restored the wraparound porch, the mark of a prestigious home then and now and "a gift to the street" in the early suburban movement. Note the hipped roof with cross gables, square curved roof tower and first story New Jersey sandstone. The HPC is delighted the Karageorgis's decided to make Haddon Heights their home!

### 125 White Horse Pike

A new dentist is coming to town. Dr. Danille Dandoli is a Pediatric Dentist who has purchased 125 White Horse Pike for her practice, New Heights Dentistry. Dr. Dandoli came before the Historic Preservation Commission with improvements to the property she and her husband purchased from Dr. Richard Doty. Dr. Doty moved his Sensonics business to the Black Horse Pike. This asymmetrical Victorian-Colonial Revival house will receive a new side addition which will not change the essential style

of the building. The yellow fire escape will be removed as unnecessary. The porte-cochere and stone plinths will remain along with the front porch. We are excited welcome this new business that caters to our young residents!

## Department of Public Works

### Leaf collection is around the corner

As the leaves start changing that means they will soon start falling. Leaf collection will begin on or about October 15th and run until December 15th. Lawn Service Contractors **MUST** remove leaves from your property.

Please adhere to the following guidelines:

- Rake your leaves to the CURB. Please **DO NOT** place leaves in the street. Leaf piles in the street cause flooding and drainage problems during rainstorms. **DO NOT** place leaves closer than 10 feet from any storm sewer inlet. **DO NOT** park cars in front or on top of leaf piles, our trucks will not be able to pick up those leaves that are blocked.
- **DO NOT** mix leaves and brush. Your can(s) will **NOT** be collected if it is mixed.

**The last day for Grass collection will be on October 26, 2020**

**The last day for Brush collection:**

**East side (10th Avenue to Haddonfield Border)** will be Wednesday, October 28<sup>th</sup>.

**West side (10th Avenue to Black Horse Pike)** will be Thursday, October 29<sup>th</sup>.

### Overnight Parking:

- Parking is prohibited on Borough streets from midnight to 5:00am.
- Parking Permit applications and renewal applications are available at the Borough Offices.
- 2021 permits must be displayed by 1/1/2021.
- The overnight parking number 856-784-9161. This number is also located on the Borough website several times in case you forget.
- Whenever there is a warning or prediction of possible snow or ice, ALL on-street parking is denied.

### Crossing Guards Still Needed

The Haddon Heights Police Department is in need of Crossing Guards. If you're in good health, enjoy being out doors and spending time helping children you may be qualified. Interested applicants should apply at the: Haddon Heights Police Department, 625 Station Avenue, Haddon Heights, NJ 08035

Please call 856-547-0614 ext. 10 if you have any questions.

### What's New at the Station

The world is certainly a different place since our May Heights Report article. Down by the Station Day was cancelled and Fall Festival is out as well. Numerous train shows and related events are gone or rescheduled to 2021. Socially distanced model railroading

is a new experience for all. We continue to work on our expansion modules and station maintenance and look forward to opening the station next year. On a positive note, the station is 130 years old this year. We had hoped to have a celebration marking this milestone, however Covid has precluded this. We will update our Facebook page, Delaware & Susquehanna Model Railroad Club, as work progresses. Stay safe and we will catch up in person when this is over.

### UPCOMING COUNCIL MEETINGS

### Animal Licenses

**Registration is Required for all Dogs and Cats. It's the Law.**

In order to get your animal licensed, proof of rabies vaccination will be necessary, good through November 2020. Please note that we are not currently charging the late fee for licences. The cost for a spayed/neutered cat or dog is still just \$9.00. The cost for a non-spayed/non-neutered cat or dog is \$12.00.

If we get all of our animals vaccinated against rabies, then no parent will have to be afraid that one of their children may be bitten by a rabid cat or dog. Nor will your animal be subjected to quarantine for 10 days in the county shelter.

Having a license also makes it easier for your pet to be identified and returned to you should they get out. Even indoor cats have been known to escape at times, without a license whoever finds your pet will have a harder time identifying them and they may not be returned to you. Another benefit of having your animal licensed and vaccinated means if they did escape they would be protected from Rabies should they be bitten by a wild animal living outside.

