Virtual Re-organization Meeting

Haddon Heights hosted its first ever virtual re-organization meeting via Zoom on Saturday, January 2, 2021. Despite the virtual platform, there was a large group of dignitaries, professionals and public in attendance. Mayor Houck's first

order of business was to install the town's two recently elected Council members. Trisha Egbert was sworn in by Congressman Donald Norcross and Regina Phillips was sworn in by the Honorable Heidi Willis Currier, J.A.D. Councilwomen Egbert and Phillips join current council members Asiyah Kurtz, Christopher Morgan, Tom Ottoson and Scott Schreiber.

The newly-formed Council proceeded to work through its lengthy agenda. Councilman Scott Schreiber was sworn in as Council President. Department directors were appointed, namely Councilwoman Asiyah Kurtz and Councilwoman Trisha Egbert to Parks & Recreation; Councilwoman Asiyah Kurtz and Council President Scott Schreiber to Public Works; Councilman Christopher Morgan, Council President Scott Schreiber, and Councilman Tom Ottoson to Finance; Councilman Tom Ottoson and Councilwoman Regina Philipps to Public Safety and Councilwoman Asiyah Kurtz and Councilwoman Regina Philipps to Administration. The Council appointed Howard C. Long, Esquire of Wade, Long, Wood & Long as borough solicitor, as well as re-appointing Bach Associates as borough engineer.

One of the most important parts of the morning was the swearing-in of dozens of Haddon Heights' residents who will lend their valuable time to support the town's various committees, commissions and groups. Volunteers will assist with the Municipal Drug Alliance, Environmental Commission, Green Team, Planning & Zoning Board, Historical Preservation Commission, Civic Events Committee, and Shade Tree Commission-- just to name a few of Haddon Heights' important organizations. The Borough Council truly appreciate the community involvement, and encourages all residents to get and stay involved.

LOVE Your Library Month

February is "Love Your Library" month and the Haddon Heights Library is always striving to give residents many reasons to love them. Downloadable e-books, museum passes, exciting community events, children events, digital magazines, notary service and high speed internet are just several of the services and products available from the library.

We are proud of all our offerings, but we recognize that the help the residents give us each year through donations help to make them possible. It has been an extremely tough year for everyone, but the support the residents of Haddon Heights have given the library shows us how much you value your library. It pushes us to deliver as many services as possible during the current state of affairs.

With February being "Love Your Library" month, we must appeal to you again and ask for as generous a donation as you can afford. Please keep your eyes peeled, as our solicitation letter will be hitting your mailbox in February. Without your support, we could not deliver the services you deserve. For more information about the library or how to donate, please call us at 547-7132 or visit www.haddonheightslibrary.com.

MAYOR'S MESSAGE

Dear Neighbors:

Well, we did it. We made it through 2020. I know I speak for not only Mayor and Council but the entire town when I say 2021 could not come soon enough. I want to thank everyone in town who served on committees last year. Volunteers are the lifeblood of our great community and make so many of the projects happen. I need to especially thank our incredible staff at the borough hall, including our Police and Fire Departments. We could not have gotten through 2020 as well as we did without all of you. In addition to that, I would be remiss if I didn't applaud the incredible year of service from the Audubon & Haddon Heights DPW Shared Service. Dave Taraschi and his staff hit the ground running in early 2020, grinding over 160 stumps in our curb strip. They quickly followed this up with one of the most challenging storm seasons in decades, which required weeks of clearing debris and down trees. Before you knew it leaf season was here, which is a daunting task in a good year. Finally, to quote several residents, "They haven't seen snow plowing so thorough and timely in the twenty years they have lived here. So with that, I think I speak for the entire Haddon Heights community when I say thank you to our DPW for

exceeding our expectations during the COVID19 pandemic.

As for the pandemic, we are not out of the woods yet. I encourage everyone to continue to socially distance, wear a mask, practice good hygiene, and if you are sick or feeling a little off to get tested at one of the many testing locations throughout Camden County. You can find location information at <https://www.camdencounty.com/service/covid-19-updates-and-preparations/testing-site-locations/>. As I am writing this message to all of you, the state continues to roll out its vaccination program for COVID19. I was vaccinated, and I cannot stress it enough that everyone should try to be vaccinated as soon as possible. This is crucial to stopping the spread of the COVID19 pandemic that has claimed nearly 1000 lives here in Camden County alone. You can find more information on Page 3 of this publication and also at <https://www.camdencounty.com/vaccineregistration/>. Finally, don't forget to support all of our small businesses, the library, and the many civic organizations in our community that rely heavily on your patronage.

With a new year, we welcome two new Council members. I want to congratulate

Councilwomen Trisha Egbert and Regina Philipps on taking their oath of office. On January 2nd, these two ladies were sworn in a little differently. For the first time in our Borough's history, virtually these two ladies took their oath of office surrounded by only their immediate families in Borough Hall. I wish them all the best for the next three years and beyond. I think we can expect a lot of great things from them.

As we continue to move through winter and head towards spring, I remind everyone that when it snows to try and stay off the roadways, it helps the DPW plow curb to curb quickly and efficiently. I also ask that you try and shovel your walks in a timely fashion after the storms and look out for your neighbors more than ever. With COVID19 still looming, a neighbor or two may need a little help shoveling their walks. Everyone should also keep an eye out for spring registrations and activities here in town, with spring around the corner. However, bear in mind that activity levels will still be slightly different from years past as we continue to navigate the pandemic. I also want to highlight two groups that will be ramping up once again: the Haddon Heights Shade Tree Commission and

Heights Grows. Both groups managed to have a great year in 2020, and I think we can expect much of the same for 2021. At the close of 2020, the Shade Tree Commission planted 44 trees this year, and Heights Grows planted seasonal evergreens with lights in our new Station Ave planters. If you are interested in helping either of these groups, you can reach them at shadetree@haddonhts.com and heightsgrows@haddonheights.com.

