WHEREAS, the Mayor and Council of the Borough of Haddon Heights desires to protect the public health, safety and welfare of the citizens of the Borough and maintain a high quality of life for the citizens of the Borough through the maintenance of structures and properties in the Borough; and

WHEREAS, properties that are neglected and have unsecured, accessible structures have a negative impact on community value, create conditions that invite criminal activity, and foster an unsafe and unhealthy environment for children; and

WHEREAS, the continued mortgage foreclosure rates have serious negative implications for all communities trying to manage the consequences of properties that have defaulted mortgages, are in the foreclosure process, foreclosed upon and/or mortgagee owned; and

WHEREAS, properties with defaulted mortgages that are neglected and have unsecured, accessible structures have a negative impact on community value, create conditions that invite criminal activity, and foster an unsafe and unhealthy environment for children; and

WHEREAS, often times, the foreclosing party or property owners are often out of state, and there is no local contact for such a property, which makes it difficult to notice the proper party of the violations of the Borough Code, and to maintain the requisite level of maintenance and security on such structures or lots; and

WHEREAS, the Haddon Heights Borough Council recognizes there are a large number of properties with defaulted mortgages and subject to foreclosure action or foreclosed upon, (hereinafter referred to as "registrable properties") located throughout the Borough which lead to a decline in property value, create nuisances and lead to a general decrease in neighborhood and community aesthetic; and

WHEREAS, the Haddon Heights Borough Council has already adopted property maintenance codes to regulate building standards for the exterior of structures and the condition of the property as a whole; and

WHEREAS, the Haddon Heights Borough Council recognizes in the best interest of the public health, safety and welfare a more regulated method is needed to discourage registrable

property owners and mortgagees from allowing their properties to be abandoned, neglected or left unsupervised; and

WHEREAS, the Haddon Heights Borough Council has a vested interest in protecting neighborhoods against decay caused by registrable property and concludes that it is in the best interests of the health, safety, and welfare of its citizens and residents to impose registration requirements of registrable property located within the Borough to discourage registrable property owners and mortgagees from allowing their properties to be abandoned, neglected or left unsupervised; and

WHEREAS, the Haddon Heights Borough Council desires to amend the Borough's code in order to establish a property registration process that will identify multiple parties responsible to address safety and aesthetic concerns to minimize the negative impact and conditions that occur as a result of vacancy, absentee ownership and the foreclosure process; and

WHEREAS, upon passage, duly noticed public hearings, as required by law, will have been held by the Haddon Heights Borough Council, at which public hearings all residents and interested persons were given an opportunity to be heard;

NOW, THEREFORE, BE IT RESOLVED, by the Borough Council of the Borough Haddon Heights, County of Camden, State of New Jersey finds that the implementation of the following changes and additions will assist the Borough Haddon Heights in protecting neighborhoods from the negative impact and conditions that occur as a result of vacancy, absentee ownership and lack of compliance with existing Borough Haddon Heights regulations and laws.