### Interfaith Caregivers

First, a big thank you to our current and new volunteers who have made a difference for our Haddon Heights' clients during the state of emergency. We implemented social phone calls to keep people connected and determined a way to provide services while maintaining social distancing. Keep an eye out for a new banner to hang on Station Avenue for those of you who are interested in volunteering to help your aging neighbors in Haddon Heights. Answer our call to give local and email Suzan at [suzand@ifchaddons.org](mailto:suzand@ifchaddons.org) to learn more. Each week on Facebook and Instagram, we have been introducing you to our volunteers. Volunteers are at the heart of our organization. Follow us and see which of your friends and neighbors have been featured giving a helping hand.

Like many other organizations, we have had to come up with new ways to raise funds that support our mission of facilitating the independent living of aging and disabled neighbors. We will be selling a keepsake ornament in place of our Holiday House Tour. We will also be selling paper luminaries for homeowners to display in front of their home on New Years' Eve. The luminaries symbolize a 2021 filled with hope and light. We would love to have pods of neighbors participate in this endeavor. If you are willing to help us engage your block, please let us know by calling 856.354.0298. The luminaries will not only help support our mission, but also are an outward sign of our vision of, "neighbors helping neighbors," by extending a hand in friendship. Learn more in the coming weeks by visiting our website at [ifchaddons.org](http://ifchaddons.org).

The Rotary Club and you have brought in the Holidays by lining Station Avenue with luminaries the 1st Friday of December, the night of the library's holiday house tour. There cannot be a safe tour this year.

Please help Rotary continue this Heights tradition by donating \$5 per luminary to the Rotary, P.O. Box 23, Haddon Heights, NJ, or drop off at the library. With your help, on December 4, Rotary will the light up Station Avenue and life in Haddon Heights.

## Haddon Heights Good Neighbors

*Throw kindness around like it was confetti -Author Unknown*

When you read this quote, you start to understand how the Haddon Heights Good Neighbors Program operates. This past fiscal year, we helped 16 families with payments for a) rent; b) cable; c) home repair for family with a child with disabilities; d) medically necessary equipment for young boy; e) ShopRite certificate; f) mattress; g) partial mortgage payment for longtime resident; h) gas and electric; i) window unit air conditioner; j) internet access for self-employed resident; k) tuition for LPN course; and l) house cleaner/organizer for wheel-chair bound resident. In addition, we distributed 52 food certificates from John's Market to 22 families (8 individuals and 14 with children) for both the Thanksgiving and Christmas holidays. We work with other town organizations including St. Vincent de Paul, the local School Nurses, John's Market, the Methodist Church, the Scouts, Stanfill Towers, the Mayor's office, and the Sons of Italy (which provided 28 - \$25 certificates for Christmas and Thanksgiving as well as an additional 8 for those suffering because of COVID-19) to assist Haddon Heights clients. We donated a total of 310 masks (made by a Haddon Heights resident) to Stanfill Towers, the Police Department, and the Fire Department. We also purchased 63 hoagies for Stanfill Tower residents. "Throwing kindness" is so much fun when it helps so many people.

Haddon Heights Good Neighbors, HHGN, was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, our goal is to help members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

One way of helping HHGN to accomplish its goal is to join the organization. We typically meet the 1st Wednesday of January, May, September, and November. For 2020, the meetings are January 4, May 6, September 2 and November 4. Meetings are held in Borough Hall at 7:00 PM. New members are always welcome.

Another way to help is make a donation. Your contribution will be used to assist residents in our community and whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes where it is needed the most.

### WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small and no act of kindness is too inconsequential! There are a couple of ways you can make a donation. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html> Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to: Haddon Heights Good Neighbors 625 Station Avenue, Haddon Heights, NJ 08035 856-546-6677 or [www.hhgoodneighbors.org](http://www.hhgoodneighbors.org). HHGN is NOT to be confused with the Haddon Heights Neighbors "Night Out" organization whose mission is different than ours although BOTH benefit our town

Another way to help HHGN financially is through the AmazonSmile program. AmazonSmile, is a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

## HH School District Strategic Plan

The Strategic Plan has been approved by the Board of Education. The co-chairs, action team committee members, goal committee members and Ms. Judith Wilson, Strategic Plan consultant, did an outstanding job with the endeavor. Any financial items contained within the Strategic Plan will still need to be approved at a future Board of Education meeting. The original budgeted \$140,000 designated for year one of the Strategic Plan is still under review due to potential state aid cuts in October 2020 and increased needs for reopening the district. You can find the full Strategic Plan on the main page of the district website under the Highlights section.

