# MAYOR'S MESSAGE

Dear Neighbors:

Summer is right around the corner and with it we have a couple of events we want to make you aware of. First, we hope you can join us for the Memorial Day Celebration which will take place on Monday, May 30th. We will gather at 10:00 am at the WWI Memorial located at the Sons of Italy Lodge for a brief wreath laying service. Shortly thereafter, we will parade down to the Cannons War Memorial for an 11:00 am Ceremony. I hope all can come out and celebrate the sacrifices of all the brave departed souls who have served our great nation.

Once again with the start of summer I hope everyone is excited as I am for our annual 4<sup>th</sup> of July Parade. Our town's Civic Events Committee along with our borough employees have been hard at work to put together a fun day for all, but we need your help! Many volunteers are needed to help keep the event running safely and smoothly. If you are interested in lending a helping hand please contact Councilwoman Trisha Egbert at tegbert@haddonhts.com or the Borough Admin. Office at 856-547-7164, ext. 33.

Our Farmers' Market season has kicked off on Sunday mornings and is larger and better than ever. This is a great opportunity to shop fresh Jersey produce, check out small

businesses from the area, meet up with friends, family or fellow Heights residents to hang out or grab a coffee. I want to thank Heights In Progress for their continued support in hosting this weekly event here in Heights. Please visit between 9:30 am - 1:00 pm on Sundays and feel free to say hello or introduce yourself to my family and I if you happen to spot us.

In Redevelopment, we are just beginning to work on the redevelopment plans for the areas we designated. However, you may have noticed a plan that was introduced in May and will be voted on following a Public Hearing in June. This plan is only adopting the existing zoning laws throughout the community as the initial plan and makes zero changes to anything already permitted in the town. What it does allow is for us to move forward creating the rehabilitation process for those not in the redevelopment zone, and enter into agreements with developers who do not require the zoning or planning variances that might come with a more specific redevelopment plan. In regards to the more specific redevelopment plans, they will be worked on with our diverse committee comprised of members from Mayor and Council along with representatives from the Planning Board,

Historic Preservation Commission and the School Board. We hope to have some draft plans developed to show at borough hall meetings in the coming months, where we will solicit feedback and ideas from you the residents. If you have any questions regarding the process or wish to offer some thoughts I encourage you to reach out to myself or Councilwoman Regina Philipps.

The Camden County Board of Commissioners has announced the return of the Summer Parks Concert Series for 2022. For anyone who has not attended a concert at the Dell, you are truly missing out on some incredible evenings to enjoy great music with family and friends in our beautiful park venue. The Summer Music Series Concerts will be held in the McLaughlin-Norcross Memorial Dell on specific Wednesdays throughout the summer starting at 7:30 pm. The first event will be June 15<sup>th</sup> featuring Mondo Cozmo & special guest Brain Mietz. Additional concert dates and performers can be found on both the Borough and the County's websites. I hope to see you all there.

Finally, I want to welcome several new businesses to our downtown; Simply Station Nutrition and Antics Skate Shop. We love our small businesses here in Heights and

hope to continue to attract more great businesses to our community. If you have not had the opportunity to check either of these out, I encourage you to do so. All of the businesses are a part of our community and this was best seen earlier in May when they showcased all of the amazing children's artwork for Mental Health Awareness Month. A big thank you to all the businesses that participated, to the Haddon Heights Education Association, Haddon Heights Parent Teacher Group, Mrs. Michnowski, and everyone who made this possible.

As always, for more information and updates please follow Mayor and Council on social media and on the borough website. We invite you to join us for a Council Meeting on the First and Third Tuesdays of each month. We are happily back in person, so we hope to see you there.

*Mayor Zachary Houck*

# Requirement of Animal Licensing

## Registration is Required for all Dogs and Cats!

It is the law and mandatory that dog and cat owners have their pets licensed. Licenses are good for one calendar year and must be renewed annually. License tags must be displayed on animals at all times.

Benefits of having your animal licensed and vaccinated include making it easier for your pet to be identified and returned to you should they get out. Even indoor cats have been known to escape at times, without a license whoever finds your pet will have a harder time identifying them and they may not be returned to you. If they did escape they would be protected from Rabies should they be bitten by a wild animal living outside. If we get all of our animals vaccinated against rabies, then no parent will have to be afraid that one of their children may be bitten by a rabid cat or dog.