Finally, as always, I encourage you to follow me on social media @mayorhouck (Twitter & Instagram), Mayor Zachary Houck (Facebook) and reach out to me with any concerns or ideas. I can also be reached via email at mayor@haddonhts.com.

Mayor Zachary Houck

Shade Tree Commission

The Haddon Heights Shade Tree Commission in December oversaw the planting of 45 trees.

Many thanks to the Department of Public Works for their efforts in the planting process. Thank you to the Haddon Heights Rotary Club for your contribution that helped us reach our goal. The Rotary Club

has a long history of sponsorship of tree planting.

We are now looking to 2021 and would like to increase our tree canopy. The cost of a tree is \$85.00. The Shade Tree Commission welcomes resident's sponsorship. If you would like to donate towards this cause please send payment to Haddon Heights Borough, 625 Station Ave. Haddon Heights NJ 08025 and write in the memo line "Shade Tree Commission Donation".

The Shade Tree Commission is compiling a new list for planting. If you would like a tree for planting on your property at the curb, please contact the Commission at ShadeTree@haddonhts.com. Tom Ottoson, Borough Councilman (TOTTOSON@HADDONHTS.COM)

Community Garden

Do you want your family to have access to Non GMO, organic vegetables with no pesticides? You can do that by growing your own vegetables at the Haddon Heights Community Garden. Join a large group of other people already growing their own produce. There will be plots available for rent this year.

The Haddon Heights Community Garden is located at 13 Glover Avenue. The garden has 30 plots that are each 100 square feet in size. Registration opens on March 15. Plots rent for \$25 per year. Applications are available online and in person at the tax collector's office.

New gardeners are encouraged to register early, when there are more options for plot location. For a full season of growing, many gardeners clear their plots of weeds and turn the soil in March and April, to be ready for planting in early May.

There is a shed at the garden for storage of tools and equipment. There is a water hydrant on the property with an attached hose. The cost of providing water is included in the rent.

If you have any questions or want additional information, contact Rich Burke at stoney2503@gmail.com or call at 856 546 9133.

Requirement of Animal Licensing

Registration is Required for all Dogs and Cats!

It is the law and mandatory that dog and cat owners have their pets licensed. Licenses are good for one calendar year and must be renewed annually. License tags must be displayed on animals at all times.

Benefits of having your animal licensed and vaccinated include making it easier for your pet to be identified and returned to you should they get out. Even indoor cats have been known to escape at times, without a license whoever finds your pet will have a harder time identifying them and they may not be returned to you. If they did escape they would be protected from Rabies should they be bitten by a wild animal living outside. If we get all of our animals vaccinated against rabies, then no parent will have to be afraid that one of their children may be bitten by a rabid cat or dog.

Animal License Renewal Letters have been mailed out for 2021 renewals. If you did not receive your letter or need a new one, please visit www.haddonhts.com, under Forms & Permits or you can contact the Borough Administration Office. In order to get your animal licensed for the 2021 calendar year the office staff will need to see your pet's proof of rabies vaccination. **The vaccination will need to be good through November 2021 for a license to be issued.** The cost for a spayed/neutered cat or dog is \$9.00. The cost for a non-spayed/non-neutered cat or dog is \$12.00.

License Fees support the efforts of many local animal shelters. Typically, the annual fee that you pay to license your pet helps to keep shelters running and support the work of your local animal control.

Pet owners should also be aware that the State of New Jersey recently passed State Statutes pertaining to Animal Cruelty. The information can be found at the New Jersey Department of Health website (www.state.nj.us/health) for the State Statutes listed below.

- 4:22-17 Cruelty; certain acts, crime; degrees

Ribbon Cutting For The Letter

"The Letter" is the Haddon Heights Historical Society latest interpretative sign. The Letter was sculptured by Isamu Noguchi as a WPA (Works progress Administration) project. The bas-relief sculpture graces an interior wall of the Haddon Heights Post Office. Noguchi was selected based on the strength of his sculptural work for the Federal Trade Commission in New York. After reading the interpretative sign please go into the Post Office to view this work.

CARL BOPP

We are sad to tell you that longtime HH resident and Senior Community Table member Carl Bopp passed away on Christmas Day. He was 83. Carl owned Ye Olde Workshop on Nicholson Road in Audubon for 30 years. His true passion was collecting, researching and writing about antique carpenter tools, especially tools manufactured in South Jersey. Carl had lived on Chestnut Street and the wrought-iron B remains on the chimney of his house!

Historic Preservation Commission

The Haddon Heights Historic Preservation Commission is searching for old photos of HH houses. The pictures should be photographs taken prior to 1950 of houses and businesses in Haddon Heights. The Commission may use them in a Design Guidebook project now going on. The photos will be scanned into a computer and returned to the owners. Please be sure to include your name, phone number, and the address of the house in the photo, and email them to <clarro.HPC@hotmail.com>. You can also drop off the photos at Borough Hall, by enclosing them in an envelope addressed to C. Larro. The Design Guidebook will be ready sometime this summer and will be available on-line for easy reference for everyone. Thanks for your help!

What's New At The Station?

