New Trash Pick-up routes begin February 6th

To maintain the high level of service here in Haddon Heights, the town will now be broken into three sections for trash collection and two sections for recycling collection. 2023 Reorganization Meeting

Haddon Heights hosted its annual re-organization meeting on Saturday, January 7, 2023. In attendance, was a large group of dignitaries, professionals and the public. Mayor Houck's first order of business was to install the town's two recently elected Council members. Re-elected Councilman Tom Ottoson was sworn in by Councilwoman Trisha Egbert and Matt Pagan was sworn in by Senator Nilsa Cruz-Perez. Councilman Ottoson and Pagan join current council members Chris Morgan, Trisha Egbert, Regina Philipps and Kate Russo.

The newly-formed Council proceeded to work through its agenda. Councilman Chris Morgan was sworn in for a second term as Council President. Department directors were appointed, namely Councilwoman Trisha Egbert to Parks & Recreation; Council

President Chris Morgan to Public Works; Councilwoman Kate Russo to Finance; Councilman Tom Ottoson to Public Safety and Councilwoman Regina Philipps to Administration. The Council appointed Howard C. Long, Esquire of Wade, Long, Wood & Long as borough solicitor, as well as re-appointing Bach Associates as borough engineer.

One of the most important parts of the morning was the swearing-in of dozens of Haddon Heights' residents who will lend their valuable time to support the town's various committees, commissions and groups. Volunteers will assist with the Municipal Drug Alliance, Environmental Commission, Green Team, Planning & Zoning Board, Historical Preservation Commission, Civic Events Committee, and Shade Tree Commission-- just to

name a few of Haddon Heights' important organizations. The Borough Council truly appreciate the community involvement and encourages all residents to get and stay involved.

Love Your Library Month

February is "Love Your Library" month and the Haddon Heights Library is always striving to give residents many reasons to love them. Downloadable e-books, museum passes, community events, children's events, digital magazines, notary service and high speed internet are just several of the services and products available from your library.

We are proud of all our offerings, but we recognize that the help the residents give us each year through donations make them possible. Your continued support shows us how much you value your library. It pushes us to deliver as many services as possible as we emerge from the pandemic.

With February being "Love Your Library" month, we must appeal to you again and ask for as generous a donation as you can afford. Please keep your eyes peeled as our solicitation letter will be hitting your mailbox in February. Without your support, we could not deliver the services you deserve. For more information about the library or how to donate, please call us at 547-7132 or visit www.haddonheightslibrary.com.

2023 Summer Rec Program

Registration for the 2023 Summer Rec Program will start February 1st! We are already getting ready for another great year of our Summer Rec Program! This much beloved program has been running since 2009 (with a brief hiatus due to Covid). A major component of the ongoing popularity of this Hoff's Park Program has been the combination of consistent leadership and ever changing activities under the direction of Executive Director Stacey Boegly Denning. We already have innovative and active plans to integrate into this year's schedule!

MAYOR'S MESSAGE

Dear Neighbors:

As your mayor, I am happy to ring in another New Year here in Haddon Heights. We had an incredible year in 2022 and closed out the year strong with Borough Council approving a capital bond for sod replacement at the Devon Avenue Sports Complex and completing some of the first legs in our Haddon Heights Strategic Roads Plan. I want to give special thanks and highlight a few of my peers on Council for all their hard work and dedication this last year. Councilwoman Egbert once again did a phenomenal job between the Parades, the Devon Avenue sod project, and the Pickle Ball court striping at the tennis courts. She never rests. Councilman Ottoson planted countless shade trees and oversaw the replacement of our downtown street lamps to brighter LED lighting as well as installing long overdue bike racks throughout town. Councilwoman Phillips had an outstanding year working hard to attract future developers to our downtown. She also negotiated a first-of-its-kind, two decades plus in the making, Shared Service Agreement between the Haddon Heights Fire Department and Barrington Fire Company. We are excited about this agreement and hope it will be the model for others in our region.

Councilwoman Russo, who chairs our engineering committee, has seen the completion of 11th Avenue and Devon Avenue paving, which is just the beginning of several road projects here in Heights.

She has also overseen the pedestrian improvements coming to Station Avenue and works closely with Camden County on repaving our County Roads. Finally, with the help of Bach Engineers, Councilwoman Russo also brought the Borough a \$1.2 million award under the Safe Routes to School grant program. Council President Morgan's leadership on Council over the last year has been something I have greatly appreciated more than anyone. He has been an incredible asset to work with and helped steer many of these projects through their various phases. He has worked alongside his peers and me on Council to create this incredible vision for Haddon Heights. And finally, I am sad to see a close ally, mentor and friend depart Council after finishing an unexpired term last year. Councilman Schreiber has taught me much over my last three years on Council and has helped me grow professionally and personally. In addition, his expertise in infrastructure and especially government services was the key to the Borough moving forward with improvements on the Lake Street Pump Station, our road projects and so much more. Thank you, Scott, for your five years of service to Haddon Heights and for your guidance to everyone on the Council.