Animal License Renewal Letters have been mailed out for 2022 renewals. If you did not receive your letter or need a new one, please visit [www.haddonhts.com](http://www.haddonhts.com).

com, under Forms & Permits or you can contact the Borough Administration Office, 856-547-7164 ext. 2. In order to get your animal licensed for the 2022 calendar year the office staff will need to see your pet's proof of rabies vaccination. **The vaccination will need to be good through November 1, 2022 for a license to be issued.** The cost for a spayed/neutered cat or dog is \$9.00. The cost for a non-spayed/non-neutered cat or dog is \$12.00. Please obtain your 2022 License on or before June 30<sup>th</sup> to avoid the \$10.00 late fee.

License Fees support the efforts of many local animal shelters. Typically, the annual fee that you pay to license your pet helps to keep shelters running and support the work of your local animal control.

Pet owners should also be aware that the State of New Jersey recently passed State Statutes pertaining to Animal Cruelty. The information can be found at the New Jersey Department of Health website ([www.state.nj.us/health](http://www.state.nj.us/health)) for the State Statutes listed below.

- 4:22-17 Cruelty; certain acts, crime; degrees
- 4:22-26 Penalties for various acts constituting cruelty

## Council Corner

The Engineering Committee is headed out to bid on two exciting construction projects in the months of May/June with an anticipated late summer/fall construction season. The first is the Haddon Heights Roads Program to repave and reconstruct portions of four streets in town - 11<sup>th</sup>, Maple, Bradshaw and First Avenues. While there are many streets that are in town in need of repaving, we are excited to be able to chip away at some of those in need and look forward to being able to repave more in future years.

Additionally, we were awarded a Community Development Block Grant through the Camden County Improvement Authority to replace nearly 100 handicap ramps at intersections on Borough owned roads that are in close proximity to schools and parks. This will improve the accessibility for the residents to access these valuable community assets. For more information on these and other Borough

projects, please check out the Haddon Heights website at [www.haddonhts.com](http://www.haddonhts.com).

The Environmental and Shade Tree Commissions distributed 270 Seedlings at the Haddon Heights Farmers Market on 4/24/22. This is part of the State of New Jersey Forestry Program that provides free trees. Left over trees were distributed to St. Rose School for Earth Day for Third and Fourth Graders to plant.

Mayor and Council are excited for the annual 4th of July Parade. Please join us for these traditional events beginning at 9am. ## Tax Assessor's Office

New Jersey Law requires the Tax Assessor's office to keep all property assessments current. The Assessor's inspector may visit your property if the property owner or their contractor obtained a building permit to build a new building, or update, improve, expand, remodel, redecorate, rehab and/or demolish an existing building located in Haddon Heights. Please cooperate with the Assessor's inspector who will perform an interior and exterior examination of your home or business, and request information to confirm the type of work done, or to be done, the cost of the project, and the date the job was, or is to be completed. This inspection is in addition to any inspection(s) required by the Haddon Heights Building Inspection Department.

The inspector will visit your property unannounced in the day, early evening, or on a Saturday. This method of inspection is very cost effective and I greatly appreciate your help allowing the inspector to collect the data required. The inspectors who work for the Tax Assessor's office

are Judith Shoemaker, Jeffery Scott Pierson, Michael Colavecchio and myself. Each inspector will wear an official Haddon Heights Borough ID Badge.

If you have any questions or concerns please do not hesitate to call Tax Assessor's Office at 856-547-7164 ex 36. Thank you for your anticipated cooperation with the inspection process. Thank you, Thomas J. Colavecchio, Tax Assessor

## Sustainable Haddon Heights

On December 10, 2021, the Borough of Haddon Heights was re-certified at the Bronze level by Sustainable Jersey for another three years! Thanks to the hard work of David McCollum, Chair of Sustainable Haddon Heights, and Kelly Santosusso, Borough Clerk, our application was approved with 16 actions in 9 categories for a total of 165 points. That's the good news.

Since 2011, Sustainable Haddon Heights volunteers have worked behind the scenes to gain certification and re-certification for the Borough multiple times by Sustainable Jersey. It was not always easy. We've applied for grants and even received a few to help cover some of our operating and project expenses. We've been able to provide anti-idling signs and most recently, bike docks at our four public schools.

