2022 Is Off To A Great Start!

The Haddon Heights Mayor and Council had a busy start to 2022. The annual Reorganization meeting was held Thursday, January 6th at 7pm. While we were unable to hold meeting person we were still able to have many notable people in attendance. Dignitaries present were Senator Nilsa Cruz-Perez and Assemblyman William Spearman from the 5th Legislative District as well as Camden County Commissioner Jeffrey Nash. A representative from Congressman Donald Norcross' office was also in attendance.

Councilman Christopher Morgan was sworn into office for another three year term and will serve as Council President in 2022. We welcome Councilwoman Kate Russo as she was sworn into office for a three year term. The governing body also filled a vacancy on Council and was pleased that Councilman Scott Schreiber accepted the nomination to fill the one year unexpired term. Reorganization also included Council Directorships, appointments to Borough Committees and Commissions as well as professional services appointments for 2022. Mayor and Council all look forward to an exciting and productive year in 2022.

Summer Rec 2022

We are excited to be bringing back the well-loved Summer Rec Program for this summer!

We have had an over 2,000 youngsters take part in the program throughout the years it has operated. A major component of the ongoing popularity of this Hoff's Park Program has been the consistent leadership but ever changing activities, we are pleased that Executive Director Stacey Denning is also returning to run the program, she has been a part of Summer Rec since the very start.

Get those youngsters up and out first thing in the morning! Our Summer Rec Program is the perfect way for your child to develop confidence, make friends and try new things. Our schedule is Tuesday, Wednesday and Thursday mornings from 8:30 to 11:30 am - perfect to mix and match with other activities. We run for 5 weeks; you can select the weeks that works best with your family schedule. In past years we have sold out each week, so please consider registering early to get your preferred dates. Visiting grandchildren and cousins have also enjoyed our friendly program.

Love Your Library Month

February is "Love Your Library" month and the Haddon Heights Library is always striving to give residents many reasons to love them. Downloadable e-books, museum passes, exciting community events, children events, digital magazines, notary service and high speed internet are just several of the services and products available from the library.

We are proud of all our offerings, but we recognize that the help the residents give us each year through donations help to make them possible. It has been an extremely tough year for everyone, but the support the residents of Haddon Heights have given the library shows us how much you value your library. It pushes us to deliver as many services as possible as we continue to navigate the pandemic.

With February being "Love Your Library" month, we must appeal to you again and ask for as generous a donation as you can afford. Please keep your eyes peeled, as our solicitation letter will be hitting your mailbox in February. Without your support, we could not deliver the services you deserve. For more information about the library or how to donate, please call us at 547-7132 or visit www.haddonheightslibrary.com.

MAYOR'S MESSAGE

Dear Neighbors:

Well, it is hard to believe another year has passed, but I think I speak for everyone when I say it was a great year. We have many things to be thankful for in 2021, which finally saw the return of a bit of normalcy to our borough. Special thanks on that note to Councilwoman Egbert, whose hard work could be seen first hand at the return of our annual 4th of July and Holiday parades which we missed in 2020. I also want to thank everyone in town who served on committees last year. Volunteers are the lifeblood of our great community and make so many of the projects happen. We saw solid work by our Shade Tree Commission, which planted another 80 trees and 100 seedlings in 2021. They have also worked closely with our arborist and DPW to tend to and remove any dying, dangerous, and hazardous trees when necessary. In the future, if you would like a shade tree planted for free in front of your house, don't hesitate to get in touch with shadetree@haddonhts.com. I also want to thank all of our borough employees and the Haddon Heights Police and Fire Departments for their continued hard work and service to our community.

We welcome one new Council-member and welcome back to the chamber two returning councilmen with a new year. I want to congratulate Councilwoman Kate Russo on taking her oath of office. On January 6th, she was sworn in alongside returning Council President Chris Morgan. Councilwoman Russo's engineering expertise shined while working on both planning board and safe routes to school, and I can't wait to see what great things she has in store for us serving on the council. We are also happy to have Councilman Schrieber's services for one more year as he has graciously filled the vacant seat on council after the resignation of Asiyah Kurtz. We will miss Councilwoman Kurtz and thank her for serving our great borough. I wish this team all the best in 2022 and look forward to working with all of them.