With that all said, I am excited to welcome Councilman Matt Pagan to Council. Matt is bringing a lot of energy and ideas to our team, and we are excited about what is in

store for 2023. So what does 2023 look like? Well, it is another busy year. This spring, once the weather breaks, we hope to see the continued paving of Maple, First and Station, N. Park and 13th Avenues, and more. In addition, Councilman Ottoson will be hitting the ground near sprinting when it comes to site remediation for the land behind the Devon Avenue sports complex in the area of the tennis courts. We hear everyone request more access to better quality fields and green space and are happy to push the project forward. Councilwoman Philipps and I are continuing to work on revitalizing our downtown and business districts. We have already brought several developers under Memorandum of Understanding agreements to begin negotiating the renovations and redevelopment of some long-standing vacant properties. We are excited to see where these projects take us and the future they hold with Haddon Heights. These are just a few of the projects we have planned and we welcome any additional ideas from you, our neighbors.

One change coming very soon is our new recycling and trash schedules. The restructuring of our trash and recycling days prevents the Borough from seeing extraneous cost increases and ensures a truck is always in town for the occasionally missed street. I hope everyone has had a chance to see the new maps located on the website at www.haddonhts.com. Each

home will receive a letter detailing your specific days of collection. Should you have any questions, please feel free to stop into borough hall or call the office at 856-547-7164, ext. 36. Our staff is always ready to help answer your questions and guide you through the new routes.

Finally, spring registrations are starting to open despite it still feeling like winter. I encourage everyone to take a peek through this issue and watch social media for spring sign-ups. The town offers softball, baseball, soccer, lacrosse, and more. If sports aren't your thing, we've got a new artist academy downtown that I have been hearing some great things about. This is also a perfect time to encourage anyone interested to reach out and volunteer with any of our civic and athletic groups here in Haddon Heights. As a small town community, we rely heavily on volunteers. Please consider signing up to help.

If you need anything, please contact me via email at mayor@haddonhts.com or on social media.

Crossing Guards Needed:

The Haddon Heights Police Department is in need of Crossing Guards. If you're in good health, enjoy being out doors and spending time helping children you may be qualified. Interested applicants should apply at the: Haddon Heights Police Department, 625 Station Avenue, Haddon Heights, NJ 08035. Please call 856-547-0614 ext. 10 if you have any questions.

Registration is Required for all Dogs & Cats

It is the law and mandatory that dog and cat owners have their pets licensed. Licenses are good for one calendar year and must be renewed annually. License tags must be displayed on animals at all times. Benefits of having your animal licensed and vaccinated include making it easier for your pet to be identified and returned to you should they get out. Even indoor cats have been known to escape at times, without a license whoever finds your pet will have a harder time identifying them and they may not be returned to you. If they did escape they would be protected from Rabies should they be bitten by a wild animal living outside. If we get all of our animals vaccinated against rabies, then no parent will have to be afraid that one of their children may be bitten by a rabid cat or dog.

Animal License Renewal Letters have been mailed out for 2023 renewals. If you did not receive your letter or need a new one, please visit www.haddonhts.com, under Forms & Permits or you can contact the Borough Administration Office. In order to get your animal licensed for the 2023 calendar year the office staff will need to see your pet's proof of current rabies vaccination. **The vaccination will need to be good through November 2023 for a license to be issued.** The cost for a spayed/neutered cat or dog is \$9.00. The cost for a non-spayed/non-neutered cat or dog is \$12.00.

License Fees support the efforts of many local animal shelters. Typically, the annual fee that you pay to license your pet helps to keep shelters running and support the work of your local animal control. Pet owners should also be aware that the State of New Jersey recently passed State Statues pertaining to Animal Cruelty. The information can be found at the New Jersey Department of Health website (www.state.nj.us/health) for the State Statues listed below.

- 4:22-17 Cruelty; certain acts, crime; degrees
- 4:22-26 Penalties for various acts constituting cruelty
- Guide to Prevention of Animal Cruelty Laws 2018

The Public Works Committee

The Public Works Committee would like to make sure that all residents are aware that the trash and recycling schedule will be changing effective February 1st. We had to negotiate a new contract for trash and recycling collection this year. In the current economic climate and with knowledge of service increases in our neighboring towns, we opted to provide some flexibility with regard to schedule, in order to maintain a similar service while managing costs.

Trash will be collected as usual on Monday January 30th. The new recycling schedule will begin on Thursday February 2nd with ½ the town being collected Thursday and the other ½ on Friday. A mailing will be distributed to all residents about the changes. In addition, detailed information and maps are available on the borough website. While we considered many options this course of action was the most financially and logistically feasible.

Overnight Parking:

- Parking is prohibited on Borough streets from midnight to 5:00 am.
- Parking Permit applications and renewal applications are available at the Borough Offices. 2023 permits must be displayed by 1/1/2023.
- 2023 Parking Renewals have been mailed out. If you have not received yours please contact the Borough Hall at 856-547-0614.
- **Overnight Parking Permission Request is an online form found on the Borough's Website** (Bottom Left - Green Button)

A REMINDER TO:

Parking During Snow Emergencies

The Police Department would like to remind residents about NO PARKING regulations during snowstorms:

- When it is snowing between the hours of midnight and 5:00 am ALL motorists are not allowed to park their vehicles on Borough streets.
- Whenever there is a “Snow Emergency” declared by the Borough or a State of Emergency declared regardless of the time of day we will strictly enforce no parking regulations.
- There are several reasons for this strict enforcement, they are: 1) to reduce motor vehicle accidents 2) to keep the road clear for emergency vehicles and key personnel, 3) to keep the roads open for snow plows, allowing them to do a better job clearing the road in a timely manner

Have an Old or Damaged American Flag?