Now, due to members passing away, moving, or resigning due to health reasons, we need at least three new volunteers to assist with social media, grant-writing, Sustainable Jersey Actions, and special events. Once we gain those three volunteers, we can begin scheduling Zoom meetings. If you have a little bit of spare time and would like to make a difference in making your town more sustainable, contact Dave McCollum 856-546-5271 - [ddstmccollum@gmail.com](mailto:ddstmccollum@gmail.com).

## Haddon Heights Community Garden

Do you want your family to have access to Non GMO, organic vegetables with no pesticides? You can do that by growing your own vegetables at the Haddon Heights Community Garden. Join a large group of other people already growing their own produce. There will be plots available for rent this year. The Haddon Heights Community Garden is located at 13 Glover Avenue. The garden has 30 plots that are each 100 square feet in size. Registration opens on March 15. Plots rent for \$25 per year. Applications are available online and in person at the tax collector's office.

New gardeners are encouraged to register early, when there are more options for plot location. For a full season of growing, many gardeners clear their plots of weeds and turn the soil in March and April, to be ready for planting in early May. There is a shed at the garden for storage of tools and equipment. There is a water hydrant on the property with an attached hose. The cost of providing water is included in the rent.

# Haddon Heights Good Neighbors

The sun is shining, the days are getting longer, and the summer months are right in front of us. It's a great time of year to be living in Haddon Heights and a great time to give pause to think about our neighbors who might be having a hard time enjoying the warmth of summer because of a medical problem or a financial problem. Fortunately, Haddon Heights Good Neighbors is able to help brighten the lives of these neighbors.

HHGN was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

One way of helping HHGN to accomplish its goal is to join the organization which typically meets the 1st Wednesday of January, May, September, and November. The next two meetings for 2022 are September 7 and November 10 (the 2nd Wednesday). These meetings are held in Borough Hall at 7:00 PM. New members are always welcome.

Another way is to make a donation to the organization which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

## WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. We are a registered 501(c)3 charity and every donation is tax deductible. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small, and no act of kindness is too inconsequential! There are several ways you can make a donation. You can use the United Way (Haddon Heights Good Neighbors, Inc. (#05625) is registered in the Donor Choice Programs of several United Way Agencies: Bergen County, Camden County, Gloucester County, the State of Delaware, and Southeastern Pennsylvania, Tri-State and Greater Lehigh Valley.) If your United Way does not list us as an option, simply write in the following words on your donor form: Haddon Heights Good Neighbors, 625 Station Avenue, Haddon Heights, NJ 08035. You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html>. You can also use Venmo (Good Neighbors HH@Haddonheightsgoodneighbors). Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to:

625 Station Avenue, Haddon Heights, NJ 08035 ~ 856-546-6677 ~ [www.hhgoodneighbors.org](http://www.hhgoodneighbors.org) ~ Like us on Facebook!

HHGN is NOT to be confused with the Haddon Heights Neighbors (Night Out) organization whose mission is different than ours although BOTH benefit our town. Another way to help HHGN financially is through the AmazonSmile program. If you are not familiar with AmazonSmile, it's a 501(c)3 private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

## A Note from the Superintendent:

Another busy school year will be coming to a close in a few short weeks. Although the pandemic continued to play a factor, this year allowed for greater opportunities for students to return to a typical school year with full day instruction and extracurricular activities making their debut. These past few years in education have certainly brought about a number of challenges. Yet, we have also grown exponentially during this time as a district as we have made great strides to provide meaningful learning opportunities in new and innovative ways.

On Monday, June 20 we will celebrate the accomplishments of the Class of 2022. This exceptional group of students has so much to be proud of. We wish you the best of luck in your future endeavors and know that you will continue to thrive. Congratulations to the Class of 2022!

## Safe Routes to School

May 4th was National Walk & Bike to school day! Each of the three public elementary schools – Atlantic Avenue, 7th Avenue and Glenview Avenue participated by walking & biking to school that week. On May 4th, parents and our new superintendent, Carla Bittner handed out giveaways to encourage walking & biking to school.

