## Annual Holiday Parade

The holiday season is fast approaching, and with it comes the joyful tradition of Haddon Heights' Annual Holiday Parade - decorated trucks, marching bands, local organizations, and even a visit from Santa Claus himself! Mark your calendars for a magical evening of celebration and community spirit on Friday, November 24, 2023, at 6 PM on Station Ave.

As the event approaches, keep an eye on the Haddon Heights Borough website for any updates and announcements. Let's come together to light up Haddon Heights for the holiday season. We can't wait to see you there! Interested in getting your group involved in the parade? Please email Councilwoman Kate Harron at [kharron@haddonhts.com](mailto:kharron@haddonhts.com).

## Holiday House Decorating Contest

Our popular Holiday House Tour is back! Get ready to kick off the holidays on Friday, December 1 with the Haddon Heights Library's Holiday House Tour. The tour runs from 12:00 - 3:00 and 5:00 - 9:00. The library is celebrating the 37th anniversary of the tour with 6 beautiful homes, one of which is exterior only featuring outdoor trains. We are excited to share these wonderful homes with you as part of the kick-off to the holidays in Haddon Heights. The tour will showcase a mixture of American Foursquare, Center Hall Colonial and Cape Cod style homes, each with their own distinct personalities and beauty.

The six locations are spread around Haddon Heights and will give tour goers a great look at the different styles, tastes and decorations of our homeowners. Tickets are available now and are \$20 in advance and \$25 the day of the tour. They can be purchased at the library and April Robin Florist. We also offer online ticket sales by visiting our website or our Facebook event page. All proceeds benefit the library and are used to purchase more materials and services for our residents. It is the second largest fundraiser for the library each year. For more information, call Christopher Walter at 547-7132.

# MAYOR'S MESSAGE

Dear Neighbors:

Wow, where has this last year gone let alone the last four years? When I took office in January of 2020 I don't think I could have imagined what was in store for us over these last four years. We had our fair share of challenges and more importantly successes. I owe much of the credit for these accomplishments over these last four years to all of our committee members, volunteers, organizers, civic leaders, and especially you the residents of Haddon Heights who work together to make Haddon Heights the most amazing place to live and raise a family. I want to thank all of my peers on Council who have worked incredibly hard this last year to bring a ton of projects to fruition, like the paving of roads, the Devon Ave sod project, the planting of shade trees, and the continued beautification of our downtown.

Election Day has just passed and I want to first thank everyone who came out and exercised their right to vote and elect our leaders here in Haddon Heights. I cannot thank all of you enough for once again entrusting me to lead this great community. I want

to congratulate my running mates Councilwoman Regina Philipps and Councilwoman Kate Harron on their wins. We look forward to continuing our work together here in Haddon Heights. I also want to express my appreciation for the candidates who challenged us for our seats; Jennifer Moore, Kevin Ehret, and Denise Bolognese who ensured the residents of Haddon Heights had a choice and we can't thank them enough for that.

We had quite a beautiful fall these last couple of weeks. Our annual Fall Fest hosted by HIP was quite a success and I enjoyed seeing everyone on Station Ave. Just a reminder, if you ever see me out there on Station, please be sure to introduce yourself and I'm always happy to listen to any of your concerns. I want to thank the Haddon Heights Library for once again hosting the Halloween decorating contest — it was spooktacular as always and congratulations to the winners. Don't forget to check out some upcoming Library events like the Holiday House Tour and much more. Our Library Director Chris Walters does a

phenomenal job putting these events together.