VFW Post 1958 at 615 E Atlantic Avenue has a flag collection box located in front of the building. They will collect old flags and have them disposed of properly. They ask that only the flags be deposited in the box, no staffs or any other attachments.

Council Corner

Effective January 1, 2023, for the first time ever, the municipal fire departments of Haddon Heights and Barrington have entered into a shared service agreement and will operate as one department to provide better service to our residents. The merger provides for full time professional staffing from 6:00 AM until 4:00 PM Monday through Friday. Volunteers take over in the off hours and, for those interested, the department is always looking for new volunteers. The combination of services is expected to improve efficiency and reduce costs over time. Residents can expect to see faster response times and more personnel on emergency scenes. Local events such as parades, escorting Santa during the holidays, and fire preventions will still be conducted in both towns. Thank you to both Fire Departments for working with one another to effectively merge these services.

Environmental Commission is researching the installation of vehicle charging stations in our downtown. Several federal and state programs have been introduced to assist in the expense. We are hopeful to have chargers installed in 2023. Council has approved the planning for needed Environmental Studies of the Devon Avenue landfill for future grant for remediation. The expected use of the land, once remediation is completed, will be for athletic field space. Further, a new irrigation well is to be installed at the soccer fields by early summer to reduce water costs and is fully funded by grant monies.

Improvements are coming to Devon Avenue Fields! As part of a Tri-Party Agreement between Haddon Heights Mayor and Council, the Haddon Heights Board of Education, and the Haddon Heights Soccer Club, improvements are coming to the varsity and junior varsity soccer fields at Devon Avenue. Improvements will consist of remedial grading to eliminate low spots and improve drainage and the complete sodding of these two fields. The members of the Tri-Party Agreement are working towards having these improvements installed as soon as possible with the intention that the new sod will be ready for play in the Spring of 2023!

New pickleball lines at Devon Avenue! The Borough has completed pickleball striping on

two of the existing tennis courts at Devon Avenue. The new red pickleball strips have been added to the two tennis courts closest to the basketball court. In addition to the new overlay stripping, two new net anchors (one at each end of exiting net) have been provided at each of the pickleball courts to allow the nets to be set level for pickleball play.

Improvements coming to Hoff's Park! The Borough was successful in receiving a \$75,000 grant from the New Jersey Department of Community Affairs Local Recreation Improvement Grant program for the installation of a new all-weather 8 person linear exercise station at Hoff's Park. This exercise station will allow for dips, assisted squats/stretching, pull-ups, leg/knee raises, pushups, and incline leg raises. The Borough is working to have the new exercise station ready for use in the Spring of 2023.

Shade Tree Commission will be active once again this spring. We are planning smaller trees to increase their viability and the number planted will be reduced. Moving forward, specific areas will be selected for planting and residents will be notified. Please help us by watering the trees in hot summer weather. If you would like a tree, please email shadetree@haddonhts.com and provide your contact details. Small trees will also be distributed at the Farmers Market in April, date to be provided when the trees are ordered.

Construction is expected to continue on several projects throughout the borough this spring. A portion of 11th Street (Glover to Green) will continue construction and should be completed in early spring. Construction on a portion of Maple Ave, Bradshaw Street (Crest to Gladstone) & 1st Avenue (Highland to High) will then commence. Construction was delayed this fall due to the wet weather, but we are excited for this reconstruction to continue.

Phase III of the Devon Avenue project funded by NJDOT Municipal Aid is expected to continue this spring as well. Please visit the borough website for additional information. We look forward to these projects being constructed and additional projects progressing from design to construction in the coming months.

Save the Dates for Summer Rec 2023

CONTINUED FROM PAGE 1

Our Summer Rec Program is the perfect way for your child to develop confidence, make friends and try new things. Our schedule is Tuesday, Wednesday and Thursday mornings from 8:30 to 11:30 am - perfect to mix and match with other activities. We run for 5 weeks; you can select the weeks that work best with your family's schedule. In past years we have sold out each week, so please consider registering early to get your preferred dates. Visiting grandchildren and cousins have also enjoyed our friendly program.

Summer Rec is a great combination of "old school" fun and new skills. Activities are designed for youngsters who are going into Kindergarten (must be 5 years old as of June 1, 2023) through older children entering 6th grade. We have enough variety that each week brings something different. We operate rain or shine using the air conditioned Cabin at Hoff's Playground and

the Community Center off Seventh Avenue.

Our primarily outdoor, rotating schedule includes some free choice options plus indoor snack time and craft sessions as well as a variety of sports activities. For your peace of mind we use very secure check-in and checkout procedures and every activity is well staffed.

Please see the Registration Form for exact dates, fees and payment schedule. You will also find all the program information at the Borough Website (www.HaddonHts.com) on the Home and Programs pages. Online Registration will not open until Wednesday, February 1st.