## Baptist Regional School

**HADDON HEIGHTS**  
CHRISTIAN SCHOOL

As the world pushed the COVID-19 "Pause" button in the middle of March, 2020, so did most of this nation's schools for in-person learning. Baptist Regional School also suspended face-to-face education and transitioned to remote study.

But now, as many schools move to "Restart" this fall, whether remotely or in a hybrid fashion, Baptist Regional School sadly must remain on "Pause." After 48 years of ministry to Christian families, the school finds itself unable to overcome the challenges of a pandemic and decreasing enrollment.

BRS has been bracing for the "New Normal" since March, planning to restart with CDC guidelines in place, new policies, remote options, PPE, plenty of room for distancing, even a new name-Haddon Heights Christian School- to reflect the ministry relationship it has with Haddon Heights Baptist Church.

But, with the new school year approaching and coronavirus still lurking, low enrollment and the additional challenges, in part brought about by the virus, left the preK-12 institution without adequate financial resources to serve its families.

Rev. Erik Christensen,

Senior Pastor of the parent church, is confident that the school's closing is temporary. "We would love to see a reopening as early as next school year and are praying to that end," he says.

The school board wishes to express its profound thanks to the administration, faculty and parents of the school for the support and commitment they have exhibited for the school and for Christian Education. All have worked diligently to keep the school open.

"We are praying that each student and student family will find a school where education is presented from a Christian world view and that they will not just survive this pandemic, but thrive where the Lord leads them," Pastor Erik added.

When the school reopens, it will be known as Haddon Heights Christian School-"A New Name For A New Normal."

## Stormwater Information

By Brian Heckler, Stormwater Coordinator

Neighbors and Friends, I would like to take a few moments and talk to you about the importance of stormwater management. Haddon Heights is a watershed. What does this mean? A watershed is an area of land that water flows through or over and then drains into a body of water. It may drain into a small stream, lake, river or even the ocean. Remember even though the water leaves Haddon Heights it is our responsibility to keep it clean and healthy. Stormwater ends up in our streams, lakes, and potentially our drinking water. Here are some examples on how to keep our waterways clean.

Stormwater flows over our streets, lawns and pretty much every area at a lower elevation. It picks up debris from the roads such as trash, oil, pesticides, animal waste, sediment and anything else on the road it can carry. To help limit the impact here are several examples you can follow. Limit the amount of fertilizer you put on your lawn. Do not fertilize right before it rains and pick up after your pet as pet waste contains harmful bacteria and parasites. Always place trash in the proper receptacle and never throw cigarette butts in the street. One cigarette butt can take up to 25 years to fully break down. Any and all trash not properly disposed of can kill or harm our wildlife. We have an abundance of wildlife in our area such as ducks, eagles, hawks, turkeys, deer and let's not forget about the many species of fish and turtles.

This time of year is it especially important. Do not blow your grass clippings into the street and please put your leaves on the curb, not in the street. Natural and organic debris flows into our streams and lakes. It will spike nitrogen and phosphorus levels in the water and cause algae blooms. This lowers the oxygen level in the water killing aquatic life and growing toxic bacteria.

All it takes is a little effort to make a big difference. Help protect our waterways and our wildlife for years to come.

## Library COVID-19 Update

The staff and trustees of the library would like to thank the community for the support and patience you have given us over the past 7 months. We have been working throughout the pandemic, starting remotely on March 16 with phone lines open and live web chat running. With curbside starting June 29 and limited in-person hours on July 20, we have tried to bring services back to the community in a safe and cautious manner. The health and well-being of the staff and our patrons is the number one priority.