Speaking of upcoming events. I hope to see everyone at our annual holiday parade and star lighting which will once again fall on the Friday after Thanksgiving, November 24th at 6 pm. Also mark your calendar for our second annual menorah lighting on the first night of Hanukkah, December 7th. Cantor Scott will be with us once again at the Library to lead us in the lighting and if you have never been I encourage you to come out. It is a lot of fun and everyone is welcome. And please don't forget to shop local this holiday season. Haddon Heights has a lot to offer as we work to grow our downtown business district. We are excited to continue to add new stores to Station Avenue. Also while you shop for the perfect gift for that friend or family member, please don't forget to make a donation to one of our amazing charitable organizations that help so many people in need around the holidays. I always recommend Haddon Heights Good Neighbors or Interfaith Caregivers of Haddon who both do

incredible work right here in Haddon Heights.

As always I wish everyone a happy and healthy holiday season and look forward to seeing you in January at our borough reorganization meeting on the first Saturday in January. If you need anything please don't hesitate to reach out to me via email at [mayor@haddonhts.com](mailto:mayor@haddonhts.com) and follow me on social media.

## Council Corner

Our Department of Public Works removed 100 tree stumps along our curbs in October. We must continue to plant trees as a replacement for the ones that have been removed. We encourage residents to plant trees in their place as we work to keep the tree canopy in place. To see how you can help our green initiatives, please email Councilman Ottoson at [tottoson@haddonhts.com](mailto:tottoson@haddonhts.com).

Our Fire Department merger with Barrington has been a success as it provides for cost savings now and in the future. The availability of a staffed fire department during the day has allowed our volunteers to concentrate on the fire service during weekend and evening hours. Many thanks to our volunteers, our career staff, and Chief Hales. We are also grateful to the Police Department for its efforts with our town's fall events and working with Camden County to arrange for new flashing pedestrian signs at the intersection of Prospect and Glenview.

We are happy to announce that construction in and around S. Park Avenue, Hillside Avenue and 13th Street is largely complete. There were many small tweaks to the existing roadway network to promote safety, especially in the highly trafficked area near the Dell, an important asset to the Haddon Heights community. Thanks to Camden County for their work on this project. Families have been enjoying Hillside Avenue as part of the Healthy Kids Running Series this fall. We also appreciate everyone's patience as additional projects progress to and through construction. Kings Highway utility work started at the Sons of Italy (W. Atlantic Ave) and has progressed past Glover Avenue. This utility work is an early action project that will be followed by the repaving of Kings Highway in late 2024 / 2025. Construction at the intersections of Station Avenue with East and West Atlantic Avenue will commence this fall to include safety Improvements such as bump outs at the corners to shorten pedestrian crossings, slow vehicles and make pedestrians more visible. We are also happy to announce new sidewalk between Cedar Ave and the I-295 interchange - 160' of sidewalk provides a vital connection! Have pictures of residents using the newly constructed bike lanes, sidewalks and roadways? Please email Councilwoman Russo at [krusso@haddonhts.com](mailto:krusso@haddonhts.com).

We also continue to work on numerous redevelopment and rehabilitation projects throughout town. We thank the residents who have appeared at Historic Preservation Committee, Council and Planning Board meetings to participate in this important process. Please email Councilwoman Philipps at [rphilipps@haddonhts.com](mailto:rphilipps@haddonhts.com) with any questions or comments.

## Tax Assessor's Office

New Jersey Law requires the Tax Assessor's office to keep all property assessments current. The Assessor's inspector may visit your property if the property owner or their contractor obtained a building permit to build a new building, or update, improve, expand, remodel, redecorate, rehab and/or demolish an existing building located in Haddon Heights. Please cooperate with the Assessor's inspector who will perform an interior and exterior examination of your home or business, and request information to confirm the type of work done, or to be done, the cost of the project, and the date the job was, or is to be completed. This inspection is in addition to any inspection(s) required by the Haddon Heights Building Inspection Department.

The inspector will visit your property **unannounced** in the day, early evening, or on a Saturday. This method of inspection is very cost effective and I greatly appreciate your help allowing the inspector to collect the data required. The inspectors who work for the Tax Assessor's office are Judith Shoemaker, Jeffery Scott Pierson, and myself. Each inspector will wear an official Haddon Heights Borough ID Badge.