The Safe Routes to School group is proud to announce the new committee leader, Angela Scola. Angela has actively participated on Safe Routes to School since its inception. Safe Routes to School will thrive under her leadership!

Lastly, summer is here and the bikes and pedestrians are out & about. Trim overgrown ivy, bushes & trees - the sidewalk should be clear and there should be 7' of vertical clearance (height), so someone tall doesn't hit a branch.

About us: A Safe Routes to School Program was established with representatives from the local public elementary schools teamed with Town Council, the Board of Education and Cross County Connections (CCC) Transportation Management Association. CCC developed a School Travel Plan in 2018 for the Haddon Heights public elementary schools. A School Travel Plan is a document that helps to identify student walking and bicycling travel corridors and recommends infrastructure improvements to make the travel corridors safer for students. The Haddon Heights School Travel Plan is available on the town's website.

Interested in volunteering? Email Kate Russo at k8prusso@gmail.com or join our Facebook page Safe Routes to School Haddon Heights for information about our next meeting.

## Historic World War I Monument

This beautiful tribute to the men and women of our town, who volunteered during the First World War, is located at the Haddon Heights 'gateway' corner of West Atlantic Avenue and Kings Highway. It was erected by the Haddon Heights Branch of the American Red Cross. As a part of the annual Memorial Day parade and ceremonies, VFW Post 1958 and American Legion #149 participate, sometimes with the Haddon Heights High School band playing, as these groups march down W. Atlantic Ave. and then down Station Ave. Traditionally, in the morning, the Parade begins here at this memorial, where there is a small ceremony and people, usually belonging to the American

Legion, lay memorial wreaths. Then the parade marches down to the cannons for a ceremony dedicated to those Haddon Heights sons and daughter who fought during WWII. The memorial reads: IN HONOR OF OUR SONS AND DAUGHTERS WHO ENTERED THE WAR TO ENSURE PEACE THROUGHOUT THE WORLD, 1917 WORLD WAR 1918.

## Michael Biarnes

Scientist | Author | Speaker

### Who is Mike?

Michael (Mike) Biarnes is a scientist and healthcare leader who has dedicated his career to improving patient outcomes. Along the way, he discovered his passion for mentorship and coaching, striving to help individuals define success for themselves and take tangible steps towards achieving a happier, more balanced, and fulfilling life. His book, *Redefining Success*, seeks to further that passion by combining his scientific background, compelling storytelling, and simple strategies to help readers in their own personal development journeys.

### About the Book

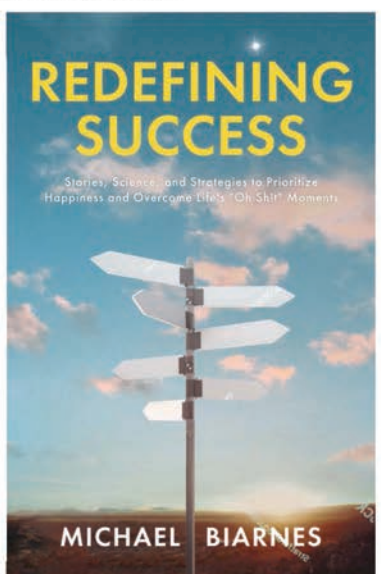

Have you ever felt unhappy, unfulfilled, or unbalanced despite achieving "success"?

*Redefining Success* is all about achieving greater happiness, fulfillment, and alignment in life around the things that matter to you! The book is the combination of a plethora of amazing interviews, extensive scientific research, and Michael's own personal experience. Michael's work has shown that we each need to define what "success" means for ourselves because if we don't live aligned with our own definition of success, happiness and fulfillment will remain elusive no matter how much we accomplish in life.