Have you ever thought about what it takes to maintain and operate a 130 year old train station? Many of you are familiar with our layout from the January train shows and events at the station during Borough festivities. The Delaware & Susquehanna is much more than an HO scale model train layout. For the past 15 years we have maintained and operated our leased home. This stewardship has included professional services to repair the slate roof, restore the interior foundation, replace and upgrade the heating system, and replace and upgrade the exterior lighting. In addition, members rebuilt the wall on the Station Avenue side to replicate the original door and window configuration, restored the interior of the office to original wainscoting, as well as exterior repairs to siding and shingling. This has resulted in a historically accurate structure that should require only routine maintenance for many years. The funding for all of this work has been from club revenue, grants from Conrail, Haddon Heights Business and Professional Association, Haddon Heights Historical Society, and donations from individuals.

We are now at the most difficult and expensive phase of our maintenance plan, the replacement of the rotten and termite damaged building sill and replacement of the concrete exterior platform. Estimates on this work range in excess of \$20,000. The work is far beyond the resources of the club. We are requesting donations to help fund this work for the 2021 construction season. The Delaware & Susquehanna is a state and federal 501 (c) 3 historic and educational organization. Donations to the club to fund the repairs qualify as charitable donations under state and federal tax statutes. If you are interested in helping, our mailing address is: Delaware & Susquehanna MRRC, 535 Station Avenue, Haddon Heights, NJ 08035. We currently meet Wednesday nights at 7 pm

in a Covid compliant manner and often work weekends. If you would like to see the interior progress during these trying times we can arrange a visit at other times. We are on Facebook and post both station and layout progress there.

Haddon Heights Business & Professional Association

Happy New Year! Our 2021 community calendar was delivered in December to every Haddon Heights mailing address -- hopefully you received yours. If you'd like another copy, there are extras at the Library and Borough Hall.

The HHBPA is evolving! We've been hard at work since 1983, aiming to improve and promote our business districts while providing community outreach through the Fall Festival, the calendar, High School scholarships, community sponsorships, and ads in the Retrospect newspaper. However, after 37 years, we decided it was time to make some changes. As of February 1st, the HHBPA is being reinvented as just HBA (Heights Business Association). HBA will be working as a group under the HIP Inc. banner to see progress continue in Heights for our businesses and community. HBA will immediately offer its partners a presence on a brand new e-commerce website, along with a social-media platform that can help us all succeed in today's a media-driven world. In addition to many new advertising/marketing, networking, and business development initiatives, joining HIP will bring more opportunities to our community. If you are a business owner or professional that would like to get involved with this exciting new initiative, please email me, Margaret@WestfieldArchitects.com or contact Raegen Richard of Edward D. Jones & Company, who is assuming the leadership role, at 447-2047 or raegen.richard@gmail.com.

Copies of the 2021 Heights Calendar are available at Borough Hall and the Haddon Heights Library.

Girl Scout Troop 30120

The Brownies and Daisies of Troop 30120 have been having fun meeting virtually! The girls have participated in a yoga/mindfulness activity and a democracy activity, as well as a Thanksgiving food drive and holiday party. The girls are looking forward to cookie season which will look different this year but still just as fun! Cookie sales

run from January 14th through March 21st. If you are interested in purchasing cookies, please email us at troop30120@gmail.com.

Girl Scout Troop 30216

Haddon Heights Daisy Troop 30216 officially became Brownies on November 15th! The girls were able to complete their "bridging" ceremony on a beautiful fall day at the Dell park. Aside from bridging to Brownies the girls have also worked hard to earn their first 2 Brownie badges and complete a service project collecting non-perishables for the holidays! After starting the year with in-person meetings the girls have moved to meeting virtually. This includes selling cookies. Last week, the girls began selling cookies contact free!

Haddon Heights Good Neighbors

We often give a lot of time to plan our New Year's Resolutions, and we often forget about them quickly. Now that February and March of 2021 have made us turn to new pages on our calendar, it is never too late to formulate a new resolution to help make 2021 a great year. We have an easy way for you to make this a fabulous year for yourself and others!

Here in Haddon Heights, we have an organization known as Haddon Heights Good Neighbors. Formed in 1979, HHGN provides short-term financial assistance of material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

What better resolution can one make than to help others in our very own town? This can easily be accomplished. One way is to join the HHGN which typically meets the 1st Wednesday

of January, May, September, and November. For 2021, the meetings are January 6, May 5, September 1, and November 3. These January meeting will be held virtually via Zoom. The other meetings will be held in the Borough Hall at 7:00 PM.

Another way is to make a donation to the organization which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

We want to thank all of you who made generous contributions to the Haddon Heights Good Neighbors Organization during our October 2020 fund raiser. We would also like to thank the Sons of Italy Committee for its generous donation during the holidays as well as John's Market for its certificates. Your support has not gone unnoticed. We hope that you can continue to make a resolution to help our organization.

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. We are a registered 501(c)3 charity and every donation is tax deductible. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small, and no act of kindness is too inconsequential! There are several ways you can make a donation. You can use the United Way (Haddon Heights Good Neighbors, Inc. (#05625) is registered in the Donor Choice Programs of several United Way Agencies: Bergen County, Camden County, Gloucester County, the State of Delaware, and Southeastern Pennsylvania, Tri-State and Greater Lehigh Valley.) If your United Way does not list us as an option, simply write in the following words on your donor form: Haddon Heights Good Neighbors, 625 Station Avenue, Haddon Heights, NJ 08035). You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html>. You can also use Venmo (Good Neighbors HH@Haddonheightsgoodneighbors). Or, If you wish to make a donation by check, please make the check out to HHGN, and mail it to: 625 Station Avenue, Haddon Heights, NJ 08035

856-546-6677 ~ www.hhgoodneighbors.org ~ Like us on Facebook!

HHGN is NOT to be confused with the Haddon Heights Neighbors "Night Out" organization whose mission is different than ours although BOTH benefit our town.

