MAYOR'S MESSAGE

Dear Neighbors:

Summer is right around the corner and with it we have a couple of events we want to make you aware of. First, we hope you can join us for the Memorial Day Celebration which will take place on Monday, May 31st. First we will gather at 9:00am at the WWI Memorial located at the Sons of Italy Lodge for a brief service; followed by 11:00am at the Cannons with the VFW. Please note there will not be a parade this year.

We are also excited to bring back our Annual Fourth of July Parade. Our town's Civic Events Committee along with our borough employees have been hard at work to put together a fun day for all, but we need your help! Many volunteers are needed to help keep the event running safely and smoothly. If you are interested in lending a helping hand please contact Councilwoman Trisha Egbert at tegbert@haddonhts.com or contact the Borough Administrative Office at 856-547-7164 ex 33.

Our Farmers' Market season has kicked off on Sunday mornings. This is a great asset for our town and gives our residents opportunities to buy quality

produce and other products, while supporting local businesses. It's also a nice opportunity to socialize and meet your neighbors. There are many community programs that take place during the Market. Please visit between 9:30 am and 1:00 pm on Sundays and check it out! And we must give a big shout out to Heights in Progress on their continued support running this community favorite event.

I just wanted to also take a moment to remind everyone that all pets are required to obtain a 2021 Animal License. Information and the forms needed can be found on the Borough's website or you can call 856-547-7164 if you have questions. Remember to get your license before Wednesday, June 30th to avoid the late fee.

The Camden County Board of Commissioners has announced the return of the Summer Parks Concert Series for 2021. The theme for this year is "Welcome Back to the Show," as they welcome back residents to our parks to enjoy FREE concerts. The Summer Music Series Concerts will be held in the McLaughlin-Norcross Memorial

Dell on certain Wednesdays throughout the summer starting at 7PM. The first one will be June 2nd featuring Bailen & special guest Matt Duke. Additional concert dates and performers can be found on both the Borough's and the County's websites.

If you are still in need of a COVID vaccine please review the County's website. Many locations have appointments available and some even now accept walk-in appointments. For those under the age of 18, the County will begin vaccinating 12 and up with an adult present starting May 27th. If you have questions please check out the County's website. www.camdencounty.com.

Finally, I want to take the time to recognize the achievements of one of our very own Haddon Heights young residents. Congratulations to Ms. Anna Dougherty on winning a \$10,000 scholarship from the JFK Presidential Library's Profile in Courage essay contest. Ms. Dougherty profiled the former Camden Mayor Dana Redd who was the first black female mayor in the city's history and faced fierce

opposition to the unpopular decision to disband the current city police department and form a County Metro Police Department. We are incredibly proud of Ms. Dougherty's achievements and plan to recognize her in June with a proclamation. I hope you can join us in congratulating her on this tremendous achievement.

As always, please look for more frequent updates from us at Mayor on Council by following along on social media, our website, and ultimately joining us for a Council Meeting on the First and Third Tuesdays of the month. They are currently conducted by zoom with the link found on the Borough website.

Mayor Zachary Houck

Animal Licensing Requirement

Registration is Required for all Dogs and Cats!

It is the law and mandatory that dog and cat owners have their pets licensed. Licenses are good for one calendar year and must be renewed annually. License tags must be displayed on animals at all times.

Benefits of having your animal licensed and vaccinated include making it easier for your pet to be identified and returned to you should they get out. Even indoor cats have been known to escape at times, without a license whoever finds your pet will have a harder time identifying them and they may not be returned to you. If they did escape they would be protected from Rabies should they be bitten by a wild animal living outside. If we get all of our animals vaccinated against rabies, then no parent will have to be afraid that one of their children may be bitten by a rabid cat or dog.

Animal License Renewal Letters were mailed out in January, if you did not receive your letter or

need a new one, please visit www.haddonhts.com, under Forms & Permits or you can contact the

Borough Administration Office. In order to get your animal licensed for the 2021 calendar year the office staff will need to see your pet's proof of rabies vaccination. **The vaccination will need to be good through November 2021 for a license to be issued.** The cost for a spayed/neutered cat or dog is \$9.00. The cost for a non-spayed/non-neutered cat or dog is \$12.00.

