Summer Rec 2022

Sign Up Today! Spots are filling up fast!

Summer Rec is a great combination of "old school" fun and new skills. Activities are designed for children 5 years old (as of June 1, 2022) through 12 years old. A variety of activities brings something new and exciting each week. We will also be adding some team building activities and camper mentoring to help build social skills that may have been lost during the pandemic. We operate rain or shine utilizing the air conditioned Cabin at Hoff's Playground and the Community Center at 321 7th Avenue. Our primarily outdoors, rotating schedule includes some free choice options, indoor snack time and craft sessions. A different sport is featured each week. For your peace of mind, we use school like check-in and check-out procedures and every activity is well staffed. Please see the Registration Form for exact dates, fees and payment schedule.

We are also taking all precautions possible in light of the on-going pandemic and will be following all CDC guidelines and protocols. General information about the program and the registration form are available on the borough website's homepage and on pg. 7 of this publication. By utilizing good communication from parents, we have accommodated a wide range of children(s) needs throughout the years. If you have any questions to determine if you think this Program is a good fit for your child(ren) or grandchild(ren), please contact Borough Hall at (856) 547-7164 ext. 36 or email jyuhaze@haddonhts.com. We also have employment opportunities available for Teen Counselors. Please see **PAGE 22** for more details!

MAYOR'S MESSAGE

Dear Neighbors:

Well, I am happy to say we seem to be experiencing an early spring, and with the early spring weather, I already see yard waste at the curb. I encourage everyone to check out the Borough website on guidelines for yard waste. Our incredible Department of Public Works will work with our homeowners, but for ease, I ask you make sure your brush is placed in paper yard waste bags or in cans with sticks bundled.

Spring sports are underway, and if you get the chance, I hope to see you at HHYA's Opening Day April 9th where I will be throwing out the first pitch. It has been two years since we've been able to have an Opening Day; I welcome all to attend. I wish all of our Haddon Heights teams good luck on their spring seasons. With spring sports in mind and the weather naturally promoting people to get out and about, I encourage everyone traveling around town to be vigilant for pedestrian and bike traffic. I am happy to report that some of our

problem intersections along Station Avenue will hopefully be receiving some much-needed attention in pedestrian bump-outs along the central business district to calm traffic in these areas.

While talking about road improvements, many people have been asking about our Haddon Heights Road project and the proposed repaving of \$1.2 million in roads this year. This is just the first phase of a comprehensive infrastructure project here in Haddon Heights. We are hopeful for a spring bidding process followed by paving as early as this summer. I am well aware that just about every road in Haddon Heights needs a little attention, and we cannot stress enough that we will be paving more roads in the months and years ahead.

In February, a study was presented at a special Planning Board meeting for those following Re-development in Haddon Heights. The Planning Board passed a resolution recommending

the study areas of the Black Horse Pike, White Horse Pike and Station Ave. to be considered in need of redevelopment and rehabilitation respectively. So what does this all mean for Haddon Heights? First and foremost, if any business or land wants or chooses to stay exactly as is, they can do so for the next ten, twenty or one hundred plus years. Nothing is compelling them to change. However, if an owner wants to take advantage of some of the benefits from this designation, they can now. Many people ask if there will be time for public input into these plans. The answer is an overwhelming yes! We have formed a workgroup comprised of council members, planning board members, historic preservation, and more to work on drafting redevelopment plans for each area respectively. Before we finalize those plans, there will be town hall-style meetings to solicit public input and feedback. However, I encourage anyone with concerns regarding this topic to reach out to me directly via

my email, mayor@haddonhts.com, and I will be happy to get back to you with more information.

It is a privilege to serve our incredible community, and I couldn't do it alone. I thank all of my peers on Council and the countless volunteers here in town. There are too many to recognize, but I want to encourage anyone and everyone to let me know if you see someone going above and beyond to make Heights great serving our community. I will do my best to recognize them publicly.