By utilizing good communication from parents, we have accommodated a wide range of children throughout the years. If you have any questions to determine if this program is a good fit for your child or grandchild, please contact Borough Hall at (856) 547-7164 ex 36 or email jyuhaze@haddonhts.com.

Haddon Heights Good Neighbors

We often give a lot of time to plan our New Year's Resolutions, and we often forget about them quickly. Now that February and March of 2023 have made us turn to new pages on our calendar, it is never too late to formulate a new resolution to help make 2023 a great year. We have an easy way for you to make this a fabulous year for yourself and others!

Here in Haddon Heights, we have an organization known as Haddon Heights Good Neighbors. Formed in 1979, HHGN provides short-term financial assistance of material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

What better resolution can one make than to help others in our very own town? This can easily be accomplished. One way is to join the HHGN which typically meets the 1st Wednesday of January, May, September, and November. For 2023, the meetings are May 3, September 6, and November 1. The meetings will be held in the Log Cabin at 7:00 PM. New members are always welcome!

Another way is to make a donation to the organization which will be used to help residents in our community. Whether it goes toward rent, utilities, groceries, or home repairs, we investigate every request and independently determine its worthiness. Our hands-on approach ensures that money goes to where it is needed the most.

We want to thank all of you who made generous contributions to the Haddon Heights Good Neighbors Organization during our October 2022 fund raiser. We would also like to thank the Sons of Italy Committee for its generous donation during the holidays as well as John's Market for its certificates. Your support has not gone unnoticed. We hope that you can continue to make a resolution to help our organization.

WHO ARE THE HADDON HEIGHTS GOOD NEIGHBORS? YOU ARE

Haddon Heights Good Neighbors is a non-profit, non-sectarian, non-political organization. We are a registered 501(c)3 charity and every donation is tax deductible. It has never had a paid employee or officer. All work is done by volunteers, and anyone who makes a donation is a member. No donation is too small, and no act of kindness is too inconsequential! There are several ways you can make a donation. You can use the United Way (Haddon Heights Good Neighbors, Inc. (#05625) is registered in the Donor Choice Programs of several United Way Agencies: Bergen County, Camden County, Gloucester County, the State of Delaware, and Southeastern Pennsylvania, Tri-State and Greater Lehigh Valley.) If your United Way does not list us as an option, simply write in the following words on your donor form: Haddon Heights Good Neighbors, 625 Station Avenue, Haddon Heights, NJ 08035). You may use PayPal with the following link: <http://www.hhgoodneighbors.org/donate.html>. You can also use Venmo (Good Neighbors HH@Haddonheightsgoodneighbors). Or, If you wish to make a donation by check, please make the check out to HHGN, and mail it to:

625 Station Avenue, Haddon Heights, NJ 08035 ~ 856-546-6677 ~ www.hhgoodneighbors.org ~ Like us on Facebook!

HHGN is NOT to be confused with the Haddon Heights Neighbors (Night Out) organization whose mission is different than ours although BOTH benefit our town. Another way to help HHGN financially is through the AmazonSmile program. AmazonSmile is a 501(c)(3) private foundation created by Amazon. When first visiting AmazonSmile, you will be prompted to select a charitable organization from almost one million eligible organizations. In order to browse or shop at AmazonSmile, customers must first select a charitable organization. Please select Haddon Heights Good Neighbors. For eligible purchases at AmazonSmile, the AmazonSmile Foundation will donate 0.5% of the purchase price to the customer's selected charitable organization. Essentially, it's the same as shopping via the Amazon website, it's just a different portal. <https://smile.amazon.com/>

Tax Assessor's Office

New Jersey Law requires the Tax Assessor's office to keep all property assessments current. The Assessor's inspector may visit your property if the property owner or their contractor obtained a building permit to build a new building, or update, improve, expand, remodel, redecorate, rehab and/or demolish an existing building located in Haddon Heights. Please cooperate with the Assessor's inspector who will perform an interior and exterior examination of your home or business, and request information to confirm the type of work done, or to be done, the cost of the project, and the date the job was, or is to be completed. This inspection is in addition to any inspection(s) required by the Haddon Heights Building Inspection Department.

The inspector will visit your property unannounced in the day, early evening, or on a Saturday. This method of inspection is very cost effective and I greatly appreciate your help allowing the inspector to collect the data required. The inspectors who work for the Tax Assessor's office are Judith Shoemaker (Judi), Jeffery Scott Pierson (Scott), and myself. Each inspector will wear an official Haddon Heights Borough ID Badge. If you have any questions or concerns please do not hesitate to call Tax Assessor's Office at 856-547-7164 ex 33. Thank you for your anticipated cooperation with the inspection process. Thank you, Thomas J. Colavecchio, Tax Assessor

After more than 60 years in Haddonfield, Dr. Raush has moved to Haddon Heights, and could not be happier. Although Haddonfield is a wonderful town filled with wonderful people, it was time for Dr. Nick to carve his own niche. After selling his building in Haddonfield he realized he missed ownership and the security it gave him.

