

DUMPSTER/POD PLACEMENT POLICY

Permission to place a dumpster/pod on any street is only to be given if there is absolutely no space on the property, including driveway to place a dumpster/pod.

If a dumpster is placed in a driveway, permission to park a vehicle on the street will be given by the Chief of Police if needed to make room for the dumpster/pod.

If the dumpster is to be placed on a State or County Highway, permission from the State or County in writing must accompany this application request.

Display of yellow reflective diamond shaped markers/panels with a minimum size of 18" x 18" must be mounted at both ends of the dumpster nearest the path facing oncoming traffic.

The police department will inspect all dumpsters on any street in the Borough to see if it conforms to N.J.S.S 27:51-1. A violation of this State Law if convicted could result in a fine of \$100.00 per violation.

If a dumpster must be placed on a street, an application must be made to the Haddon Heights Construction Office accompanied by a \$50.00 fee. No fee is required if the dumpster is placed on private property.

WARNING

A DUMPSTER PLACED ON ANY STREET IN THE BOROUGH WITHOUT FIRST OBTAINING AN APPROVED PERMIT WILL BE REMOVED AND IMPOUNDED UNDER THE AUTHORITY OF THE HADDON HEIGHTS POLICE DEPARTMENT.