License Fees support the efforts of many local animal shelters. Typically, the annual fee that you pay to license your pet helps to keep shelters running and support the work of your local animal control.

Pet owners should also be aware that the State of New Jersey recently passed State Statutes pertaining to Animal Cruelty. The information can be found at the New Jersey Department of Health website (www.state.nj.us/health) for the State Statutes listed below.

- 4:22-17 Cruelty; certain acts, crime; degrees
- 4:22-26 Penalties for various acts constituting cruelty

Heights Grows!

Summer 2021: One-year In.

Did you know HEIGHTS GROWS! is now a little over a year old? Our committee sprouted up from an idea Mayor Houck and others had to create a Haddon Heights Civics Day. The plan then was to organize a community clean-up and plantings. Thanks to the early funding from HIP and local business, our group of volunteers started with a few small tasks and continues to grow. Last Summer Heights Grows decided to partner with the borough as a committee and they purchased the 27 planters along the 500-600 blocks of Station Avenue to beautify the town.

We recently held a Spring 'Plant & Polish' Day where volunteers washed local business' windows and updated the planters. We've partnered with the PTG for our March litter patrol and are eager to partner with other Heights organizations.

We can use a few more hands. We'll get 'em dirty for you. This is one of the easiest groups to volunteer for. We pride ourselves on more results and less meetings. In return for your efforts, you get to beautify our little town, get some exercise, enjoy the outdoors, and make some new friends. Interested? Email us at Heightsgrows@haddonhts.com.

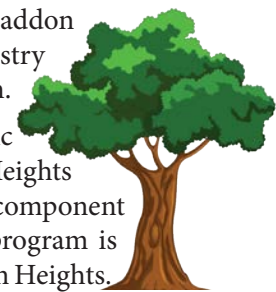

You can work by yourself (weed patrol) or in groups (Rake-a-ton, Plant Sale, and Cleanup Day.) No GREEN THUMB required. All are welcome and our activities are family friendly. Follow HEIGHTS GROWS! on Facebook & Instagram to learn about our upcoming activities and join in or look for us on the borough website Haddonhts.com

Environmental Updates

Haddon Heights Shade Tree Commission distributed 500 trees on 5/2/20 at the Haddon Heights Farmers Market. The trees were provided by the New Jersey DEP Forestry Division under the New Jersey Tree Recovery Campaign with no cost to our Borough.

A second town hall meeting took place on April 20th for an open forum on Electric Energy Aggregation. The program is designed to form a cooperative of Haddon Heights residents to purchase electric energy at a discount and increase the renewable energy component from 21% for current PSE&G users to 50% for participants in the program. The program is endorsed by the Haddon Heights Environmental Commission and Sustainable Haddon Heights.

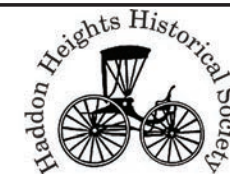

This initiative has great benefits in the reduction of our town carbon footprint with accompanied cost savings on your household electric energy bill. Tom Ottoson, Borough Councilman (TOttoson@haddonhts.com)

What's New at the Station

The Station sustained significant roof and chimney damage as a result of the late winter storms. Passers by will have noticed the ladders and scaffolding to repair the roof and rebuild the chimney. We continue to keep up with the problems and will be fixing the damage to the shingles on the West Atlantic Avenue side over the summer. On a more positive note, layout construction has continued and we are making significant progress on the new modules in spite of all the limitations. Hopefully we can be open to the public by the fall. Our Facebook page is updated as things progress and you can view the work there. Summer is the time to get out and watch trains.

Tax Assessor's Office

New Jersey Law requires the Tax Assessor's office to keep all property assessments current. The Assessor's inspector may visit your property if the property owner or their contractor obtained a building permit to build a new building, or update, improve, expand, remodel, redecorate, rehab and/or demolish an existing building located in Haddon Heights. Please cooperate with the Assessor's inspector who will perform an interior and exterior examination of your home or business, and request information to confirm the type of work done, or to be done, the cost of the project, and the date the job was, or is to be completed. This inspection is in addition to any inspection(s) required by the Haddon Heights Building Inspection Department.