After purchasing the building at 505 Station Avenue, Dr. Nick knew it was a perfect fit. The building lent itself to an ideal dental office. After nine months of renovations, Dr. Raush opened his doors on April 1 of 2022.

Dr. Nick practices general dentistry alongside his wife, Dr. Kim. They perform all aspects of dentistry including endodontics, extractions, and implant restoration. They have also partnered with Evenly, an Invisalign practice. Together, Nick and Kim have been in practice for 28 years.

Dr. Kim started in 1995 in the Haddonfield office. She also worked in Pennsauken and did nursing home care initially, however, after their second child was born, she decided staying in Haddonfield was the best choice. Dr. Nick started in

1997 and hit the ground running. He took over his father's practice after Dr. Raush Sr. passed away in 1997. Together Nick and Kim embraced the challenges of ownership and worked hard to practice honest dentistry.

The most rewarding part of their practice is their patients. They love the relationships they have formed with all of them, young and old. Dr. Nick loves to talk about golfing, fishing and his love for Philadelphia sports. (Mostly Flyers and Eagles) He loves having a connection with his

patients on every level, even baking! Dr. Kim loves meeting all of the dogs that walk on Station Avenue!

Haddon Heights is an amazing location to continue their practice into retirement. The town is filled with wonderful people. We are grateful to all of our patients, especially those who have been with us from the beginning. Thank you Haddon Heights for letting us do some dentistry in your town!

The Village Playbox

The Village Playbox of Haddon Heights will present the George S. Kaufman-Moss Hart comedy classic, *You Can't Take It With You*, February 3, 4, 5, 10, 11, 12, 17, and 18. All performances will be held at the First Presbyterian Church on Green Street between 7th and 8th Avenues. Friday & Saturday performances begin at 8:00 pm and Sunday matinees at 3:00 pm. Tickets may be purchased at the door or in advance for a discount at www.villageplaybox.org.

The original production of *You Can't Take It With You* premiered on Broadway in 1936. It won the 1937 Pulitzer Prize for Drama, and was adapted for the screen in 1938, winning the Academy Award for Best Picture and Best Director.

The play is directed by Steve Allen and Anita Rowland. Mandi Hems is the stage manager. The cast members of *You Can't Take It With You* are John Blackwell (Grandpa Vanderhof), Jess Shockley (Penny Sycamore), Doug Cohen (Paul Sycamore), Ashley Trasser (Alice Sycamore), Dan McDevitt (Tony Kirby), Maria Leonetti (Essie Carmichael), Matt Griffin (Ed Carmichael),

Samantha Harner (Rheba), Frank Zerns (Donald), Rich Shockley (Boris Kolenkhov), Michael Hicks (Mr. Kirby), Natasha Thompson (Mrs. Kirby), Jason Pollock (Mr. Di Pinna), Tim Sagges (Mr. Henderson), Jenni Maienza (The Grand Duchess Olga Katrina), Shannon Sawyer (Gay Wellington), and the DOJ Agents (Jonathan Wallace and Dylan Martone).

Jenni Maienza observed about the cast, "There are certain plays that you know from the first rehearsal are going to be special. This is one. When the cast is having fun both on and off the stage, that's when the magic happens." Co-Director Anita Rowland agrees. "This talented cast has comic timing that can't be taught. Their understanding of their characters and the nuances they bring to them just light up the stage. The play is 87 years old but the comedy is timeless."

In an effort to continue growth in our town's soccer programs the HHSC board has a few new initiatives it is looking to roll out in the future. We are continually in discussions with our partner and training company Diamond Soccer on ideas on how to best serve our players and their soccer development. As a club we will look to introduce our youngest athletes (Tots) and newest coaches/volunteers to our training company by having Diamond run our Tots program. Diamond will start from the ground up to develop both our athletes and our coaches to an overall successful

and fun experience in soccer!

Another effort into the enhancement of our town's soccer program is our commitment to the Devon Ave Sod project. Currently bids are out to resod the Varsity and JV fields, for up-to-date information please continue to check our website.

What's New at the Station:

As we start a new year on the Delaware & Susquehanna, some significant changes are underway on the railroad. Work on the new modules is finally progressing. Some long overdue repairs are also underway on the original modules as well. The original layout is over 30 years old and needs some maintenance. We are currently not running trains but will have things operational for May 13 Down by the Station Day. The pink foam on the expansion modules is being transformed into scenery and rockwork. Structures on both the coal mine and feed mill are progressing as well. We had four open house events this fall and welcomed some old acquaintances as well as making some new ones. If you were monitoring our progress at one of these events, you can continue to track our progress on Facebook or stop by Wednesday nights. We have also decided on weekend work sessions as the regular meeting nights are too short for the amount of work we need to accomplish. Check our Facebook page or just stop by.

The December open house was concurrent with the West Jersey Chapter-National Railway Historical Society presentation of Historical Photos of South Jersey and at the Library. The Chapter has posted the presentation on YouTube for those who missed out. They have also posted some additional material as well. We continue to work with the Chapter on a history project about the Atlantic City Railroad and hope to have a guided tour booklet out this year. The jointly produced Haddon Heights Rail History handout is available on the Chapter website: West Jersey-NRHS.org is the first step in this project.