I am excited for 2022 as we have a lot of great work in store for the residents. The first phase of our strategic road plan begins, where we will be spending around \$1.2 million on paving this year. Construction bids will go out in early spring, with the work to start later in

the year. Our Engineering Committee of Council President Morgan, Councilman Schrieber, and Councilwoman Russo are hard at work marrying a comprehensive sewer and road replacement plan together so we can finally begin to bring smooth streets to our community. In addition, we have our redevelopment study ready to be reviewed by our planning board and are excited to continue working on creatively growing our Haddon Heights business community while still maintaining our historic charm. If you have any questions regarding redevelopment, I encourage you to reach out to Councilwoman Regina Philipps, rphilipps@haddonhts.com, or myself, mayor@haddonhts.com, and we will be happy to meet with you and talk about the projects. We are also extremely excited to start a new holiday tradition with our first annual Halloween parade. There is no guarantee we can get this parade off the ground without the help of volunteers early on. So I encourage those wishing to help to reach out to Councilwoman Egbert, tegbert@haddonhts.com, sooner than later so the planning can begin. And finally,

Councilman Ottoson is trying to finalize the installation of bike racks to our downtown but still needs support from our community. As soon as possible, those wishing to sponsor a bike rack should reach out to Councilman Ottoson at tottoson@haddonhts.com. You can find the bike rack design and sponsorship forms on our borough's website.

Finally, as always, I encourage you to follow me on social media @mayorhouck (Twitter & Instagram), Mayor Zachary Houck (Facebook) for the latest updates on what's happening here in Heights, and reach out to me with any concerns or ideas.

Mayor Zachary Houck

Residents may have noticed that the sidewalk at the corner of 1st Avenue and Highland Avenue was installed recently. Council's bike rack project is underway thanks to Councilman Tom Ottoson's hard work! We still have a couple of Bike Rack Sponsorships available, if you are interested information can be found on the Borough's website. Final arrangements are being made for installation in the business district on and along Station Avenue. Furthermore, new street lighting is expected for 2022 on Station and Atlantic Avenues. We have an ambitious agenda for the year and we are hoping to get an early start that will allow for additional improvements and upgrades to be made throughout the town.

Council would also like to Congratulate Patrolman Daniel Hunt for being selected as HHPD Officer of the Year for 2021. Also, Congratulations to Patrolman Matthew McKeown for being selected as HHPD Officer of the Quarter, October-December 2021. Officer McKeown recently received a well-deserved commendation for his investigative efforts that led to the identification and arrest of a suspect who was stealing packages, bicycles and scooters from the homes of our residents as well as residents in neighboring towns during the holiday season. We appreciate the hard work and dedication of these officers and the entire HHPD in helping to keep our community the best place to live.

Council is excited to bring back the popular Summer Rec Program for 2022! Details on the program and registration can be found on Page 7! We will also be looking to hire Teen Counselors, please see the hiring information on Page 12. All Summer Rec Program Information can also be found on the Borough Website at <https://haddonhts.com/community/youth-programs>.

Lastly, in 2021 eighty trees were planted by our DPW & sponsored by Shade Tree Commission. If anyone would like a tree at their curb line this year, please contact the Shade Tree Commission at ShadeTree@HaddonHts.com. The spring & fall plantings are being planned now.

Zoning Department

As winter arrives, just a reminder that Borough Code 400-8 states that residents are required to have snow removed from their sidewalks within 12 hours of daylight following a snowfall. Failure to comply can result in injuries to pedestrians from falls or traffic accidents as they may be forced to walk in the street. A snow covered sidewalk creates a particular hardship for seniors and school children. It is also a violation to throw snow into the street.

Your cooperation is appreciated.

- Whenever there is a “Snow Emergency” declared by the Borough or a State of Emergency declared regardless of the time of day we will strictly enforce no parking regulations.
- There are several reasons for this strict enforcement, they are: 1) to reduce motor vehicle accidents 2) to keep the road clear for emergency vehicles and key personnel, 3) to keep the roads open for snow plows, allowing them to do a better job clearing the road in a timely manner

What's New at the Station

Things are getting back to normal, at least for October. We were open with trains running for the Fall Festival. The delayed 130th Station Birthday was celebrated on October 30. This was a joint celebration with the West Jersey

Chapter-National Railway Historical Society. The day started with a cake cutting followed by a presentation by the Chapter on Railroad Structures in South Jersey at the library. We had a chance to catch up with folks at both events. There was no January show as the municipal building is closed. We are planning on a May 7, 2022 Down by the Station Day; watch for updates as we get closer. Work continues on the layout. We will post progress on Facebook. Visitors are welcome Wednesday nights and at weekend work sessions.