Another way to help HHGN financially is through the AmazonSmile program. If you are not familiar with AmazonSmile, it's a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

Wednesday - Sunday: 4:00 PM - 8:30 PM

Photo: John Pilarz and Anthony Iannone

Anthony's is one of two fine dining places in Haddon Heights where you may have celebrated rehearsal dinners, graduations, and other life events. Please support them now if you want them there later.

Anthony's Creative Italian Cuisine has been a successful, elegant restaurant on Station Avenue for 20 years owned and operated by Anthony Iannone and John Smith who have worked together for 40 years. They have adapted to current times by safely following CDC guidelines and by continuing to provide outstanding food for our enjoyment. Anthony and John are very grateful to their many customers

who have continued to support their business during this difficult time.

If you are a regular, you know what to do. If you have never had food from Anthony's, don't wait any longer. Go online at anthonystation.com or call 856-310-7766 any time of the day, Wednesday through Sunday.

Curbside takeout, 4-8:30 p.m., is easy and safe. When you call in your order, or order online, you reserve a time to drive your car up to the front of the restaurant and call the number on the sign board. Your hot, freshly prepared food will be brought by a masked waiter and placed in your car wherever you want it. You can safely

pay by credit card or gift card when you order or with cash at pickup. Don't forget to order a bottle of Coda Rosa Vineyards wine with dinner or have a split of chardonnay. Dinner trays large enough for a big family or small gathering is available for curbside pickup.

For the full Anthony's white tablecloth, fine dining experience in house, 5-8:30 p.m. call 856-310-7766 or use opentable.com to make reservations. You will find freshly

cleaned and safely spaced tables and be served by experienced, masked, wait staff. As always, you may bring your own wine or order from the Coda Rosa Vineyard offerings.

Haddon Heights Restaurant Weeks are from January 20-23 + January 27-29. A selection of three courses of fine food for \$30 may be ordered for curb side pickup or for in house dining.

Dine in, take out or delivery service

Lunch Tuesday-Saturday 11 a.m.-3 p.m. / Dinner 4 p.m.-9 p.m.

Sunday Brunch 10a.m.-2 p.m.

Kunkel's is one of two fine dining establishments in Haddon Heights where you may have celebrated rehearsal dinners, graduations, and other important events. Please support them now if you want them there later.

When John and Carol Kunkel opened Kunkel's Seafood and Steakhouse in the wonderfully remodeled building on Kings Highway, it was the

walk in and are greeted by John or Carol, to the kitchen where son Justin is preparing great meals. Able to originally seat 140 people, Kunkel's has ample space to safely dine in house and follow State Covid guidelines. Lunch has remained popular both for in house and take out.

But the times have required change. You can still enjoy that fiery Thai

fulfilment of their dream to own and operate a restaurant that combined an elegant atmosphere with finely prepared food. The feel of family is evident the moment you

calamari, strip steak, salmon, or great crab cakes in your home thanks to take out or food delivery service. When you go to kunkels.com, click online order and you will be prompted to select pick up or delivery and a pickup time. You may also call your order in. Either way, pay online with a credit card. With pickup, wait staff will safely and promptly deliver your order to your car as soon as you call from their ample parking lot or walk to the side door marked pick up.

Thursday Nights features Kunkel's Big Burger Menu. A large selection of special 9 oz. house ground burgers with hand cut potato wedges is very popular. Classic burgers, brown sugar bacon burgers, braised beef burgers,

one chick, two chick burgers, and the very special Johnny 5 Burger and more are available in house, pick up, or for delivery.

Desserts include seasonal bread pudding, New York style cheesecake, and other steakhouse favorites.

Sunday brunch is a new and proven to be very popular both as a dine in experience or as a takeout or delivery service.

If you need catering for a small family gathering, call Carol. She will help you with selections and safe delivery or pick up.

Haddon Heights Restaurant Week at Kunkel's is from January 27-29. Select three courses are available for \$30 and posted online.

Open Enrollment for the 2021-22 school year is underway and spaces are filling quickly. Parents may enroll their 2 ½ to 5 year old children for their choice of days for the half day preschool program which now runs from 9AM until Noon, Monday through Friday. For before school care, Breakfast Buddies begins at 7am for families who need to begin their child's day at school a bit earlier. Children can take their breakfast to school to eat with their friends before their preschool class begins. Lunch Bunch follows the preschool class at 12:00 for children who will stay to eat the lunch they take from home and have some extra playtime. For parents who need a longer day for their child, AfterCare and ExtendedCare options allow children to spend their afternoons at NBLC until 6PM.

The pandemic and some renovations to the building are currently preventing the preschool from offering in-person tours. Photos of the classrooms are on the website (www.newbeginningslearningcenter.org) and posted on the New Beginnings Learning Center Facebook page. Stay tuned for an Open House date to be announced!

New Beginnings Learning Center Preschool & Childcare is located at Fellowship United Methodist Church at 7th & Garden Streets in Haddon Heights. LIBRARY CORNER

LOVE Your Library Month

February is "Love Your Library" month and the Haddon Heights Library is always striving to give residents many reasons to love them. Downloadable e-books, museum passes, exciting community events, children events, digital magazines, notary service and high speed internet are just several of the services and products available from the library.

We are proud of all our offerings, but we recognize

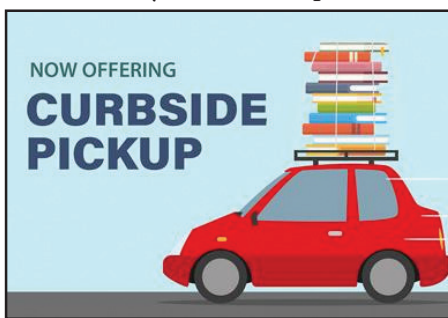

that the help the residents give us each year through donations help to make them possible. It has been an extremely tough year for everyone, but the support the residents of Haddon Heights have given the library shows us how much you value your library. It pushes us to deliver as many services as possible during the current state of affairs.