Feel free to stop by Wednesday nights or catch us on the weekends as we work on the D&S. Hopefully 2023 will provide more opportunities for both events at the station and time to watch real trains.

Zoning Department

As winter arrives, just a reminder that Borough Code 400-8 states that residents are required to have snow removed from their sidewalks within 12 hours of daylight following a snowfall. Failure to comply can result in injuries to pedestrians from falls or traffic accidents as they may be forced to walk in the street. A snow covered sidewalk creates a particular hardship for seniors and school children. It is also a violation to throw snow into the street. Your cooperation is appreciated.

Engineering Committee

Construction is expected to continue on several projects throughout the borough this spring. A portion of 11th Street (Glover to Green) will continue construction and should be completed in early spring. Construction on a portion of Maple Ave, Bradshaw Street (Crest to Gladstone) & 1st Avenue (Highland to High) will then commence. Construction was delayed this fall due to the wet weather, but we are excited for this reconstruction to continue.

Phase III of the Devon Avenue project funded by NJDOT Municipal Aid is expected to continue this spring as well. Please visit the borough website for additional information. We look forward to these projects being constructed and additional projects progressing from design to construction in the coming months.

Heights Grows

Growing and Greening
Heights Grows is always looking to grow. Many know us as the borough committee that takes care of the downtown planters, but we do more and would like to continue to grow our efforts. Our town has been so supportive. As volunteers we appreciate the positive feedback you give when you see us on the Avenue. We've heard suggestions too. With positive energy & results come great suggestions. It truly is rewarding work. To grow we need volunteers. Just like plants need the sun to grow, strong, sustainable civic organizations need volunteers.

Most of our time is spent on 'hands on' efforts like updating our downtown planters four times a year, weeding our shared spaces on the Avenue and organizing litter patrols. Additionally, since we fundraise for our entire budget and do not have a line item in the borough budget, we do spend some time fundraising. We are looking for volunteers with all sorts of experience, abilities, and skills. Green thumbs and digging in the dirt are not required.

We are a results-oriented group with the mission of increasing the welcoming feel of our town through ongoing beautification efforts. We pride ourselves on our results and meet only every other month. Meeting attendance is not required, but it is open to all. If you are interested in joining an action-oriented group that is flexible with time commitment you have found your volunteer home. The more community members join, the more beautiful our community can be.

Curious? Follow us on Facebook at [fb.com/heights.grows](https://www.facebook.com/heights.grows)

Ready to join or have questions? Find us on the borough website under the government tab. <https://haddonhts.com/bc-heightsgrows/page/heights-grows> Complete our Volunteer form & we'll reach out to you.

First Presbyterian

First Presbyterian Church is fully open for worship, Sunday School classes, and gatherings in our building. We were thrilled to be able to resume some of our traditional Christmas celebrations. In December we kicked off our Advent season with a potluck dinner and a Christmas play by our talented children's choirs, and on Christmas Eve we shared the joy of Christ's birth with an overflowing sanctuary of families and friends. In January, we all gathered for our Deacons' world-famous Pancake Breakfast and worship service featuring our Praise Band in our social hall.

We would love for you to join us for our Lenten services, beginning with Ash Wednesday on February 22, and culminating with the celebration of our Lord's resurrection on Easter Sunday, April 9.

We continue to live-stream each worship service on our Facebook page for those who prefer to participate from home. We invite you to visit with our friendly congregation and Pastor Eliza after worship in our parlor for a time of fellowship and refreshments. Feel free to contact our office or visit our website to learn more about our church and its mission.

Music and Choirs:

Our choirs and musical groups continue to rehearse and perform during worship under the direction of Dr. Chris Thomas with assistance from talented member, Kim Muni. The Cherub Choir (age 4 - 1st grade) and Calvin Choir (grades 2nd - 6th) rehearse at 9 AM each Sunday. Our bell choir, the Covenant Ringers, rehearses on Thursday evenings at 6:45 followed by our adult Chancel Choir at 7:30 PM. We also have a talented Praise Band, featuring various instruments and more contemporary music, which performs on the second Sunday of each month. If you would like to add your musical talents

to any of our groups, or would like more information about our music programs for kids or adults, please call the office. We would love for you to join us!

Sunday School, Youth and Adult Groups:

Our Sunday School hour resumed in 2023 with classes for all ages - both kids and adults - starting at 9:30 AM. We have two age-based children's Sunday School classes, one teen class, and two adult classes. Our nursery is staffed by two qualified and caring adults every Sunday during Sunday School (for children under 3) and for all children in kindergarten and younger during the worship service. We encourage our older children (1st grade and up) to stay with their families in the sanctuary during worship as they grow in faith and understanding of our liturgy, hymns, and scripture.

NEW! Do you know any local teens looking for a place to unwind, make friends, and just be themselves - while having a FUN time doing it? Invite them and their friends to our new Youth Group for teens in 6th -12th grade. Our first event will be a bowling party on Friday, January 27. Contact the office for more details on this event and our future meeting dates and times.

Our virtual Adult Bible Study is open to adults in our church and nearby areas for those who enjoy the fellowship and lessons from the comfort of their home. They meet on Wednesdays at 11:00 AM via Zoom. Please contact the office for more information on their current topic/book.