We continue to monitor the pandemic on a daily basis and hope to expand on services, hours and materials in the near future. Please check our website and Facebook page for the latest news and updates. Thank you again for your patience and please reach out to Christopher Walter at [chris@haddonheightslibrary.com](mailto:chris@haddonheightslibrary.com) if you have any questions or comments. #HeightsTogether

## Tax Assessor's Office

New Jersey Law requires the Tax Assessor's office to keep all property assessments current. The Assessor's inspector may visit your property if the property owner or their contractor obtained a building permit to build a new building, or update, improve, expand, remodel, redecorate, rehab and/or demolish an existing building located in Haddon Heights. Please cooperate with the Assessor's inspector who will perform an interior and exterior examination of your home or business, and request information to confirm the type of work done, or to be done, the cost of the project, and the date the job was, or is to be completed. This inspection is in addition to any inspection(s) required by the Haddon Heights Building Inspection Department.

The inspector will visit your property unannounced in the day, early evening, or on a Saturday. This method of inspection is very cost effective and I greatly appreciate your help allowing the inspector to collect the data required. The inspectors who work for the Tax Assessor's office are Judith Shoemaker (Judi), Jeffery Scott Pierson (Scott), and myself. Each inspector will wear an official Haddon Heights Borough ID Badge.

If you have any questions or concerns please do not hesitate to call Tax Assessor's Office at 856-547-7164 ex 33. Thank you for your anticipated cooperation with the inspection process.

Thank you, Thomas J. Colavecchio, Tax Assessor

### Worship Services:

First Presbyterian Church has adapted to the "new normal" created by the pandemic and has continued to offer Worship services each week throughout the spring, summer and fall. Our services are streaming live on Facebook every Sunday at 10:00am ([www.facebook.com/fpchaddonheights](http://www.facebook.com/fpchaddonheights)) and we offer a warm welcome to our community to join us online.

Our church leadership has been proactively developing a strategic plan for opening our church to in-person Worship when it is safe to do so; however, out of an abundance of caution, our services will remain online-only at least through September 30, 2020. When we do determine it's safe to open our doors to in-person worship, we are committed to continue live streaming each service on Facebook for those who prefer to participate from home. We are currently working with a local audio/visual company and have plans to install all new cameras and streaming equipment in order to provide our congregation and visitors with the best possible online experience.

### Digital Fellowship:

We're continuing to find new ways to fellowship with one another while we can't meet in person. We are holding a weekly Zoom Fellowship Hour following our Worship service

each Sunday at 11:15am. Pastor Eliza also hosts "Wednesday School" each Wednesday morning at 11:00am on Zoom, for adults to review and discuss the scripture from the upcoming week's Worship service. We hope you'll join us for either of these events.

### Friendship Circle:

Our Friendship Circle, a women's gathering of the PCUSA Presbyterian Women, started to meet virtually via Zoom over the past several months, and will continue their Zoom meetings each month for the foreseeable future, until it is safe to meet in person again. Meetings are held every 3rd Tuesday of the month at 9:30am, with the next meeting scheduled for October 20, 2020. We'd love for you to join us.

### Virtual Sunday School for Kids:

Starting on September 13, we launched a new virtual Sunday School experience for grades Pre-K through Senior High. The virtual lessons are based on the scriptures that Pastor Eliza is using each Sunday in her sermons, allowing a cohesiveness that will encourage family discussions about scripture, faith and worship. All the lessons are pre-recorded and posted to the church's Facebook page on Sunday mornings, but they can be viewed at any time. Lessons plan to be between 15 and 20 minutes long and will include a brief optional follow-up activity that children and families can share by posting on a safe online platform. Through this platform we hope children can enjoy learning and sharing in their faith journeys by staying connected to each other as well as recognizing their value to our church family.

### Community Food Donations:

According to Feeding America, one in 11 New Jersey residents is struggling with hunger and this number is likely to go higher as time goes on.