The inspector will visit your property unannounced in the day, early evening, or on a Saturday. This method of inspection is very cost effective and I greatly appreciate your help allowing the inspector to collect the data required. The inspectors who work for the Tax Assessor's office are Judith Shoemaker (Judi), Jeffery Scott Pierson (Scott), and myself. Each inspector will wear an official Haddon Heights Borough ID Badge. If you have any questions or concerns please do not hesitate to call Tax Assessor's Office at 856-547-7164 ex 33. Thank you for your anticipated cooperation with the inspection process. Haddon Heights Good Neighbors

The sun is shining, the days are getting longer, and the summer months are right in front of us. It's a great time of year to be living in Haddon Heights and a great time to give pause to think about our neighbors who might be having a hard time enjoying the warmth of summer because of a medical problem or a financial problem. Possibly, the strains of COVID-19 have affected our neighbors in ways they had not prepared for in the past. Fortunately, Haddon Heights Good Neighbors is able to help brighten the lives of these neighbors.

HHGN was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping

members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

One way of helping HHGN to accomplish its goal is to join the organization which typically meets the 1st Wednesday of January, May, September, and November. The next two meetings for 2021 are September 1 and November 4. These meetings are held in Borough Hall at 7:00 PM. New members are always welcome.

Another way is to make a donation to the organization which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures the money goes to where it is needed the most.

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. We are a registered 501(c)3 charity and every donation is tax deductible. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small, and no act of kindness is too inconsequential! There are several ways you can make a donation. You can use the United Way (Haddon Heights Good Neighbors, Inc. (#05625) is registered in the Donor Choice Programs of several United Way Agencies: Bergen County, Camden County, Gloucester County, the State of Delaware, and Southeastern Pennsylvania, Tri-State and Greater Lehigh Valley.) If your United Way does not list us as an option, simply write in the following words on your donor form: Haddon Heights Good Neighbors, 625 Station Avenue, Haddon Heights, NJ 08035. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html>. You can also use Venmo (Good Neighbors HH@Haddonheightsgoodneighbors). Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to: Haddon Heights Good Neighbors 625 Station Avenue, Haddon Heights, NJ 08035

856-546-6677 - www.hhgoodneighbors.org - Like us on Facebook!

HHGN is NOT to be confused with the Haddon Heights Neighbors "Night Out" organization whose mission is different than ours although BOTH benefit our town.

Another way to help HHGN financially is through the AmazonSmile program. If you are not familiar with AmazonSmile, it's a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

Historic Preservation Commission

Design Guidelines for Haddon Heights' Historic Buildings and Districts

Last year, the Borough was awarded a Certified Local Government grant to produce a design guidelines book to assist owners of properties in the Borough's historic districts and its historic landmarks. The project was put out to bid and Donna Ann Harris of Heritage Consulting, Inc. was awarded the contract to produce the guide. Ms. Harris is no stranger to Haddon Heights as, in 1984 fresh out of Columbia University's Historic Preservation Program and working for the National Trust for Historic Preservation, she advised the HPC in their protest of the demolition of Six White Horse Pike. More recently she also produced the heritage tourism assessment for the Glover Fulling Mill Grant in 2012.

Using Zoom, the HPC has met monthly with Donna to review the work product. The book is currently being reviewed in the N.J. Historic Preservation Office. A public presentation of the Design Guidelines will be held in September. All will be welcome to attend, whether or not you live in a historic district. The Design Guidelines will be available to all on the Borough's website for downloading. Print copies will be available for reference at the Borough Hall and Library in the summer. Here's a sample page:

What Kind of Changes Does the HPC Review?