Requirement of Animal Licensing

Registration is Required for all Dogs and Cats!

It is the law and mandatory that dog and cat owners have their pets licensed. Licenses are good for one calendar year and must be renewed annually. License tags must be displayed on animals at all times.

Benefits of having your animal licensed and vaccinated include making it easier for your pet to be identified and returned to you should they get out. Even indoor cats have been known to escape at times, without a license whoever finds your pet will have a harder time identifying them and they may not be returned to you. If they did escape they would be protected from Rabies should they be bitten by a wild animal living outside. If we get all of our animals vaccinated against rabies, then no parent will have to be afraid that one of their children may be bitten by a rabid cat or dog.

Animal License Renewal Letters have been mailed out for 2022 renewals. If you did not receive your letter or need a new one, please visit www.haddonhts.com, under Forms & Permits or you can contact the Borough Administration Office.

In order to get your animal licensed for the 2022 calendar year the office staff will need to see your pet's proof of rabies vaccination. **The vaccination will need to be good through November 2022 for a license to be issued.** The cost for a spayed/neutered cat or dog is \$9.00. The cost for a non-spayed/non-neutered cat or dog is \$12.00.

License Fees support the efforts of many local animal shelters. Typically, the annual fee that you pay to license your pet helps to keep shelters running and support the work of your local animal control.

Pet owners should also be aware that the State of New Jersey recently passed State Statues pertaining to Animal Cruelty. The information can be found at the New Jersey Department of Health website (www.state.nj.us/health) for the State Statues listed below.

- 4:22-17 Cruelty; certain acts, crime; degrees
- 4:22-26 Penalties for various acts constituting cruelty

On April 24, 2022, 400 free seedlings will be distributed by the Shade Tree Commission, Environmental Commission and Sustainable Haddon Heights at the Farmers Market from 9:00am until 12:00 noon. The trees are provided by the NJ State Forestry Program. Shade Tree Commission seeks curb line locations for this year's planting. Please contact ShadeTree@haddonhts.com with tree requests. We expect to plant 100 trees in 2022. Last year 80 new trees were planted.

PSE&G has installed new LED streetlights to improve our downtown district. Older lighting was frequently failing and the Mayor and Council, spearheaded by Councilman Tom Ottoson, worked diligently to find an economical solution. Councilman Ottoson and HiP along with PSE&G were able to make the needed improvements at no additional expense to the Borough. The new lighting provides more efficient energy consumption and a small savings to the taxpayer.

The community bike rack project received many contributions from residents and businesses. The racks will be installed this spring in the business district. Thanks to our sponsors as this project could not move forward without your support!

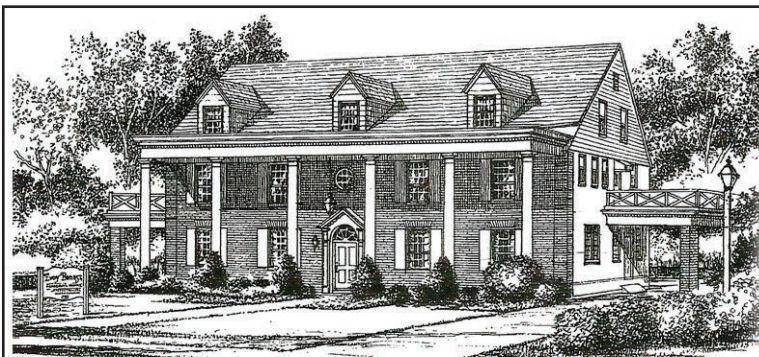

It is the time of the year when Council is developing the annual budget. Additionally, we continue to work on putting a plan in place for further infrastructure improvements. The Engineering Committee has several exciting projects scheduled for construction during the summer / fall construction season. The first is the Haddon Heights Road Program to repave and reconstruct portions of four streets in town - 11th Avenue, Maple Avenue, Bradshaw Avenue and First Avenue. While there are many streets that are in town in need of repaving, we are excited to be able to chip away at some of those in need and look forward to being able to repave more in future years. The second is to construct a recreational trail from the Norcross-McLaughlin Memorial Dell to Prospect Ridge Blvd. The last will involve replacement of almost 100 handicap ramps at roadway intersections that are in close proximity to Borough schools and parks. This will improve the accessibility for all community members to these valuable community assets. For more information on these and other Borough projects, please check out the engineer's status update in the agenda packet for each Borough Council Business Meeting.