Even though we had closed our doors to in-person Worship services, our congregation remained faithful in dropping off special food items each week for our mission's collection. At the end of each month, the food was taken to Your Food Shelf in East Camden to help support their mission and to help feed those in need. We eventually decided to place a bin outside of our church entrance where food donations could be dropped off. We were shocked, surprised, and truly touched by the outpouring of support and generosity from not only our congregation, but from neighbors and the Heights community as well. Everyone has continued to fill our food bin daily and we have been able to take donations to Your Food Shelf every other week, sometimes with as many as 400 items. The moral of the story is that it truly does take a village. A town called Haddon Heights responding generously to help a city called Camden. People who have enough to eat helping those who do not. People seeing a simple, empty bin and filling it up. Our church and Missions Committee is so grateful for the generosity of our town and community to help the many less fortunate.

### Gathering On Green:

We were happy to be able to come together on two selected evenings in the months of August and September during our "Gathering on Green." As

## Haddon Heights Baptist Church

HADDON HEIGHTS  
BAPTIST CHURCH

When COVID-19 forced the country to hit the "Pause" button in mid-March, Haddon Heights Baptist Church followed suit-but only within the walls of the church building. Like the early Christian church, which gathered in believers' homes, HHBC shifted worship and fellowship to the shelter of the home hearth. Unlike the early church, which didn't have the internet, Zoom and facebook were the agents of fellowship at HHBC as the pandemic raged outside.

For almost three months Pastor Erik Christensen gathered the congregation together on Facebook for Sunday worship as song leaders and musicians provided melodic praise from their homes. Pastor Christensen initiated twice weekly devotionals online, which continue today on Tuesdays at 2 pm. Bible Fellowship classes met on Zoom, as did other ministries and care groups. Sermon CDs were made available to Seniors and shut-ins who do not have access to the internet.

On June 14, as soon as New Jersey allowed religious gatherings to restart, Haddon Heights Baptist Church opened its doors to worship, while still continuing Facebook broadcasts. Worshipers joyfully assemble each Sunday at 11 am, socially distanced and masked per Executive Order, happy to be together in person and longing for the day when they can freely lift their praises in full-throated song to the One Who guided His flock through the coronavirus valley. Facebook worship and devotionals continue for those more vulnerable congregants not yet confident enough to venture out to public gatherings. Currently, about 50% of the fellowship meets in the building and the rest follow on Facebook.

### In-person gatherings

Besides Sunday morning and evening services, which resumed in June, Wednesday Bible Studies restarted

in September. Currently, a men's study of the book of Nehemiah is ongoing, while a ladies study focuses on The Names of God. Meanwhile a prayer and devotions group meets at the same time, which is 7-8:30 pm. The Jr/Sr Youth Group also meets each week at that time.

### Fall Events

Each October 31, Haddon Heights Baptist Church sets up a refreshment station on the front lawn at the corner of Fourth and Station Avenues. As hundreds of Trick-or-Treaters pass by, they are invited to take a break from their arduous door-to-door endeavors to partake of cider and snacks. The corner full of church workers serves as a neighborhood presence to help maintain the safety of the borough streets.

A popular addition to event last was the Trunk-or-Treat gathering in the front parking lot of the church. It will continue this year as well, with plenty of treats and fun games, glow sticks and prizes for game-winners! Don't miss the fun between 6 pm and 8 pm. Stop by for a few minutes or spend an evening of family fun at Haddon Heights Baptist Church!

As Thanksgiving approaches, the faithful think about gathering to lift hearts and voices to the Lord for His goodness to His children and for the abundance of mercy and grace He bestows. As with the country's tradition of the Thanksgiving feast, the Haddon Heights Baptist Church family traditionally gathers for a time of Pie and Praise. The Sunday evening before Thanksgiving, this year, November 22 at 6 pm., warm praises and warm pie are shared at HHBC. Though 2020 has been the most challenging year in the memory of most, God's faithfulness in bringing us through it is cause for a great celebration of praise!

### Awana

Due to the pandemic, Awana activities also hit the "Pause" button. Believing that the health and safety of clubbers is of paramount importance, the church has decided that opening the club this year would not be advisable. Current plans are to reopen around September 15 of 2021.

In addition, members pray successively around the clock on a monthly Day of Prayer to lift up the fellowship in prayer to the Lord on the second Tuesday of every month.