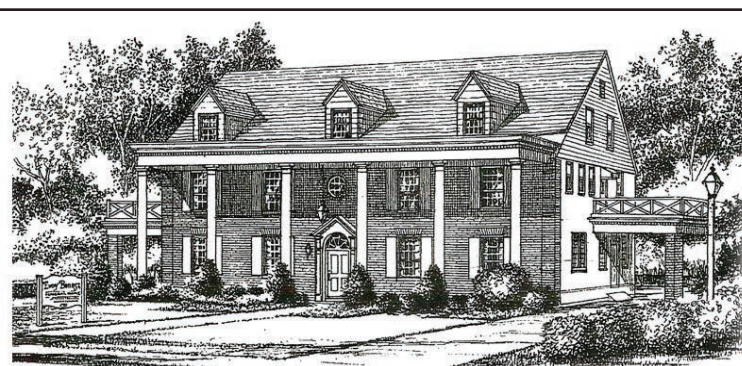

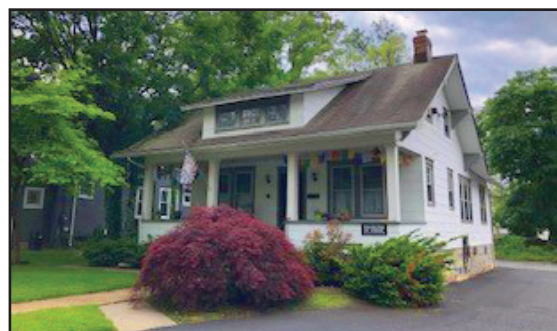

All actions that affect the exterior of an historic landmark or an improvement within an historic district shall be reviewed by the HPC. Some require a building permit, while others do not. Review shall be required for, but not limited to, the following work when visible from the public right of way:

- Demolition or relocation of any building, site, or object in an historic district or an historic landmark.
- Roofing: any change including repair or replacement of the roof, and/or installation of solar panels.
- Wall cladding: any change including repair or replacement of wall cladding and/or installing synthetic siding (vinyl, aluminum, cementitious board, etc.).
- Windows: any change including repair or

replacement of windows and/or installation of shutters if they are not original to the structure.

- Doors: any change including repair or replacement of doors.
- Gutters, downspouts, or other parts of the water conduction system: any change including repair or replacement of any part of the water conduction system.
- Porch: any change including repair or replacement of the porch.
- Signs: any change including a new installation and/or repair or replacement of signs.
- Storefronts, store entrances, and upper stories of commercial buildings: any change including repair or replacement of storefronts, store entrances, and upper stories
- Lighting: any change, including installation, and/or repair to exterior lighting, either mounted on the building and/or in the landscape.
- Landscape: any change including installation, repair, or replacement of stoop, steps, walls, ornamental or other fences, retaining walls, driveways, sidewalks, parking areas, or trees.
- Garages and other secondary buildings or structures: any change including repair or replacement of a garage or other secondary building or structure.
- Building additions, alterations, new construction, zoning variances, and/or subdivision site plans: any new work or change including installation, repair, or replacement.

Some changes do not require a building permit but still must be reviewed by the Historic Preservation Commission. If you're wondering whether your project requires review, please contact the Service Operations Facility staff at 856-546-2580.

2021 Parade Grand Marshal

Introducing this year's Haddon Heights Independence Day Parade Grand Marshal
We are so excited to officially announce that Haddon Heights will once again be holding our annual Independence Day parade on Saturday, July 3! With the theme of "Hometown Heros" for the big event it is truly an honor to announce this year's Grand Marshal: Jenn Griffith RN, BSN, CSN. The Griffith family has called Haddon Heights home for "8 wonderful years". Jenn and her husband John, who has worked at Pennsylvania Hospital for almost 20 years, have 2 kids, daughter Lily 12, and son Gavin 10.

In the spirit of honoring the hometown heros who helped keep us all safe during the pandemic, Jenn, a Certified School Nurse for the Lindenwold School District and a member of the Camden County Reserve Medical Corps who volunteered at Rowan School of Osteopathic Medicine administering the first doses of the Moderna SARS CoV-2 vaccine, is an excellent choice to kick off the 2021 parade.

When asked about her time volunteering Jenn said, "The hope I felt that day and the days that followed was overwhelming. The look in people's eyes ranged from elation, fear, and many tears of relief. I was happy to be a part of helping people get back to normal. This experience was the most profound in my career as a nurse thus far."

Thank you for helping to keep us all safe! We are looking forward to seeing Jenn and her family lead our annual parade.

In the month of April, students were recognized as part of the Teachers Choice Awards. This event recognizes students that have made an impact/impression on staff that have nominated them. This event highlights students for academic prowess and often rewards and recognizes students who demonstrate resilience, grit, determination and have made strides as students through their years at the Jr./Sr. High School.