In June 2021, Borough Council adopted a Resolution directing the Planning Board

to undertake an investigation to determine whether certain property in the Borough meets the criteria for an Area in Need of Redevelopment or an Area in Need of Rehabilitation without the use of eminent domain. The Borough property subject to the investigation is located in two distinct areas, one along S. Black Horse Pike and one along S. White Horse Pike and Station Avenue. Bob Melvin, a licensed professional planner with the engineering firm Pennoni, undertook the investigation and prepared a report of his findings and recommendations that was presented at a Special Planning Board public hearing on February 22, 2022. At the meeting, the Planning Board approved the recommendations and passed a resolution designating the relevant properties as Redevelopment or Rehabilitation areas. The next step is for a plan to be prepared that will outline the goals for the Redevelopment or Rehabilitation areas. The Planning Board, Historic Preservation Committee, and the general public will have opportunities to weigh in throughout the process. This is an exciting time and we look forward to the future growth and progress of our town. For more information regarding redevelopment, please visit our website or contact Mayor Zachary Houck at mayor@haddonhts.org or Councilwoman Regina Philipps at rphilipps@haddonhts.com.

The Civic Events committee has met this year to discuss the annual Memorial Day event and 4th of July parade. Further, the committee is creating a community-wide Halloween event this year that we hope to make a borough tradition! More details to follow. The Civic Events committee is always in need of volunteers so if you are interested in serving on the committee or helping out with events please contact Councilwoman Trisha Egbert at tegbert@haddonhts.com.

Finally, the Borough was successful in receiving a \$75,000 grant from the New Jersey Department of Community Affairs (NJDCA) Local Recreation Improvement Grant program. A big thank you to our borough engineer, Steven Bach, for his work on obtaining this grant. The planned improvements under the grant will focus on installing a grouped outdoor exercise station circuit for ages 13 and older at Hoff's Park. The Parks & Rec committee will be discussing the location, equipment options and future maintenance obligations at the next meeting. Please contact Councilwoman Trisha Egbert at tegbert@haddonhts.com with questions.

Tax Assessor's Office

New Jersey Law requires the Tax Assessor's office to keep all property assessments current. The Assessor's inspector may visit your property if the property owner or their contractor obtained a building permit to build a new building, or update, improve, expand, remodel, redecorate, rehab and/or demolish an existing building located in Haddon Heights. Please cooperate with the Assessor's inspector who will perform an interior and exterior examination of your home or business, and request information to confirm the type of work done, or to be done, the cost of the project, and the date the job was, or is to be completed. This inspection is in addition to any inspection(s) required by the Haddon Heights Building Inspection Department.

The inspector will visit your property unannounced in the day, early evening, or on a Saturday. This method of inspection is very cost effective and I greatly appreciate your help allowing the inspector to collect the data required. The inspectors who work for the Tax Assessor's office are Judith Shoemaker (Judi), Jeffery Scott Pierson (Scott), and myself. Each inspector will wear an official Haddon Heights Borough ID Badge.

If you have any questions or concerns please do not hesitate to call Tax Assessor's Office at 856-547-7164 ex 33. Thank you for your anticipated cooperation with the inspection process. Thank you, Thomas J. Colavecchio, Tax Assessor

What's New at the Station

Spring is here and the railfan season has started. The Western Maryland Scenic Railroad and the Reading and Blue Mountain Railroad have both announced the return to service of two historic steam locomotives. The Reading Heritage Museum is again open. The Railroad Museum of Pennsylvania and the Strasburg Railroad are also open. The East Broadtop Railroad is back after being out of service for years. Most of these venues are a day trip or one tank of gas away so they are viable options even with high gas prices. An online search will provide current operating information for all of these opportunities.