If you have any questions or concerns please do not hesitate to call Tax Assessor's Office at 856-547-7164 ex 36. Thank you for your anticipated cooperation with the inspection process. Thank you, Thomas J. Colavecchio, Tax Assessor

## What's New at the Station

Despite a rainy fall, we have been open for several successful events. We will be open for the first three weekends of December in conjunction with the Haddon Heights Library Trains at Christmas. Check with our Facebook page for dates and times. The Anthracite coal breaker is now complete, and we are working on getting the landscape around the town and breaker complete. You can track our progress on Facebook or stop by during our Saturday workdays.

Future work includes the worker housing for the town of Lycoming and completing the Lycoming Train Station. This project is a highly modified kit that is both updated and configured to fit our layout. The original station can be seen at New Freedom, Pennsylvania and is currently used by the Northern Central Railroad. Their 2024 excursion schedule should be available by the time you read this. The complete set of three new modules will represent the Anthracite industry with a breaker, worker housing in a “patch town” and the supporting timber industry that provided the shoring and mine timbers. Most of this industry has been demolished as the industry declined rapidly in the 1960s. A representative miner’s village has been preserved at Eckley Miner’s Village by the Pennsylvania Historical and Museum Commission. A great deal of information is available on the internet about this industry. Coal Country visits may be better in warmer weather.

# Haddon Heights Good Neighbors

*"As man draws nearer to the stars, why should he not also draw nearer to his neighbor?" - Lyndon B. Johnson*

Here in Haddon Heights, our next door neighbors are an integral part of our lives. We turn to them when we go on vacation to watch our house or get our mail. We call them up if we need a cup of milk for a recipe we are making for dinner in one hour. We help them shovel snow on their driveway when we know they need help getting to work. Establishing these bonds was so important when we decided to move to Haddon Heights, and we find it was one of the best decisions we ever made.

But there are so many more "neighbors" in Haddon Heights who we do not know, yet still need our help. They may have lost jobs or gotten ill. Haddon Heights Good Neighbors

(HHGN) is an organization that can help out. HHGN was formed in 1979 to provide short-term financial assistance of a material nature to residents in need. As an organization of the people, by the people, and for the people of Haddon Heights, we pride ourselves on helping members of our town when they are struggling. After all, shouldn't a sense of community come with a sense of responsibility?

One way of helping HHGN to accomplish its goal is to join the organization which typically meets the 1st Wednesday of January, May, September, and November. For 2024, the schedule is as follows: January 3, May 1, September 11, and November 6. The meetings are at the Log Cabin from 7:00 – 8:30 PM.

## Repenning Fine Arts

35 East Kings Highway Audubon, NJ. 08106

Phone: (856) 310-2340

Repenning Fine Arts is Camden County's largest privately owned art center. It is located at 35 East Kings Highway, Audubon New Jersey (near White Horse Pike). Their building houses a school of fine art, a full-service custom framing shop, an art gallery, art supplies, and the studios of artists Kristin and Jim Repenning. This husband and wife team grew up in Haddonfield and now reside in Haddon Heights. They moved their shop from Haddon Twp. to this location over 23 years ago. Their business has continued to flourish from that time, by teaching over one hundred students, each week, from ages 8 to 98 and serving the public's artistic needs.

Both Jim and Kristin's art focuses on the local natural beauty found in their native state of New Jersey. They get their inspiration from the Jersey shore, the peaceful local river ways, and the wilderness of the Pine Barrens. Each puts their unique sensibility to their individual works by depicting our natural surroundings that are so often overlooked.

Kristin joined her husband in business over 25 years

ago. Most of her skills have been self-taught, along with her husband's and other's input. She studied at Camden County College and with her husband to hone her natural skills. She works primarily in oils with an animal rights bent to her subject matter.