With February being "Love Your Library" month, we must appeal to you again and ask for as generous a donation as you can afford. Please

keep your eyes peeled, as our solicitation letter will be hitting your mailbox in February. Without your support, we could not deliver the services you deserve. For more information about the library or how to donate, please call us at 547-7132 or visit www.haddonheightslibrary.com.

Current Library Hours

Due to the increasing COVID-19 numbers, the library is currently operating curbside-only service. Our number one goal continues to be the health and safety of our staff, patrons and the community. Curbside is offered Monday - Friday from 10 - 7 and Saturday from 10 - 2. In addition to picking up your books and DVDs, we are also offering fax, notary and photocopying services through curbside. Please call 547-7132 if we can help you with any of these services. Please stay safe and continue to monitor our Facebook and website for updates. The situation continues to be fluid and we look forward to reopening when possible.

AARP Tax-Aide Cancelled

Unfortunately, due to the COVID-19 pandemic, AARP Tax-Aide at the library is cancelled for 2021. Please check www.aarp.org for updates to any future programming.

Haddon Heights Soccer Club

Haddon Heights Soccer Club successfully completed its Fall season. Starting in September and ending in early December, over 400 players from ages 3 thru 15 participated in the programs offered by HHSC. Players, coaches, and parents adjusted to the Covid protocols, allowing the Soccer Club to navigate thru a season unlike any we have ever seen. Over 200 players participated in one of three rec programs, and 13 teams represented the Soccer Club across South Jersey in the Travel Program. One of the highlights of the season was a South Jersey Cup match with 2 HHSC teams competing against each other - the 2011 Girls Strikers took on the 2011 Girls Gold.

The Soccer Club fully anticipates the execution of Spring programs. There will be Tots (ages 3 and 4) and Recreation programs (ages 5 - 8) offered this Spring. Registration will open in February and programs will be held in April and May. Details can be found at www.haddonheightssoccer.net.

Haddon Heights Village Playbox

After 80 years, it has become necessary for The Village Playbox of Haddon Heights to ask for your help.

Like most theaters across the country, our stage has been dark, but that doesn't mean we have lost hope. We will be ready to kick off a new season of entertainment as soon as we can ensure the absolute safety of our audiences, our actors, and our production crews. We cannot project an opening date, so we continue to dream and develop plans for the fine productions and concerts you have come to expect from us. Like so many of you, we have suffered as a result of the economic crisis. Basic operating expenses such as rent, insurance, and storage fees still had to be met over the past year, but we had no income. Since going dark in early March, we lost revenue from the cancellation of our spring musical, our children's summer camp, the fall opening show, the one-act play festival, the annual Christmas show, Breaking Character Comedy Nights, cabarets and other special music events, donations from our summer cabaret at the Dell, Storytime Theatre, and concession sales...a total of 38 performance nights. We have nearly depleted our cash reserves but still have storage fees, insurance bills and other miscellaneous expenses.

Unlike many theatres, we do not have corporate sponsors. Therefore we depend solely on ticket sales and concessions to continue our program. It has now become apparent that our winter play will also not be staged. As dire as that may sound, we are still here! But in order to plan for a future production that will kick-start our income stream, we need seed money. So we are turning to you for support. We are committed to upholding the traditions of community theater by presenting quality performances at affordable prices and providing a creative outlet for volunteer actors, directors, musicians, singers, stage managers, set designers, costumers, and sound and lighting technicians. Your donation is truly an investment in the future of community theater. PLEASE consider making a donation (even small gifts help!) to assist in our fundraising efforts. We have created a GoFundMe account (<https://gofund.me/a4a4b63b>) or If you prefer to send a check, please make it payable to The Village Playbox, PO Box 35, Haddon Heights, NJ 08035.

Thank you in advance for your generosity!

Worship Services:

First Presbyterian Church continues to hold both in-person and live-streamed Worship services as we navigate spread of the pandemic with caution. Registration for each service is required as our in-person attendance is limited. For more information about our in-person services and the precautions we have in place for the safety of our staff and visitors, please visit our website at fpchaddonheights.org/worship/worship-options/. You can also register to attend a worship service on our website at fpchaddonheights.org/worship/worship-registration/ or by calling the office. We will continue to live stream each service for those who prefer to participate from home on our Facebook page at www.facebook.com/fpchaddonheights.

Adult Study and Fellowship:

We are continuing to hold our Adult Book Study every Wednesday morning at 11:00 AM via Zoom. Please call the office for more information on how you can join this group for fellowship and spiritual growth.

Friendship Circle:

Our Friendship Circle, a women's gathering of the PCUSA Presbyterian Women, will continue to meet via Zoom for the foreseeable future, until it is safe to meet in person again. Meetings are held every 3rd Tuesday of the month at 9:30am, with the next meeting scheduled for February 16, 2021. We'd love for you to join us.

Virtual Sunday School for Kids:

Our children's Sunday School is running strong through our virtual Sunday School experience for grades Pre-K through Senior High. Our pre-recorded lessons focus on the scripture and message in Pastor Eliza's sermons and are posted on Sundays for children and their families to watch and interact with through a private Facebook Group called First Presbyterian Pals. Please contact the office if you'd like more information about this program and how to join our First Presbyterian Pals.