The Station will be open on May 7 from 10 am to 3 pm for our annual Down by the Station Celebration. The West Jersey Chapter-National Railway

Historical Society will have an in person meeting and presentation downstairs at the Library at 10. Details on the meeting are available at www.westjersey-nrhs.org. Stop by to see the progress on the layout and learn about railroad history. You can also monitor the Delaware & Susquehanna on the on our Facebook page. Time to enjoy Spring on Station Avenue.

Haddon Heights Community Garden

Do you want your family to have access to Non GMO, organic vegetables with no pesticides? You can do that by growing your own vegetables at the Haddon Heights Community Garden. Join a large group of other people already growing their own produce. There will be plots available for rent this year. The Haddon Heights Community Garden is located at 13 Glover Avenue. The garden has 30 plots that are each 100 square feet in size. Registration opens on March 15. Plots rent for \$25 per year. Applications are available online and in person at the tax collector's office.

New gardeners are encouraged to register early, when there are more options for plot location. For a full season of growing, many gardeners clear their plots of weeds and turn the soil in March and April, to be ready for planting in early May. There is a shed at the garden for storage of tools and equipment. There is a water hydrant on the property with an attached hose. The cost of providing water is included in the rent.

Environmental Commission

The State of New Jersey passed legislation for a plastic bag “ban” effective May 4, 2022. The ban affects most stores, including grocery, clothing, “big box” stores and restaurants. Large stores (like John’s Friendly Market and ShopRite) are not allowed to use paper bags. Small stores can continue to use paper bags. Residents will need to bring reusable bags to most shopping locations. Smaller bags used for lunch meat, cheese, vegetables, rolls, etc. will still be used.

New Jersey residents will be needing millions of reusable plastic bags starting May 4. It is suggested that residents plan for this change by obtaining reusable bags as soon as possible.

The State of New Jersey has prepared a list of rules, which can be found on the Borough website on the Environmental Commission tab.

Haddon Heights Soccer Club

The Haddon Heights Soccer Club is completing its Spring 2022 Season. Registration for our Fall Recreation Programs will open in Mid June. Keep an eye on our Web Page (haddonheightssoccer.net) for details. The mission of the Soccer Club is to be a Player Development Club. We want our players to improve as they are having fun with the sport. With that in mind, here are a few things of note that the Club has done in regards to Player Development:

- Contract with a local training company called Diamond Soccer. By bringing in trainers, our players are able to learn from coaches who have played at a high level, and it allows for our coaches to learn from someone different.
- The purchase of a VEO video camera. This allows for the recording of games, allowing coaches to watch game film, reinforcing with players things they have done well, and areas of improvement.
- Technology in our Club House. The Soccer Club has invested in a TV and WIFI for our Clubhouse, again giving coaches different ways to interact with their players during a season.
- Execution of a Goal Scorer's Clinic - The toughest skill to learn in soccer is how to score goals. In the Spring, the Soccer Club conducted a free clinic 100% focused on the art of scoring goals.
- Standardized on 4 v 4 games with our Rec program. Studies have proven that the best way to learn the game is via small sided 4 v 4 games. As such, the soccer club has standardized on 4 v 4 as our format for Recreation games.

We believe that our commitment to player development sets us apart from comparable Soccer Clubs. If you have questions on anything related to the Soccer Club, please send an email to hpsc08035@gmail.com.

We provide a safe place for students (6th-12th grades) to hang out, have fun & learn about how to have a real relationship with Jesus. Easter Services

Easter is a season for remembrance, reflection and rejoicing. We ponder the sacrifice of Jesus on the cross, we praise God for the miracle of the resurrection and we prepare our hearts for His promised return.