Jim Repenning attended The Pennsylvania Academy of the Fine Arts, where upon graduation won the Cresson European Traveling Scholarship. He has painted, framed, and taught art in Camden County for the past forty-seven years. He has worked in oil and pastel for all his life and for the past few years has incorporated photography into his works. Each week he can be found kayaking down the rivers of South Jersey, taking and painting pictures to use in his work.

Three other gifted painters round off their teaching

staff, Pat Saltman, Christine Cathers Donohue and Barbra Zanelli. Pat has over 25 years of experience working with young kids and adults alike. Christine teaches younger students and is a framer too. Her paintings have been on display and sold in many galleries up and down the East Coast.

Barbara teaches portrait and still life painting in the tradition of Philadelphia's prestigious Studio Incamminati.

## CAN YOU HELP?

Sustainable Jersey programs reduce waste, cut greenhouse gas emissions, improve public health, stimulate local economies, and increase resiliency. All while mutually working towards a more equitable society. Sustainable Jersey provides research, best practices and technical assistance needed to implement sustainable solutions. Also, registered towns have access to the Sustainable Jersey Grants Program for community-based initiatives.

Currently, 81% of NJ towns are registered as participants in the Sustainable Jersey program, with 206 certified at one level or another. Camden County has 37 municipalities registered, but only nine (9) are certified – the Borough of Brooklawn, Camden City, Cherry Hill Township, the Borough of Collingswood, Gloucester Township, the Borough of Haddon Heights, the Borough of Haddonfield, the Borough of Merchantville and the Borough of Runnemede.

Sustainable Haddon Heights (SHH) plans to apply again this year, on behalf of the Borough, to be certified by Sustainable Jersey. There are three submission rounds, allowing time for the application to be approved and completed in stages. Application deadlines are: 1st round – FEB. 25; 2nd round – MAY 10; 3rd round – JUL. 31, followed by 6-8 weeks of review after each round by Sustainable Jersey for compliance and any missing documentation.

HOW CAN YOU HELP? Choosing from 150+ options, several volunteers are needed to review the chosen actions and assist in compiling the documentation. If you are willing to help, please email Dave McCollum (ddstmccollum@gmail.com) at your earliest convenience or call him at (856) 546-5271. Thanks!

### Halo Hair Co.

508 Station Avenue, Haddon Heights, NJ 08035

Phone: (856) 524-0791

From the moment you open the door at 508 Station Avenue, you feel a sense of peace wash over you. Sunlight filters through the original full-length windows, so the soft muted tones sprinkle throughout the new home to Halo hair co. Owner Andrea Ippolito had a vision to create an experience for her hair clients that incorporated her love of hair as well as her passion for healing. As a yoga teacher, she began to dive into other modalities during the pandemic and became certified as a Yin instructor. That led to becoming attuned in Reiki healing. As a salon owner for 20 years, she had learned that she offered more than “just hair” to her clients. One client even told her that she was the longest relationship she had ever been in. As a hairstylist, she has been through every stage of life with many of her clients, who she refers to as her friends, and has experienced their joy as well as their pain. Some of her clients even joke about owing her for therapy sessions as well as their hair service.

Halo hair was inspired by the idea of creating beautiful hair to compliment the beauty inside each

one of us. Halo offers selected stylists that aligned with Andrea’s vision and named her experienced team The Angles. Alex Iannacomne has great talent for live color. Ave Steiner specializes in coloring and cutting with an eye for the latest trends. The Angles offer customized coloring as well as cutting for the whole family, and formal styling and makeup.

In addition to hair services, Halo offers healing modalities such as Reiki scalp treatment, using “signature in house blends” of essential oils, a charcoal detoxifier, and crystal Chakra comb. Private Rieke sessions with Andrea and Relax and Renew scalp massages, and Peyton Beach lotion candle Hand Messages are by appointment. New guests can pull an oracle card with a message just for them as well as a healing crystal to take home and charge under each full moon.