Community Food Donations:

We're continuing to collect food and monetary donations for Your Food Shelf in East Camden to help support their mission of feeding those in need. We've been helping Your Food Shelf collect targeted items each month to respond to specific needs in the communities they support. There is a large bin near the office entrance to our church on Green Street where you can drop off any non-perishable items to donate. Our Thanksgiving and Christmas collections were overflowing with the generosity of our community and we look forward to providing for those in need throughout 2021. For more information about our monthly targeted collection items or additional mission opportunities through our church please contact our office.

Vital Vigils:

In January, we began a new program as part of the South Jersey Vital Congregations. "Vital Vigils" aims to provide participants with practical resources for personal, group, and

worship prayer practices and spiritual growth. Monthly meetings are held on the first Wednesday of each month at 7pm via Zoom, with our next meeting scheduled for February 3, 2021. For more information about how to join this program and for the Zoom link, please contact our office.

For more information on any of these events please contact our church office at 856-547-6139 or info.fpchh@gmail.com, and check our website frequently for updates.

Although we weren't able to hold many of our annual Christmas events in their

traditional formats, our church family and friends celebrated the season by making carefully crafted ornaments for our outdoor tree lighting ceremony and enjoyed singing several socially-distanced carols. Our dedicated Deacons arranged for children young and old to safely visit Santa outdoors, and our amazing music director led our youth in a wonderful Christmas Pageant for all to view via Zoom. We also gathered an abundance of cold-weather items on our outdoor Hat & Mitten Tree to give generously to those in need.

Sunday Morning Worship

Due to rising COVID numbers, the Leadership Team has decided to suspend all in-person worship until further notice. We understand this is a difficult time for all, and we need each other more than ever, but we must be mindful of the health of all those we love! That means YOU! We will continue our online worship each Sunday morning on YouTube <https://www.youtube.com/channel/UCdLa7UkkBMhuSNDnMqZXMQA> @ 9:15am and on our Facebook page <https://www.facebook.com/FellowshipUMCofHaddonHeights/> @ 10:04am. Virtual Good Book Study Group

Join Pastor Ayn via Zoom Wednesdays, 6:30pm - 7:15pm. Each week we'll do our best to uncover the meaning of a passage, verse or the underbelly of wild and crazy thought process. The idea is to see how it fits into the big picture of the Bible. The "Good Book" can also just be a "good book". Whatever we'll be discussing, I promise that the goal is to make every topic applicable to our everyday living. Zoom Meeting info is available via our website and Facebook page. For more information, please contact the church office at 856-547-3300.

Virtual Lenten Discussion

Pastor Ayn invites you to an online reflective Lenten discussion. The booklet is entitled "Bridges to Contemplative Living with Thomas Merton" and offers an introduction to contemplative dialogue built around eight compelling Lenten themes:

- Feb. 17 - Week of Ash Wednesday: Where Do We Turn for Forgiveness?
- Feb. 24 - First Week of Lent: Living More Deeply in Christ
- Mar. 3 - Second Week of Lent: A Season for Doubt and Tears
- Mar. 10 - Third Week of Lent: In All Things, Always Seeking God
- Mar. 17 - Fourth Week of Lent: Choosing with Christ to Love the World
- Mar. 24 - Fifth Week of Lent: In the Service of Peace through Humility and Prayer
- Mar. 31 - Holy Week: Returning to the Source of Our Unity in Christ

Please enter the group using ZOOM invitation (<https://us02web.zoom.us/j/87149167969>) or by visiting our Website: fellowshipumc.net. If you have any questions or need more information, please call the church office at 856-547-3300. Registration not required but appreciated and

can be found on our website as well.

Food Pantry

The food pantry has been abuzz since the Scouts annual food drive! Scout Troop 67 of Haddon Heights collected over 1,000 bags of food! We are thrilled to have been able to not only fill and expand our pantry, but we've shared food with Saint Rose of Lima Catholic Church in Haddon Heights, Knights of Columbus in Haddon Township, Mary Bray Elementary School in Mount Ephraim, Christ Apostolic Temple in Mount Ephraim, and the Food Bank of South Jersey. We were also able to provide "Christmas Dinner Bags" to dozens of local families thanks to your generosity! God is so GOOD!

We also had large food donations from two incredible young ladies. Kristyn is a nanny for a family in Haddon Heights. She noticed our food pantry and LGBTQ+ banners while walking in the neighborhood. She and her girlfriend, Nicole, are big fans of K-Pop (a Korean music genre) and decided to have an online fundraiser in honor of their favorite K-Pop performer, Woozi (Woo-Gee). They have raised hundreds of dollars so far and have used all the money to purchase food for our pantry. They are energetic young women who are eager to help others. We are so thankful that God brought Kristyn by our church that day!!!!

Please spread the word! Our food pantry is available to anyone within Camden County. If you or someone you know needs food, please call the church at 856-547-3300 and leave your name, phone number, town you live in, and number of people in your household. Please speak clearly so that a volunteer can return your call to find out what food is needed and arrange a no-contact pickup. There is never judgement! Only LOVE!

Gigi's Second Hand Heaven Thrift Shop

Sadly, we have temporarily closed our thrift shop due to rising COVID numbers. We are so appreciative of the generosity of our community but must ask folks to please STOP donating items at this time, as we have no volunteer staff to process the items. Please check our website for updates and for when we will re-open the shop!

Reconciling Mission Statement

Haddon Heights Baptist Church

122nd Anniversary Celebration

February is "Anniversary Month" at Haddon Heights Baptist Church and this year the borough's first church, founded in 1898, four

years before the borough's incorporation, celebrates its 123rd year of existence.