This Easter Sunday, April 17th, Haddon Heights Baptist Church is also rejoicing that the dark days of the pandemic are behind and we may once again safely gather to celebrate Resurrection Sunday in full choral voice and instrument. All are invited to the church's Main Auditorium at 11 am to hear the Adult Choir and Orchestra present the cantata "Is He Worthy?" Hear the choir and musicians blend traditional hymns with classic songs in the retelling of the crucifixion and resurrection of Christ, proclaiming that Jesus is worthy of all blessing, honor and glory.

A breakfast event precedes the cantata at 9:30 am, to which all are welcome.

Special services are also scheduled for Palm Sunday, April 10th at 11 am and Good Friday, April 15th at 7 pm.

Young Life Capernaum

HHBC, in partnership with Young Life, has begun a ministry to serve the special needs community in the area. Young Life Capernaum focuses on adolescents with disabilities aged 14-22. In the Bible, Capernaum is where friends of a disabled man overcame great obstacles to bring their friend to be ministered to by Jesus. Likewise, Young Life Capernaum believes that

developmental limitations shouldn't keep adolescents from the presence of the One who promises fullness of life. They invite all friends who need extra assistance to participate fully in activities that build self-esteem, challenge limits and identify their gifts, passions and abilities in order to be used for God's glory.

Meetings are the second Monday of each month from 6:30-8:30 pm at Haddon Heights Baptist Church. The next meetings are April 11th and May 9th. Friends will enjoy a meal, a short message with reinforcing activities and a game time. For more information, email kspilker8612@gmail.com or call the church office at (856) 547-3579.

Worship Services:

We were excited to return to our more minimal COVID protocols after the surge of Omicron COVID cases was on the decline. This means we are still worshipping in-person, asking attendees to self-distance as needed, and requiring KN95 masks for everyone over 2 years old (these masks are provided for anyone who needs one as they enter our

sanctuary). We have also welcomed back our Chancel and Bell Choirs to perform during worship, opened our nursery to children 2 and under, and have started meeting again with our children for Sunday School. We hope you will join us for worship, either in-person or on Facebook, and invite you to join us in our parlor after worship each week for a time of fellowship and to meet Pastor Eliza and many of our members and friends.

We encourage you to contact our office or visit our website to learn more about our church and our mission, as well as any additional guidelines or precautions that we may have implemented since this publishing.

Awana

The Awana Kids Club now meets on Sunday evenings from 6:00-7:30 pm. For decades, Awana has met on Wednesday evenings. This big change of day and time has been made to better accommodate families who have found it challenging to ferry clubbers to and from club at the end of a busy work/school day and get them in bed at a reasonable hour. Hopes are that the lighter weekend schedule and earlier start/finish will relieve family stress and lead to a more positive club and family experience.

So far, clubbers and parents seem pleased with the changes. Clubbers and leaders alike greatly missed club meetings and were thrilled about the reopening last Fall.

In April, clubbers have fun with pool noodles, Easter eggs and bananas. In May, clubbers see how they measure up on Ruler Night.

meets during worship following the children's message. There are two classes (PreK - 3rd grade, and 4th grade - 8th grade) that are held in our two biggest classrooms in the building, or outside as weather permits. Masks and distancing are required for everyone attending, and the lessons are posted to our First Presby Pals Facebook page for those who are unable to attend in-person.

We're grateful to be able to hold Confirmation classes again after a 2-year hiatus for our teens who wish to take a deeper step in

their faith and move toward church membership. Our Confirmation classes are held on Sunday afternoons from 4:00-5:00PM in our church youth room. Our teens are scheduled

Community Outreach:

Our active Missions Committee continues to collect food and monetary donations for Your Food Shelf in East Camden to help support their mission of feeding those in need. There is a large bin near the office entrance of our church on Green Street where you can drop off any non-perishable items to donate to our weekly distribution to Your Food Shelf.