Many of you will have noticed the tree and telephone pole removal at the station. The tree roots had damaged both the foundation and concrete walkway. We coordinated the tree removal with the Shade Tree Commission and contractor for Conrail. The old and dangerously deteriorated pole was then removed by the railroad. We will be working with our masonry contractor during the year to replace the damage.

Summer Rec Program

Save the Dates for Summer Rec 2022

Start planning your summer fun now!

Summer Rec is a great combination of “old school” fun and new skills. Activities are designed for youngsters who are 5 years old (as of June 1, 2022) through 12 years old. We have enough variety that each week brings something different. We will also be adding some team building activities and camper mentoring to help build social skills that may have been lost during the pandemic. We operate rain or shine using the air conditioned Cabin at Hoff’s Playground and the Community Center off Seventh Avenue. Our primarily outdoor, rotating schedule includes some free choice options plus indoor snack time and craft sessions a different sport is featured each week. For your peace of mind we use school - like check-in and checkout procedures and every activity is well staffed. Please see the Registration Form for exact dates, fees and payment schedule.

We are also taking all precautions possible in light of the on-going pandemic and we will be following all CDC guidelines and protocols. If you have any questions about these protocols, please contact the office for more information. You will also be able to find general information about the program and the registration form on the borough website under the programs page. By utilizing good communication from parents, we have accommodated a wide range of children throughout the years. If you have any questions to determine if you think this program is a good fit for your child or grandchild, please contact the Borough Hall at (856) 547-7164 ex 36 or email jyuhaze@haddonhts.com.

Haddon Heights Good Neighbors

We often give a lot of time to plan our New Year's Resolutions, and we often forget about them quickly. Now that February and March of 2021 have made us turn to new pages on our calendar, it is never too late to formulate a new resolution to help make 2021 a great year. We have an easy way for you to make this a fabulous year for yourself and others!

Here in Haddon Heights, we have an organization known as Haddon Heights Good Neighbors. Formed in 1979, HHGN provides short-term financial assistance of material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

What better resolution can one make than to help others in our very own town? This can easily be accomplished. One way is to join the HHGN which typically meets the 1st Wednesday of January, May, September, and November. For 2022, the meetings are May 4, September 7, and November 10 (*the 2nd Wednesday*). The other meetings will be held in the Cabin (600 W. Lippincott Lane) at 7:00 PM.

Another way is to make a donation to the organization which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

We want to thank all of you who made generous contributions to the Haddon Heights Good Neighbors Organization during our October 2021 fund raiser. We would also like to thank the Sons of Italy Committee for its generous donation during the holidays as well as John's Market for its certificates. Your support has not gone unnoticed. We hope that you can continue to make a resolution to help our organization.

WE DELIVER!

Another way to help HHGN financially is through the AmazonSmile program. If you are not familiar with AmazonSmile, it's a 501(c)3 private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

A Father's Real Estate Legacy
50 Years of Service to Haddon Heights

If you live in the area, you are probably familiar with the name Daniel R. White Realtor. But you may not know that it was founded by Dan's father, Daniel White, Sr. He set the stage to support two generations of Whites in real estate and enabled his son to celebrate the firm's 50th anniversary.

Dan White Sr. was born in 1938 in Pine Hill, New Jersey. At age 17 he joined the Navy and served from 1955-1959 on the FDR Aircraft Carrier. When he finished his duty, he worked the Haddon Heights route as milkman for Green Valley Farms and fell in love with the town. He started his family in Haddon Heights and began his successful real estate career here.

An entrepreneur at heart, Dan Sr. opened "Dan's Luncheonette" with locations in Haddon Heights and Barrington where it stands today. Just before he obtained his real estate license, he partnered with his friend Bud Brady and opened Dan's Third Spot on Third & Asbury, Ocean City, NJ & Stenton Arms on Stenton Place, Ocean City, NJ.

Merry White came to work for Dan Sr. in the 70s and they were married in 1981. They went through many of real estate's highs and lows together. He became a great mentor to his son who joined the family business in 1989.