## Haddon Heights Soccer Club

After the cancellation of our Spring season due to Covid lockdown, the Girls and Boys of Haddon Heights Soccer Club resumed play this Fall at Devon Avenue Soccer Fields. Over 400 players across Recreation and Travel teams participated in the various programs executed by the Soccer Club. Typically, the Club has a single mandate with our players - teach them how to play soccer. This Fall, the Club added a second mandate -

teach soccer AND keep our players, coaches, and parents safe during the Global pandemic. Measures were put in place to help achieve both mandates.

The Haddon Heights 2009 Garnets, coached by Tom Sheel, won the delayed South Jersey Cup in August. The South Jersey Cup is a season long competition run by South Jersey Soccer League and South Jersey Girls Soccer League. In the Fall of 2019, the Garnets won their bracket, advancing to the knockout stage which was to be played in April. After Covid Lock-down moved the semifinal and final to the first weekend of August, the Garnets beat Washington Township and Voorhees, winning the SJ Cup, and in the process being the first team in Haddon Heights Soccer Club to win the Cup. Congrats boys!

## Is Going to the Dentist Safe?

COVID-19 has changed the world we live in. It's not uncommon to walk into a store and see people geared up wearing face shields, mask, and gloves. We are all trying to protect ourselves. After being shut down for two months, I was unsure how working again would be in the world of dentistry. Many of the dental offices around slowly start to reopen with many protocols in place and the question I get all the time from patients is, "Is going to the dentist safe?"

Back in March dental offices across the United States were advised to close their practice for non-emergency care. Like many dental practices around, Haddon Heights Smiles closed except for emergency care. Dental offices use many instruments that spray water and air. Although these droplets of liquid can be invisible to the eye, these droplets can contain the COVID-19 virus. Although, no cases of COVID-19 has been traced back to a dental office, our number one priority is to protect you. Here's some things we have in place to insure you are safe in your dental home.

1. Cleaner air in the office? Of course. Haddon Heights Smiles installed IQAir systems in the office with HyperHepa filtration technology. What does that mean? This system filters out 99.5% of harmful ultrafine pollution particles down to 0.003 microns in size, which is 10 times smaller than virus.
2. 6-Foot apart please! We are limiting the number of patients in the practice at a time. This means we are seeing less patients a day. When you arrive, we will take your temperature and ask you to use hand sanitizer and make sure you do not wait at reception.

3. Lots and lots of personal protective equipment or PPE. Dental professionals at Haddon Heights Smiles perform hand hygiene all day long, wear N95 masks, gloves, hair caps, eye protection, face shields, and gowns. Yes, we look different and a little silly but we are here to protect our patients!

Your oral health is extremely important to your overall health and needs to be maintained. Dentistry Today released an article on the research linking periodontal disease and the COVID-19 virus which included people with periodontal disease had a greater risk of dying if infected with COVID-19.

At Haddon Heights Smiles we follow the American Dental Associates and the CDC's guidelines and protocols put in place to make your trip to the dental office safe.

We are confident that these guidelines will help create a safe environment for all our patients and team members and hope that you can feel secure in the knowledge that we are doing everything in our power to provide the safest clinical conditions in order to protect our patients, our team and our families.

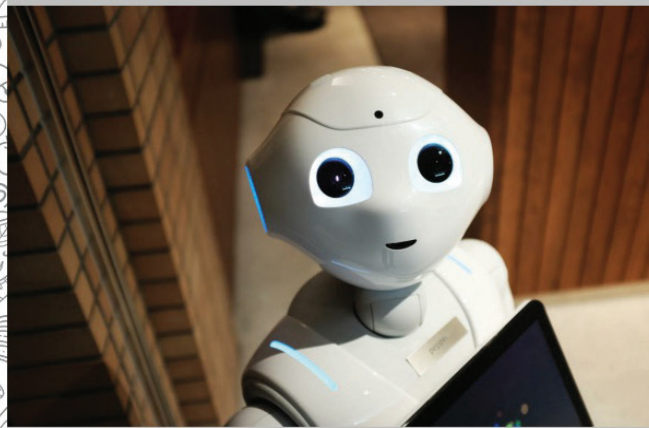

WE ARE IN THIS TOGETHER.