Unlike most salons, Halo is open almost daily by appointment. You can text or call the salon at 856-524-0791 for appointments that can include Sundays and Mondays as well as evening hours to

The Angels of Halo hair co from Left: Ava Steiner, Andrea Ippolito, Alex Iannacone

accommodate working guests.

Being of service and giving back to the community is a priority of Halo hair co.’s mission. The Angles recently hosted a fundraiser for a local person battling cancer. Each year we are committed to donating directly to local families in need. Please come see what the magic is all about at Halo hair co.

## Safe Routes to School

Cross County Connection's Safe Routes to School (SRTS) program congratulates Haddon Heights School District, with special thanks to Angela Scola and Chief Thomas Schneider, on securing their SECOND Gold Level certificate this year for the NJ SRTS Recognition Program! Seventh Avenue Elementary School, Glenview Avenue Elementary School, and Atlantic Avenue Elementary School with the help of principals, teachers, parents, and the Haddon Heights Police Department continue to promote safety through non-infrastructure programming, which includes Walk to School Days, bike rodeos, and safety presentations. We thank you ALL for your hard work and dedication to enabling and encouraging students to walk and bike to school safely!

The NJ Department of Transportation (NJDOT) partners with Cross County Connection to provide the Safe Routes to School (SRTS) program at no cost to schools in South Jersey. The Safe Routes to School program, which consists of a series of educational lessons and activities, is designed to encourage children in kindergarten through 12th grade to safely walk and bicycle to school. The SRTS mission is to partner with schools and communities to prioritize and implement opportunities for students to walk, bike, or travel by other wheeled devices.

## Haddon Heights High School Celebrates New STEM Lab Opening with Ribbon Cutting Ceremony

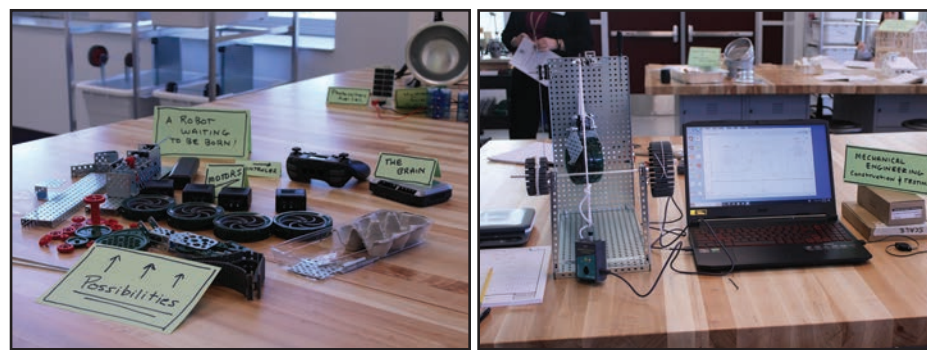

On Tuesday, October 17, 2023, Haddon Heights Jr/Sr High School officials ceremoniously “cut the ribbon” in celebration of a brand new Science Technology Engineering and Math (STEM) lab space. The District utilized operating budget funds to completely transform an unused garage into a modern STEM lab. Construction occurred last year and finishing touches and equipment were set up over the summer. Staff members, students, board members, and administrators attended the ceremony led by Superintendent Carla Bittner, Board Member Erin Miller, Principal Warren Danenza, and Engineering Teacher Paul Bartholomew.

Students enrolled in Design Thinking, Introduction to Engineering, Civil and Architectural Engineering, and Principles of Engineering have access to the STEM Lab which is outfitted with a SMART Board for an interactive educational experience for both the instructor and students. Students learn to use all of the new equipment in their lab, which includes 3D printers, laser cutters, robotics equipment, hydrogen fuel cells and solar cells (for energy analysis labs), soldering equipment, and electronic/mechanical items used for reverse engineering and DIY projects. Students also have access to high-end laptops, which not only save space in the lab but are also flexible when following a robot that has to be programmed from where a typical computer station might be located.