Dan White Jr., was born in 1964 and graduated Haddon Heights High School in 1982, and graduated from Trenton State College (College of NJ) in 1986. He worked for Anheuser Busch before joining the family business. Dan Jr., has two children Dan White III and Jessica. He has been a member

of Haddon Heights Rotary, Haddon Heights Business and Professional Association and Heights in Progress (HIP). He is currently serving his second term as a director on the NEXUS Association of Realtors Board.

Having worked with his father for so long Dan Jr., began to think like him. Whenever questions arose, he asked himself, "What would Dad do?" The answer was always, "The right thing, regardless of financial consequences."

Spring 2022 market tip: As interest rates begin to rise, this will be a good time to make a move. List early – inventory is low, and buyers are waiting for houses to hit the market. When you sell early, you have an advantage when purchasing another home.

Historic Preservation Commission

400 White Horse Pike

Jeffrey Jones of Cypress Financial Planning very recently purchased this stately property and intends to occupy it with his financial planning office on the first floor. He plans on repainting the shingles and restoring the wraparound porch floor. This impressive Shingle Colonial Revival house has a New Jersey sandstone foundation, its original wooden Palladian window, classical porch columns and true divided-light diamond pane windows. The house was doubled in size a new of years back but retained its original oriel window on the side façade. Mr. Jones looks forward to greeting clients on the porch. The HPC welcomes Mr. Jones and his business to the White Horse Pike Historic District!

300 East Atlantic - What all happened here?

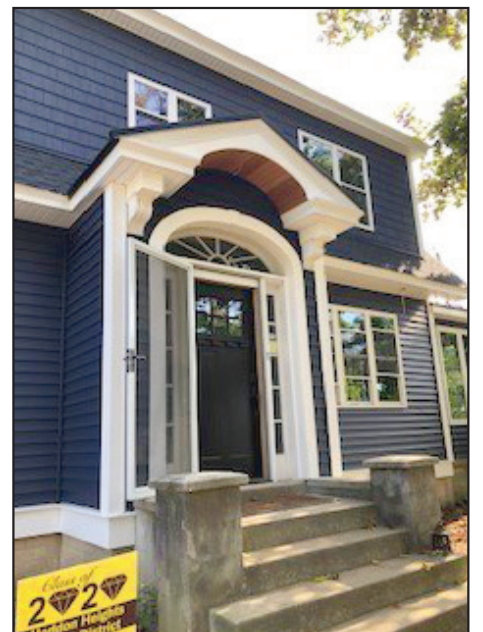

This property is in the White Horse Pike Historic District and very visible where it sits. When the Feeley's came before the HPC in August, 2020, they wanted permission to enclose their side porch and cover the deteriorating concrete block with siding and raise the roof. They had tried repairing the concrete siding over the years, including blasting with walnuts – but they stated it leaks heat in the summer and cold in the winter. Also, there were significant cracks in the house and it is eroding. They also wanted to change the roofline (A-frame with pents) of this

colonial revival. After much testimony, the HPC approved the siding of the house. The concept of the porch enclosure was approved so long as it stayed a porch with multiple windows. HPC did not approve the A-frame roof change. We requested that they retain the front door with its segmented arch and sunburst windows

The Feeley's returned to the HPC in January 2021 with their revised plans which now included a two story addition on the east side of the house. The revised plans kept the A-frame with pents on the main house and used this design in the compatible two story addition.

The historic districts in Haddon Heights have never followed a “frozen in time” model of historic preservation, as any walk down the White Horse Pike, East Atlantic and Fourth Avenue will show. Additions may use compatible modern designs and materials. While we anguished over the loss of our only “cinderblock” house, it was not technically or financially feasible to stucco the house or replace the concrete blocks. We believe the house will continue to contribute to the White Horse Pike Historic District and we appreciate the Feeley's investment in their house.

PROJECT CHILD FIND

Do you have a preschool age child, ages 3 to 5, experiencing developmental difficulties with communication, learning, socialization, or motor skills? If so, your child may be eligible for free services through the school district. The district will evaluate children, when warranted, beginning at age 2 years 9 months old. The district provides special education services for eligible preschoolers.