Special events will occur in February highlighting the 123rd anniversary, but just what will be possible and allowable is yet to be determined, obviously due to the uncertainty created by the pandemic. Usually, the centerpiece of the month is Anniversary Sunday, with special speakers, musical presentations and food events. With limits on travel, indoor singing and dining, much will be deferred until it is deemed safe to carry out.

Although the activities of Anniversary Month at Haddon Heights Baptist Church will greatly vary from previous years, the theme of "Great is Thy Faithfulness" never varies. In fact, never in the congregation's recent memory has the Lord's faithfulness been more apparent than in the difficult year of 2020. Though compelled by Executive Order to discontinue in-person worship assembly in March, by June, when congregations could once again assemble with various restrictions and safety measures, HHBC was, by God's Grace, among the first congregations to reopen. Even now, as some houses of worship struggle to assemble for in-person worship, HHBC is expanding opportunities to worship, study and minister corporately at its facilities.

On January 10, Sunday evening services resumed for the first time since March, 2020. On Wednesday, January 20, midweek activities followed suit. Men's Bible Study, Women's Bible Study and Prayer Meeting all restarted, joining the Youth Ministry meetings that resumed in June of 2020.

Awana

Club activities have been paused due to the pandemic, and, at present, are scheduled to resume in September, 2021. Clubbers and leaders alike greatly miss club meetings and anticipate the reopening this Fall. Awana, which stands for Approved Workmen Are Not Ashamed, is a kids club for children age 3 through 6th grade. Emphasis is on wholesome game activities, Scripture memorization and Bible-based teaching. Awana meets Wednesdays, September through April, from 7:00 pm to 8:30 pm.

Youth Groups

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00 pm to 8:30 pm year round. Come for food, fun, fellowship, a challenging speaker, good music and games.

The group plans an outdoor worship event with bonfires in February, and a scavenger hunt in March. Check the church website for times and dates.

The church's College and Career group, Crossroads, ages 18-30, meets every other Monday at 7:30 pm.

Day of Prayer & Granny Club

Haddon Heights Baptist Church believes that a foundational reason the church has been in existence for 123 years is the commitment of its members to praying for one another. Wednesday Prayer Meeting has been in existence for all of those 123 years. Now, the church has added a monthly Day of Prayer to lift up the fellowship in prayer to the Lord around the clock on the second Tuesday of every month. In addition, a Granny Club meets every Monday on-line to uphold their grandkids in prayer.

Weekly Schedule

Sunday School & Community Groups for all ages	9:30 am - 10:30 am
Morning Worship Service	11:00 am - 12:00 pm
Evening Worship Service	6:00 pm - 7:00 pm
Wednesday Prayer Meeting/Bible Study	7:15 pm - 8:30 pm

are children of God. Therefore, we welcome people of any age, race, gender identity, ethnic origin, economic reality, family status, sexual orientation, diverse ability, faith history, social standing, or any other category that creates an "us and them" mentality as full and equal participants in the life and work of this Reconciling Church Family.

- We Seek to be a safe space for the development of Christian community and the empowerment of LGBTQ+ lives in The United Methodist Church.
- We Commit ourselves to making inclusiveness, equality, and mutual respect a reality in this congregation, this community, and this world.
- We Proclaim this statement of welcome to all who have known the pain of exclusion and discrimination in the church or in society.

We Know that everyone's participation in our ministry enriches us, and we are grateful for the gift of God's diversity among us.

Teddy Bear Sunday 2021

Although Teddy Bear Sunday will not have the decorations, luncheon or other fanfare that is so much fun to do and attend due to current circumstances, Deb at Osborn Center called to tell me that they would still love to receive any new cuddly bears we might be able to collect.

From now until 2-21-21 we will be accepting new Teddy bears that will go to children undergoing treatments at the Our Lady of Lourdes Osborn Clinic. You may drop bears that have been sealed in a plastic bag for safety in the donation bin

(the one on the left) which is used for thrift shop donations when the shop is open. Please clearly mark the bag with TBS for Teddy Bear Sunday. Please call Shellie (856-889-2848) if you need to make other arrangements!

Life may not be quite back to "pre-COVID" normal yet, but there are always ways to be creative in our ability to touch others with the Love of Jesus Christ!!

Warm & Fuzzy Christmas Mission

With our Christmas mission warm and fuzzy collection, we were able to fill four large bags with hats, gloves, and scarves. These items were delivered to Saint Andrew's Methodist Church in Cherry Hill on December 16th. The "Little Hands Little Feet" ministry at Saint Andrew's provides clothing for foster children in the three-county area at the request from the children's case workers.

New Beginnings Learning Center

Our New Beginnings Learning Center Preschool and Childcare will be reopening in September 2021. Open Enrollment is NOW! NBLC will provide children with the quality early education it has been known for, for over 45 years now, with the addition of options for FULL DAY Childcare. Choose the schedule that meets your family's needs. More information can be found at <http://www.newbeginningslearningcenter.org> or by contacting the Director, Gayle Iannitelli at thenblcdirector@gmail.com. HISTORIC PRESERVATION COMMISSION

What's Going On Here? 414 White Horse Pike

This lushly landscaped residential property is one of the anchors to the White Horse Pike Historic District, across from TD Bank. The house has been a triplex for many years and altered frequently before the Historic District Ordinance was passed in 1984. Some of the new alterations reviewed and approved by the HPC are: The porch will be restored to the original configuration with an open porch with spindles on Haddon

Street side; the porch will have a standing seam metal roof; the existing altered rear addition will be reconfigured. The house will be sided with Hardie Shake Shingles. One over one wood clad windows will replace the existing replacement windows. The WHP parking spots will be eliminated and grass restored. IMPORTANT - Existing trees at the front and side along Haddon Street will remain along with additional plantings - a delightful green spot as you enter or leave the White Horse Pike Historic District.