Our Friendship Circle, a gathering of the PCUSA Presbyterian Women, meet monthly for fellowship and refreshments, to plan service projects, and to share a Bible lesson. Gatherings are held the third Tuesday of the month at 9:30 AM in our church parlor. Their next meeting will be Tuesday, February 21. Please contact the office if you would like to join them anytime.

All men of First Pres, and their friends and neighbors, are invited to the Men's Breakfast gathering on the last Wednesday of each month at 9:00 AM in our church parlor. They share a delicious breakfast, laugh, tell stories, reminisce, and try to tackle one thought-provoking question or idea at each gathering. A \$5 donation covers the cost of the meal and goes toward an annual charitable donation. The best part is the growing camaraderie and genuine appreciation for each other as they "travel this road" together. In early 2023 they'll meet on January 25, February 22, and March 29.

Please contact the office if you would like to attend or for more information. They hope you can join them!

Local Missions and Outreach:

Our active Missions Committee continues to collect food and monetary donations for Your Food Shelf in East Camden. There is a plastic bin near our office entrance on Green St. where you can drop off any non-perishable items to donate. In December we collected gifts for YFS to provide to their patrons, as well as for Mission Teens, an organization based in NJ with 20 centers across the country that provides housing, spiritual guidance, and prayer for those suffering from addiction. In January and February, we'll be gathering soups and stews to support our annual SouperBowl of Caring® event, which culminates with a towering display of canned goods in our sanctuary to "Tackle Hunger" in our local communities and beyond.

Village Playbox:

The Village Playbox of Haddon Heights is back on stage this February with their performance of You Can't Take It with You (Hart and Kaufman). Weekend performances run from February 3 - 18 in our church's social hall. For show times and to purchase tickets, please visit their website at <http://www.villageplaybox.org/>. Please contact our office or visit our website for more information about any of these events.

 Worship: Sundays at 10:30 AM

Fellowship United Methodist Church

Fellowship UMC is a welcoming and casual church filled with people made in God's image. We are a church that honors Jesus' top 2 commands: Love God, Love people. Matt. 22:36-40 (We love that!) We work hard to be judgement free because "God is the only lawgiver and judge. Who do you think you are, to judge someone else?" James 4:12 (We love that too!)

Sunday Morning Worship: ALL (yes, we really mean ALL) are welcome for Worship @ 9:30am each Sunday. Come as you are! Although we'd LOVE to see you in person, Worship is also available online via Facebook Live at <https://www.facebook.com/FellowshipUMCofHaddonHeights> or via YouTube at <https://www.youtube.com/channel/UCviA-w2IBYgaGAvmxAeeOOA>

Teddy Bear Sunday: Between now and February 19th, we will be collecting NEW Teddy bears to be given to children receiving ongoing medical treatment at the Osborn Clinic of Our Lady of Lourdes Hospital.

We invite our friends and neighbors in the area to join us in sending our love, prayers and support to these medically fragile and financially needy children and their families. Each bear brings with it

something tangible to hold onto during difficult procedures or treatments as well as making sure that the families know they are being thought of and prayed for by others who also care about their children and how the families are coping with their medical struggles. The bears are also a visible reminder to staff members that the work they do is remembered and appreciated!

If you would like to donate a bear (and all bears must be new, please, due to the children's varying medical conditions), there are several options for drop off. Fellowship UMC is located on the corner of 7th and Garden. Bears can be bagged and marked "TBS" (Teddy Bear Sunday) and put in the bin marked 'Thrift Shop' at the 7th Ave. end of the building. Our thrift shop staff members will bring them into the church for the collection. Or join us for church at 9:30am on Sunday mornings and bring Teddy with you to join the other bears waiting to meet their special child! If you need to make alternate arrangements, please call Rev. Shellie Pinner at 856-889-2848 and she will help you find another way to help your gift find its way to us!

If you're not able to donate a Teddy Bear, please keep the families we seek to care for in your prayers. Any illness in a family is difficult, but even more so when that family member is a child. We are so grateful for every prayer and remembrance on their behalf!

Haddon Heights Baptist Church

Upward Sports: Beginning in February, Haddon Heights Baptist Church is initiating an Upward Sports Basketball Program for kids 5K -8th grade. Leagues are forming now, and games will be on Saturday mornings in February, March and April. All games are in the church gymnasium. Practices begin the week of February 5th and games begin the week of February 27th. To register, go to <https://registration.upward.org/UPW83678>.

125th Anniversary Celebration: In 1898, four years before the incorporation of the Borough of Haddon Heights, the Baptist church met for the first time and incorporated in February of that same year. 125 years later, the Haddon Heights Baptist Church celebrates its Quasiquicentennial with a gala luncheon on March 11th at Filomena's Lakeview Restaurant in Deptford. A number of former pastors will be in attendance to share memories of their time pastoring the borough's first church.

Haddon Heights Christian Preschool: HHBC opened its doors on January 3rd of this year to the inaugural session of the Haddon Heights Christian Preschool.

For more information on this brand new preschool, turn to the Haddon Heights Schools page in this newspaper.