If you suspect your preschool age child is developing differently or demonstrating problems learning contact Jocqueline Renner, Director of Special Education, at 547-1322, Ext. 2000 for more information. Information is also available on the Special Education, Project CHILD FIND weblink located on the school district's website at hhsd.k12.nj.us.

The Haddon Heights Summer Recreation Program seeks teen counselors for the 2022 season. Counselors work with Adult Directors to supervise and interact with boys and girls from 5 - 12 years old. Counselors take part in all program activities - active play, outdoor games, crafts, science demos, nature walks etc. Counselors should be 16 years of age and have completed at least sophomore year of high school in June 2022. The Summer Rec work schedule is Tuesdays, Wednesdays and Thursdays from 8 am until noon. The program starts on Tuesday, June 28 and runs through Friday July 29. We ask our Counselors to be available for all 16 days of the program (15 days of the program plus one inventory day). Counselor pay would be the current NJ minimum wage. Previous counselors must reapply for their position, but would be eligible for an increase in pay depending on the on number of years employed. As a Borough sponsored activity preference will be given to Haddon Heights residents. To be eligible for an interview all of the required information (hard copy) must be delivered or mailed to Haddon Heights Borough Hall, 625 Station Ave. Haddon Heights, NJ 08035 Attention: Summer Rec before the deadline.

Applications will be accepted starting Tuesday, March 1st and must be received on or before Monday, April 11th, 4 pm.

HH School District New Bike Racks

Recently, Dave Binder, Facilities Director for the Haddon Heights School District, completed the installation of 24 best-in-class bike docks at all three Elementary Schools (Atlantic Ave, Glenview Ave, Seventh Ave) and the Jr/Sr High School.

Each bike dock secures 2 bicycles with high-security metal locking loops, preventing theft. Once mounted on the 3-dock rail system, the footprint is controlled and offset is enforced. The freestanding dock bases are weighted with

approximately 85 lbs. of concrete, and accommodate both large and small wheels, which allows pitching. Black injection molded urethane Smart Guards protect each bike from metal to metal damage and handlebar conflict, more often seen in post-and-ring type bike racks. Intelligent design simplifies locking the bike frames and tires to the racks for experienced as well as novice riders.

The manufacturer is Ground Control Systems, and their bike parking solutions are installed in over 1000 large university campuses and municipalities throughout the U.S. This project was made possible due to matching funding from ShopRite of Lawnside, Zallie's Fresh Market Catering and Sustainable Haddon Heights (SHH). Additionally, since the school district has limited ability to receive shipments, resident Mike Jenkins, owner of Anchor Moving & Storage in Pennsauken, agreed to receive and redeliver multiple pallets of bike dock materials to the schools. TBD

is if additional bike docks will be needed at any of the schools. If residents would like to support a 2nd matching grant initiative of approximately \$7,000, they may designate "bike docks" with their charitable donations to SHH, a 501(c)(3), EIN #45-2811880. Contributions can be mailed to P.O. Box 344, Haddon Heights, NJ 08035.