### Early Praise for *Redefining Success*

"Michael Biarnes points to helpful strategies for evaluating goals, developing mindfulness, and avoiding temptation traps that lead to unhappy outcomes. Many useful recipes are here for redefining – and improving — success!" — **Dr. Kent Berridge, Distinguished Professor of Psychology and Neuroscience at The University of Michigan**

"This fun and easy-to-read book does a great job of conveying key positive psychology concepts and techniques, without sacrificing scientific accuracy. Highly recommended for figuring out what really matters to you." — **Dr. Kennon Sheldon, Distinguished Professor of Psychological Sciences at the University of Missouri**

### Interviews & Stories Include

- Apolo Anton Ohno (Olympian)
- Arianna Huffington (Huffington Post)
- Patrick McGinnis ("FOMO" Creator)

We seek to be a safe space for the development of Christian community and the empowerment of LGBTQ+ lives in The United Methodist Church. We commit ourselves to making inclusiveness, equality, and mutual respect a reality in this congregation, this community, and this world. ### Fill A Van (or 2) for Ukraine Mission

During March and April one of our missions, in partnership with Voorhees Family Dentistry, was to collect much needed items to be sent to Ukraine. We received donations of new medical supplies, clothing, personal care items, and childcare items. We also collected

needed items for Ukrainian soldiers such as thermal clothing, sleeping bags, camping mats, and tents. All items were delivered to Baranova 27, Ukrainian Humanitarian Aid Foundation.

Baranova 27 was started by Sasha Chmerkovskiy, father of professional dancers Maks and Val, who you may know from "Dancing with the Stars". Sasha said, "If there is a will, there is always a way." Baranova 27 is the address in Odessa, Ukraine, where the Chmerkovskiy boys spent their childhood before immigrating to the US.

Now, with Ukraine in the midst of war, people there are becoming more and more desperate for essential needs. Baranova 27 is an initiative to gather, transport, and provide these essentials to families and frontline heroes in Ukraine that need immediate help.

We were blessed to share the Love of God and the Hope for Peace for the citizens of Ukraine who live with the horrors of the current warfare.

## Joy Community Fellowship Church

At Joy Community Fellowship Church, we believe that Jesus Changes Everything! Because of this, we are a family increasing in our love for God and devoted to becoming real people who are growing in real faith that is impacting real life through God's Grace.

Joy meets Sundays at 10am for Worship Together. There you'll find caring people, passionate worship and practical teaching from God's Word for real life. Dress is casual.

At the same time, Joy Kidz (kids through 6th grade) enjoy music and practical Bible lessons in a fun, safe environment designed just for them.

Throughout the week we offer special activities for all ages, Youth Ministry and small groups designed to help you get to know others and live life experiencing the love of Jesus.

Highlights of our Spring Activity at Joy Community Fellowship:

**Sunday Morning Worship Together:** In a new series, "Going 10 Rounds in the Fight of Our Lives," we're getting to the heart of God's 10 Commandments. More than a list of rules to keep, these commandments reveal the greatest battles of our heart.

**Joy Youth Group:** We provide a safe place for students (6th-12th grades) to hang out (see website for Summer schedule), have fun & learn about how to have a real relationship with Jesus. Special events and retreats are also planned throughout the year.

**LADIES' Connection:** 1st and 3rd Thursdays 7pm (call for location)

**Digging Deeper:** Ladies' Bible Study going through the Bible in a year meeting on the 2nd and 4th Thursday of the month at 7pm.

**Seeds of Hope Ministry to the Homeless in Camden:** One Saturday each month, we serve breakfast from approximately 7-11am to those living on the streets in Camden.

For more information on these and other activities for Joy Community Fellowship, see our contact information below.

Worship: Sundays at 10:00 AM (in-person and on Facebook)

### Worship Services:

We are still worshipping in-person (and streaming on Facebook) and are excited to see our attendance growing week by week! We are no longer requiring masks for worship in our building, however, we encourage attendees to stay home and watch our services online if they are not feeling well.

While we were heartbroken to say goodbye to our long-time Director of Music, Karen Mercer, we are excited to announce that we've hired a new Director of Music, Dr. Chris Thomas, who started his position on May 1. Dr. Thomas is currently Associate Professor of Music and Director of Choral Activities at Rowan University, overseeing four curricular choirs and teaching courses in choral conducting & choral literature, as well as Artistic Director of the Greater SJ Chorus in Haddonfield. Chris will be conducting and coordinating our adult and youth choirs, as well as our bell choir. His resume is much more extensive than we're able to list here, so we hope you will join us one Sunday to enjoy the wonderful musical elements that Chris adds to our worship services.