Haddon Heights School District is proud to offer this innovative space for students to explore career opportunities in engineering while also learning to think critically, collaborate with peers, expand their creativity, and communicate effectively.

## Haddon Heights Soccer Club

*Season's Greetings from Haddon Heights Soccer Club!*

As the first half of our 40th year of existence comes to a close, we would like to congratulate all our travel and rec athletes, coaches, volunteers and families on another successful soccer season. Thank you to all those who have helped to make this season one of the best yet! With the help of our training company Diamond Soccer, our teams have done a tremendous job continuing with the training foundation of Play Practice Play. A special thanks to Pere Maher who has elevated our use of the Veo video system which allows our athletes to further their education of soccer and game play. All of these aspects (plus some actual grass on the fields!!) have allowed our athletes to compete and develop at a high level while incorporating a love for soccer. Thank you all to those that were able to come to our Family Fun Night, another successful club event that brings the entire soccer community together at Devon.

Pictured above are two of our travel teams that competed in the Annual Kick or Treat soccer tournament. Congratulations to the 2015 Cheetahs and the 2015 Soul Seekers for winning their Kick or Treat flights and to all teams who have competed in tournaments this fall. We look forward to many more teams competing in tournaments throughout the year!

As the holiday season is upon us, consider stocking up on some HHSC gear for those special athletes looking to dress the part for soccer all year round. Also, check out any fundraising pages of your favorites teams. Most travel teams are always individually fundraising to provide athletes anything from extra training to additional gear and equipment. As always, check out our website at [haddonheightssoccer.net](http://haddonheightssoccer.net) and our Facebook page.

## Holiday House Tour Returns

Our popular Holiday House Tour is back! Get ready to kick off the holidays on Friday, December 1 with the Haddon Heights Library's Holiday House Tour. The tour runs from 12:00 - 3:00 and 5:00 - 9:00. The library is celebrating the 37th anniversary of the tour with 6 beautiful homes, one of which is exterior only featuring outdoor trains. We are excited to share these wonderful homes with you as part of the kick-off to the holidays in Haddon Heights. The tour will showcase a mixture of American Foursquare, Center Hall Colonial and Cape Cod style homes, each with their own distinct personalities and beauty.

The six locations are spread around Haddon Heights and will give tour goers a great look at the different styles, tastes and decorations of our homeowners. Tickets are available now and are \$20 in advance and \$25 the day of the tour. They can be purchased at the library and April Robin Florist. We also offer online ticket sales by visiting our website or our Facebook event page. All proceeds benefit the library and are used to purchase more materials and services for our residents. It is the second largest fundraiser for the library each year. For more information, call Christopher Walter at 547-7132.

## Santa's Mailbox

Ho Ho Ho! Santa will have his mailbox in front of the library again this year. Children are welcome to write their letters and drop them off in the box from Friday, November 24 - Monday, December 18. Please make sure to include your child's name and address. Santa will see to it that a letter comes back in the mail from the North Pole.

## Holiday Model Train Display

The library is happy to announce that model trains are returning for a fifth year this holiday season. While we are still finalizing dates and times, you can expect to find interactive displays from four different groups, including the South Jersey S-Gaugers and the Atlantic Division of the Train Collector's Association. These displays feature a mixture of S and O gauge while operating with AC, DC and DCC. Keep an eye out on our Facebook page and our website for more details.

## First Presbyterian Church

On Sunday, December 3, we'll enter into the Christmas season celebrating the first Sunday of Advent. In her Advent Worship series, How Does A Weary World Rejoice?, Pastor Eliza will guide us through recognizing our own weariness, and finding ways to turn our fatigue into joy and amazement through the traditional scripture passages recalling the events of Christ's birth. We hope you'll join us this Advent season on Sunday mornings at 10:30 AM to worship together. As always, our nursery is open and staffed by two adults every Sunday for our little worshippers in kindergarten and younger during the service.