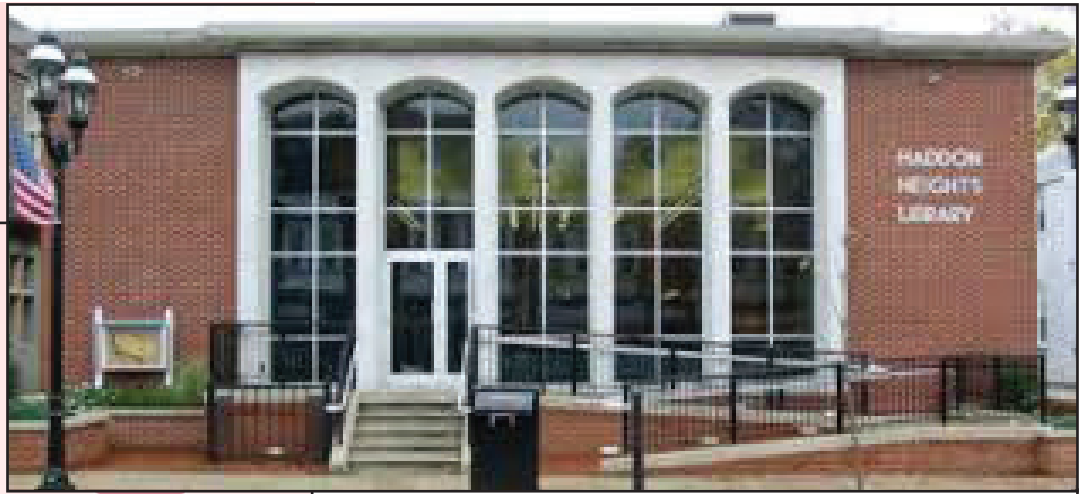

LIBRARY CORNER

LOVE Your Library Month

February is "Love Your Library" month and the Haddon Heights Library is always striving to give residents many reasons to love them. Downloadable e-books, museum passes, exciting community events, children events, digital magazines, notary service and high speed internet are just several of the services and products available from the library.

We are proud of all our offerings, but we recognize that the help the residents give us each year through donations help to make them possible. It has been an extremely tough year for everyone, but the support the residents of Haddon Heights have given the library shows us how much you value your library. It pushes us to deliver as many services as possible as we continue to navigate the pandemic.

With February being "Love Your Library" month, we must appeal to you again and ask for as generous a donation as you can afford. Please keep your eyes peeled, as our solicitation letter will be hitting your mailbox in February. Without your support, we could not deliver the services you deserve. For more information about the library or how to donate, please call us at 547-7132 or visit www.haddonheightslibrary.com.

124th Anniversary Celebration

February is "Anniversary Month" at Haddon Heights Baptist Church and this year the borough's first church, founded in 1898, four years before the borough's incorporation, celebrates its 124th year of existence.

Special events will occur in February highlighting the 124th anniversary, although the ongoing pandemic is limiting activities somewhat. The centerpiece of the month is Anniversary Sunday, with special speakers, musical presentations and a food event. This year, an after-church luncheon on Anniversary Sunday is scheduled focusing on the great faithfulness of God to His Church since He raised it up in 1898.

Members look forward to the landmark 125th' or "Quasiquicentennial" anniversary event to not only celebrate 12 and a half decades of existence, but hopefully the end of the prolonged global pandemic all have endured. And yet, seldom in Haddon Heights Baptist Church history has God's great faithfulness been more apparent than in the last two years.

MOPS

On January 13, 2022, Haddon Heights Baptist Church inaugurated a new local chapter of the organization known as MOPS, or Mothers of Preschoolers. Believing that remarkable things happen when moms come together, HHBC encourages area mothers to meet at the church the second Thursday of each month to share lives and parenting journeys. The next meeting is scheduled for February 10, 2022 between 9:30 am and 11 am.

Mothers may register online at mops.org or call the church office at (856) 547-3579.

Awana

Club activities, paused last year due to the pandemic, resumed on Sunday evening, September 12, 2021, from 6:00-7:30 pm. For decades, Awana has met on Wednesday evenings. This big change of day and time has been made to better accommodate families who have found it challenging to ferry clubbers to and from club at the end of a busy work/school day and get them in bed at a reasonable hour. Hopes are that the lighter weekend schedule and earlier start/finish will relieve family stress and lead to a more positive club and family experience. So far, clubbers and parents seem pleased with the changes. Clubbers and leaders alike have greatly missed club meetings and were thrilled about the reopening last Fall.

In February, clubbers bake and decorate cakes with Bible themes and wear Crazy Hats to club. In March, clubbers will wear their favorite Team Jerseys and have a Frisbee Fling.

Christmas at Haddon Heights Baptist Church

On Sunday, December 19, 2021, the church's Senior Choir and Orchestra presented A Noel Celebration-Sounds and Stories of Christmas. It was the first live choral event in nearly two years due to pandemic cautions and restrictions, and was enthusiastically welcomed by the congregation, who joyously came to "adore Him."

Worship Services:

Our worship services continue to allow for full capacity, in-person attendance. Masks are required for attendance by all over 2 years of age, as we continue to be mindful of the rapid and unpredictable spread of COVID-19 and its variants. Our nursery has opened during our worship services to care for any children who are not old enough to attend Sunday School (infant to age 3).

In December we resumed indoor fellowship gatherings in our parlor after worship on Sundays, and we welcomed our Chancel Choir and our Bell Choir back into our sanctuary to perform during services. Masks, of course, are required during these activities for the safety and protection of all involved. We kicked off the Advent season with our children visiting Santa and Buddy the Elf outdoors for treats and pictures, and our Fellowship committee arranged our annual outdoor tree-lighting event complete with carols and hot chocolate.