At its March meeting, the Presbytery FOR Southern New Jersey elected Pastor Eliza to serve as Moderator-Elect from June 2022-June 2023, and as Moderator for the 2023-2024 program year. In this new role on Council, Pastor Eliza will preside at Presbytery meetings, ordinations, & installations, and appoint special commissions. As a connectional church, we work closely with our sister churches and are excited for this new opportunity for Pastor Eliza in our Presbytery.

We hope you will join us for worship, either in-person or on Facebook, and invite you to join us in our parlor after worship each week for a time of fellowship and to meet Pastor Eliza and many of our members and friends.

### Sunday School and Group Meetings:

Our in-person Sunday School classes, for children PreK through Grade 8, are on hold

for the summer months. In the fall, we plan to change our Sunday School format to hold those classes in the morning before worship begins so that our children and youth can better experience all the important elements of our worship service. Our nursery is open year-round for children ages 2 and under.

Our Deacons will be holding their annual Deacons' Picnic on June 5 at 11:00 AM on our lawn along 7th and Green. This day is also our "Very Big Sunday" (VBS), during which we celebrate all that our children and youth provide for our church family.

On Sunday, June 12, we'll be adding four new teens to our church membership as they are confirmed in the Presbyterian Church (USA) denomination during our worship service. These teens have been attending weekly classes with our pastor and are planning and implementing the worship service during which they will be confirmed ("Youth Sunday") with the help of some of our other youth and children.

Our Adult Bible Study continues to meet on Wednesdays at 11:00 AM via Zoom, for those who enjoy the fellowship and lessons from the comfort of their own homes. The group is currently studying the Pauline Letters using resources from The Bible Project (<https://bibleproject.com/>) which consists of illustrated videos to help the reader visualize the core themes of each book of the Bible. Please contact the office if you would like to join them so that we can send you the Zoom link.

The men of First Pres have resumed their monthly breakfast and bible study meetings and gather in our parlor on the fourth Wednesday of each month at 9:00 AM. They would love for any men in the community to join them for an entertaining time of fellowship and prayer, as well as a delicious breakfast.

Our Friendship Circle is a group of women who meet monthly for fellowship, to plan service projects, and to share a Bible lesson. Meetings are held the third Tuesday of each month. They would love for you to join them, even if you cannot attend every month. Their last meeting before resuming in the fall will be Tuesday, June 14 at 6:30 PM - as this is their annual Covered Dish Supper. All ladies in our community are invited to join us for this event, which includes a meal, entertainment, and lots of fun - and is held in our parlor. Please contact the office by June 7 if you would like to attend the dinner so we can keep a

general head count of attendees.

### Earth Care Congregation

#### Certification:

We're happy to announce that First Pres has been re-certified as an Earth Care Congregation for 2022 by the Presbyterian Church (U.S.A.)'s Presbyterian Hunger Program. This honor speaks to the great commitment that our Earth Care Committee and our congregation has made to care for God's earth. As one of 292 churches in PC(USA) that received the honor this year, it recognizes our commitment to take seriously God's charge to "till and keep" the garden. We encourage and welcome more ideas to integrate environmental practices and thinking into our worship, education, facilities, and outreach. Started in 2010 by the PC(USA), the goal of this program is to inspire churches to care for God's earth in a holistic way, through integrating earth care into all aspects of their church life. The Earth Care Congregation certification honors churches that make that commitment and encourages others to follow their example. Congratulations to our Earth Care Committee for their hard work and this great achievement.

For more information about First Presbyterian Church's earth care program contact the church office.

#### Community Outreach:

Our active Missions Committee continues to collect food and monetary donations for Your Food Shelf in East Camden to help support their mission of feeding those in need. There is a large bin near the office entrance of our church on Green Street where you can drop off any non-perishable items to donate to our weekly distribution to Your Food Shelf.

One of the most requested items by clients of Your Food Shelf is powdered milk, which our Mission Committee usually receives in monthly shipments and then donates, however the supplier is running low. They are specifically collecting powdered milk during May and the summer months for this purpose, as well as any other items you think those in need would like to have.

Our Friendship Circle and Mission Committee collected hundreds of hygiene kits during the month of April, which were sent to Presbyterian Disaster Assistance (PDA) for distribution to Ukraine and other areas of need around the world.