In January, we collected over 650 cans of soup for the annual "Souper Bowl of Caring"

to help feed those in need. In February, we collected care package items and groceries for the Military Support Group of NJ, which sends hundreds of care packages each year to deployed service men and women and provides groceries for military families in NJ. In March, we gathered and prepared "Easter Baskets for Adults" - for distribution by Logan Memorial's food pantry during the weeks leading up to Easter.

Our Friendship Circle and Mission Committee are sponsoring a collection during April to fill hygiene kits which will be sent to Presbyterian Disaster Assistance (PDA). They are collecting individual items from the list below, or complete "kits" (ALL the items listed below) placed in one gallon plastic bags. If you'd like to contribute, you can place your donations in the bin on Green Street during the month of April.

Items for Hygiene Kits (new items only, please):

- (1) hand towel (approximately 16" x 28", no fingertip or bath towels)
- (1) washcloth
- (1) wide-tooth comb (remove from package)
- (1) nail clippers
- (1) bar of soap (bath size in wrapper)
- (1) toothbrush (in original packaging)
- (10) Band-Aids® or other adhesive bandage strips

For more information on any of these events please contact our church office at 856-547-6139 or info.fpchh@gmail.com.

There is ample street parking for all of your guests.

If interested in renting one of your hometown's facilities, you can find all the information and pricing on the borough's website at www.haddonhts.com. Just select rentals from the list on the left and select either the Community Center or Cabin for their specific rental information. Both pages offer a slide-show of photos taken of the facilities (some items pictured were rented from an outside source and brought in by the renter.) You will also find a link to a PDF version of our required rental agreement paperwork.

The spaces are rented on a first come, first serve basis. If you are interested in a specific date we recommend calling the office at 856-547-7164 ex. 33 to see if the date and time you would like are available. We can put a tentative hold on the date for one week, while you fill out the paperwork and send it/drop it off to our office along with the required security deposit check. After one week the date will be released.

If you have questions or would like to check on the availability of a date/time, please contact Julie Yuhaze at 856-547-7164 ext. 36 or email at jyuhaze@haddonhts.com.

The Community Center is located at 321 Seventh Ave. It offers a spacious main room with french doors leading to a fenced in yard. It is equipped with a full kitchen & sound system. Round tables & padded

chairs are supplied and set up for you by the borough for each event. The Community Center accommodates up to 100 guests.

The Cabin is located at 600 Lippincott Lane. The Cabin offers a charming space which includes a gas fireplace, a small warming kitchen area with a full size refrigerator and audio visual equipment. Tables and chairs are supplied and set up for every event. The Cabin accommodates up to 40 guests.

Haddon Heights Good Neighbors

Finally, the warmth of April and spring has arrived bringing a breath of fresh air. We love the blossoms on our trees and flowers in our garden. We love the longer, warmer days to take daily walks around our fabulous town.

What we may not be aware of, however, is what might be happening within the homes of some of our neighbors. Instead of taking the time to enjoy the beauty of our neighborhood or taking long walks to appreciate this beauty, some of our neighbors are still burdened from the effects of the winter. The cold temperatures may have put a strain on their utility bills. Or, possibly, the strains of COVID, whether the loss of a job or illness, have prevented them from paying rent. Fortunately, the Haddon Heights Good Neighbors (HHGN) organization is able to brighten up their days and put a new "spring" in their step.

HHGN was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

One way of helping HHGN to accomplish its goal is to join the organization which typically meets 1st Wednesday of January, May, September, and November. The remainder of the 2022 meetings are May 4, September 7, and November 10 (the 2nd Wednesday of the month). These meetings are held in Borough Hall at 7:00 PM. New members are always welcome.