This spring we plan to continue worshipping in-person as well as online as long as it is safe to do so. We would love for you to join us either in our sanctuary or online via Facebook for our Lenten services as prepare for and celebrate our Risen Lord.

We continue to live-stream each worship service on our Facebook page for those who prefer to participate from home. We welcome you to join us for worship at any time and encourage you to contact our office or visit our website to learn more about our church and our mission, as well as any additional guidelines or precautions that we may have implemented since this publishing.

Sunday School and Bible Study:

We are happy to announce that our Children's Sunday School started meeting again last fall, following specific

safety guidelines to ensure everyone's health and wellness. The two classes (PreK to 3rd grade, and 4th grade to 8th grade) meet following the children's message during worship and are held outside (weather-permitting) or in our two biggest classrooms in the building. Masks and distancing are required for everyone attending, and the lessons are posted to our First Presby Pals Facebook page for those who are unable to attend.

Our Adult Bible Study continues to meet (Wednesdays at 11:00 AM via Zoom), for those who enjoy the fellowship and lessons from the comfort of their own homes. Each week the study group delves into the scripture passage for the upcoming worship service. Please contact the office for more information about either of these prayer groups and how you can join us.

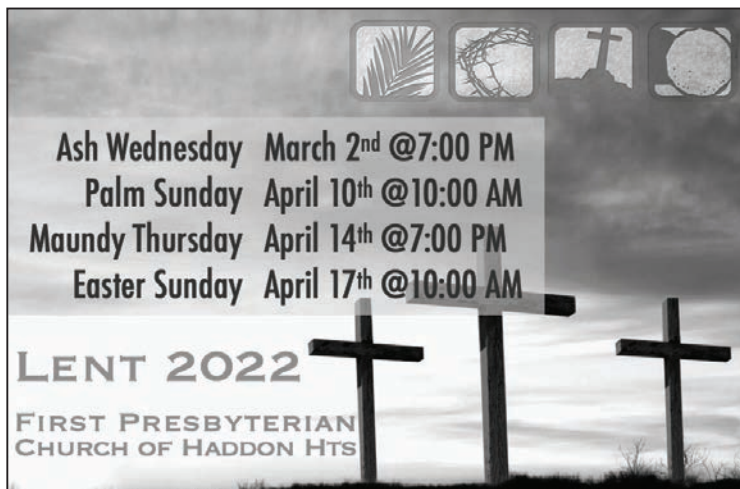

Community Outreach:

Our active Missions Committee continues to collect food and monetary donations for Your Food Shelf in East Camden to help support their mission of feeding those in need. There is a large bin near the office entrance of our church on Green Street where you can drop off any non-perishable items to donate to our weekly distribution to Your Food Shelf.

In December, we collected Christmas gifts for Your Food Shelf to provide for their patrons as well as for Mission Teens, an organization based in NJ with 20 centers across the country that provides housing, guidance, and prayer for those suffering from addiction.

Prayer Groups:

Our Friendship Circle, a women's gathering of the

PCUSA Presbyterian Women, gathers for prayer and to discuss a selected book or topic for each season. They meet in our church parlor every 3rd Tuesday of the month at 9:30 AM. The next meeting will be on February 15th and all are welcome. Our Monday Night Prayer Group has resumed and meets each Monday evening at 7:00 PM in our parlor (or in the pastor's study during the winter months). All are welcome to join either group as they spend time in prayer and fellowship. Please contact the office for more information.

For more information on any of these events please contact our church office at 856-547-6139 or info.fpchh@gmail.com.

Fellowship United Methodist Church

Fellowship UMC is a welcoming and casual church filled with people made in God's image. We are a church that honors Jesus' top 2 commands: Love God, Love people. Matt. 22:36-40 (We love that!) We work hard to be judgement free because "God is the only lawgiver and judge. Who do you think you are, to judge someone else?" James 4:12 (We love that too!) Expect Miracles, Ayn M. Masker, Pastor (she/her/hers)

Sunday Morning Worship

ALL (yes, we really mean ALL) are welcome for Worship @ 10:04am each Sunday. Masks are currently required. Online Worship is available via Facebook Live at <https://www.facebook.com/FellowshipUMCofHaddonHeights>

Teddy Bear Sunday

Between January 16th and February 26th, we will be collecting NEW Teddy bears to be given to children receiving ongoing medical treatment at the Osborn Clinic of Our Lady of Lourdes Hospital.