Clubbers and their parents attended an Ugly Sweater all-church Christmas Party and spread Christmas cheer to shut-ins with Christmas caroling on club nights in December. February club nights include a cake baking contest and a team jersey night. March club features collecting canned goods for the needy and a baseball night to celebrate the opening of MLB Spring Training. Wednesdays are club nights between 6:30 and 8:00 pm for kids age 3 through 6th grade. Clubbers enjoy fun games, learn Bible verses and hear stories from God's word.

Granny Club: Haddon Heights Baptist Church believes that a foundational reason the church has been in existence for a century and a quarter is the commitment of its members to praying for one another. Wednesday Prayer Meeting has been in existence for all of those 125 years. Granny Club is another prayer-based group committed to this belief. The first Tuesday of each month, grandmothers of the church meet to pray

Lunch Bunch Bible Study: News is inevitable – and it seems like a lot of it has been hard to hear and harder yet to process lately. Pastor Sandy invites you to bring a bagged lunch and join us for our Bible Study, LUNCH BUNCH, Wednesdays starting at 12:15pm in the church library. We will explore what God's word has to say to us as we navigate the twists and turns of current events as we persevere in our daily faith walk.

Food Pantry: Our food pantry is open for walk-ins every Friday and Saturday from 9am – 12pm (closed some holidays). Private appointments are also available for other days/hours. Our pantry is available to anyone within Camden County. If you or someone you know needs food, please private message us on our Facebook page: @FellowshipUMCofHaddonHeights or call the church at 856-547-3300. Leave your name, phone number, town you live in, and number of people in your household. Please speak clearly so that a volunteer can return your call to arrange a day and time that you can come choose what food and personal items you need. There is never judgement! Only LOVE! Non-perishable food donations may

be left in the outside bin (to the right) anytime. Please check out our website for an up-to-date list of needs. Thank you!

Gigi's 2nd Hand Heaven Thrift Shop:

The shop is open on Friday and Saturday from 9am – 12pm (closed some holidays). Come check it out and get some great bargains. All proceeds help fund missions locally and globally. Donations for the thrift shop may be dropped in the outside bin (to the left) anytime or brought inside on days the shop is open. If you have more to donate than will fit in the box, please call the church at 856-547-3300. We are so blessed with such a giving congregation and community!

Fellowship Hall Rental: Fellowship United Methodist Church offers an affordable rate for events of all occasions. No matter what your function, (wedding, baby shower, birthday party, bridal shower, anniversary, graduation, communion, or confirmation) our large newly remodeled hall will provide you a lovely venue, along with a large parking lot. Table and chair seating for 140. Please contact Ginny Egbert in the church office at 856-547-3300 for further details.

HADDON HEIGHTS SCOUT GROUPS

Girl Scout Troop 30120

The girls of Troop 30120 have been busy, as usual! They enjoyed learning from Major Moore about his own experience in the military and about Veterans. The girls created care packages and made cards to send to the troops. They marched in the Holiday Parade down Station Ave. They especially had fun celebrating the holidays with a troop party and silly sock exchange. The fun continues as cookie season kicks off. Girl Scout cookie sales is a unique way for the girls to learn business, money management, and entrepreneurial skills as well as practice interpersonal skills.

Girl Scout Troop 30216

The girls of Troop 30216 were able to enjoy some caroling during the holiday season. They are also excited for the start of Cookie season!

Girl Scout Troop 30751

Troop 30751 enjoyed a night of exercise with Kim Desant at KDFitLife!!!!

RENTAL FACILITIES

Need to find a space to host your next party? Look no further! The Haddon Heights Rental Facilities are currently open and taking reservations. Haddon Heights has two facilities to offer you! The Cabin and The Community Center are available to rent for private parties and functions. Hoff's Playground is conveniently located next to the Cabin and adjacent to the Community Center, children can play within view of adults enjoying their event. There is ample street parking for all of your guests.

If interested in renting one of your hometown's facilities, you can find all the information and pricing on the borough's website at www.haddonhts.com. Just select rentals from the list on the left and select either the Community Center or Cabin for their specific rental information. Both pages offer a slide-show of photos taken of the facilities (some items pictured were rented from an outside source and brought in by the renter.) You will also find a link to a PDF version of our required rental agreement paperwork. The spaces are rented on a first come, first serve basis. If you are interested in a specific date we recommend calling the office at 856-547-7164 ex. 33 to see if the date and time you would like are available. We can put a tentative hold on the date for one week, while you fill out the paperwork and send it/drop it off to our office along with the required security deposit check. After one week the date will be released. If you have questions or would like to check on the availability of a date/time, please contact Sophia Scardino at 547-7164 ext. 33 or email at sscardino@haddonhts.com.

The Community Center is located at 321 Seventh Ave. It offers a spacious main room with french doors leading to a fenced in yard. It is equipped with a full kitchen & sound system. Round tables & padded chairs are supplied and set up for you by the borough for each event. The Community Center accommodates up to 100 guests.

The Cabin is located at 600 Lippincott Lane. The Cabin offers a charming space which includes a gas fireplace, a small warming kitchen area with a full size refrigerator and audio visual equipment. Tables and chairs are supplied and set up for every event. The Cabin accommodates up to 40 guests.