Elementary Schools Student Principal of the Day

In the month of April at each elementary school, a student was selected to be the principal for a day. Some of their experiences were serving as guest readers, observing lessons, reading morning announcements, and completing a variety of other tasks.

New Beginnings Learning Center

New Beginnings Learning & Childcare Center is excited to announce that the Preschool will be reopening its doors September, 2021! Families who enroll their children will have more options than ever at NBLCC. Parents can expect the affordable excellent care and quality Preschool education the school has always been known for, with the addition of year round childcare with full day schedules.

Open Enrollment for the 2021-2022 school year is underway and spaces are filling quickly. Parents may enroll their 2 1/2 to 5 year old children for their choice of days for the PreSchool program which now runs from 9a until noon, Monday through Friday. For before school care, Breakfast Buddies begins at 7am for families who need to begin their child's day a bit earlier. Children can bring their breakfast and eat with their friends before their Preschool class begins. Lunch Bunch follows the Preschool class from noon to 1p. They'll eat their lunch and have extra playtime too. For parents who

need a longer day for their child, AfterCare and Extended Care options allow children to spend their afternoons at NBLCC until 6pm.

Teachers walked down an outdoor red carpet lined with each of their names on a "Star of Fame" while students and parents safely cheered them on. Each teacher was given a bouquet of flowers and a mock Oscar Trophy for "Best Performance in a Pandemic."

HHYA

HHYA kicked off our 2021 baseball/softball season with opening day games on April 10th, 2021. We are beyond excited to be able to open the fields this season after such an unusual year. Safety precautions have been put in place to make this the best experience for all.

There has been a great turnout this year with 250 kids signed up to play ball from 5-15 years old! We were able to field 20 baseball teams and 2 rookie softball teams along with 4

clinic teams. As you drive past the fields on a weeknight or Saturday you will see and hear our players enjoying the game. Our minors and majors baseball teams along with our rookie's softball teams have been enjoying the weeknight games and practices, especially those under the lights. If you drive by early on a Saturday you will get to see our youngest players (our clinic and T-ball aged kids) having fun learning the game.

HHYA is always looking to see how we can better

HHSC PAVE OUR FUTURE BRICK CAMPAIGN
As our soccer community continues to grow, make a lasting impression and leave your mark

permanently at our new Devon Avenue Field Complex! Personalized brick pavers will support many of our club's new programs, the new building and field maintenance. Your Garnet Pride will be displayed for years to come!

A brick contribution is a great way to highlight athletic accomplishments and achievements for yourself or a loved one. Bricks can be purchased in honor of a players, coaches, teams, alumni and families. They are also a wonderful way to thank a parent, grandparent, or any other person who helped a player along the way.

In lieu of traditional fundraisers, our brick campaign will generate funds for field maintenance and improvements, as well as increasing the quality and availability of programs to our players. Please lend your support to this most worthy cause. By purchasing a brick today, you truly are helping to "PAVE OUR FUTURE" FOR THE HADDON HEIGHTS SOCCER CLUB!

Please visit the order link online at: <https://www.fundraisingbrick.com/hhsc> or visit www.haddonheightssoccer.net for more information.

our programs. This year HHYA has purchased some new equipment for both our baseball and softball programs of all ages. The Rookie Softball girls are utilizing a new pitching machine for their practices and games. They, along with the girl's clinic program, are also practicing their skills with their new hitting nets, throwing nets, hitting sticks, whiffle balls and tees. Baseball is also utilizing their new screens, nets and tarps for home plate.

Of course, our HHYA baseball/softball program could not work without all of the volunteer coaches taking their time to help us keep the love for baseball/softball alive. We are lucky enough to have approximately 50 adults volunteering to coach this year. And, of course, we can't forget all of the volunteers (Haddon Heights High School students and baseball/softball parents) that have donated their time to safely open and run our

snack stand this year. Feel free to stop by to grab a snack and watch a ballgame!

HHYA likes to recognize those players that have spent many years in our baseball/softball program and are in their final year of the

Little League. We thank you for your time in our program, have enjoyed watching you grow and hope the best for you as you move forward in your baseball/softball careers. Below is a list of those kids in their final year of Little League.