We invite our friends and neighbors in the area to join us in sending our love, prayers and support to these medically fragile and financially needy children and their families. Each bear brings with it something

tangible to hold onto during difficult procedures or treatments as well as making sure that the families know they are being thought of and prayed for by others who also care about their children and how the families are coping with their medical struggles. The bears are also a visible reminder to staff members that the work they do is remembered and appreciated!

If you would like to donate a bear (and all bears must be new, please, due to the children's varying medical conditions), there are several options for drop off. Fellowship UMC is located on the corner of 7th and Garden. Bears can be bagged and marked "TBS" (Teddy Bear Sunday) and put in the bin marked 'Thrift Shop' at the 7th Ave. end of the building. Our thrift shop staff members will bring them into the church for the collection. Or join us for church at 10:04am on Sunday mornings and bring Teddy with you to join the other bears waiting to meet their special child! If you need to make alternate arrangements, please call Rev. Shellie Pinner at 856-889-2848 and she will help you find another way to help your gift find its way to us!

If you're not able to donate a Teddy Bear, please keep the families we seek to care for in your prayers. Any illness in a family is difficult, but even more so when that family member is a child. We are so grateful for every prayer and remembrance on their behalf!

Gigi's 2nd Hand Heaven Thrift Shop

The shop is open on Friday and Saturday from 9am - 12pm. Come check it out and get some great

bargains. All proceeds help fund missions locally and globally. Donations for the thrift shop may be dropped in the outside bin (to the left) anytime or brought inside on days the shop is open. We are so blessed with such a giving congregation and community!

Food Pantry

Our food pantry is open for walk-ins every Friday and Saturday from 9am - 12pm. Masks are required to enter the building.

Personal appointments will continue as well. Our pantry is available to anyone within Camden County. If you or someone you know needs food, please private message us on our Facebook page: @FellowshipUMCofHaddonHeights or call the church at 856-547-3300. Leave your name, phone number, town you live in, and number of people in your household. Please speak clearly so that a volunteer can return your call to find out what food is needed and arrange a day and time that you can come choose what food and personal items you need. There is never judgement! Only LOVE! Non-perishable food donations may be left in the outside bin (to the right) anytime. Please check out our website for an up-to-date list of needs. Thank you!

Haddon Heights Girl Scouts - Troop 30120

The girls of Troop 30120 have been busy this past holiday season. They made 150 peanut butter and jelly sandwiches for the Unforgotten Haven. WOW! Great job, girls! They also celebrated the holidays at a fun holiday party at the Log Cabin. They are looking forward to Girl Scout cookie season. Stop and say hi if you see them selling on their front lawn!

Haddon Heights Girl Scouts - Troop 30216

Troop 30216 was excited to be able to attend the performance of *The Nutcracker*, which was put on by the Voorhees Theatre Company in December. The Theatre Company did a special behind the scene presentation for the girls and they were able to enjoy watching as the dancers prepared for the show. After the performance they were able to meet the Sugar Plum Fairy for a picture!

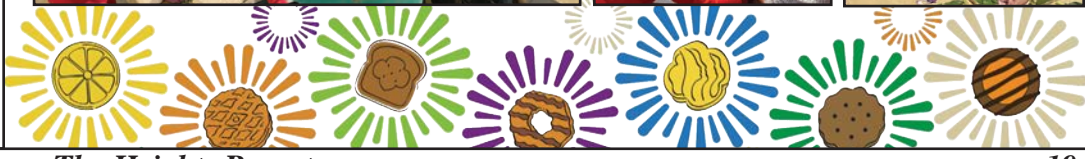

Also with the help of *Forget Me Knot Flowers* in Haddonfield the girls were able to learn about how to repropose wedding flowers into smaller flower arrangements. These are then shared with local hospitals, nursing homes and care facilities.

The girls are also looking forward to Cookie Season! Please be on the look out for the girls out selling cookies in January outside of John's Friendly Market and surrounding local area stores. A portion of all cookie sales goes directly to the troop to help offset the cost of these fun events and learning opportunities.
