## EXHIBIT "A"

### COMPLIANCE WITH LAND USE LAWS

#### **40:55D-68. Nonconforming structures and uses**

Nonconforming structures and uses. Any nonconforming use or structure existing at the time of the passage of an ordinance may be continued upon the lot or in the structure so occupied and any such structure may be restored or repaired in the event of partial destruction thereof.

The prospective purchaser, prospective mortgagee, or any other person interested in any land upon which a nonconforming use or structure exists may apply in writing for the issuance of a certificate certifying that the use or structure existed before the adoption of the ordinance which rendered the use or structure nonconforming. The applicant shall have the burden of proof. Application pursuant hereto may be made to the administrative officer within one year of the adoption of the ordinance which rendered the use or structure nonconforming or at any time to the board of adjustment. The administrative officer shall be entitled to demand and receive for such certificate issued by him a reasonable fee not in excess of those provided in R.S. 54:5-14 and R.S. 54:5-15. The fees collected by the official shall be paid by him to the municipality. Denial by the administrative officer shall be appealable to the board of adjustment. Sections 59 through 62 of P.L. 1979, c. 291 (C. 40:55D-72 to C. 40:55D-75) shall apply to applications or appeals to the board of adjustment.

In Belmar v. 2011 6th Ave., Belmar, 309 N.J. Super. 663, 674 (Law Div. 1997), the Court suggested that since the statute confers a valuable property right, a prudent purchaser or mortgagee should take steps to secure that right by insisting on the statutory certificate. Note that this section authorizes the administrative officer to issue a certificate when a party applies for it within one year from adoption of the ordinance making a use non-conforming. But a certificate issued on an application to the administrative officer beyond the one-year time limit has no effect and such an application must be to the zoning board of adjustment. See Cronin v. Township Committee, 239 N.J. Super. 611, 618 n.1 (App. Div. 1990). See also Stafford v. Stafford Zoning Bd., 154 N.J. 62, 69 (1998) (person who applies for non-conforming use certification more than one year after adoption of the pertinent ordinance must apply to zoning board).

**Hence, if your property was converted to a rental/multiple dwelling property and you do not possess a certificate certifying that the use or structure existed in that capacity prior to the adoption of the Ordinance precluding single family residents from being converted to multiple family rental units on or after December 1973, application to the Planning/Zoning Board of the Borough of Haddon Heights will be required upon sale of your property for such use to continue.**