For more information on any of these events please contact our church office at 856-547-6139, email us at [info.fpchh@gmail.com](mailto:info.fpchh@gmail.com), or visit our website at [fpchaddonheights.org](http://fpchaddonheights.org).

### Vacation Bible School

Haddon Heights Baptist Church is happy to announce that this year's Vacation Bible School happens on August 1-5. Called Kookaburra Coast, kids will enjoy visiting the continent of Australia from 9 am to noon on the daily tour sessions. Your kids will experience unique destinations and exotic animals at Kookaburra Coast-complete with animals in the outback and wonders in the Great Barrier Reef. They will discover God's glorious handiwork in the land down under and will encounter His life-changing glory in Jesus Christ and through adventures with Moses. Like Moses, they will never be the same!

The VBS fun begins on Monday, August 1st at 9 am by the big front doors on Third Avenue at Station Avenue. After registering outside, children will meet their "tour guides" in the auditorium and travel by grade level "tours" through 5 rotations. Students will travel with Moses as he encountered God's glory On Fire (burning bush), From Captivity (the exodus), Through the Deep (the Red Sea), On the Mountain (the Ten Commandments) and then In Person (living glory of Jesus Christ). Rotation sites include fun crafts, exciting music and memory verse games, guided outdoor recess, and a special tour stop where VBSers will meet unusual Australian creatures and learn about the special 2022 VBS Mission project.

Haddon Heights Baptist Church VBS is for children aged 4yrs. (must be four by September 30th) through finished 6th grade. Snacks will be served and bottled water will be available for the children. Each of our workers is required to go through a background check and child safety program. It is strongly suggested

that families register their children online at the HHBC website, [www.hhbcnj.org](http://www.hhbcnj.org) in order to avoid long lines on the first day of VBS. As always, Haddon Heights Baptist Church offers this annual summer event absolutely free of charge. Be sure to look for the church's float at the borough's Fourth of July Parade.

### Community Ice Cream Social

Back in 1898, when Haddon Heights Baptist Church was founded, casual community events were called "socials." Our ancestors here in the borough could often be found at gatherings designed to practice the fine art of enjoying each other's company. If you long for those simpler days, Haddon Heights Baptist Church has just the event for you! On Friday evening, June 17th between 7 and 8:30 pm, you are invited to a lovely Community Ice Cream Social on the front lawn of the borough's first church at Third and Station Avenues. Come enjoy lawn games and ice cream and the pleasure of neighborly company and all for free! Long dresses and boater hats are not required!

### Young Life Capernaum

HHBC, in partnership with Young Life, has begun a ministry to serve the special needs community in the area. Young Life Capernaum focuses on adolescents with disabilities aged 14-22. In the Bible, Capernaum is where friends of a disabled man overcame great obstacles to bring their friend to be ministered to by Jesus. Likewise, Young Life Capernaum believes that developmental limitations shouldn't keep adolescents from the presence of the One who promises fullness of life. They invite all friends who need extra assistance to participate fully in activities that build self-esteem, challenge limits and identify their gifts, passions and abilities in order to be used for God's glory. Meetings are the second Monday of each month from 6:30-8:30 pm at Haddon Heights Baptist Church. The

next meetings are June 13th and July 11th. Friends will enjoy a meal, a short message with reinforcing activities and a game time. For more information, email [kspilker8612@gmail.com](mailto:kspilker8612@gmail.com) or call the church office at (856) 547-3579.

### Missions Trip

From time to time, HHBC has sent teams of church members to various mission fields around the globe to support and encourage its missionaries. This July, a team plans to visit Guatemala City to team up with workers at some of their 31 child care centers there. The long-term goal is for the church to "adopt" a child center to support.

### Awana

Club activities ended on May 22nd for the summer with the annual Awana Awards Program. Many clubbers received awards for completing their handbooks. Club resumes again in September. Awana, which stands for Approved Workmen Are Not Ashamed, is a kids club for children age 3 through 6th grade. Emphasis is on wholesome game activities, Scripture memorization and Bible-based teaching. Awana now meets Sundays, September through April, from 6:00 pm to 7:30 pm.

### Youth Groups

The church's Jr/Sr High Youth Group meets on Wednesdays from 7:00 pm to 8:30 pm year round. Come for food, fun, fellowship, a challenging speaker, good music and games.