St. Mary's Episcopal Church

The St. Mary's parish family has entered into an agreement with Stanfill Towers! This is joyful news!

Not only does this agreement alleviate the financial strain which has daunted St. Mary's for months, but the agreement of sale stipulates parishioners will be able to use portions of the building, not only to continue the work of clergy and parishioners on behalf of the gospel but also the continuance of the important work in pursuit of the justice and peace that God intends.

Provisions of the agreement include setting forth and preserving portions of the existing Church building, provisions for the preservation of the grand Church organ, the beautiful Memorial Garden and the

marvelous stained glass windows.

Once the agreement is finalized, the property will become home to "The Apartments at St. Mary's", a facility that will allow us to better serve the needs of the seniors in the Haddon Heights community. What a wonderful possibility!

The challenges and changes that we face now will result in our ability to gather again in new ways and in a newly designed and renovated space.

In the meantime...virtual services will continue until it is safe to emerge from this time of pandemic. Ending this strange time will happen gradually over time; it may take weeks or months longer. Alternative worship spaces for the eventual possibility of in-person worship will be investigated and explored.

Your participation in the virtual, your prayers along the way, and your patience during the transition will be the power that moves us through this time of anticipation and expectation!

~Venerable Lynn H. Johnson

Haddon Heights Baptist Church

Share & Prayer

The current pandemic journey we are travelling together has stirred, within many, feelings of anxiety, fear and uncertainty. Believing that "burdens shared are burdens halved," Haddon Heights Baptist Church is offering, this summer, a way to share your cares and concerns with other travelers on today's rocky highways and byways.

Beginning June 4, HHBC is offering a weekly time of "Share & Prayer" to help provide comfort and hope to the community. Each Friday between 7 and 9 pm, prayer counselors will be available on the front lawn of the church at the corner of Third and Station Avenues to talk and pray together with any and all who are burdened with cares. Visitors can stop by, share prayer requests and have a prayer counselor pray with them. Requests can also be left anonymously on a prayer card for later prayerful

attention.

This outdoor event will continue every Friday evening through the summer until the end of August, weather permitting. Light refreshments will be provided.

Vacation Bible School

This summer, unlike last year, Vacation Bible School will be in-person at Haddon Heights Baptist Church. The VBS fun begins this year at 9:00 a.m. on August 2 - 6th by the big front doors on Third and Station Avenues. After registering outside, children will meet their "crew foreman" in the auditorium and travel by grade level "crews" through 5 rotations.

In the Bible Inspection area, Bible "inspectors" will help them inspect truths from God's Word that show how Jesus can be their strong foundation. The other rotation sites will be fun crafts, exciting music

Earth Care Congregation Certification:

We are pleased to announce that we were certified (for the 5th year) as an Earth Care Congregation by the Presbyterian Church (U.S.A.)'s Presbyterian Hunger Program through February 2022.

To become an Earth Care Congregation, we have affirmed the Earth Care Pledge to integrate environmental practices and thinking into our worship, education, facilities, and outreach. The Earth Care Congregation certification is designed to recognize churches that make the commitment to take seriously God's charge to "till and keep" the garden.

Started in 2010 by the PC(USA), the goal of this program is to inspire churches to care for God's earth in a holistic way, through integrating earth care into all aspects of their church life. The Earth Care Congregation certification honors churches that make that commitment and encourages others to follow their example.

Jessica Maudlin, Associate for Sustainable Living and Earth Care Concerns for the PC(USA), says "it is exciting that First Presbyterian Church of Haddon Heights is one of the 276 churches that chose to dedicate themselves to intentional care of God's earth this year. Particularly in a time of much uncertainty and worry about the future, this congregation's activities and commitment even in the midst of navigating limitations brought about by COVID-19 brings hope to their community."

For more information about First Presbyterian Church's earth care program contact the church office.

Part-Time Live-Stream Tech Position:

First Pres is looking for a tech-savvy individual to operate our audio/visual streaming equipment on Sunday mornings during our worship services, with the potential for additional hours for special services and events. This individual would be responsible for the operation of the sanctuary sound system, video cameras, and Facebook Live broadcast. Knowledge

of A/V production equipment, digital audio mixers, and related hardware and software is preferred. If you or someone you know might be interested, please send us an email at info.fpchh@gmail.com.