Our annual Advent Happening gathering is back again and will take place on Sunday, December 10 at 5:00pm. This fun holiday event includes a performance by our two children's choirs, a visit from a very jolly special guest, a potluck dinner, and an abundance of fellowship.

On Sunday, December 17 at 3:00 PM, we'll gather again with other churches in our faith community for a Blue Christmas worship service being held at Holy Trinity Lutheran Church in Magnolia. This special service of remembrance and hope (also called the Longest Night) recognizes the loss and loneliness that can be felt during the holidays due to death, disease, poverty, or abuse. We invite you to join us as we honor those experiencing this grief and focus on finding a sense of calm and hope.

Our Christmas Eve Candlelight Service will be in-person and streamed on our Facebook page on Sunday, December 24 at 7:00 PM. We hope that you will join us in celebrating the birth of our Lord and gather in our parlor after the service for light refreshments, wassail punch, & holiday cheer.

On Sunday, January 7, we'll gather for our annual Deacons' World-Famous Pancake Breakfast, and celebrate worship in our social hall being led by our Praise Band. Please join us in kicking off the new year with full hearts (and full bellies!).

As always, we enjoy a time of fellowship in our parlor after worship each week and invite you to come and meet Pastor Eliza and many of our members and friends. Our worship services continue to be streamed live on Facebook for anyone who chooses to worship from home. Feel free to contact our office or visit our website to learn more about our church and its mission.

### Music and Choirs:

We have multiple ways to get involved in worship through our music program and choirs. Our children's and adult choirs are always looking for new voices to add to their growing ensembles. Our two children's choirs (ages 4 - 1st grade and grades 2-6), typically

rehearse on Sunday mornings at 9:00 AM and our adult Bell Choir (the Covenant Ringers) and Chancel Choir rehearse on Thursday evenings at 6:45 PM and 7:30 PM, respectively. We also have a talented Praise Band, featuring various instruments and a variety of music, which performs on the second Sunday of each month and rehearses on the Thursday before. Please contact the office if you would like additional information.

### **Sunday School, Youth Group and Adult Groups:**

Our Sunday School hour at 9:30 AM features classes for all ages – both kids and adults. This separate Sunday School hour allows for our families to attend Sunday School classes and promotes our children's full participation in worship and spiritual growth. We have two age-based children's classes and two adult classes, and our nursery is open for toddlers ages 2 and under during that time. The first adult Sunday School class uses a curriculum that aligns with our current scripture passage. The "Faith Walk" class, led by Pastor Eliza, focuses on a specific book chosen by the group. We hope you'll join us on Sunday mornings at 9:30 for these interesting discussions.

Our Youth Group continues to grow and have been gathering for both service and social events on a regular basis. All teens (grades 6 – 12) who are looking for a place to make friends, participate in service to others in our region, and learn more about Christian values and faith, are invited to join us for our next activity. Contact the office for more details about our future outings and meeting dates and times.

Our virtual Adult Bible Study is open to all adult church members & their friends who enjoy fellowship and bible study from the comfort of their homes. They have been watching the acclaimed Gospel series, "The Chosen"

and discussing an episode each week in its scriptural context. This series, about the life and ministry of Jesus, is set primarily in 1st-century Judea and Galilee, and centers on Jesus, the disciples, and their interaction with each other and others they encounter. They meet every Wednesday at 11:00 AM via Zoom.

Our Friendship Circle, a gathering of the PCUSA Presbyterian Women, meet monthly for an enriching time of fellowship, refreshments, and to share a Bible lesson. They also plan and sponsor some wonderful mission projects both locally and worldwide. The Friendship Circle meets on the third Tuesday of the month at 9:30 AM in our church parlor. Their next meetings will be on December 12 (an early Christmas celebration) and January 16.