Another way is to make a donation which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. We are a registered 501(c)3 charity and every donation is tax deductible. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small, and no act of kindness is too inconsequential! There are several ways you can make a donation. You can use the United Way (Haddon Heights Good Neighbors, Inc. (#05625) is registered in the Donor Choice Programs of several United Way Agencies: Bergen County, Camden County, Gloucester County, the State of Delaware, and Southeastern Pennsylvania, Tri-State and Greater Lehigh Valley.) If your United Way does not list us as an option, simply write in the following words on your donor form: Haddon Heights Good Neighbors, 625 Station Avenue, Haddon Heights, NJ 08035). You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html>. You can also use Venmo (Good Neighbors HH@Haddonheightsgoodneighbors). Or, if you wish to make a donation by check, please make the check out to HHGN, and mail it to:

625 Station Avenue, Haddon Heights, NJ 08035 ~ 856-546-6677 ~ www.hhgoodneighbors.org ~ Like us on Facebook!
HHGN is NOT to be confused with the Haddon Heights Neighbors (Night Out) organization whose mission is different than ours although BOTH benefit our town.

Another way to help HHGN financially is through the AmazonSmile program. If you are not familiar with AmazonSmile, it's a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

Kings Run Community

Kings Run Condominiums has done well during the Covid epidemic and not lost one of its residents to the virus. One of its two-bedroom units sold this past month, the first sale in two and a half years. The owner is moving back to her hometown of Collingswood!

Kings Run is an independently owned condominium association for independent people; it's not assisted-living nor connected with Stanfill Towers. There isn't much turnover at Kings Run but if you are interested in downsizing and staying in Haddon Heights, Kings Run is a grand option. Kings Run was built in 2008 but because of the recession, not fully occupied until 2016. It is an over 55 community which is totally handicapped accessible; however, 25% of the apartments, or 16 units, can be sold to people under 55 without children under 18.

First impression of Kings Run is its grand lobby. There's an exercise room and three community rooms, one of which can be reserved for residents' private parties. There are one- and two-bedroom apartments and six end units with expanded bays. One community room is the setting for darts, pool, a book club, mahjong, puzzles, men's cards, etc. There is also a gardening group and, as you read this, several residents are on a Viking Cruise in Europe!

If you've never been inside Kings Run and are interested in seeing the community rooms sometime, please call Rose Fitzgerald at 547-3950. If interested in buying, contact a local realtor to be put on the Waiting List.

Summer Rec - Teen Counselor Opportunity

The Haddon Heights Summer Recreation Program seeks teen counselors for the 2022 season. Counselors work with Adult Directors to supervise and interact with boys and girls from 5 – 12 years of age. Counselors take part in all program activities - active play, outdoor games, crafts, science demos, nature walks etc. Counselors should be 16 years of age and have completed at least sophomore year of high school as of June 2022. The Summer Rec workschedule is Tuesdays, Wednesdays and Thursdays from 8 am until noon. The program starts on Tuesday, June 28 and runs through Friday July 29. We ask our Counselors to be available for all 16 days of the program (15 days of the program plus one inventory day). Counselor pay would be the current NJ minimum wage. As a Borough sponsored Program, preference will be given to Haddon Heights residents but we encourage to apply. To be eligible for an interview all of the required information (hard copy) must be delivered or mailed to Haddon Heights Borough Hall, 625 Station Ave. Haddon Heights, NJ 08035 Attention: Summer Rec before the deadline.

Applications must be received on or before Monday, April 11th by 4 pm.

There is no "application form"; your resume and all required documents are your application. Because this is a position of responsibility, only applicants with a complete application will be considered for an employment interview. We will acknowledge all applications by May 1st and schedule interviews later that

month. Training sessions for those hired will take place in June. All applicants will need to have a background check completed through the Haddon Heights Police Department prior to the start of the Program.

- Resume must include name, complete home address, home phone, or if no land line, a parent/guardian cell number, applicant's cell phone, applicant's email address, complete date of birth (month, date and year), name of your High School and current Grade in school. Resume should also include school related and outside activities, any previous work or volunteer experience and hobbies, special interests, certifications or training