Glover Fulling Mill Park in Winter

Winter is a good time to visit the Glover Mill Park on Fulling Mill Lane as vegetation is dead, there are no bugs and the original mill pond and tail race is often visible. On the recommendation of Chris Pizzano of American Discount Fence, who donated the fence, the fence was moved six feet away from the actual buried foundation of the mill because of the steep incline around the foundation.

Posts mark the corners of the mill. Historical markers explain the fulling mill process, the history of the Glover Fulling Mill during the Revolution and the demise of the small independent mills after the Civil War. If you walk the path along Kings Run on the County Park side, you are literally walking the bottom of the mill pond. Sets of four placemats about the Glover Fulling Mill are available upon request at the Library.

CELEBRATING OUR CHURCHES

PART 1 IN A SERIES

St. Mary's Episcopal Church

In 1903, the idea for St. Mary's Church began with a group of people meeting at the home of Mr. and Mrs. Godwin's house at 101 4th Avenue. It was one year before Haddon Heights was incorporated. They called it 'Grace Mission' because it was a mission of Grace Church in Haddonfield. Below are the archive records of the NJ Protestant Episcopal Diocese of NJ, Diocese of Newark. {Reference NJ Historical Records Survey Project January 1940}:

"...St. Mary's Church 1903 -- White Horse Pike and Green Street ...Organized as Grace Mission, a Mission of Grace Church in Haddonfield ...1903, incorporated as St. Mary's Church 1909, reincorporated 1926 and 1932. First services held 1903- 1909, in residence of Mr. (& Mrs.) David Godwin, 101 Fourth Ave., in homes of members, in Borough Library, Town Hall, and the Presbyterian Chapel. Present site purchased 1909, First church erected and consecrated in same year. Present Church, addition to first church, erected 1936. Modified

Gothic architecture, red brick structure with tower, bell, and memorial windows. Rectory adjoining church erected 1921 on Green St. First resident rector, the Rev'd Thomas

Theodore Butler, 1910-1917. Active organizations are Parish School, St. Mary's Guild, and Woman's Auxiliary." The first church building had its entrance along the White Horse Pike at number 18. The cornerstone was placed on Oct. 10, 1909. In 1932 the Church purchased an organ from the Laurel Springs Moving Picture Theatre. It came with steamboat whistles, bells, and

other sound effects.

The rectors and their families lived in a house built in 1921, at 501 Green Street. This year it is the 100-year anniversary of this house, known as the rectory. It faced the Lippincott House, gone now but belonging to one of Haddon Heights' Founding Fathers. The home and rectory, in excellent condition, has been continuously in use by the Church for 100 years as of 2021. In 1936 a brick addition to the Church was added for \$17,000.

In the 1950s a series of stained-glass windows was installed and dedicated in the sanctuary. Part of the Baptismal Window was dedicated to the memory of a former parishioner and Korean War Medal of Honor recipient, Edward C. Benfold. Benfold grew up in Audubon and many of us have driven past the trifold granite memorial at the corner of Audubon High School, at Edgewood Ave. and Walnut St., where young Benfold went to school. He belonged to Grace Church in Haddon Heights before marrying and joining the Navy. This Church is the only church in America with a stained glass window dedicated to a Medal of Honor recipient. He was awarded the Medal of Honor posthumously in 1953. His father died in WWII in 1942.

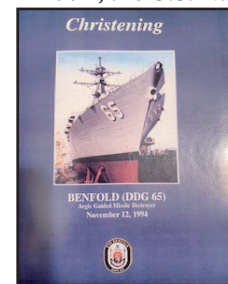

Hospital corpsman 3rd class Benfold, while serving with the First Marine Battalion, was in a crater aiding 2 injured servicemen when 2 grenades landed next to him. He picked them up, jumped out of the hole and launched himself at the onrushing enemy. He saved the lives of the two Marines. He was 21.

At the Church's 50th Anniversary (1959), ground was

broken for a building addition to run a Christian Day School. There were 891 communicants at this time. A new custom built organ was installed in 1971, thru a donation from a parishioner. The original organ was sold to Christ Episcopal Church in Magnolia.

In 1992, the U.S. Navy began building an Aegis Weapons destroyer in San Diego for the Pacific Fleet. Corpsman Benfold was chosen as a hero fitting to have an important ship named after him.

STEPPING THE MAST --- In a ceremony aboard BENFOLD, Commander Mark Ferguson, and Lieutenant Susan Fortney placed three pennies (two dated 1931 and 1952, representing the dates of the ship's namesake's birth and death, and one dated 1965, honoring the ship's hull number) along with a button from the Navy peacost of HM3 Benfold provided by his family. These items will remain in the mast as long as DDG-65 sails.

In 1995, another special service was held for Commander Mark E. Ferguson III and 30 members of the crew of the USS Benfold, DDG-65 when they came to see where Corpsman Benfold grew up, worshipped, and how he was honored. One of the authors (of the book listed below), has stayed in constant contact with the ship and also with a group of Audubon high school kids who in 1994 were spurred on by their teachers and principal to create a permanent memorial to honor one of their own.

Interestingly, Audubon is the only small town in the U.S. that has been home to three Congressional Medal of Honor heroes.

A book which chronicles this story is in the Haddon Heights Library; The Green Wave and the Navy, by Petty Officer First Class (SW) Danny K. Edgar, USN, and Craig E. Burgess, Educator and Poet. The Green Wave refers to Audubon High School.

Thanks to Mr. Craig Burgess for his help with the History of St. Mary's Episcopal Church.