All men of First Pres, and their friends and neighbors, are invited to the Men's Breakfast on the last Wednesday of each month at 9:00 AM in our church parlor. They share a delicious breakfast, laugh, tell stories, reminisce, and try to tackle one thought-provoking question or idea at each gathering. A \$5 donation is suggested which covers the cost of the meal and goes toward an annual charitable donation. Their next meetings will be November 29 and January 31 (there is no meeting in December).

### **Local Missions and Outreach**

Our active Missions Committee continues to collect food and monetary donations for Your Food Shelf in East Camden. We encourage you to check our website or Facebook page for our mission's collections each month, based on the needs and requests from the organizations we support. There is a plastic bin near our office entrance on Green St. where you can drop off any non-perishable items to donate.

### **Christmas at Haddon Heights Baptist Church**

Believing that Christmas is the season to revisit and celebrate the story of Jesus Christ, Haddon Heights Baptist Church is pleased to announce a very special musical event. On Sunday, December 17th, the church's Choir and Orchestra present "God Came Near," a Christmas musical portrait of the very essence of Christmas-the wonder of Christ's incarnation, the mystery of His being.

The incarnation story will come alive in music that spans centuries and expresses the broad spectrum of moods we all feel at Christmas. From classical selections to modern day standards to beloved carols, the musical features narration from the pen of Max Lucado, author of many inspirational Christian books.

The event begins at 11:00 am in the Main Auditorium of the Haddon Heights Baptist Church. Come, let us all adore Him together!

climaxed by the lighting of candles as Silent Night is sung. The event is a fitting way to put the hectic hustle and bustle of the season behind and focus on The Reason for the Season. The Ordinance of Communion will also be celebrated.

### **Pie and Praise**

A special November event was the annual Pie and Praise Service on the Sunday before Thanksgiving. Held in Fellowship Hall on November 19th, it is traditionally an evening of thanksgiving and moving testimonies as folks shared testimonies of God's grace over the past year. Warm home-made pies were shared, as well!

### **Trunk or Treat**

Trick-or-Treaters found a bonanza of treats and games at the corner of Station and Fourth Avenues on Halloween, as the church's parking lot was full of cars with open trunks full of candy and games.

# Animal Licensing

## Registration is Required for all Dogs and Cats!

It is the law and mandatory that dog and cat owners have their pets licensed. Licenses are good for one calendar year and must be renewed annually. License tags must be displayed on animals at all times.

Benefits of having your animal licensed and vaccinated include making it easier for your pet to be identified and returned to you should they get out. Even indoor cats have been known to escape at times, without a license whoever finds your pet will have a harder time identifying them and they may not be returned to you. If they did escape they would be protected from Rabies should they be bitten by a wild animal living outside. If we get all of our animals vaccinated against rabies, then no parent will have to be afraid that one of their children may be bitten by a rabid cat or dog.

Animal License Renewal Forms are available at [www.haddonhts.com](http://www.haddonhts.com), under Forms & Permits or you can contact the Borough Hall at 856-547-7164 ex. 2. Office staff will need to see your pet's proof of rabies vaccination and the **vaccination will need to be good through Nov. 1, 2023 for a license to be issued.** If your pets vaccination expires before that time, you can always talk to your vet about adjusting the schedule. The cost for a spayed/neutered cat or dog is \$9.00. The cost for a non-spayed/non-neutered cat or dog is \$12.00. **Licenses obtained after June 30<sup>th</sup> will incur a \$10.00 late fee.**

License Fees support the efforts of many local animal shelters. Typically, the annual fee that you pay to license your pet helps to keep shelters running and support the work of your local animal control. Pet owners should also be aware that the State of New Jersey recently passed State statutes pertaining to Animal Cruelty. The information can be found at the New Jersey Department of Health website ([www.state.nj.us/health](http://www.state.nj.us/health)) for State Statutes: 4:22-17 Cruelty; certain acts, crime; degrees, 4:22-26 Penalties for various acts constituting cruelty, and Guide to Prevention of Animal Cruelty Laws 2018