Adult Bible Study and Fellowship:

We are continuing to hold our Adult Bible/Book Study and fellowship hour every Wednesday morning at 11:00 AM via Zoom. The topic of our study changes periodically, so contact the office to learn about our current study or for more information on how you can join this group.

Friendship Circle:

Our Friendship Circle, a women's gathering of the PCUSA Presbyterian Women, will continue to meet via Zoom for the foreseeable future, until it is safe to meet in person again. Meetings are held every 3rd Tuesday of the month at 9:30am, with the next meeting scheduled for June 15, 2021. We'd love for you to join us.

Virtual Sunday School for Kids:

Our children's Sunday School is running strong through our virtual Sunday School experience for grades Pre-K through Senior High. Our pre-recorded lessons focus on the scripture and message in Pastor Eliza's sermons and are posted on Sundays for children and their families to watch and interact with through a private Facebook Group called First Presbyterian Pals. Please contact the office if you'd like more information about this program and how to join our First Presbyterian Pals group.

Community Outreach:

We're continuing to collect food and monetary donations for Your Food Shelf in East Camden to help support their mission of feeding those in need. There is a large bin near the office entrance of our church on Green Street where you can drop off any non-perishable items to donate. Please visit our Facebook page or website for updated information about the targeted items that we are collecting for Your Food Shelf each month.

Vital Vigils Prayer Practices:

Our church continues our role in the "Vital Vigils" program, part of South Jersey Vital Congregations, which aims to provide congregations with practical resources for personal and group prayer practices for spiritual growth. Monthly meetings are held on the first Wednesday of each month at 7pm via Zoom, with our next meeting scheduled for June 2, 2021. For more information about how to join this program and for the Zoom link, please contact our office.

Haddon Heights Baptist Church VBS is for children aged 4yrs. (must be four by September 30th) to finished 6th grade. Family members can pick up their children in front of the church at 11:45. As of May 19, 2021, the State of New Jersey has lifted all limits on seating capacity for indoor religious services as long as CDC guidelines of masking and social distancing are followed. Sunday Morning:

- 9:30 am - Bible Fellowship Groups
- 11:00 am - Worship Service

Sunday Evening:

- 6:00 pm - Awana, Men's and Women's Bible Studies

Wednesday Evening:

- 6:00 pm - Fellowship Dinner
- 7:00 pm - Bible teaching and Prayer meeting, Student Ministry, and Children's Ministry

Awana

Club activities have been paused due to the pandemic and, at present, are scheduled to resume September 12, 2021. At that time, clubbers will

meet on Sunday evenings from 6:00-7:30 pm. This big change of day and time has been made to better accommodate families who have found it challenging to ferry clubbers to and from club at the end of a busy work/school day and get them in bed at a reasonable hour. Hopes are that the lighter weekend schedule and earlier start/finish will relieve family stress and lead to a more positive club experience. Clubbers and leaders alike greatly miss club meetings and anticipate the reopening this Fall.

Awana, which stands for Approved Workmen Are Not Ashamed, is a kids club for children age 3 through 6th grade. Emphasis is on wholesome game activities, Scripture memorization and Bible-based teaching. Awana will meet Sundays, September through April, from 6:00pm to 7:30pm.

Youth Group

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00 pm to 8:30 pm year-round. Come for food, fun, fellowship, a challenging speaker, good music and games. Summer 2021 events have not yet been formalized. Check the church website at www.hhbcnj.org for an update of events and activities.

Day of Prayer & Granny Club

Haddon Heights Baptist Church believes that a foundational reason the church has been in existence for 123 years is the commitment of its members to praying for one another. Wednesday Prayer Meeting has been in existence for all of those 123 years. Now, the church has added a monthly Day of Prayer to lift up the fellowship in prayer to the Lord around the clock on the second Tuesday of every month. Granny Club meets every Monday on-line and in-person on the first Tuesday of each month from September to June to uphold their grandkids in prayer, and others as well as needs arise.
